On Sept. 1, 2015, the U.S. Department of Justice served the City of Palm Springs with a search warrant and removed two boxes of miscellaneous records from City Hall.

The Department of Justice returned a copy of the documents and the City of Palm Springs has made them available on the City's website for public review in an effort to be as transparent as possible.

Q &A

Q: Why were the documents taken?

A: Consistent with normal procedure, the search warrant was sealed and the Department of Justice has not disclosed why the documents were taken or the reason for the search.

Q: What types of documents were removed and returned?

A: City contracts, Council and Planning Staff Reports, and various memoranda and emails from City departments.

Q: Are all the documents available to the public?

A: Yes, every document removed and returned is now available to the public without exception.

Q: What does the City know about the ongoing investigation?

A: The City of Palm Springs has not received any information regarding the investigation. The City is committed to continuing our cooperation with any and all agencies involved and to ensuring full transparency to the public we serve.

CITY COUNCIL STAFF REPORT

Continue to September 16, 2015

~~July 15, 2015~~

DATE: ~~July 1, 2015~~ PUBLIC HEARING

SUBJECT: CONSIDERATION OF A ZONE TEXT AMENDMENT TO AMEND THE PALM SPRINGS ZONING CODE (PSZC) CHAPTERS 92 AND 93 TO MODIFY THE SETBACK REQUIREMENTS AND AESTHETIC STANDARDS FOR NEW CARPORT STRUCTURES IN THE R-2 (LIMITED MULTIFAMILY RESIDENTIAL) AND R-3 (MULTIPLE-FAMILY RESIDENTIAL AND HOTEL) ZONING DISTRICTS, (CASE 5.1368 ZTA), AND APPROVAL OF AN ASSOCIATED NOTICE OF EXEMPTION PURSUANT TO CEQA.

FROM: Department of Planning Services

SUMMARY

This is a request for a Zone Text Amendment to allow, prospectively only, new carport structures located in the multi-family (R-2 and R-3) zoning districts to encroach into front or side yard setbacks, subject to landscaping and aesthetic requirements.

RECOMMENDATION

1. Open the public hearing and receive testimony; and

2. Waive the reading of the ordinance text in its entirety and read by title only, and introduce for the first reading of Ordinance No.____, "AN ORDINANCE OF THE CITY OF PALM SPRINGS, CALIFORNIA, AMENDING SECTIONS 92.04.03 AND 93.01.00 OF THE PALM SPRINGS ZONING CODE (PSZC) RELATING TO NEW CARPORT STRUCTURES IN THE R-2 (LIMITED MULTIFAMILY RESIDENTIAL) AND R-3 (MULTIPLE-FAMILY RESIDENTIAL AND HOTEL) ZONING DISTRICTS;" and

3. Approve the filing of a Notice of Exemption pursuant to Section 15305 of the CEQA Guidelines.

BACKGROUND INFORMATION

Related Relevant Actions by Planning, Building, Fire, etc.	
01/28/15	The Planning Commission reviewed two variance applications for carports at multifamily properties; the commission tabled the items and directed staff to prepare a Zone Text Amendment to allow carports to encroach into required setbacks subject to design and review requirements.
04/22/15	The Planning Commission voted 7 to 0 to recommend approval of the proposed amendment, subject to minor modifications to the proposed standards and review process.

ANALYSIS

In January 2015, the Planning Commission reviewed two Variance applications to allow new carport structures within required setbacks for existing multifamily developments. The Planning Commission tabled the items as the criteria for approval of the variances were not met, and directed staff to propose regulations that would potentially allow carport structures in specified multifamily zoning districts to encroach into required setbacks, with landscape and/or aesthetic standards that would reduce the visual impacts of the structures.

Many of the older multifamily properties in the City of Palm Springs do not have covered parking facilities or only provide limited covered parking. While covered parking is largely unnecessary for the seasonal population, it becomes a necessity as the percentage of year-round population increases. In order to encourage reinvestment in the City's multifamily housing stock and provide a competitive housing product, the relaxation of certain setback requirements for new carport structures may assist in improving and upgrading existing multifamily properties.

The proposed amendment is prospective only, does not apply to single family R-1 zones, and does not address or legalize any existing non-conforming and non-permitted carport structures. The proposed amendment would allow new unenclosed carport structures for multifamily R-2 and R-3 zoned properties to encroach into front and side yard setbacks along local and collector streets (as defined by the General Plan), but does not allow the encroachment along major or secondary thoroughfares. The intent of this exclusion is to maintain a well-landscaped appearance along the City's principal thoroughfares. The structures would require a minimum five-foot setback from the property line, so as to allow adequate room for a landscape buffer area and screen wall or hedge, and would be limited to a maximum of ten feet in height so as to minimize visual impact. Specific requirements are proposed for plantings within the buffer area, to include drought-tolerant shade trees spaced at 25-foot intervals and ground cover plantings to cover 50% or greater of the overall buffer area square footage. No turf grass would be allowed in the landscape buffer area, so as to reduce water usage.

The approval process for new proposed encroaching carports would be via a Minor Architectural Review, and would be reviewed by the Architectural Advisory Committee (AAC) and the Planning Commission. In addition to the standard criteria for architectural reviews, the design of the carport structures would be reviewed for consistency with the architecture of the principal building. An additional criterion would be added to encourage that the carport structures be designed and oriented for the immediate or future placement of solar panels.

FINDINGS – ZONE TEXT AMENDMENT

PSZC Chapter 94 does not list specific findings for approval of zone text amendments; however, proposed ordinances should be consistent with and implement the goals of the General Plan.

The proposed ordinance is consistent with the following goals and policies of the General Plan:

- Housing Element, Goal HS2: The proposed ordinance assists with the implementation of Goal HS2, in that it encourages the repair and improvement of existing multifamily properties and provides beneficial amenities to residents.
- Community Design Element, Goal CD 15: The proposed ordinance assists with the requirement for well-designed off-street parking areas, in that low walls and drought-tolerant landscape materials will be required to screen off-street parking from adjacent rights-of-way.
- Community Design Element, Goal CD24: The proposed ordinance assists with providing safe and attractive multiple-family development through the use of landscaping and screening for off-street parking facilities, and through the requirement for an architectural review process to ensure that new amenities complement existing structures.

SUMMARY AND RECOMMENDATION

The proposed amendment will allow for the development of shaded parking facilities in required setbacks in multifamily zoning districts as a means to encourage reinvestment in the City's multifamily housing stock and to provide a competitive housing product. Locational requirements and design requirements are proposed as a means to protect and enhance the appearance of the City's rights-of-way. The proposed regulations are consistent with the City's General Plan; consequently, staff recommends approval of the proposed amendment.

ENVIRONMENTAL ANALYSIS

Section 21084 of the California Public Resources Code requires Guidelines for Implementation of the California Environmental Quality Act ("CEQA"). The Guidelines are required to include a list of classes of projects which have been determined not to have a significant effect on the environment and which are exempt from the provisions of CEQA. In response to that mandate, the Secretary for Resources identified classes of projects that do not have a significant effect on the environment, and are declared to be categorically exempt from the requirement for the preparation of environmental documents. In accordance with Section 15305 "Minor Alterations in Land Use Limitations," Class 4 projects consist of minor alterations of land use limitations which do not result in any changes in land use or density. Therefore, in accordance with Section 15305, staff has determined that the Zone Text Amendment (5.1368 ZTA) is considered categorically exempt from CEQA, and with the City Council's approval, staff is prepared to file a Notice of Exemption with the Riverside County Clerk; a copy of the Notice of Exemption is included as an attachment to this report.

NOTIFICATION

A public hearing notice was published in accordance with the requirements of State law and local ordinance. As of the writing of this report, staff has not received any comment on the proposed amendment to the zoning code. Public comment received in conjunction with the Planning Commission hearing has been included in the attachments to this report.

ORDINANCE NO.____

AN ORDINANCE OF THE CITY OF PALM SPRINGS, CALIFORNIA, AMENDING SECTIONS 92.04.03 AND 93.01.00 OF THE PALM SPRINGS ZONING CODE (PSZC) RELATING TO NEW CARPORT STRUCTURES IN THE R-2 (LIMITED MULTIFAMILY RESIDENTIAL) AND R-3 (MULTIPLE-FAMILY RESIDENTIAL AND HOTEL) ZONING DISTRICTS.

City Attorney Summary

This Ordinance allows new carport structures in multifamily zoning districts to encroach into required front and side yard setbacks upon the approval of a Minor Architectural Review. Design requirements have been included to require drought tolerant landscaping and low walls to screen the carport structure and off-street parking area.

THE CITY COUNCIL OF THE CITY OF PALM SPRINGS FINDS:

A. The proposed zone text amendment (Case 5.1368 ZTA) is considered Categorically Exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Section 15305, "Minor Alterations in Land Use Limitations," of the CEQA Guidelines because the proposed zone text amendment does not propose any changes to land use or density.

B. The City Council hereby finds that adoption of the proposed Zoning Ordinance Text Amendment would:

1. Encourage reinvestment in the City's existing multifamily housing stock by allowing the construction of new carport structures at properties that would not otherwise be allowed to construct covered parking.

2. Allow existing multifamily developments to add or increase covered parking as an amenity for residents, and provide a competitive housing product.

3. Protect against visual impacts by requiring drought-tolerant landscaping and screening of encroaching carport structures.

C. The adoption of the proposed Zoning Ordinance Text Amendment would be consistent with the intent of the Zoning Ordinance and the City's General Plan as it provides an incentive for reinvestment and improvements to existing multifamily housing stock.

SECTION 1. Amend Section 92.04.03(E)(1a) of the Palm Springs Zoning Code to read:

E. Yards

1. For general provisions, see Section 93.01.00.

a. The front of a garage or carport shall be located not less than twenty-five (25) feet from the property line abutting the street from which such garage has vehicular access, and not less than twenty-five (25) feet from the opposite side of the alley from which such garage has vehicular access. Carport structures may be permitted to encroach into required setbacks per the provisions of Section 93.01.00(F).

SECTION 2. Add Section 93.01.00(F)(11) of the Palm Springs Zoning Code to read:

F. Permitted Projections into Required Yards.

11. In the R-2 and R-3 zoning districts, unenclosed carport structures may be permitted to encroach into required front and side yard setbacks, subject to the following requirements:

a. No carport structure shall be allowed to encroach into a required setback along a major thoroughfare or secondary thoroughfare.

b. Unenclosed carport structures may be permitted to encroach up to five (5) feet from a front or side property line along a local/collector street frontage. The encroachment is only permitted for carport structures which serve parking spaces that are accessed by an internal driveway, and is not permitted for parking spaces which take direct access from a public street.

c. The carport structure shall adhere to the provisions of the intersection visibility and corner cutback requirements contained in Section 93.02.00(D).

d. Carport structures shall have a height not greater than ten (10) feet.

e. A minimum five-foot wide landscape buffer is required between the carport structure and the front or side property line. The landscape buffer shall include the following:

i. Drought-tolerant shade trees planted at twenty-five (25) feet on center. The trees shall have a minimum six (6) foot clear trunk upon installation.

ii. Drought-tolerant ground cover plants, covering at least 50% of the landscape buffer area upon maturity. The remaining area may include decomposed granite or other similar inert ground cover materials. No turf shall be permitted in the required landscape buffer area.

iii. A decorative masonry wall with a minimum height of three (3) feet shall be located at the rear of the required landscape buffer to screen the carport structure from the street. The wall shall be located no closer than five (5) feet from the adjacent property lines, and shall adhere to the corner cutback provisions listed in Section 93.02.00(D). In lieu of a masonry wall, a drought-tolerant hedge may be planted between the required landscape buffer and the carport structure. The hedge shall have a minimum height of three (3) feet upon installation, and shall form a 75% opaque barrier within two years of planting.

iv. Irrigation systems for the landscape buffer areas shall be limited to drip irrigation, and shall use a "smart" controller or WaterSense-labeled controller designed to reduce water usage.

f. Carport structures which encroach into a required front or side yard setback shall be subject to the minor architectural review application process, as described in Section 94.04.00(E)(2)(a). The application shall be referred to the Planning Commission for review and action. In addition to the review criteria listed in Section 94.04.00(D), carport structures shall be evaluated for the following:

i. Consistency of form, color and materials with the principal building(s) on the subject site; and

ii. The design and orientation of the carport structures to allow for the installation of solar panels.

SECTION 3. The Mayor shall sign and the City Clerk shall certify to the passage and adoption of this Ordinance and shall cause the same, or the summary thereof, to be published and posted pursuant to the provisions of law and this Ordinance shall take effect thirty (30) days after passage.

PASSED, APPROVED, AND ADOPTED this _____ day of _____ 2015.

CERTIFICATION

STATE OF CALIFORNIA)
COUNTY OF RIVERSIDE) ss.
CITY OF PALM SPRINGS)

I, JAMES THOMPSON, City Clerk of the City of Palm Springs, California, do hereby certify that Ordinance No. ____ is a full, true, and correct copy, and was introduced at a regular meeting of the Palm Springs City Council on _____ and adopted at a regular meeting of the City Council held on _____ by the following vote:

AYES:
NOES:
ABSENT:
ABSTAIN:

_____
JAMES THOMPSON, CITY CLERK
City of Palm Springs, California

ACTION: Continue to a date certain of May 13, 2015.

Motion: Commissioner Calerdine, seconded by Commissioner Weremiuk and unanimously carried on a roll call vote.

AYES: Commissioner Calerdine, Commissioner Lowe, Commissioner Middleton, Commissioner Roberts, Commissioner Weremiuk, Vice-Chair Klatchko, Chair Hudson

2A. CONT'D - CITY OF PALM SPRINGS FOR A REQUEST TO AMEND THE PALMS SPRINGS ZONING CODE (PSZC) REGARDING THE CULTIVATION OF MEDICAL CANNABIS AND DEVELOPMENT STANDARDS FOR MEDICAL CANNABIS COOPERATIVES OR COLLECTIVES (CASE 51218-P ZTA). (FF)

Director Fagg provided an update on the subcommittee's recommendations relative to the medical cannabis facilities.

Chair Hudson opened the public hearing and with no speakers coming forward the public hearing was closed.

Commissioner Weremiuk asked about placing restrictions for water usage or recycling water.

Director Fagg said this would require further study and would forward the recommendation to the City Council.

ACTION: Recommend approval to City Council.

Motion: Commissioner Weremiuk seconded by Commissioner Middleton and unanimously carried on a roll call vote.

AYES: Commissioner Calerdine, Commissioner Lowe, Commissioner Middleton, Commissioner Roberts, Commissioner Weremiuk, Vice-Chair Klatchko, Chair Hudson

2E. CITY OF PALM SPRINGS FOR A REQUEST TO AMEND THE PALM SPRINGS ZONING CODE (PSZC) CHAPTERS 92 AND 93 TO MODIFY THE SETBACK REQUIREMENTS AND AESTHETIC STANDARDS FOR CARPORT STRUCTURES IN THE R-2 (LIMITED MULTIPLE-FAMILY RESIDENTIAL AND R-3 (MULTIPLE-FAMILY RESIDENTIAL AND HOTEL) ZONING DISTRICTS (CASE 5.1368 ZTA). (FF)

Director Fagg provided an overview on the proposed zone text amendment relating to carport structures. He pointed out that the encroachment would not be allowed along major and secondary thoroughfares.

Chair Hudson open the public hearing and with no speakers coming forward the public hearing was closed.

Commissioner Calerdine commented that allowing carport structures for the medium density apartments along Andreas (north side of Tahquitz) may be a big improvement.

Commissioner Roberts expressed concern that carports could have a significant impact to the architecture and their neighbors. He thinks the Commission should review these instead of the AAC.

Commissioner Weremiuk concurred and requested the following verbiage:

- Drought tolerant inserted front of the word "ground cover";
- Plantings have drip irrigations and installation of Smart meters.

Commissioners Middleton agreed that having these come for review before the Commission for a trial period on the aesthetics is prudent.

Vice-Chair Klatchko agreed and felt uncomfortable delegating this to the AAC. The AAC should review first and then come to Commission.

Commissioner Roberts suggested placing these on the consent calendar.

ACTION: Recommend approval to the City Council with the recommendations made by the Commission.

Motion Commissioner Lowe, seconded by Commissioner Middleton and unanimously carried on a roll call vote.

AYES: Commissioner Calerdine, Commissioner Lowe, Commissioner Middleton, Commissioner Roberts, Commissioner Weremiuk, Vice-Chair Klatchko, Chair Hudson

PLANNING COMMISSION COMMENTS:

The Commission commented and/or asked for clarification on the following items:

- Add Crossley Road and Vibrante street name changes on upcoming agenda;
- Upcoming Water Task board meeting;
- Map of Crossley track area;
- Water issues: Review new construction is plumbed for gray water for landscaping projects. Consider implementing restrictions on turf on all new construction;
- Cut-off time to accept written public comment;
- Subcommittee could review new water standards coming out in 2016 such as State faucets and toilets, green code and tankless water heaters;
- Costs associated with street name changes;

RE: Request for Twenty-five foot variance for construction of additional carports at The Palms (aka Palm Villas), 3155 East Ramon Road, Palm Springs, California 92264

The Palms is a condo association working diligently to enhance the beauty of our complex, conserve natural resources, ensure safety for our residents and make a positive contribution to our neighborhood community. As part of that mission, we want to provide covered parking for the 20% of owners who are doing without.

This letter, with accompanying documentation, is intended to provide Palm Springs Planning Commission with data needed to make a determination to approve a Variance for the construction of additional carports at the above location.

Details of the Project:

The Palms (aka Palm Villas) was built in 1979

- Covered parking (carports) were constructed for 83 but not all 88 homeowners, which was not in compliance with the **Original Approved Condominium Plan (Exhibits 1 and 2)**
    - Including:
        - 2 covered parking spaces outside the gated security entrance on Compadre Road(security issue) **(Exhibit 3)**
        - 2 partially covered spaces in the main entrance parking area **(Exhibit 4)**
        - 4 spaces which can block or hinder emergency access of fire or medical personnel near walking entrances to condominiums **(Exhibit 5)**
        - 8 spaces totally without covers on the East side of parking property leaving an unbalanced/unfinished look to the property **(Exhibit 6)**
            - Creates and inequality in the condominium setting as all homeowners pay the same association dues**(Exhibit 7)**

At this time, to deal with the above immediate issues to resolve the above issues, the HOA of the Palms is requesting a twenty-five foot variance along the Theresa property line to build two (2) carports covering 18 existing parking spaces inside our gates. **(Exhibit 8)** This will address the flawed situation established at the time of original construction in 1979/80.

The Palms' Environmental History:

In 2007, The Palms embarked on a series of projects to update our property and buildings. Our goal is to be more environmentally conscious and a good neighbor to our neighbors on Ramon Road, Compadre Road and Theresa Drive.

RECEIVED
MAY 13 2015
PLANNING SERVICES
DEPARTMENT

In a time of transition, we were known as the condos with the blue tarps covering our roofs. That was when conditions were in need of much repair. Our 88 owners came together and paid more than $1-million to have the roofs redone. To enhance conservation, we upgraded to proper roofing materials and colors to reduce heat absorption and create a more compatible look for our neighbors. Once this was successfully completed, we repaired and preplaced wood accents and siding, painting them colors more compatible with our roofing tiles.

The Palms was among the first Associations in Palm Springs (with high visibility at 3155 East Ramon Road) to seek City Permits to reduce water by converting to Desert Landscaping. **(Exhibit 9)** The first steps were taken on Theresa Drive, followed by Ramon Road and Compadre easements. Also, we reduced water in our interior spaces implementing complimentary areas of desert landscaping and greenbelts between our buildings. We enhanced our security with cameras, LED walkway and security lighting and pole lighting, while committing to "dark skies" conservation methods. We converted all 1980s "lollipop' light fixtures to LED down lights. **(Exhibit 10)** We added several walls to replace rusting fences and, we hope, have enhanced the security of our neighborhood. **(Exhibit 11))**

We are in the process of updating our pools with solar thermal heating/cooling systems to be more efficient in our water and electric conservation. Additional landscape projects are projected over the next several years. We will be replacing our streets and parking area with new pavement sometime after 2017. All of these projects are active contributions to our community in positive ways.

In alignment with our continuous improvement goals, we are requesting the commission's endorsement of our efforts to improve the balanced use of our parking areas and provide consistent amenities to **ALL 88** of our homeowners. That is why we are requesting a variance of twenty-five feet on the Theresa Drive side of our property to install two (2) carport structures as shown.

Re: Support for '5.1368-ZTA, Zone Text Amendment to allow Carport Structures in R-2 and R-3 zoning Districts'

Dear Mayor Steve Pougnet:

The Palms (aka Palm Villas) Carport Committee supports, '5.1368-ZTA, Zone Text Amendment to allow Carport Structures in R-2 and R-3 zoning Districts'. On March 3, our committee filed a 'Request for Variance' to obtain approval from City Planning to build 18 carports to partially complete the design of the original approved (1979) building plans for The Palms (aka Palm Villas) which were not adhered to. This amendment provides the vehicle to be successful in our task and allows us to move forward and request Permits to build the carports.

The Palms is a condo association working diligently to enhance the beauty of our complex, conserve natural resources, ensure safety for our residents and make a positive contribution to our neighborhood community. As part of that mission, we want to provide covered parking for the 20% of owners who are doing without.

The Palms' Environmental History:

In 2007, The Palms embarked on a series of projects to update our property and buildings. Our goal is to be more environmentally conscious and a good neighbor to our neighbors on Ramon Road, Compadre Road and Theresa Drive.

In a time of transition, we were known as the condos with the blue tarps covering our roofs. That was when conditions were in need of much repair. We converted all 1980s "lollipop' light fixtures to LED down lights. We added several walls to replace rusting fences and, we hope, have enhanced the security of our neighborhood.

We updated our pools with solar thermal heating/cooling systems to be more efficient in our water and electric conservation. Additional landscape projects are projected over the next several years. We will be replacing our streets and parking area with new pavement sometime after 2017. All of these projects are active contributions to our community in positive ways.

The Palms wants to be a positive neighbor and continue to improve our complex as part of the City of Palm Springs.

Sincerely,

Ronnie Thompson, Chair, The Palms Carport Committee

Re: Support for '5.1368-ZTA, Zone Text Amendment to allow Carport Structures in R-2 and R-3 zoning Districts'

Dear Mayor pro tem Paul Lewin:

The Palms (aka Palm Villas) Carport Committee's supports, '5.1368-ZTA, Zone Text Amendment to allow Carport Structures in R-2 and R-3 zoning Districts'. On March 3, our committee filed a 'Request for Variance' to obtain approval from City Planning to build 18 carports to partially complete the design of the original approved (1979)building plans for The Palms (aka Palm Villas) which were not adhered to. This amendment provides the vehicle to be successful in our task and allows us to move forward and request Permits to build the carports.

The Palms is a condo association working diligently to enhance the beauty of our complex, conserve natural resources, ensure safety for our residents and make a positive contribution to our neighborhood community. As part of that mission, we want to provide covered parking for the 20% of owners who are doing without.

The Palms' Environmental History:

In 2007, The Palms embarked on a series of projects to update our property and buildings. Our goal is to be more environmentally conscious and a good neighbor to our neighbors on Ramon Road, Compadre Road and Theresa Drive.

In a time of transition, we were known as the condos with the blue tarps covering our roofs. That was when conditions were in need of much repair. Our 88 owners came together and paid more than $1-million to have the roofs redone. To enhance conservation, we upgraded to proper roofing materials and colors to reduce heat absorption and create a more compatible look for our neighbors. Once this was successfully completed, we repaired and preplaced wood accents and siding, painting them colors more compatible with our roofing tiles.

The Palms was among the first Associations in Palm Springs (with high visibility at 3155 East Ramon Road) to seek City permits to reduce water by converting to Desert Landscaping. The first steps were taken on Theresa Drive, followed by Ramon Road and Compadre easements. Also, we reduced water in our interior spaces implementing complimentary areas of desert landscaping and greenbelts between our buildings. We enhanced our security with cameras, LED walkway and security lighting and pole lighting, while committing to "dark skies" conservation methods. We converted all 1980s "lollipop' light fixtures to LED down lights. We added several walls to replace rusting fences and, we hope, have enhanced the security of our neighborhood.

We updated our pools with solar thermal heating/cooling systems to be more efficient in our water and electric conservation. Additional landscape projects are projected over the next several years. We will be replacing our streets and parking area with new pavement sometime after 2017. All of these projects are active contributions to our community in positive ways.

The Palms wants to be a positive neighbor and continue to improve our complex as part of the City of Palm Springs.

Sincerely,

Ronnie Thompson, Chair, The Palms Carport Committee

CONTINUITY • STRENGTH • UNITY

May 14, 2015

Re: City of Palm Springs
5.1368-ZTA Zone Text Amendment

To Whom It May Concern:

The Gaffney Group manages common interest developments, many of which are located in the City of Palm Springs, including The Palms HOA and Mesquite Country Club Condominium HOA. We, and the associations we manage, strongly support the approval of the above referenced amendment for several reasons.

If approved, associations will be permitted to construct additional carports without going through a great deal of red tape. In many cases these additional carports will correct errors that occurred during construction and the resultant inequities which condominium owners have been living with for years.

If approved, it will eliminate a setback restriction which, in some cases, had no bearing and did not affect aesthetics, but required association compliance regardless of circumstances.

The Gaffney Group hopes that the Palm Springs City Council will approve the proposed Zone Text Amendment and urges it to do so.

Sincerely,

Bobbie Gaffney, CCAM, PCAM
President

NOTICE OF PUBLIC HEARING
CITY COUNCIL
CITY OF PALM SPRINGS

CASE 5.1368 ZTA
FOR A ZONING TEXT AMENDMENT TO THE
PALM SPRINGS ZONING CODE (PSZC)
REGARDING STANDARDS FOR CARPORT STRUCTURES IN
THE R-2 AND R-3 MULTIPLE-FAMILY RESIDENTIAL ZONES

NOTICE IS HEREBY GIVEN that the City Council of the City of Palm Springs, California, will hold a public hearing at its meeting of July 1, 2015. The City Council meeting begins at 6:00 p.m. in the Council Chamber at City Hall, 3200 East Tahquitz Canyon Way, Palm Springs.

The purpose of the hearing is to consider Case 5.1368 ZTA, an application by the City of Palm Springs, to amend Palm Springs Zoning Code (PSZC) Chapters 92 and 93 to modify the setback requirements and aesthetic standards for carport structures in the R-2 (Limited Multiple-Family Residential) and R-3 (Multiple-Family Residential and Hotel) zoning districts.

ENVIRONMENTAL DETERMINATION: The City of Palm Springs, in its capacity as the Lead Agency, under the California Environmental Quality Act (CEQA) has determined that the proposed zoning code text amendment is Categorically Exempt under Section 15305 (Minor Alterations in Land Use Limitations) of the Guidelines for the California Environmental Quality Act since the proposed zone text amendment proposes only insignificant changes to the land use designations provisions.

REVIEW OF INFORMATION: The staff report and other supporting documents regarding this matter are available for public review at City Hall between the hours of 8:00 a.m. and 6:00 p.m., Monday through Thursday. Please contact the Office of the City Clerk at (760) 323-8204 if you would like to schedule an appointment to review these documents.

COMMENTS: Response to this notice may be made verbally at the Public Hearing and/or in writing before the hearing. Written comments may be made to the City Council by letter (for mail or hand delivery) to:

James Thompson, City Clerk
3200 E. Tahquitz Canyon Way
Palm Springs, CA 92262

Any challenge of the proposed project in court may be limited to raising only those issues raised at the public hearing described in this notice, or in written correspondence delivered to the City Clerk at, or prior to, the public hearing. (Government Code Section 65009[b][2]).

An opportunity will be given at said hearing for all interested persons to be heard. Questions regarding this case may be directed to Flinn Fagg, Director of Planning Services, at (760) 323-8245.

Si necesita ayuda con esta carta, por favor llame a la Ciudad de Palm Springs y puede hablar con Felipe Primera telefono (760) 323-8253.

James Thompson, City Clerk

Re: Case 5.1368 ZTA for a Zoning Text Amendment to the Palm Springs Zoning Code (PSZC) Regarding Standards for Carport Structures in the R-2 and R-3 Multiple-Family Residential Zones

The Soboba Band of Luiseño Indians appreciates your observance of Tribal Cultural Resources and their preservation in your project. The information provided to us on said project(s) has been assessed through our Cultural Resource Department, where it was concluded that although it is outside the existing reservation, the project area does fall within the bounds of our Tribal Traditional Use Areas. At this time the Soboba Band does not have any specific concerns regarding known cultural resources in the specified areas that the project encompasses, but does request that the appropriate consultation continue to take place between the tribes, project proponents, and government agencies.

Also, working in and around traditional use areas intensifies the possibility of encountering cultural resources during any future construction/excavation phases that may take place. For this reason the Soboba Band of Luiseño Indians requests that approved Native American Monitor(s) be present during any future ground disturbing proceedings, including surveys and archaeological testing, associated with this project. The Soboba Band recommends that you contact the Agua Caliente Band of Cahuilla Indians and other tribes that are closer to the project area. In the event that future monitoring does become necessary and a monitor from the Agua Caliente Band of Cahuilla Indians is not able to be retained, cultural monitors from the Soboba Band of Luiseño Indians will be available.

Sincerely,

Joseph Ontiveros
Cultural Resource Director

Re: Palm Springs Planning Item 3.3830MAJ
Appeal of Planning Commission Decision

Dear Mr. Thompson

I am involved as a partner in a Limited Liability Company that has owns land in Palm Springs and have previously been involved in the development and ownership of other land in Palm Springs.

This letter will serve as my appeal of the City of Palm Springs Planning Commission approval of Item 3.3830-MAJ that was heard and approved on June 24th, 2015.

I believe that the Planning Commission is establishing an incorrect and bad precedent by increasing the 20 foot rear and side setbacks on this property to 40 and 50 feet on the South and East side of their property. This action will penalize other properties that abut the Escena development.

Your current zoning code provides for a 20 foot rear and side setback when M-1-P property abuts other M-1-P property and that all zoning and or change of zoning, including Planned Developments, must be reflected on your Official Zoning Map. I have visited your official Zoning Map on line and it does not reflect that the adjacent Planned Development was every finalized and shows the property involved in Item 3.3830-MAJ, and the adjacent Escena land, to be both zoned M-1-P. Thus a side and rear setback of 20 foot is the maximum required and no variance and a larger setback should legally have been required of this project.

Thank you,

George Henzel

We received your request for appeal; however, receipt of $982.18 ($546.00 appeal fee plus $436.18 notification charges) is due today (we close at 6:00pm) in accordance with the following section of the Palm Springs Municipal Code regarding appeals to the City Council. For your information, we have just received another appeal on the same case.

Chapter 2.05 APPEAL TO CITY COUNCIL

2.05.010 Exclusive procedure.

Except in cases involving the administrative appeals board pursuant to Chapter 2.50 or as otherwise specifically provided by this code or other ordinances, all appeals to the city council otherwise allowed by the code or other ordinances shall be prosecuted in accordance with this chapter. (Ord. 1537 § 1, 1996: Ord. 1226 § 1, 1984)

2.05.020 Definitions.

For purposes of this chapter:

(1) "Aggrieved person" means:

(A) Any applicant who has been denied a permit or license or who has been granted a permit or license subject to conditions by any administrative officer or agency of the city, where such denial or grant is otherwise appealable; or

(B) Any person who was entitled to notice of the application by another for a permit or license, whether or not such notice was actually given, and who is dissatisfied that the permit or license was granted with or without conditions, where such grant is otherwise appealable; or

(C) Any person whose personal, pecuniary or property right or interest is directly and adversely affected, or upon whom a substantial burden or obligation is imposed by the action or decision appealed from.

(2) "Administrative agency" means an organ of the city government other than the city council which affects the rights of private parties through adjudication or rulemaking.

(3) "Administrative officer" means an officer of the city who is not a member of the legislative body or appointed boards or commissions. Such officers include but are not limited to the city manager, chief of police, director of transportation and director of community development.

(4) "Appellant" means an aggrieved person directly affected by an action, who files an appeal.

(5) "Intervenor" means a person aggrieved by the grant of a permit or license to another, or who was entitled by law to notice of the action taken, who seeks to be heard concerning such person's interest in an appeal.

(6) "Respondent" means the administrative officer or agency which took the action appealed from, and any other administrative officer or agency named as respondent in an appeal.

(Ord. 1226 § 1, 1984)

2.05.030 Filing of appeal.

A person aggrieved by an action taken by an administrative officer or administrative agency of the city may appeal the action to the city council, if the action is made appealable by applicable provision of the Palm Springs Municipal Code or other city ordinance, by filing with the city clerk a written notice of appeal which sets forth the appellant's full name and mailing address, the specific action appealed from, the grounds for the appeal and the relief sought; and paying to the city clerk such fee as the city council may establish by resolution. (Ord. 1226 § 1, 1984)

2.05.040 Time of filing.

The notice required by Section 2.05.030 shall be filed no later than ten days following the date of mailing to appellant of notice of the action from which the appeal is taken or, if there is no such mailing and/or none is required, no later than fifteen days following the date of the action which is the subject of the appeal. The city clerk shall furnish a copy of the appeal to the respondent within five days after filing. (Ord. 1226 § 1, 1984)

2.05.050 Time of hearing—Notice.

(a) The city clerk, upon receipt of the notice of appeal, shall set a time and place for the hearing of such appeal by the council.

The appeal shall be heard no more than forty-five days following the filing of the notice of appeal unless the parties waive such time limits.

(b) Notice of the time and place of the hearing shall be mailed or otherwise delivered by the city clerk to the appellant, respondent and all other persons, if any, to whom notice of the initial application or action was required, not less than ten days prior to hearing. If publication of the initial application or action being appealed was required, the notice of appeal shall be published in like manner. (Ord. 1233 § 1, 1985: Ord. 1226 § 1, 1984)

2.05.060 Answer and cross-appeal.

Respondent is not required to file an answer to the appeal. If no answer is filed, every material allegation of the appeal is in issue.

After an appeal has been initiated, a cross-appeal may be brought by any person who would otherwise have had standing to appeal the subject action or decision. The cross-appellant shall file a written notice of cross-appeal with the city clerk stating cross-appellant's full name and mailing address, the specific action appealed from, the grounds for the cross-appeal and the relief sought. Such notice shall be filed no less than five days prior to hearing except for good cause shown to the satisfaction of the city council. (Ord. 1226 § 1, 1984)

2.05.070 Designation of parties.

(a) A person who is aggrieved by the denial to him of a permit or license or the grant to him of such permit or license with conditions, or whose personal or property right was the subject of the action appealed from, shall be designated "appellant."

(b) A person who is aggrieved by the grant with or without conditions of a permit or license to another, or who was entitled by law to receive notice of the application for permit or license whether or not such notice was actually given, shall be designated "intervenor."

(c) Unless the appeal names some other respondent, the administrative officer or administrative agency which took the action or made the decision appealed from shall be designated "respondent." (Ord. 1226 § 1, 1984)

2.05.080 Hearing by council.

At the time of hearing of the appeal by the city council, the appellant shall be limited in his presentation to the specific grounds for appeal set forth in his notice of appeal and shall have the burden of establishing cause why the action appealed from should be altered, reversed or modified. All parties shall have the right to be heard by the council either in person or by counsel. Technical rules of evidence shall not apply in proceedings under this chapter. No party shall have the right to cross-examine any other party or witness except for good cause shown to the satisfaction of the council. (Ord. 1226 § 1, 1984)

2.05.090 Dismissal for nonprosecution.

If appellant fails to appear, either in person or by counsel, at the appointed time and place for hearing, such failure to appear shall constitute sufficient grounds for denial of the appeal. Such denial for nonprosecution shall not affect the right of a cross-appellant, if any, to proceed with a cross-appeal. (Ord. 1226 § 1, 1984)

2.05.100 Time for decision—Effective when.

(a) The city council shall render its decision within fifteen days following the conclusion of the hearing of the appeal. Upon finding good cause to do so, the city council may extend the time for rendering its decision up to ninety days. The council by its decision may reverse, modify or affirm the administrative action taken.

(b) No later than five days following the rendering of the council's decision the city clerk shall mail or otherwise deliver a copy of said decision to each party who appeared during the proceedings, or who requested to be furnished a copy of the decision. Failure of the city clerk to mail or deliver a copy of the decision to each party or to any party shall not affect the finality or effectiveness of the decision. The council's decision shall be final and effec

tive at the final adjournment of the meeting at which the decision is rendered, except in those cases where the council is authorized to grant a rehearing, in which case the council's decision shall be final and effective:

(1) When the time to petition for rehearing has expired without the filing of a petition for rehearing; or

(2) Upon the denial of a petition for rehearing.

(Ord. 1226 § 1, 1984)

2.05.110 Reconsideration.

Without granting a rehearing, the city council may reopen and reconsider a decision at any time before the decision becomes final. A motion to reconsider may be made only by a member of the city council who voted in favor of the decision. (Ord. 1226 § 1, 1984)

2.05.120 Rehearing.

In those cases where the effect of a decision on appeal is to deny a permit or entitlement, an appellant may apply for a rehearing by filing with the city clerk and serving upon the other parties, within fifteen days of the date when the decision was rendered, a petition therefor. Within thirty days after the filing of such petition, the council shall grant or deny the petition, in whole or in part. Failure to act within the thirty day limit shall constitute denial of the petition. (Ord. 1226 § 1, 1984)

CITY CLERK

March 31, 2015

Mr. Flynn Fagg
Director of Planning Services
City of Palm Springs
3200 E. Tahquitz Canyon Way
Palm Springs, CA 92262

Re: Formal Appeal of Planning Commission Decision on March 25th, 2015 for Case No. 5.1361 –PD-375, 3.3820 MAJ & TTM 36876 – "Aberdeen" Mixed-Use Project (the "Project")

Dear Flynn:

We are aware of the Planning Commission's action taken on March 25, 2015 to deny approval of the Aberdeen Palm Springs Mixed-Use project (as identified above, the "Project") located at the northeast corner of Tahquitz Canyon Way and Calle El Segundo. We would like this letter to act as our formal appeal of that decision and ask that the Project be considered by the City Council at their next regularly scheduled meeting on April 15, 2015.

The Planning Commission had many mixed comments regarding the architecture and uses within the Project. In some cases, comments provided by commissioners on the February 25, 2015 meeting were contradicted by themselves on March 25, 2015. As the applicant, it was very difficult to clearly understand what would satisfy the Planning Commission given the amount of modifications that were made to the Project as a direct result of comments provided on February 25, 2015. Regardless of the inconsistent comments received between the two (2) planning commission meetings and two (2) architectural advisory committee meetings that we participated in, we believe that the Project has the potential to be a catalyst for employment, community outreach, and economic development within the City.

We feel that this location is ideally suited for a mixed-use project consisting of live/work lofts, restaurant/retail, office, and high-density residential as proposed in the plans presented to the Planning Commission on March 25, 2015. The proposed project ties together the surrounding uses of commercial/movie theater, hospitality (including high-rise), residential, and casino that already exist and are similarly identified as REO/RA areas of the Section 14 Specific Plan. We also believe that the Project provides substantial public benefit given how much developable land is being sacrificed in order to provide a new street, Calle Alvarado, which will allow for new pedestrian and vehicular access to the

convention center from Tahquitz Canyon Way. Additional public benefit is provided by a large art plaza in the center of the southern portion of the project. Finally, the plans presented on March 25, 2015 Planning Commission meeting incorporated one (1) existing building and converted it into office and retail/restaurant space for the Project.

We are excited to present the Project in further detail to the City Council and greatly appreciate your assistance with this request to appeal the Planning Commission's decision. Please do not hesitate to contact myself or Rich Meaney if you should have any questions.

Sincerely,

Rob W. Eres

RE: Case Nos. 5.1361 PD-375, 3.3820 MAJ & TTM 36876 – "Aberdeen" Mixed Use Project

Mr. Eres,

On March 25, 2015, the Planning Commission considered the subject applications for a mixed-use project consisting of (73) attached and detached residential dwellings, (13) live-work units and approximately 7,811-square feet of existing commercial space on approx. 8.05-acres located at the northeast corner of Calle El Segundo and Tahquitz Canyon Way. At this meeting the Planning Commission voted 4-3 to deny the project based on the following:

- The project does not conform to the development standards of the Section 14 Specific Plan;
- The project does not conform to the development standards of the City's High-Rise Building regulations, and general concerns about building heights in excess of 35 feet;
- Scale of residential buildings with respect to separation and height;
- Concerns regarding the design, parking, setbacks, and viability of the live/work spaces on Tahquitz Canyon Way;
- Inadequacy of the perimeter landscaping;
- Failure to address concerns noted by the Planning Commission at the February 25, 2015 meeting, including but not limited to increased building separation, increased street widths, and unencumbered pedestrian access; and
- Further analysis needed on the historical value of existing Kaptur buildings, and preference to retain two of the four existing buildings.

In accordance with section 2.05.040 of the Palm Springs Municipal Code, you may appeal the decision of the Planning Commission to the City Council within ten days of the date of this letter. The appeal request must be in writing and presented to the City Clerk with a fee of $546.00 (excludes notification fee, which was previously paid) by 6:00 p.m. on Monday, April 6, 2015.

If you have any questions about this letter, please contact me at (760) 323-8245.

Sincerely,

David Newell

NOTICE OF PUBLIC HEARING
CITY COUNCIL
CITY OF PALM SPRINGS

APPEAL OF CASE NOS.: 5.1361 PDD 375 / 3.3820-MAJ & TTM 36876
O & M HR, LLC / NEXUS DEVELOPMENT CORP. FOR "ABERDEEN"
8.05-ACRES AT NORTHEAST CORNER OF TAHQUITZ CANYON WAY AND CALLE EL SEGUNDO

NOTICE IS HEREBY GIVEN that the City Council of the City of Palm Springs, California, will hold a public hearing at its meeting of April 15, 2015. The City Council meeting begins at 6:00 p.m., in the Council Chamber at City Hall, 3200 East Tahquitz Canyon Way, Palm Springs.

The purpose of this hearing is to consider an appeal by Nexus Development Corp. representing O & M HR, LLC, regarding the March 25, 2015, Planning Commission denial decision of a proposed mixed-use project called Aberdeen; a proposal to demolish existing buildings and parking areas for the construction of seventy-four (74) attached and detached residential dwellings, seventeen (17) live-work units and approximately 1,568 square feet of commercial-retail space on approximately 8.05-acres located at the northeast corner of Tahquitz Canyon Way and Calle El Segundo, zone REO and CU.

ENVIRONMENTAL DETERMINATION: An Initial Study was prepared for the project and it determined that the project would have less than significant impact with the incorporation of mitigation measures. Members of the public may view this document at the Planning Services Department, City Hall, 3200 East Tahquitz Canyon Way, Palm Springs, and submit written comments at, or prior to, the Council hearing.

REVIEW OF PROJECT INFORMATION: The staff report and other supporting documents regarding this project are also available for public review at the City Hall between the hours of 8:00 a.m. and 6:00 p.m. Monday through Thursday. Please contact the Office of the City Clerk at (760) 323-8204 if you would like to schedule an appointment to review these documents.

COMMENT ON THIS APPLICATION: Response to this notice may be made verbally at the Public Hearing and/or in writing before the hearing. Written comments may be made to the City Council by letter (for mail or hand delivery) to:

James Thompson, City Clerk
3200 E. Tahquitz Canyon Way
Palm Springs, CA 92262

Any challenge of the proposed project in court may be limited to raising only those issues raised at the public hearing described in this notice, or in written correspondence delivered to the City Clerk at, or prior, to the public hearing. (Government Code Section 65009[b][2]).

An opportunity will be given at said hearing for all interested persons to be heard. Questions regarding this case may be directed to David Newell, Associate Planner, at (760) 323-8245.

Si necesita ayuda con esta carta, porfavor llame a la Ciudad de Palm Springs y puede hablar con Felipe Primera telefono (760) 323-8253.

RE: City Council Meeting – April 15, 2015
Case 5.1361 PDD 375 TTM 36876 Appeal – Aberdeen

Dear Ms. Salgado:

The City Council will be conducting a public hearing at 6:00 p.m. on April 15, 2015, to consider an Appeal for a mixed-use project called Aberdeen at the northeast corner of Tahquitz Canyon Way and Calle El Segundo.

I have enclosed copies of the notice for distribution and your file; however, please advise if additional notices are required.

Re: Formal Appeal of Planning Commission Decision on March 25th, 2015 for Case No. 5.1361 –PD-375, 3.3820 MAJ & TTM 36876 – "Aberdeen" Mixed-Use Project (the "Project")

Dear Flynn:

We are aware of the Planning Commission's action taken on March 25, 2015 to deny approval of the Aberdeen Palm Springs Mixed-Use project (as identified above, the "Project") located at the northeast corner of Tahquitz Canyon Way and Calle El Segundo. We would like this letter to act as our formal appeal of that decision and ask that the Project be considered by the City Council at their next regularly scheduled meeting on April 15, 2015.

The Planning Commission had many mixed comments regarding the architecture and uses within the Project. In some cases, comments provided by commissioners on the February 25, 2015 meeting were contradicted by themselves on March 25, 2015. As the applicant, it was very difficult to clearly understand what would satisfy the Planning Commission given the amount of modifications that were made to the Project as a direct result of comments provided on February 25, 2015. Regardless of the inconsistent comments received between the two (2) planning commission meetings and two (2) architectural advisory committee meetings that we participated in, we believe that the Project has the potential to be a catalyst for employment, community outreach, and economic development within the City.

We feel that this location is ideally suited for a mixed-use project consisting of live/work lofts, restaurant/retail, office, and high-density residential as proposed in the plans presented to the Planning Commission on March 25, 2015. The proposed project ties together the surrounding uses of commercial/movie theater, hospitality (including high-rise), residential, and casino that already exist and are similarly identified as REO/RA areas of the Section 14 Specific Plan. We also believe that the Project provides substantial public benefit given how much developable land is being sacrificed in order to provide a new street, Calle Alvarado, which will allow for new pedestrian and vehicular access to the

convention center from Tahquitz Canyon Way. Additional public benefit is provided by a large art plaza in the center of the southern portion of the project. Finally, the plans presented on March 25, 2015 Planning Commission meeting incorporated one (1) existing building and converted it into office and retail/restaurant space for the Project.

We are excited to present the Project in further detail to the City Council and greatly appreciate your assistance with this request to appeal the Planning Commission's decision. Please do not hesitate to contact myself or Rich Meaney if you should have any questions.

Sincerely,

Rob W. Eres

RE: Case Nos. 5.1361 PD-375, 3.3820 MAJ & TTM 36876 – "Aberdeen" Mixed Use Project

Mr. Eres,

On March 25, 2015, the Planning Commission considered the subject applications for a mixed-use project consisting of (73) attached and detached residential dwellings, (13) live-work units and approximately 7,811-square feet of existing commercial space on approx. 8.05-acres located at the northeast corner of Calle El Segundo and Tahquitz Canyon Way. At this meeting the Planning Commission voted 4-3 to deny the project based on the following:

- The project does not conform to the development standards of the Section 14 Specific Plan;
- The project does not conform to the development standards of the City's High-Rise Building regulations, and general concerns about building heights in excess of 35 feet;
- Scale of residential buildings with respect to separation and height;
- Concerns regarding the design, parking, setbacks, and viability of the live/work spaces on Tahquitz Canyon Way;
- Inadequacy of the perimeter landscaping;
- Failure to address concerns noted by the Planning Commission at the February 25, 2015 meeting, including but not limited to increased building separation, increased street widths, and unencumbered pedestrian access; and
- Further analysis needed on the historical value of existing Kaptur buildings, and preference to retain two of the four existing buildings.

In accordance with section 2.05.040 of the Palm Springs Municipal Code, you may appeal the decision of the Planning Commission to the City Council within ten days of the date of this letter. The appeal request must be in writing and presented to the City Clerk with a fee of $546.00 (excludes notification fee, which was previously paid) by 6:00 p.m. on Monday, April 6, 2015.

If you have any questions about this letter, please contact me at (760) 323-8245.

Sincerely,

David Newell

Re: Crescendo and The Boulders hillside residential developments

It has been many years since I have stood before you to address the issue of the negative impact of the above-two proposed developments. As a one-year extension for Crescendo is to be voted on tonight, and The Boulders is part of your prior Staff Report, it seems appropriate to speak again.

While there were several significant impacts on the neighborhood as contained in the original and modified Tract Maps, one of the most undeniable impacts was that of the actual excavation and grading of the land, and subsequent removal of the in-ground boulders (small "b"). In addition to the noise and vibration of the excavation of such a large area, the impact on air pollution (PM10) would be untenable.

For years those were just words, words that expressed real issues. Now, we have living proof, and it is 2 houses away from mine and across the street from the Southern boundary of The Boulders (capital "B").

The permit issued for the The Schnabel residence at 925 Chino Canyon was for a specific, limited remodel. In reality, it is new construction and is therefore a valid comparison to what we face with The Boulders and Crescendo. The re-grading of the existing property took over two months just to excavate the boulders from the earth. While I was assured that the mega-pile was to be "repurposed into the landscape", it became so enormous that I brought it to the City's attention. And as it turns out, I was right. Construction was stopped and 10 days of dump trucks ensued to remove most of the pile.

During the excavation, my house shuddered and shook with every boulder being dropped by the crane onto the pile, as if a 3.2 earthquake had just rolled through the Valley. The equally annoying boom of a crane dropping boulders into an empty metal dump truck created more dust and noise. And this is just one house.

Imagine if you will, a large development with dozens of homes. The affect on our health and well-being would be staggering. The quality of life in the immediate surrounding areas would be all but destroyed over the years of build-out. And existing neighbors would see their property values fall because, after all, who wants to come to peaceful Palm Springs and live near a construction site with no end in sight?

I urge you to seriously reconsider the impacts these two major housing developments will have on Palm Springs in any decision you make tonight or in the future. I have included four photographs of the boulder pile and I respectfully request this letter and the photographs be entered into the record.

Respectfully,

Andy Linsky

Palm Springs, CA 92262

Re: Case 5.0977-PD288/TTM 31887 AMND
Lugo Lofts on Lugo Road

Dear Mr. Thompson:

I own a condominium at the St. Baristo development. It is my understanding that Mr. Wessman through his Baristo Group, LLC intends to develop Phase 3 of St. Baristo as a separate community called Lugo Lofts on Lugo Road. However, there is a Declaration of Annexation for Phase 3 of St. Baristo recorded on 11/16/2006.

There are certain common area interests that need to be resolved with Mr. Wessman before Phase 3 is de-annexed as follows:

1) Resolve water meter issue so that St. Baristo is not faced with reading sub-meter(s) and billing back Lugo Loft owners. Since the water line is already extended through Phase 3, Mr. Wessman needs to confirm that the Water Department will install a separate master meter for Lugo Lofts and bill them directly for water usage.

2) Mr. Wessman needs to make an agreed upon capital contribution to the St. Baristo reserves that will cover future maintenance of our roads and water lines used by the Lugo Lofts community.

3) The St. Baristo community needs written confirmation from Mr. Wessman that our pool facilities and guest parking area are not shared with the Lugo Lofts community.

Sincerely,

E. Flottemesch

Edward Flottemesch

AMENDMENT NO. 6 TO AGREEMENT FOR OPERATION OF THE PALM SPRINGS INTERNATIONAL FILM FESTIVAL

This Amendment No. 6 to the Agreement for Operation of the Palm Springs International Film Festival ("Amendment") is made and entered into this 22nd day of September, 2010, by and between the City of Palm Springs, California, a California Charter City and municipal corporation ("City"), and the Palm Springs International Film Festival ("Festival").

RECITALS

A. On April 1, 1992, City and Festival entered into an Agreement for Operation of the Palm Springs International Film Festival pursuant to which Festival agrees to organize, manage and produce an annual Palm Springs International Film Festival in January of each year and the City agreed to compensate Festival for such services.

B. Subsequently the Agreement was amended by Amendment No. 1, Amendment No. 2, Amendment No. 3, Amendment No. 4 and Amendment No. 5 collectively referred as the "Agreement."

C. City and Festival desire to amend the Agreement to extend the Agreement for another year.

AGREEMENT

The City and Festival hereby agree as follows:

SECTION 1. Section 3.2 of the Agreement (entitled "Term") is amended to read as follows:

"3.2 Term. The term of this Agreement is hereby extended to June 30, 2011, provided that this Agreement shall terminate on the occurrence of the event of termination specified in Section 3.3."

SECTION 2. Page 6, Item No. 4, of the Scope of Services attached to Amendment No. 5, and incorporated herein, is hereby amended to correct the City's website to read www.palmspringsca.gov.

SECTION 3. The City and Festival agree that the terms of the Agreement, as amended, shall remain unchanged and in full force and effect, except as specifically provided in this Amendment.

E. The Original Agreement was further amended on September 30, 2003, by the Third Amendment, which among other things extended the term of the Agreement to June 30, 2004.

F. The Original Agreement was further amended on May 5, 2004, by the Fourth Amendment, which among other things extended the term of the Agreement to June 30, 2005.

G. City and Festival desire to amend the Agreement to extend the City's financial support for an additional five (5) years as set forth in this Fifth Amendment.

AGREEMENT

The Agreement is hereby amended as follows:

1. Section 2.2 of the Agreement is amended to read, in its entirety, as follows:

"2.2 Method of Payment. Provided Festival is not in default under this Agreement, the Contract Sum shall be paid as follows: (i) the sum of $50,000 on or before August 1st of each fiscal year; (ii) the sum of $50,000 on or before November 1st of each fiscal year; (iii) the sum of $200,000 on or before December 1st of each fiscal year; and (iv) the sum of $50,000 on or before April 1st of each fiscal year. City shall have no obligation to make the payment to Festival due April 1st of each fiscal year unless Festival has provided to City an audit of the previous year's Film Festival, which audit shall be performed by a certified public accountant and shall be in a form approved by the Contract Officer, which approval shall not be unreasonably withheld."

INDEPENDENT AUDITORS' REPORT

Board of Directors and Members
Palm Springs International Film Society
Palm Springs, California

Report on the Financial Statements

We have audited the accompanying statement of financial position of Palm Springs International Film Society, as of March 31, 2013, and the related statements of activities and changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1111 E. TAHQUITZ CANYON WAY, SUITE 203, PALM SPRINGS, CA 92262

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Palm Springs International Film Society as of March 31, 2013, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenses on pages 12 – 13 are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of the Association's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

PALM SPRINGS INTERNATIONAL FILM SOCIETY

NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2013

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Film Society

Palm Springs International Film Society (the Film Society), a nonprofit corporation in existence since June 1989, was organized exclusively for charitable purposes to promote film festivals and related activities in the City of Palm Springs and surrounding areas, and to provide a wide variety of film experiences and educational programs to the people of the Coachella Valley and its visitors.

Accounting Method

The financial statements of the Film Society are prepared using the accrual method of accounting.

Net Asset Accounting

To assure observance of limitations and restrictions placed on the use of resources available to the Film Society, the accounts are maintained in accordance with the principles of fund accounting. This is the procedure by which resources are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been reported by fund group. The Film Society is required to report information regarding its financial position and activities according to three classes of fund groups (net assets) as follows:

Unrestricted Net Assets represent all resources over which the Board of Directors has discretionary control for use in operating the Film Society, as well as all property, plant and equipment of the Film Society.

Temporarily Restricted Net Assets represent those resources that are received with temporary stipulations that limit the use of the assets. When a restriction expires, that is, the purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. There are currently no temporarily restricted funds.

Permanently Restricted Net Assets represent funds that are subject to permanent restriction by the donor requiring that the principal be invested and only the income be used for operations. (See Note 3)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For the purpose of financial statement reporting, the Film Society considers all highly liquid investments with maturities of three months or less to be considered cash equivalents.

Inventory

Inventory, consisting of saleable memorabilia, is valued at the lower of cost or market. The first-in, first-out method (FIFO) is used to determine the cost.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property, Equipment and Improvements

Property, equipment and improvements are carried at cost, or, in the case of donated assets, at market value, on the date of donation and are depreciated using the straight-line and accelerated methods based on the estimated useful lives of the various classes of assets ranging from 5 to 7 years. Expenditures for maintenance and repairs are charged to operations as incurred. Betterments and renewals greater than $600 are capitalized.

Revenue Recognition

Contributions are recognized when the donor makes an unconditional promise to give to the Film Society. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When the restrictions expire, temporarily restricted net assets are reclassified to unrestricted net assets.

Fair Value of Instruments

The carrying value of the Film Society's financial instruments is considered to approximate the fair value. Cash and accrued liabilities are settled so close to the balance sheet that the fair value does not differ significantly from the stated amounts.

Income Taxes

The Film Society is a not for profit Film Society that is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3) and from California franchise taxes under related state tax regulations and classified by the Internal Revenue Service as other than a private foundation. The Film Society may be subject to tax on income from any unrelated business operations. The Film Society does not currently have any unrelated business operations.

The Film Society's policy is to record income tax related interest and penalties in operating expenses. For the year ended March 31, 2013 there was no interest or penalties expense recorded and no accrued interest and penalties.

The Film Society's Forms 990, Return of Organization Exempt from Income Tax, are subject to examination by the IRS, generally for three years after they are filed. The Film Society's Forms 199, California Exempt Organization Annual Information Return, are subject to examination by the Franchise Tax Board, generally for four years after they are filed.

Grants and Corporate Sponsorships

The Film Society records income from unrestricted grants and corporate sponsorships in the period designated by the grantor or corporate sponsor. Grants and sponsorships received prior to the period designated by the grantor or corporate sponsor are recorded as deferred revenue.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributed Services and Goods

A substantial number of unpaid volunteers have made significant contributions of their time to develop programs and to assist with festival activities. The value of these services is not reflected as contributions in the accompanying financial statements because no objective basis was available to measure the fair value of such services at the date of donation.

Services or materials received that (a) create or enhance long-lived assets, or (b) require specialized skills provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation are reflected as revenue and expense in the accompanying financial statements, calculated at fair value at the date of the donation.

Functional Allocation of Expenses

Expenses by function have been allocated among program and support service classifications on the basis of actual expenses, time records, and on estimates made by the Film Society's management.

Advertising

Advertising costs are charged to operations when incurred.

Concentration of Risk

The Film Society maintains cash and cash equivalents with various banking and investment institutions. The balances are FDIC insured for up to $250,000 or to the value of the account if the account is non-interest bearing. At various times throughout the year the Film Society maintained balances in excess of the federally insured limits.

Subsequent Events

The Palm Springs International Film Society evaluated subsequent events as of June 10, 2013 when the financial statements were authorized and available to be issued. No subsequent events or transactions were identified after March 31, 2013 or as of June 7, 2013 that require disclosure to the financial statements.

NOTE 1: ACCOUNTS RECEIVABLE

Accounts receivable balances are comprised of the following for the year ended March 31, 2013:

Accounts receivable	$ 251,095
Without A Box Film Submissions	30,027
	281,122
(Less) Allowance for Doubtful Accounts	(1,500)
Net Accounts Receivable	$ 279,622

NOTE 2: UNRESTRICTED ENDOWMENT FUND

During the year ended March 31, 2006, the Board of Directors established a fund to separate Board designated endowment amounts from other unrestricted funds. At March 31, 2013 the balance of the endowment fund account was $726,250. The purpose of the endowment is to set aside reserve funds with only the earnings thereon to be used to aid in subsidizing future operations of the Film Society, as needed. Upon Board of Directors' approval, the principal balance may be used for operations of the Film Society.

NOTE 3: PERMANENTLY RESTRICTED NET ASSETS

During the year ended March 31, 1995, the Film Society received a pledge of $20,000 to endow a trust account known as the Charles A. Craine Desert Palm Achievement Award. The income from the account was to be used to fund the costs associated with the annual award. This endowment asset is currently invested with Pacific Premier Bank.

NOTE 4: DONATED SERVICES, MATERIALS AND FACILITIES

During the year ended March 31, 2013, the Film Society received various donations of services, materials and facilities. Donations have been allocated to the functional expenses as follows:

Production Costs:	
Production - Administrative	$ 21,840
Delegates	745,297
Festival events	165,422
Labor & supplies	52,070
Rent	191,250
Board of Directors	1,469
	1,177,348
Promotional Expenses:	
Information processing	3,624
Other	699,345
	702,969
Fundraising Expenses:	
Sponsorship	13,937
	$1,894,254

NOTE 5: GRANTS

The City Council of the City of Palm Springs (City) approved grants for the Film Society totaling $375,000, for the City fiscal year ending June 30, 2013.

NOTE 6: OPERATING LEASES

The Film Society leases a copier under a 60 month operating lease agreement beginning October 2011 and ending September 2016. They also lease a postage machine under a 57 month operating lease agreement beginning October 2009 and ending June 2014. Rent expense from these operating leases totaled $11,083 for the year ended March 31, 2013.

The future minimum rental payments required under the operating leases at March 31, 2013 are:

2014	$ 11,084
2015	10,256
2016	9,980
2017	4,988
Total	$ 36,308

NOTE 7: EMPLOYEE BENEFIT PLAN

The Film Society adopted a 401(a) – Profit Sharing/401(k) standard retirement plan that covered all eligible employees who wished to participate. The Film Society match is optional and no matching contributions were provided by the Film Society for the fiscal years ended March 31, 2013 and 2012. Employee participation is optional. During the fiscal year ended March 31, 2013, five employees participated in the plan.

NOTE 8: RELATED PARTY TRANSACTIONS

The Film Society paid rent at a fair market value of $6,633 per month plus $20,094 triple net totaling $99,692 for the years ended March 31, 2013 and 2012 to a company owned by a member of the Board of Directors.

The Film Society paid $23,825 for the year ending March 31, 2013, for legal services to a company partially owned by a member of the Board of Directors.

The Film Society paid $117,368 for the year ended March 31, 2013, for vendor services to a restaurant owned by a member of the Board of Directors.

The Film Society paid $100,371 for the year ended March 31, 2013, for advertising to a company with an employee that is a member of the Board of Directors.

The Film Society uses the banking and payroll services of Wells Fargo Bank. An executive of Wells Fargo Bank is a member of the Board of Directors.

NOTE 9: DESIGNATED ENDOWMENTS

The Film Society's endowment consists of funds established for a variety of purposes. Its endowment includes both donor-restricted funds and funds designated by the Board of Directors to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. The Board of Directors of the Film Society has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Film Society classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted funds that are not classified in permanently restricted net assets are classified as unrestricted and unrestricted board designated net assets until those amounts are appropriated for expenditure by the Film Society in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Film Society considers the following factors in making a determination to appropriate or accumulate donor-restricted funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Film Society, and (7) the Film Society's investment policies.

Designated Net Asset Composition by Type of Fund as of March 31, 2013 is as follows:

	Unrestricted Board Designated	Permanently Restricted	All Funds
Restricted Endowment Funds	$ 726,250	$ 20,000	$ 746,250

Changes in endowment net assets as of March 31, 2013 are as follows:

Endowment net assets, beginning of the year	$ 621,803	$ 20,000	$ 641,803
Contributions	100,000	-	100,000
Investment income	926	157	1,083
Net appreciation (depreciation)	3,521	-	3,521
Amounts appropriated for expenditure	-	(157)	(157)
Endowment net assets, end of the year	$ 726,250	$ 20,000	$ 746,250

Palm Springs International Film Society
Executive Committee Meeting
February 1, 2010 8:00 a.m.
Spencer's Bougainvillea Room
701 W. Barlsto Rd, Palm Springs

Present:
David Baron, Sidney Craig, Helene Galen, Marshall Gelfand, Jackie Lee Houston, Harold Matzner, Kevin McGuire, Patrick Mundt, Richard Ramhoff, David Ready, Brian Shea, Dominique Shwe, John Wessman

Also Present:
Cynthia Escarpita, Rhea Lewis Woodson, Darryl Macdonald, Christina Sasse, Dawn Vargo

Not Present:
Jim Casey, Jack Grundhofer, JoAnn McGrath, John Pinkney

Harold Matzner, Chairman, convened the Executive Committee Meeting at 8:03 a.m. A quorum being present, Mr. Matzner asked for approval of the minutes of December 7, 2009. On a **MOTION by Kevin McGuire, SECONDED by Brian Shea, the Executive Committee minutes of Monday, December 7, 2009 were unanimously approved.**

Marshall Gelfand delivered the Finance Committee report by stating that the Festival expects to have a surplus in the budget after the 2010 Festival. A detailed report will be given at the next meeting. A general discussion followed. Topics such as the increased cost experienced by the decrease in the Agua Caliente Tribe's sponsorship as well as additional needed expenses for the Awards Gala were discussed. The Film Festival's over all financial position is good.

John Wessman delivered the Nominating Committee Report. The Nominating Committee presented the resume of Ed Monarch, Mayor of Indian Wells to the Executive Committee for review as a Board Member.

Harold Matzner delivered the Chairman's Report sharing some overall remarks about the festival. Among them, was a comment of adding the $25,000 and $20,000 price point for the Awards Gala Tables. Mr. Matzner then went around the room and asked for feedback on the Film Festival, good and bad from each member in attendance. A positive and energetic discussion took place.

The next meeting of the Executive Committee will be on Monday, March 8th.
As there were no further business the meeting was adjourned at 8:55 a.m.

Respectfully submitted,
Cynthia Escarpita

Approved,

Harold Matzner, Chairman

Sidney Craig, Secretary

Palm Springs International Film Society
Board of Directors Meeting
February 1, 2010, 9:00 a.m.
Spencer's Bougainvillea Room
701 W. Baristo Rd, Palm Springs

Present:
David Baron, Stephen Breimer, Jim Bruner, Sidney Craig, Fritz Frauchiger, Helene Galen, Marshall Gelfand, Jackie Lee Houston, Jim Hummer, Mary Ann LaBahn, Harold Matzner, JoAnn McGrath, Kevin McGuire, Patrick Mundt, Cydney Osterman, Mark Palmer, Richard Ramhoff, David Ready, Madeline Redstone, Lois Schlect, Brian Shea, Dominique Shwe, John Wessman, Judy Vossler

Also Present:
Harriet Baron, Cynthia Escarpita, Rhea Lewis Woodson, Darryl Macdonald, Christina Sasse, Dawn Vargo

Not Present:
Mark Adams, Cynthia Berenson, Jim Casey, Michael Childers, Bob Deville, John Fowler, Jack Grundhofer, Tim Hanlon, Michael Hutchison, Michelle Krans, Haddon Libby, Lee Morcus, Muriel Myerson, John Pinkney, Jack Scalia, Linda Shirvanian, Dick Taylor

Harold Matzner, Chairman, convened the Board of Directors Meeting at 8:55 a.m. A quorum being present, Mr. Matzner asked for approval of the minutes of December 7, 2009. On a **MOTION by Kevin McGurie, SECONDED by Madeline Redstone, the Board minutes of Monday, December 7, 2009 were unanimously approved.**

Before introducing the first cut of the Palm Springs International 2010 Film Festival highlights reel, Chairman, Harold Matzner welcomed Cydney Osterman to her first Film Festival Board Meeting. The highlight reel DVD was shown and received with major applause. Mr. Matzner told the Board that every member should be very proud what the Film Festival Board has accomplished. He announced that next year the date of the Awards Gala will be on a Saturday, January 8th 2011... allowing the attendance to increase by a minimum of 200.

Marshall Gelfand delivered the Finance Committee report stating that the Festival expects to have a surplus and finish solidly in the "black" this Fiscal year. A detailed report will be given at the next meeting. A general discussion followed. Topics such as the increased cost for Opening Night and the Awards Gala as well as details about individual sponsorships were discussed.
The Film Festival's over all financial position is good.

Mr. Matzner reported that the Awards Gala set a new record with revenue of more than 1,100,000 and a profit of between and $550,000-$600,000. Rhea Lewis Woodson was asked to bring a detailed report of the Awards Gala

revenue and profit to next month's meeting. Mr. Matzner described the Awards Gala revenue and the amazing press from the event as unprecedented.

John Wessman delivered the Nominating Committee Report. The Nominating Committee presented the resume of Ed Monarch, Mayor of Indian Wells to the Board for review as a Board Member.

Dominique Shwe delivered the Sponsorship Committee Report. Sponsorships exceeded both budget and the previous year as a result of an increase in the Cartier sponsorship and the full funding of the $50,000 cash portion of the Mercedes sponsorship plus a new $50,000 cash sponsorship from the CVA.

Harriet Baron continued to build sponsorship revenue from international consulates reaching a total from all countries of $56,300 with $17,000 coming from Australia. In addition Penfolds, an Australian wine, provided all of the Festival's wine almost 300 cases worth in the range of $20,000 to $25,000 putting international support at $76,000. Cranberry Raisinets a $10,000 new cash sponsorship was very popular with the Festival audience providing chocolate covered cranberries for the audience at the Palm Canyon Theatre throughout the Festival. Diageo funded $25,000 in spirits, all of the wine and alcohol was fully funded. The sponsorship committee is already preparing presentations to Best Buy, American Express and US Bank for next year.

Mrs. Jackie Lee Houston delivered the Awards Gala Committee Report. Mrs. Houston felt that this was our best Gala. She also commented on what a great plus it was to have Shari Kelley help with the décor. Mrs. Houston was thanked for her leadership and hard work as the Chair of the Awards Gala.
A motion was made to send the January 2011 invitations out five weeks before the event with or without the honorees and to include the $25,000 and $20,000 cost for tables and $2,500 and $2,000 individual seats. **The motion was made by Helene Galen, seconded by Kevin McGuire and unanimously approved.**

Several board members commented on their experience at the Gala.. all comments were extremely favorable and complimentary of Mrs. Houston as well as Richard DeSantis and his production staff.

A general discussion took place about the different levels of passes and about the invitations to special parties that all board members are entitled to attend. Mr. Matzner then clarified that Board Membership does not guarantee or grant a Board Members two tickets to the Awards Gala, Opening or Closing Night.

Darryl Macdonald delivered the *Executive Director's Report*. Mr. Macdonald added to the previously stated success of the 2010 Festival. He also shared that of the over 500 responses to the written survey that have been received, the feedback was extremely positive. He complimented the volunteers and the volunteer coordinator Holly Copeland. Several of board members added additional comments to both Holly and her tremendously helpful and enthusiastic army of volunteers, stating that the volunteers really make the

experience at the theatres a positive one. Several board members complemented Mr. Macdonald on his leadership of the Film Festival's programming and the management of the theatres. John Wessman complimented Mr. Macdonald on the growth of the Film Society which is now solidly over 1,000 members.

The next official meeting of the Board of Directors will be held on Monday, March 8th.

As there was no further business the meeting was adjourned at 10:05 a.m.

Respectfully submitted,

Cynthia Escarpita

Approved,

Harold Matzner, Chairman

Sidney Craig, Secretary

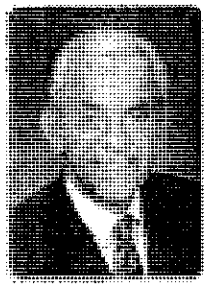
Ed Monarch

The PSIFF Nominating Committee proposes Mr. Ed Monarch as a Board Candidate.

Enclosed please find Mr. Ed Monarch's resume.

Ed Monarch, Mayor - Elected 1997, Current Term of Office 2010



ED MONARCH
Mayor

A City Council member since 1997, Council Member Ed Monarch served as Mayor in 2005-2006 and in 2000-2001, and as mayor pro tem from 1999-2000. He was first elected to the council in March 1997 to fill an unexpired term, and was re-elected in 1998. In November 2001, he was again re-elected to serve a four-year term. He began his service to Indian Wells as a member of the Planning Commission.

He is a member of the Board of Directors of the Indian Wells Town Hall Speaker Series and served as president in 2006-07. He is Vice President of the Palm Springs Art Museum, a Trustee of the McCallum Theatre, and serves on the Board of Directors of the Betty Ford Center, as well as a member of their Chairman's Council. He also is a member of the Board of Sunline Transit.

Council Member Monarch currently serves on the Indian Wells Marketing Committee, is a member and past chairman of the Cove Communities Services Commission and is a member of the City of Indian Wells Finance Committee.

A retired businessman, he owned groups of retail stores in several Mid-Atlantic States. Council Member Mouarch holds a bachelor's degree in business administration from Pennsylvania State University. He and his wife Ellen have lived in Indian Wells since 1992.

Palm Springs International Film Festival
Executive Director's Report
March 8, 2010

1. Initiatives for the Coming Fiscal Year

We are currently in planning mode for the coming year, drawing up a proposed budget that encompasses our 2010/11 Festivals, Staff, Membership, Outreach and Educational Program plans, while reflecting the anticipated income and expense changes for the coming year. We are planning for no increase in overall bottom line expenses. Among the key plans under discussion:

a) Expanded Educational Programs – following up on last year's film screenings with guest speakers at high schools throughout the Coachella Valley, the Film Society will seek to expand these programs to more Valley schools, and work with administrators to encourage more classes at each school to participate in the program. After doubling student audiences at this year's Festival, we will repeat our Screenings for Students Day at the 2011 PSIFF
b) The Film Society will mount a monthly series of screenings with guest speakers at the Rancho Mirage Public Library, following up on our 2009/10 success there. The program's focus on a 'behind the scenes' look at various filmmaking crafts. FRMPL is underwriting the series for an increased monthly fee of $1,600 this year.
c) Palm Springs ShortFest will again be staged in late June (June 22 – 28, 2010), both to capitalize on the larger audience in town at that time of year, and to provide the staff with two more months to focus our efforts primarily on the planning and fundraising for January's PSIFF. Current submissions for ShortFest are running considerably ahead of last year's.
d) The Film Society will again mount a Fall Members' screening series at the Palm Canyon Theatre, focusing on a specific genre of classic films and featuring post-screening discussions with the audience. We are currently considering a shortlist of available films and topics.
e) PSIFF 2011 – Following the same plan as this year's Festival, the dates for next year's event will be January 6 - 17. The Awards Gala will be held on Saturday, January 8, with Student Screening Day on January 5, and the Opening Night Gala on Thursday, January 6. Best of the Fest day will be Monday, January 17 (Martin Luther King Day).

2. Palm Springs International ShortFest

This year's ShortFest will run June 22 – 28, 2010. ShortFest '09 yielded **4** Oscar nominees: Kavi, Miracle Fish, Granny O'Grimm's Sleeping Beauty and French Roast., bringing to **69** the number of Oscar Nominated shorts that have emerged from Palm Springs ShortFest. Oscar Pool tip: "Miracle Fish" is currently the current front runner in the Live Action Short Film category among those in the know.

3. Membership

Current membership as of 2/26/10 is at 1,088, with YTD income at $71,050. This compares with 972 members on 2/26/09 and income of $74,795.

Executive Director's Report
Palm Springs International Film Society
April 5, 2010

General Overview – A proposed budget for the 2010/2011 Fiscal Year has been submitted to the Finance Committee for review and final recommendations. Viewing is progressing rapidly for Palm Springs ShortFest and Short Film Market, with the event's dates set for June 22 – 28, 2010. Submissions are well ahead of last year's totals, as of the equivalent submission deadlines. A report follows.

Sponsorship procurement and grant writing efforts are proceeding apace for FY 2010/11, with a number of proposals sent out to potential new PSIFF and ShortFest funders, while meetings intended to retain the support of past sponsors continue for both events. A report follows.

Our "Behind the Scenes" series of Film Society outreach programs funded by Friends of the Rancho Mirage Public Library is set for April 12, featuring Visual Effects Supervisor John Andrew Berton Jr. ("The Mummy", "Terminator 2", etc.).

Two member screenings are set for April at the Regal Theatre, and we continue to build on our original Membership goal of 1,000 members. The March/April issue of Cin-E-File has been published and sent to members, and is available on the website. A report follows.

Palm Springs International ShortFest – Our first ticket sales mailing was sent out April 2. In addition to our regular promotions to our email list, we are doing a special all-access, 3-day pass promotion with the Ace Hotel this year targeting tourism feeder markets (including LA, San Diego, Vegas, Phoenix and Orange County), through magazines and radio. The intent is to drive traffic to PS and build awareness of and attendance for ShortFest through new regional markets. Special promotions are also being set up through film schools at regionally located colleges and universities Submissions are running considerably higher for ShortFest this year (see below). As of the equivalent (regular) entry deadline in 2009, we had received 380 fewer shorts.

	3/30/2009	3/30/2010
Submissions -	2,003	2,386
Fees -	$81,790	$99,110

MembershipPrograms –

The Film Society's membership remains above the 1,000-member level, and continues to grow. Membership income has surpassed last year's year-end total. Current membership totals:

	3/30/2009	3/30/2010
Total Members -	1001	1,068
Total Income -	$78,918	$79,640

Membership Programs (cont'd)
We have two member screenings scheduled for April – "Mother and Child", featuring Naomi Watts, Samuel L. Jackson, David Morse and Annette Benning, on April 15, and "Casino Jack and the United States of Money", a documentary directed by Oscar Winner Alex Gibney about the Jack Abramoff scandals is set for April 27. Both screenings are at the Regal Cinemas Palm Springs 9. See the March/April edition of Cin-E-File for details at www.psfilmfest.org.

Sponsorships – 2010 ShortFest and 2011 PSIFF

Sponsorship solicitations and proposals for ShortFest 2009 and PSIFF 2011 are ongoing.

New ShortFest sponsors include The Consulate General of Australia ($5K) and SAG Indie ($3K). Returning ShortFest sponsors include Kodak ($5K), Stella Artois ($3K + product + printing of a pocket guide,) Luna Bars/Luna Fest ($1.2K) Panavision (a $60K camera package award), and Taurus Entertainment ($2.5K

Hospitality and reception sponsors for ShortFest total in-kind donations of more than $55,000, including reception sponsors and Hospitality Suite food suppliers. Special Event hosts include Wang's (Opening Night), the Ace Hotel, Toucan's, Trio, Tropicale, Spencer's and Top of the Chop. MAKEvisual, last year's ShortFest ad agency, has returned as the pro bono sponsor for this year's ShortFest poster, newsprint ad, theatrical and television trailer creative agency. For samples of their work, see www.makevisual.com

Palm Springs International Film Society
Minutes of the Combined Executive and Board Meetings
March, 8, 2010 8:30 a.m.
Spencer's Bougainvillea Room
701 W. Baristo Rd, Palm Springs

Present:
Stephen Breimer, Michael Childers, Sidney Craig, Bob Deville, Fritz Frauchiger, Helene Galen, Jackie Lee Houston, Jim Hummer, Harold Matzner, Kevin McGuire, Lee Morcus, Patrick Mundt, Muriel Myerson, Cydney Osterman, John Pinkney, David Ready, Madeline Redstone, Brian Shea, Dominique Shwe, Judy Vossler, John Wessman

Also Present:
Harriet Baron, Cynthia Escarpita, Rhea Lewis Woodson, Darryl Macdonald, Christina Sasse, Dawn Vargo

Not Present:
Mark Adams, David Baron, Cynthia Berenson, Jim Bruner, Jim Casey, Robert Dickey, Marshall Gelfand, John Fowler, Jack Grundhofer, Tim Hanlon, Michael Hutchison, Michelle Krans, Mary Ann LaBahn, Haddon Libby, JoAnn McGrath, Mark Palmer, Richard Ramhoff, Jack Scalia, Lois Schlecht, Linda Shirvanian, Dick Taylor

Harold Matzner, Chairman, convened the Executive Committee Meeting at 8:30a.m. A quorum being present, Mr. Matzner asked for approval of the Executive Committee minutes of February 1, 2010. On a **MOTION by Kevin McGuire, SECONDED by Helene Galen, the Executive Committee minutes of Monday, February 1, 2010 were unanimously approved.**

Mr. Matzner asked for a motion to adjourn as an Executive Committee. On a **Motion by Kevin McGuire, SECONDED by Brian Shea, the Executive Committee Meeting was adjourned.**

Harold Matzner, Chairman, convened the Board of Directors Meeting at 8:40a.m. A quorum being present, Mr. Matzner asked for approval of the Board of Director minutes of February 1, 2010. On a **Motion by MaryAnn LaBahn, Seconded by Jack Grundhofer, the Board of Directors minutes of Monday, February 1, 2010 were unanimously approved.**

Rhea Lewis Woodson delivered the Finance Committee report in the absence of Committee Chairman, Marshall Gelfand. The Film Festival's overall financial position is good. The P&L distributed was discussed. Mr. Matzner noted that the Awards Gala had a record breaking year and that the Festival staff deserves to be congratulated for keeping the Festival expenses under control. The Festival has a surplus of $218,000. The Awards Gala profit was $500,000. The budget will be presented at the April meeting.

Mr. Matzner announced the dates for the 2010 Festival of Short Films, June 22-28th and asked Executive Darryl Macdonald for comments on the Short Fest. Mr. Macdonald stated that submissions for the 2010 ShortFest are running ahead of last year. The June dates work much better for the Festival in terms of attendance and having additional time to implement plans for the January festival. Mr. Matzner commented that the Festival of Short Films (ShortFest) has, in addition to being an educational and industry event, become a tourism event and that the community has started to recognize it as such.

Mr. Matzner then moved on to announce and read the letter of resignation from board member, Dick Taylor. Mr. Taylor will be returning to live in Los Angeles on a full time basis. He will be missed and he was thanked for his contributions to the Festival. On a **Motion by Kevin McGuire, seconded by Jack Grundhofer the resignation of Board Member Dick Taylor was unanimously accepted.**

Mr. Matzner and Mr. Macdonald led a discussion about the Film Festival screening and audio equipment that is stored at the Palm Canyon Theatre. This is the second consecutive year that the Film Festival's equipment has been damaged by the theatre group that uses the theatre during the year. The Festival has a detailed agreement with the theatre group that clearly states they are not permitted to use the equipment. The discussion resulted in a motion. On a **Motion by Jim Hummer seconded by Lee Morcus the board unanimously voted to ask City Manager and Board Member David Ready to intervene in this matter.**

Mr. Macdonald was then asked to comment on the Film Festival Theatres. Mr. Macdonald stated that it would be a great asset to the Festival if the Plaza Theatre that is in downtown Palm Springs could be available to use during the January Festival. Mr. Ready will look into the availability of the Plaza Theatre. Mr. Macdonald was asked to look into the expense of creating one or two more theatres for the January Festival similar those used by Sundance.

Dominique Shwe delivered a brief sponsorship committee report stating that the sponsorship outlook is good; Cartier is under contract for one more year. Harriet Baron was asked to comment. Ms. Baron stated that Pennfolds will be back in the desert at the end of March to start discussions of sponsorship for 2011.

Mr. Matzner proceeded to read a letter from a Film Festival attendee to the board. The letter was extremely complimentary to Darryl Macdonald and the entire Film Festival staff. Mr. Macdonald added that the letters received have all been complimentary.

Mr. Macdonald commented on the success of the January 2010 Free Student Screening day. Mr. Macdonald shared that there are many new ideas in the works for next year's Student screening day.

John Wessman delivered the Nominating Committee Report. The Nominating Committee presented the resume of Ed Monarch, Mayor of Indian Wells to the Board for review as a Board Member. After a brief discussion, on a **Motion by Jim Hummer, SECONDED by Madeline Redstone, Ed Monarch was unanimously voted on as the newest Board Member and Parliamentarian.** The Nominating Committee presented the 2010-2011 Slate of Officers as follows: Harold Matzner-Chairman (Two Year Term); Jackie Lee Houston – Vice Chair (Two Year Term); Jack Grundhofer – Vice Chair (Two Year Term); David Baron- Vice Chair (Two Year Term); John Wessman – Vice Chair (Two Year Term); Kevin McGuire – Vice Chair (Two Year Term); Marshall Gelfand – Treasurer (Two Year Term); Ed Monarch – Parliamentarian (Two Year Term); Sidney Craig – Secretary (Two Year Term); John Pinkney-Assistant Secretary (Two Year Term); Patrick Mundt – Assistant Secretary (Two Year Term). On a **Motion by Jim Hummer seconded by Kevin McGuire the 2010-2011 Slate of Officers was unanimously approved.**

The Executive Committee Members were announced as follows, David Ready – (Title Sponsor) (One Year Term); JoAnn McGrath-(One Year Term); Jim Casey-One Year Term); Helene Galen-(One Year Term); Richard Ramhoff -(One Year Term); Brian Shea-(One Year Term). On a **Motion by Jim Hummer seconded by Madeline Redstone the Executive Committee members were unanimously approved.** Board Members John Pinkney and Linda Shirvanian were proposed for membership renewal. On a **Motion by Jack Grundhofer seconded by Kevin McGuire John Pinkey and Linda Shirvanian were each appointed to an additional three year term as board members.**

Jackie Lee Houston delivered the Awards Gala Committee report. Mrs. Houston commented that she was ready for the January 2011 Awards Gala. The date of the 2011 Awards Gala is Saturday, January 8th. Mrs. Houston commented that she liked Tuesday as the date of the Awards Gala however Saturday will give us more exposure. Also the closer the Awards Gala date is to January 1st the harder it is for celebrities to make themselves available for the Gala. The weekend date will result in greater attendance for the Gala and more revenue to the Festival and to the City.

Darryl Macdonald delivered a brief *Executive Director's Report*. He announced the current Film Society membership to be at 1,088 with year to date income of close to $80,000. The Film Society will mount a monthly series of screenings with guest speakers at the Rancho Mirage Public Library. Also the Society will again have a Fall Members' screening series at the Palm Canyon Theatre, focusing on a specific genre of classic films and featuring post-screening discussions with the audience.

The next official meeting of the Board of Directors will be held on Monday, April 5th. As there was no further business the meeting was adjourned at 10:05 a.m.

Respectfully submitted,

Cynthia Escarpita

Approved,

Harold Matzner, Chairman

Sidney Craig, Secretary

Palm Springs International Film Fest.

Palm Springs International Film Society
Executive Committee Meeting
February 1, 2010 8:00 a.m.
Spencer's Bougainvillea Room
701 W. Barlsto Rd, Palm Springs

Present:
David Baron, Sidney Craig, Helene Galen, Marshall Gelfand, Jackie Lee Houston, Harold Matzner, Kevin McGuire, Patrick Mundt, Richard Ramhoff, David Ready, Brian Shea, Dominique Shwe, John Wessman

Also Present:
Cynthia Escarpita, Rhea Lewis Woodson, Darryl Macdonald, Christina Sasse, Dawn Vargo

Not Present:
Jim Casey, Jack Grundhofer, JoAnn McGrath, John Pinkney

Harold Matzner, Chairman, convened the Executive Committee Meeting at 8:03 a.m. A quorum being present, Mr. Matzner asked for approval of the minutes of December 7, 2009. On a **MOTION by Kevin McGuire, SECONDED by Brian Shea, the Executive Committee minutes of Monday, December 7, 2009 were unanimously approved.**

Marshall Gelfand delivered the Finance Committee report by stating that the Festival expects to have a surplus in the budget after the 2010 Festival. A detailed report will be given at the next meeting. A general discussion followed. Topics such as the increased cost experienced by the decrease in the Agua Caliente Tribe's sponsorship as well as additional needed expenses for the Awards Gala were discussed. The Film Festival's over all financial position is good.

John Wessman delivered the Nominating Committee Report. The Nominating Committee presented the resume of Ed Monarch, Mayor of Indian Wells to the Executive Committee for review as a Board Member.

Harold Matzner delivered the Chairman's Report sharing some overall remarks about the festival. Among them, was a comment of adding the $25,000 and $20,000 price point for the Awards Gala Tables. Mr. Matzner then went around the room and asked for feedback on the Film Festival, good and bad from each member in attendance. A positive and energetic discussion took place.

The next meeting of the Executive Committee will be on Monday, March 8th.
As there were no further business the meeting was adjourned at 8:55 a.m.

Palm Springs International Film Society
Board of Directors Meeting
February 1, 2010, 9:00 a.m.
Spencer's Bougainvillea Room
701 W. Baristo Rd, Palm Springs

Present:
David Baron, Stephen Breimer, Jim Bruner, Sidney Craig, Fritz Frauchiger, Helene Galen, Marshall Gelfand, Jackie Lee Houston, Jim Hummer, Mary Ann LaBahn, Harold Matzner, JoAnn McGrath, Kevin McGuire, Patrick Mundt, Cydney Osterman, Mark Palmer, Richard Ramhoff, David Ready, Madeline Redstone, Lois Schlect, Brian Shea, Dominique Shwe, John Wessman, Judy Vossler

Also Present:
Harriet Baron, Cynthia Escarpita, Rhea Lewis Woodson, Darryl Macdonald, Christina Sasse, Dawn Vargo

Not Present:
Mark Adams, Cynthia Berenson, Jim Casey, Michael Childers, Bob Deville, John Fowler, Jack Grundhofer, Tim Hanlon, Michael Hutchison, Michelle Krans, Haddon Libby, Lee Morcus, Muriel Myerson, John Pinkney, Jack Scalia, Linda Shirvanian, Dick Taylor

Harold Matzner, Chairman, convened the Board of Directors Meeting at 8:55 a.m. A quorum being present, Mr. Matzner asked for approval of the minutes of December 7, 2009. On a **MOTION by Kevin McGurie, SECONDED by Madeline Redstone, the Board minutes of Monday, December 7, 2009 were unanimously approved.**

Before introducing the first cut of the Palm Springs International 2010 Film Festival highlights reel, Chairman, Harold Matzner welcomed Cydney Osterman to her first Film Festival Board Meeting. The highlight reel DVD was shown and received with major applause. Mr. Matzner told the Board that every member should be very proud what the Film Festival Board has accomplished. He announced that next year the date of the Awards Gala will be on a Saturday, January 8th 2011... allowing the attendance to increase by a minimum of 200.

Marshall Gelfand delivered the Finance Committee report stating that the Festival expects to have a surplus and finish solidly in the "black" this Fiscal year. A detailed report will be given at the next meeting. A general discussion followed. Topics such as the increased cost for Opening Night and the Awards Gala as well as details about individual sponsorships were discussed.
The Film Festival's over all financial position is good.

Mr. Matzner reported that the Awards Gala set a new record with revenue of more than 1,100,000 and a profit of between and $550,000-$600,000. Rhea Lewis Woodson was asked to bring a detailed report of the Awards Gala

revenue and profit to next month's meeting. Mr. Matzner described the Awards Gala revenue and the amazing press from the event as unprecedented.

John Wessman delivered the Nominating Committee Report. The Nominating Committee presented the resume of Ed Monarch, Mayor of Indian Wells to the Board for review as a Board Member.

Dominique Shwe delivered the Sponsorship Committee Report. Sponsorships exceeded both budget and the previous year as a result of an increase in the Cartier sponsorship and the full funding of the $50,000 cash portion of the Mercedes sponsorship plus a new $50,000 cash sponsorship from the CVA.

Harriet Baron continued to build sponsorship revenue from international consulates reaching a total from all countries of $56,300 with $17,000 coming from Australia. In addition Penfolds, an Australian wine, provided all of the Festival's wine almost 300 cases worth in the range of $20,000 to $25,000 putting international support at $76,000. Cranberry Raisinets a $10,000 new cash sponsorship was very popular with the Festival audience providing chocolate covered cranberries for the audience at the Palm Canyon Theatre throughout the Festival. Diageo funded $25,000 in spirits, all of the wine and alcohol was fully funded. The sponsorship committee is already preparing presentations to Best Buy, American Express and US Bank for next year.

Mrs. Jackie Lee Houston delivered the Awards Gala Committee Report. Mrs. Houston felt that this was our best Gala. She also commented on what a great plus it was to have Shari Kelley help with the décor. Mrs. Houston was thanked for her leadership and hard work as the Chair of the Awards Gala.
A motion was made to send the January 2011 invitations out five weeks before the event with or without the honorees and to include the $25,000 and $20,000 cost for tables and $2,500 and $2,000 individual seats. **The motion was made by Helene Galen, seconded by Kevin McGuire and unanimously approved.**

Several board members commented on their experience at the Gala.. all comments were extremely favorable and complimentary of Mrs. Houston as well as Richard DeSantis and his production staff.

A general discussion took place about the different levels of passes and about the invitations to special parties that all board members are entitled to attend. Mr. Matzner then clarified that Board Membership does not guarantee or grant a Board Members two tickets to the Awards Gala, Opening or Closing Night.

Darryl Macdonald delivered the *Executive Director's Report*. Mr. Macdonald added to the previously stated success of the 2010 Festival. He also shared that of the over 500 responses to the written survey that have been received, the feedback was extremely positive. He complimented the volunteers and the volunteer coordinator Holly Copeland. Several of board members added additional comments to both Holly and her tremendously helpful and enthusiastic army of volunteers, stating that the volunteers really make the

experience at the theatres a positive one. Several board members complemented Mr. Macdonald on his leadership of the Film Festival's programming and the management of the theatres. John Wessman complimented Mr. Macdonald on the growth of the Film Society which is now solidly over 1,000 members.

The next official meeting of the Board of Directors will be held on Monday, March 8th.

As there was no further business the meeting was adjourned at 10:05 a.m.

Respectfully submitted,

Cynthia Escarpita

Approved,

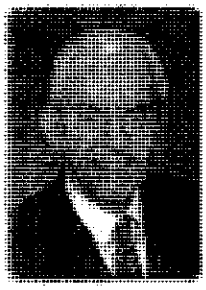
Harold Matzner, Chairman

Sidney Craig, Secretary

The PSIFF Nominating Committee proposes Mr. Ed Monarch as a Board Candidate.

Enclosed please find Mr. Ed Monarch's resume.

Ed Monarch, Mayor - Elected 1997, Current Term of Office 2010



ED MONARCH
Mayor

A City Council member since 1997, Council Member Ed Monarch served as Mayor in 2005-2006 and in 2000-2001, and as mayor pro tem from 1999-2000. He was first elected to the council in March 1997 to fill an unexpired term, and was re-elected in 1998. In November 2001, he was again re-elected to serve a four-year term. He began his service to Indian Wells as a member of the Planning Commission.

He is a member of the Board of Directors of the Indian Wells Town Hall Speaker Series and served as president in 2006-07. He is Vice President of the Palm Springs Art Museum, a Trustee of the McCallum Theatre, and serves on the Board of Directors of the Betty Ford Center, as well as a member of their Chairman's Council. He also is a member of the Board of Sunline Transit.

Council Member Monarch currently serves on the Indian Wells Marketing Committee, is a member and past chairman of the Cove Communities Services Commission and is a member of the City of Indian Wells Finance Committee.

A retired businessman, he owned groups of retail stores in several Mid-Atlantic States. Council Member Monarch holds a bachelor's degree in business administration from Pennsylvania State University. He and his wife Ellen have lived in Indian Wells since 1992.

Palm Springs International Film Festival
Executive Director's Report
March 8, 2010

1. Initiatives for the Coming Fiscal Year

We are currently in planning mode for the coming year, drawing up a proposed budget that encompasses our 2010/11 Festivals, Staff, Membership, Outreach and Educational Program plans, while reflecting the anticipated income and expense changes for the coming year. We are planning for no increase in overall bottom line expenses. Among the key plans under discussion:

a) Expanded Educational Programs – following up on last year's film screenings with guest speakers at high schools throughout the Coachella Valley, the Film Society will seek to expand these programs to more Valley schools, and work with administrators to encourage more classes at each school to participate in the program. After doubling student audiences at this year's Festival, we will repeat our Screenings for Students Day at the 2011 PSIFF
b) The Film Society will mount a monthly series of screenings with guest speakers at the Rancho Mirage Public Library, following up on our 2009/10 success there. The program's focus on a 'behind the scenes' look at various filmmaking crafts. FRMPL is underwriting the series for an increased monthly fee of $1,600 this year.
c) Palm Springs ShortFest will again be staged in late June (June 22 – 28, 2010), both to capitalize on the larger audience in town at that time of year, and to provide the staff with two more months to focus our efforts primarily on the planning and fundraising for January's PSIFF. Current submissions for ShortFest are running considerably ahead of last year's.
d) The Film Society will again mount a Fall Members' screening series at the Palm Canyon Theatre, focusing on a specific genre of classic films and featuring post-screening discussions with the audience. We are currently considering a shortlist of available films and topics.
e) PSIFF 2011 – Following the same plan as this year's Festival, the dates for next year's event will be January 6 - 17. The Awards Gala will be held on Saturday, January 8, with Student Screening Day on January 5, and the Opening Night Gala on Thursday, January 6. Best of the Fest day will be Monday, January 17 (Martin Luther King Day).

2. Palm Springs International ShortFest

This year's ShortFest will run June 22 – 28, 2010. ShortFest '09 yielded **4** Oscar nominees: Kavi, Miracle Fish, Granny O'Grimm's Sleeping Beauty and French Roast., bringing to **69** the number of Oscar Nominated shorts that have emerged from Palm Springs ShortFest. Oscar Pool tip: "Miracle Fish" is currently the current front runner in the Live Action Short Film category among those in the know.

3. Membership

Current membership as of 2/26/10 is at 1,088, with YTD income at $71,050. This compares with 972 members on 2/26/09 and income of $74,795.

PALM SPRINGS INTERNATIONAL FILM SOCIETY
Slate of Officers 2010-2011

A. The Nominating Committee is proposing the Officers listed below for 2010-2011

Harold Matzner-Chairman (Two Year Term)
Jackie Lee Houston – Vice Chair (Two Year Term)
Jack Grundhofer – Vice Chair (Two Year Term)
David Baron- Vice Chair (Two Year Term)
John Wessman – Vice Chair (Two Year Term)
Kevin McGuire – Vice Chair (Two Year Term)
Marshall Gelfand – Treasurer (Two Year Term)
Ed Monarch – Parliamentarian (Two Year Term)
Sidney Craig – Secretary (Two Year Term)
John Pinkney-Assistant Secretary (Two Year Term)
Patrick Mundt – Assistant Secretary (Two Year Term)

B. Executive Committee Members proposed by the Chairman
(All Officers are part of the Executive Committee)

David Ready – (Title Sponsor) (One Year Term)
JoAnn McGrath-(One Year Term)
Jim Casey-(One Year Term)
Helene Galen-(One Year Term)
Richard Ramhoff -(One Year Term)
Brian Shea-(One Year Term)

C. Proposed Board Member Reappointments three-year term

John Pinkney
Linda Shirvanian

D. Second Reading and vote of new Board Member appointment (s)

Ed Monarch

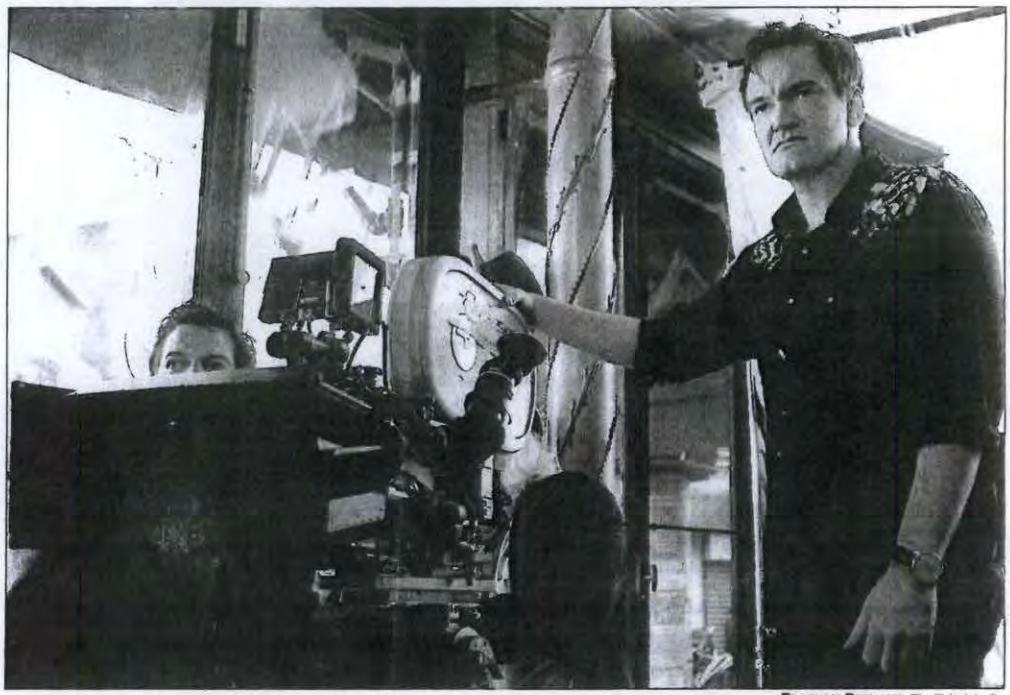
A desert is lush with the world's movies

Foreign works with Oscar hopes come to a Palm Springs festival that also attracts U.S. filmmakers.

AMY KAUFMAN



FRANÇOIS DUHAMEL The Weinstein Co.

'INGLOURIOUS' DIRECTOR: Quentin Tarantino will receive the Sonny Bono Visionary Award, named for the late Palm Springs mayor who founded the film festival that returns Tuesday with an awards gala.

In his native country, Finnish director Klaus Härö is part of a tiny film community. There, he said, even a successful movie won't attract a massive number of moviegoers. And if someone is a fan of your film, they typically share their enthusiasm by offering a polite "thank you."

So when Härö first attended the Palm Springs International Film Festival four years ago, he was shocked by the number of people lining up to see his independent movie "Mother of Mine" — many of whom later approached the director crying, saying how much his film moved them.

"It was not something I had ever experienced before, because the film culture in Finland is very small," he recalled. "I especially remember that audience and the warmth of the reception they gave me, coming to me with tears in their eyes. The generosity of the Palm Springs audience is very rare."

Härö is making the long journey back to the desert this week for the 21st annual festival. His latest film, "Letters to Father Jacob," about the unlikely friendship between an ex-convict and a blind pastor in rustic Finland, will have its U.S. premiere there on Friday.

The movie is one of 188 films from 70 countries screening at this year's festival, which kicks off Tuesday with an awards gala honoring 10 of the year's most outstanding performers, but officially opens Thursday evening with a screening of "The Last Station," about Russian author Leo Tolstoy.

The Palm Springs event differs from most other film festivals: For one thing, its oasis-like setting inspires a more relaxed vibe as filmmakers and attendees often hit the golf course in their downtime. It also attracts both international filmmakers like Härö and those in the industry stateside, who usually make the short trip from Los Angeles. Over the years, the festival has gained a reputation for being one of the best places to catch sometimes difficult-to-find foreign films. Before the festival closes Jan. 18, 41 of the 65 official Oscar submissions for best foreign language film will have been shown.

Founded in 1990 by then-Mayor Sonny Bono, the film festival has become a popular wintertime tourist attraction for the city. "It generates huge revenues for the city of Palm Springs and the hotels and restaurants who do booming business from it," said Darryl Macdonald, the festival's director.

Last year, total admissions for screenings and events tallied up to nearly 130,000. The festival typically welcomes a college-educated, middle-age crowd — half of whom earn a six-figure income and about 70% of whom come from outside the Coachella Valley.

Lionsgate

UNGLAMOROUS ROLE: Mariah Carey, left, with Gabourey Sidibe, will be honored for her "Precious" performance.

This year, the festival is honoring a handful of stars at its black-tie awards gala, including "Inglourious Basterds" director Quentin Tarantino, who will receive the Sonny Bono Visionary Award, and Mariah Carey, who will take home a Breakthrough Performance Award for her role in "Precious: Based on the Novel 'Push' by Sapphire." Meanwhile, other Oscar contenders for best director, such as Lee Daniels ("Precious") and Rob Marshall ("Nine"), will participate in a series of moderated discussions.

But the events aren't restricted to Hollywood's A-listers. This year, a new program will showcase Australian Cinema, while emerging international directors vie for the $60,000 camera package and statue from artist Dale Chihuly that come along with the New Voices/Visions Award.

Festival organizers are enthusiastic about a number of new films, including "Beautiful Kate," actress Rachel Ward's directorial debut about a self-loathing writer who returns home to the Australian outback to try to figure out the roots of his family's dysfunction (Jan. 8, 9 and 13). Another Australian film being shown at the festival is "Samson and Delilah," which won the Camera d'Or at the Cannes Film Festival. It's a love story from director Warwick Thornton about two Aboriginal teens living in the central Australian desert (Jan. 6 and 8-10).

Also scheduled is "The Lightkeepers," in which Richard Dreyfuss plays a lightkeeper on an abandoned Cape Cod beach. When his assistant quits, he hires a replacement and the two vow never to date a woman again — until they're tempted by two visitors played by Mamie Gummer and Blythe Danner (Jan. 16).

All movies are selected by six programmers, who spend most of the year traveling across the globe trying to track down good films.

"We look for a broad representation of film from many countries because we have a very sophisticated film-going audience who are very discriminating," said Helen du Toit, director of programming. "It's kind of a way to travel around the world. You get a sense of what's happening and you're culturally inspired by all of these different stories."

Fest director Macdonald said he feels fortunate that during a time when nonprofit arts organizations are hemorrhaging money — he cited as an example the CineVegas Film Festival, which announced last fall it would go on an indefinite hiatus — the Palm Springs Festival seems to be blossoming. He said that ticket sales for this year's fest — most of which cost $11 and are available for advance purchase at *www.psfilmfest.org* or at the door — are up 6%. And, Macdonald added, the festival has maintained all of its partnerships with previous sponsors, such as Cartier and Mercedes, as well as making new relationships with Penfold's wines and Nestlé's Cranberry Raisinets.

But for Härö, the most rewarding part of attending the festival is gauging a more universal reaction to his movie from an international community of filmmakers.

"In Palm Springs, because everybody is far away from home in this relaxing surrounding, you sort of put your guard down," he said.

"It's a well in the middle of the desert where you can all meet before you go back to your own country and do your work. There's something very special there."

Film Diplomacy: China and Tibet Skirmish at a Festival

By EDWARD WYATT

LOS ANGELES — In celebrity wattage and as a showcase for the art of cinema, the Palm Springs International Film Festival has not garnered the attention typically bestowed upon similar carnivals at Cannes, Sundance or even, say, Toronto. But the Palm Springs festival has now earned a different kind of laurel: a bona fide diplomatic incident.

China formally told the festival this week that two Chinese films were being withdrawn from its program in protest of the scheduled screening of a documentary about Tibet and the Dalai Lama. While Chinese officials told the festival's director that the filmmakers themselves had decided to withdraw their state-financed works, many China experts believe that it is the state sending a message, rather than the individuals.

There is added intrigue over the more prominent of the two films that were withdrawn from the Palm Springs festival: "City of Life and Death" (also known as "Nanjing! Nanjing!"), a critically acclaimed fictionalized account of atrocities committed by the Japanese occupiers of Nanjing during World War II. Written and directed by Lu Chuan, one of China's top box office successes, the film has drawn criticism in China for what some people there have called its sympathetic portrayal of Japanese characters.

Tibet has long been a cause célèbre in Hollywood, particularly among actors and some prominent filmmakers. At the same time, the big movie studios, which are all part of international corporate conglomerates that are trying to do busi-

NATIONAL GEOGRAPHIC WORLD FILMS

Lu Chuan, writer and director of the drama "City of Life and Death."

Film Diplomacy: China and Tibet Skirmish at Festival

From First Arts Page

ness in China, in recent years have appeared to steer clear of major projects on Tibet that would inflame tensions and threaten their interests there.

National Geographic Entertainment announced in August that it had acquired the North American distribution rights for "City of Life and Death" and that the film would be released in theaters in 2010. But people involved in that deal said that a formal agreement was never signed, leaving National Geographic on the sidelines of the current dispute. The company said it still intends to release the film in theaters later this year.

The current wrangle is only the most recent protest by Chinese officials that the arts, and film specifically, are being used as a weapon to meddle in their internal affairs. In August, two American filmmakers were blocked from traveling to China to present their documentary about the more than 5,000 children in Sichuan Province who died when a 2008 earthquake caused numerous schools to collapse. Computer hackers and demonstrators took aim at the Melbourne International Film Festival in Australia in July to protest its screening of a documentary about a leader of Muslim Uighurs in the Xinjiang region of northwest China, where some 200 people were killed in ethnic violence last summer. And at last fall's Frankfurt Book Fair, a diplomatic struggle emerged over the fair's invitation to two dissident Chinese writers to speak at its official program honoring China.

Darryl Macdonald, the director of the Palm Springs festival, said in an interview that the Chinese consul general in Los Angeles traveled to the desert city on Wednesday. The official told him that the directors of the two films, rather than the Chinese government, which financed the films, had decided that they would not allow their work to be screened unless the festival canceled its scheduled showing of "The Sun Behind the Clouds: Tibet's Struggle for Freedom."

That documentary, by Ritu Sarin and Tenzing Sonam, follows the Dalai Lama over a year through protests over the status of Tibet that were timed to coincide with preparations for the Beijing Olympics.

NATIONAL GEOGRAPHIC WORLD FILMS

"City of Life and Death," about Japanese abuses in 1937, won't be part of the Palm Springs International Film Festival.

The Chinese officials "repeatedly said the assertions presented in 'The Sun Behind the Clouds' were all lies, and they reminded us that the United States government had an official position that Tibet is a part of China," Mr. Macdonald said. "I told them that we have freedom of expression in this country, and that we would not allow any foreign country to dictate what films we should or should not play."

A documentary about the Dalai Lama draws a protest.

Officials at the Chinese Consulate in Los Angeles did not respond to repeated requests for comment Thursday and Friday.

Some American experts on China's political and cultural atmosphere say they doubt that the filmmakers decided without prompting to withdraw the films. The second film is a comedy titled "Quick, Quick, Slow," directed by Ye Kai. The film's producer, Zhang Lanxin, had been expected to attend the festival.

Stanley Rosen, the director of the East Asian Studies Center at the University of Southern California, said in an interview that his experience with Lu Chuan, which includes having dinner with the filmmaker when he was writing the script for "City of Life and Death," makes him certain that the withdrawal of the film "was basically a decision of the Chinese government."

"There is no way that he could continue having his films in international festivals and be successful in China" without succumbing to pressure to have his film withdrawn, given that the government financed the film and must approve all Chinese films that are exported, Dr. Rosen said.

The Associated Press published excerpts of a telephone interview with Mr. Lu on Thursday in which he said he "unconditionally accepted" the decision to withdraw his movie.

"This incident involves national interest," Mr. Lu told the A.P. "National interests trump everything. When it comes to national unity, I think the attitude of all Chinese is the same." Asked if the withdrawal of the films interfered with artistic freedom, Mr. Lu said, "It's really, really hard for me to answer that question."

ONLINE: TRAILER

A trailer for "City of Life and Death," and more coverage of the Palm Springs festival:
nytimes.com/movies

One American filmmaker who does business in China, who spoke on the condition of anonymity to preserve his business interests there, said he believes that the directors could have asked for their films to be withdrawn knowing that not to do so would endanger their careers in China. "We have this belief in America that film tells truth to power," the filmmaker said. "I think the Chinese directors were looking at it as they didn't want any guilt by association."

Kenneth G. Lieberthal, a senior fellow at the Brookings Institution, noted that Chinese President Hu Jintao once served as Communist Party chief for Tibet. "Tibet is an issue that is especially neuralgic for Beijing," he said, adding that he would have been surprised if Chinese officials had not objected to the film.

Dr. Rosen said that "City of Life and Death" has attracted some criticism in China, because it portrays one Japanese character who was part of the occupation force as having a bout of conscience over Japanese atrocities and eventually killing himself.

In a statement issued Thursday, National Geographic said the withdrawal of the film from the festival was "unfortunate," adding, "We're proud of the film and we hope people will see this important movie when it opens in theaters later this year."

Palm Door

In its 21st edition, the Palm Springs International Film Festival celebrates Helen Mirren, Morgan Freeman — and opens a portal to the land Down Under

By Zorianna Kit

At last year's Palm Springs International Film Festival, the Japanese film "Departures" won the fest's Audience Award before going on to win the best foreign-language Oscar statuette. With the festival coming so close to March's Academy Awards (this year it runs Jan. 5-18), PSIFF is an essential marketing tool to promote movies that might earn Oscar nominations.

So it's no surprise that the Mojave Desert event, founded in 1989 by then-Mayor Sonny Bono, has become a screening shop for most of the foreign-language Oscar hopefuls. During its two-week run, in fact, 195 films from 60 countries will screen on 15 screens at five venues.

With its blend of glitz and star power — a Jan. 5 awards gala will honor Helen Mirren ("The Last Station"), Jeff Bridges ("Crazy Heart"), Morgan Freeman ("Invictus") and Mariah Carey ("Precious"), among others — the festival has developed a Cannes-like glamour.

This year it will also feature directors Lee Daniels ("Precious"), Kathryn Bigelow ("The Hurt Locker"), Rob Marshall ("Nine") and Tom Ford ("A Single Man"), all of whom will participate in a Q&A/screening series known as the Contenders.

Additional highlights include the New Voices/New Vision program, which screens 10 films by first-time directors, one of which will walk away with a juried prize.

Notably, the festival will also spotlight Australian cinema, screening 10 new films in collaboration with G'Day USA, a 6-year-old U.S. tour that celebrates all things Australian. The tour launches Jan. 9, designated Australian Film Day by the fest — something that has generated much-needed financial support.

"Once we decided to devote our special showcase to Australian cinema this year, the support we garnered from various Australian film bodies, trade organizations and companies like Quantas and Penfold's Wines was enormous," says Darryl MacDonald, the festival's executive director. "They came onboard as a full partner in our efforts." THR

AT A GLANCE

Palm Springs Int'l Film Festival
DATES: Jan. 5-18
OPENING-NIGHT FILM:
"The Last Station"
CLOSING-NIGHT FILM:
"The Lightkeepers"

FEST TRAVELER: PALM SPRINGS INTL. FILM FESTIVAL

HONOREES

The fest celebrates both veteran actors and those in breakthrough perfs.

Breakthrough Performance Award: Mariah Carey
In the role of Mrs. Weiss in Lee Daniels' "Precious," Carey remarkably transformed herself from glam diva to straightforward social worker.

Desert Palm Achievement Award: Jeff Bridges
Award was created to honor acting excellence and memorable work throughout the years; Bridges' perf in "Crazy Heart" is another memorable character from the thesp, first nominated for an Oscar for 1971's "The Last Picture Show."

Career Achievement Award: Helen Mirren
Presented for her distinguished body of work, and specifically her perf as Sofya Tolstoy in "The Last Station." Mirren is cited by the festival as "one of the most outstanding actresses of her generation."

Career Achievement Award: Morgan Freeman
As Nelson Mandela in Clint Eastwood's "Invictus," Freeman adds another extraordinary role to his resume. Fest honors the Oscar winner for his many "memorable performances."

Rising Star Award: Anna Kendrick

From a Tony nod at age 12, Kendrick moved from the boards to screen, debuting in "Camp." "Rocket Science," "Twilight" and its sequel "New Moon" are her major credits, with a standout perf as George Clooney's foil in 2009's "Up in the Air."

Director of the Year: Jason Reitman
Helmer was previous a fest honoree in 2008 for "Juno," which earned him, the film's cast and screenwriter Diablo Cody the Chairman's Vanguard Award; Reitman's "emotionally resonant and timely" work in "Up in the Air" sets him apart, per the fest.

Breakthrough Performance Award: Jeremy Renner
For portraying an expert in diffusing IEDs in Kathryn Bigelow's Iraq-set "The Hurt Locker," Renner earned critical acclaim and one of the fest's breakthrough kudos. Past credits include "28 Weeks Later" and "The Assassination of Jesse James by the Coward Robert Ford."

Frederick Loewe Award for Film Composing: T Bone Burnett
Film composer, along with Stephen Bruton, and co-writer of many of "Crazy Heart's" original songs, vet tunesmith and producer Burnett is honored for his contribution to the film's "soulful, masterful soundtrack."

Sony Bono Visionary Award: Quentin Tarantino
Award, named for the late mayor of Palm Springs and entertainer who founded the festival, goes this year to helmer Tarantino, whose latest pic, "Inglourious Basterds," demonstrates his unmistakable visual style and cinematic substance.

Desert Palm Achievement Award: Marion Cotillard
Making the crossover from French films this year, Cotillard shines in both "Public Enemies" and "Nine." An Academy Award winner for "La Vie en rose," Cotillard is a past Breakthrough Performance Award winner.

CINEPHILE OASIS: FILM-LITERATE AUDS

FRONDS WITH BENEFITS

Desert fest strategically situated with Hollywood — and the Oscars

By KATHY A. McDONALD

The Palm Springs Film Festival boasts one of the most film-savvy and adventurous fanbases anywhere, drawn to the heady combination of concentrated star power and a wide-ranging international film selection — often gunning for Oscar — that unspools in a beautiful desert resort town.

And unlike other destination festivals, Palm Springs has a featured role in awards season that is a result of purposeful timing: Its gala awards fete (a black-tie event at the convention center Jan. 6) dovetails with Oscar balloting (nominating ballots are due Jan. 23); a number of fest award recipients, including director of the year Jason Reitman, composer T Bone Burnett and actress Helen Mirren, have earned Golden Globes nods; and Acad members are welcome to attend free screenings of foreign-language contenders — 45 of the 65 films submitted for the foreign-language Oscar will unspool at the fest.

TIP SHEET
What: Palm Springs Film Fest
When: Today through Jan. 18
Where: Palm Springs, Calif.
Web: psfilmfest.org

"Having film-literate audiences makes a difference," says fest director Darryl Macdonald. "There's a sense of film appreciation; audiences are interested in being challenged and not just in happy-dappy stories and endings."

Helen du Toit, the fest's director of programming, concurs: "I am continually delighted to see how broad-minded the audience is here and how good they are at talent spotting."

Fest opens with Mirren showcase "The Last Station" and closes with "The Lightkeepers" and in between will unspool 194 films from 70 countries, including world preems "Dark Resonance" (Bangladesh), "Dumbstruck" (U.S./Japan/Bahamas), "Paulista" (Brazil) and "Shoot the Hero" (U.S.), and special presentations of European hit "The Girl With the Dragon Tattoo" (Sweden/Denmark/Germany) and the U.K.'s "Red Riding Trilogy."

SHOWCASE: *Helen Mirren is centerstage in fest opener "The Last Station," and she'll be feted with a Career Achievement Award.*

PALM SPRINGS

NOBODY TO WATCH OVER ME

(DAREMO MAMOTTE KURENAI)

(JAPAN)

A Toho release of a Fuji Television Network/Nihon Eiga Satellite Broadcasting/Toho production. (International sales: Pony Canyon, Tokyo.) Produced by Chihiro Kameyama, Hirotsugu Usui, Yoshihiko Taneda.

Directed by Ryoichi Kimizuka. Screenplay, Kimizuka, Satoshi Suzuki. Camera (color), Naoki Kayano; editor, Junosuke Hogaki; music, Takatsugu Muramatsu; art director, Shu Yamaguchi; set decorator, Koichi Hirai; sound (Dolby SR), Kiyoshi Kakizawa; associate producer, Tomoyuki Miyagawa; assistant director, Taiichi Sugiyama. **Reviewed at Palm Springs Film Festival (Awards Buzz), Jan. 9, 2010.** Running time: **118 MIN.**

With: Koichi Sato, Mirai Shida, Ryuhei Matsuda, Yuriko Ishida, Kuranosuke Sasaki, Shiro Sano, Yoshino Kimura Toshiro Yanagiba.

By PETER DEBRUGE

The press want 15-year-old Saori Funamura dead in "Nobody to Watch Over Me," a hard-to-swallow social critique delivered in the guise of a taut protective-custody thriller, in which a veteran cop shelters a teenage girl from paparazzi intent on punishing her for a family member's crime. Selected as Japan's Oscar foreign-language submission, this gripping genre exercise from Ryoichi Kimizuka, with its in-your-face theatrics (seemingly ready-made for Western remake), is quite a departure from last year's winning entry. Though too tame in the execution, this material shouldn't be hard to market abroad.

Of particular interest is the pic's culturally specific premise — namely, the Japanese notion that any time a young person commits a crime, the blame extends to his or her entire family. Combine that philosophy with Tokyo's voracious press corps, and the pressure can be too much for many parents, who frequently take their own lives in shame. An onscreen explanation at the pic's outset spells out how police are often assigned to the families of the accused in order to prevent such suicides.

Respected Japanese thesp Koichi Sato plays Katsuura, a weary police detective days away from a much-needed family vacation when his boss calls him in to guard young Saori (Mirai Shida), whose 18-year-old brother is accused of killing two schoolgirls. The assignment seems frivolous to a man accustomed to handling dangerous criminals, and yet, upon arriving at the poor girl's house, he immediately understands the urgency.

Outside, a throng of rabid reporters have convened to demand apologies from the family, while in the living room, lawyers have drawn up a quickie divorce to throw the press off the scent (effectively forcing the husband to take his wife's name). Saori is understandably overwhelmed by the frenzy, and Katsuura does his best to protect her even as the girl's behavior becomes increasingly difficult to manage — a dynamic that calls for high-energy car chases and face-to-face confrontations with persistent reporters.

These scenes make for exciting cinema, and Kimizuka shoots everything with restless handheld cameras, reflecting both the disorienting atmosphere of the situation and the peekaboo voyeurism that surrounds such cases. Before long, however, auds are sure to realize no physical threat to the characters really exists. The narrative might have taken a more interesting overall shape had Kimizuka not been bound by his specific agenda. Instead, everything seems reduced to the most simplistic terms: The journalists are presented as villains, more shrewd and resourceful than the film's cops, and a rapidly edited frenzy of computer screens indicates a vast network of malicious bloggers working against Katsuura.

Perhaps the pic's most effective trick is the repeated use of the song "You Were There" by the Libera boys choir, an angel-voiced plea for protection that cuts through the visual frenzy to lend resonance to Katsuura and Saori's bond. Shida's performance is one of the film's strongest aspects, a fine match for the veteran Sato, though director Kimizuka insists on using devices like the Libera song and a telling hand tremor to convey nuances these two actors are clearly capable of rendering in subtler ways.

Koichi Sato tries to protect Mirai Shida in "Nobody to Watch Over Me."

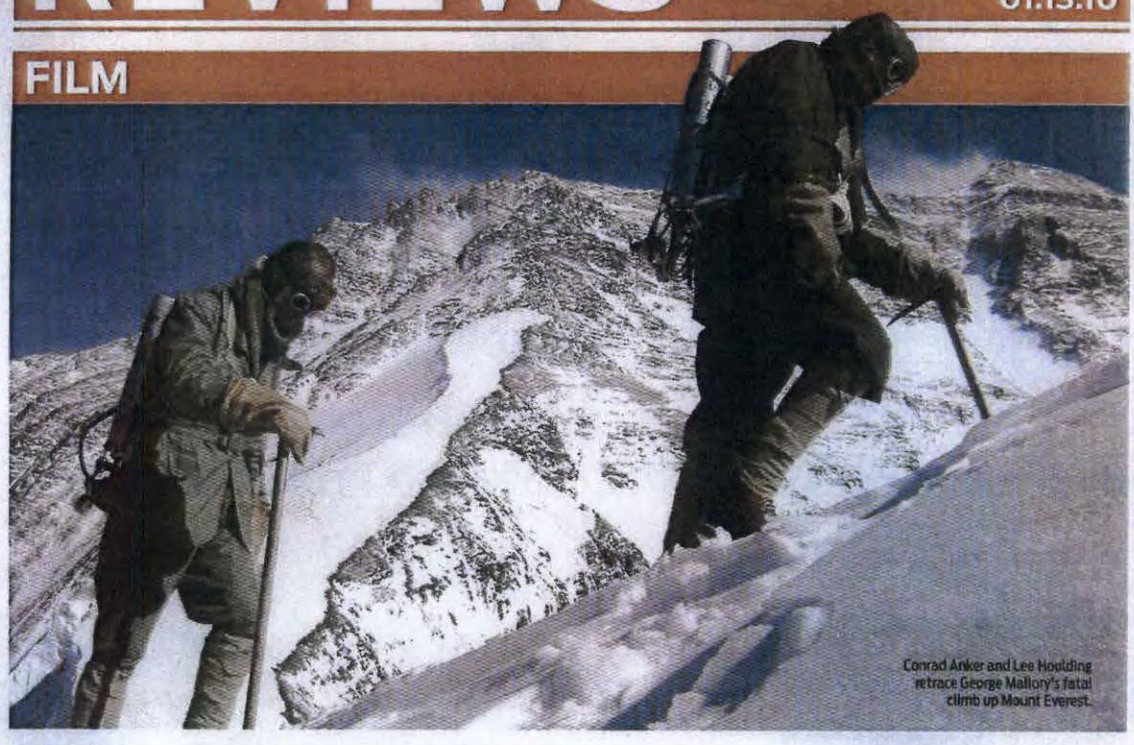
FILM



Conrad Anker and Lee Houlding retrace George Mallory's fatal climb up Mount Everest.

'The Wildest Dream'

By Kirk Honeycutt

PALM SPRINGS — The very name Mount Everest conjures so many images and legends in one's mind that any movie about climbing that mystical, foreboding mountain, even by a dull filmmaker, should catch an audience in its thrall. Fortunately, director Anthony Geffen, maker of "The Wildest Dream," is anything but a dull filmmaker. In fact, he's a little prone to overdramatize and exude unbridled excitement about the historic climb that is the focus of this captivating documentary. But, hey, when a filmmaker — and inexperienced climber — manages to get as high as 26,000 feet on Everest, just 3,000 feet from the summit, he's entitled to yodel a bit.

"Dream" brings together so much history, sheer adventure and terrifying moments that prospects look very good for National Geographic Entertainment's release of the film in August in regular theaters and possibly on Imax screens. (The film cries out for Imax.) "Dream," which debuted at the Palm Springs International Film Festival, could use more festival exposure before its theatrical bow to build word-of- mouth.

Trade insiders will note a thanks to the late Frank Wells in the credit crawl. As a young man, Geffen worked under the respected film executive and avid mountaineer, who encouraged him to make a film about Everest, the one peak that eluded Wells. Geffen has done his mentor proud.

The film has, in a sense, two protagonists. One is George Mallory, the renowned mountaineer who vanished near Everest's summit in May 1924. The other is Conrad Anker, who discovered Mallory's frozen body 75 years later. Geffen's idea is for Anker to replicate Mallory's ill-fated challenge to the peak, even to the point of using some of the climbing methods and clothing of Mallory's ascent.

Ostensibly, the purpose is to prove, as has long been conjectured, that Mallory and his climbing companion, Andrew "Sandy" Irving, were on their way down from the summit when they met their demise. Of course, even if you do manage to free-climb the forbidding "Second Step" on the North Ridge — all climbers today use a ladder placed there by Chinese climbers in 1975 — that doesn't really prove the two men reached Everest's summit.

They last were seen alive 800 feet below the summit, and that's all we'll ever know. But what a wonderful chance to make a movie, and accompanying book, celebrating man's continuing need to defy the odds — one in six will perish on Everest — and subject the body to impossible condi-

BOTTOM LINE A thrilling — in every meaning of that word — assault on Mount Everest that replicates George Mallory's ill-fated 1924 climb.
VENUE: Palm Springs International Film Festival. PRODUCTION: National Geographic Entertainment presents an Altitude Films production in association with Atlantic Prods. DIRECTOR: Anthony Geffen. SCREENWRITER/EDIT PRODUCER: Mark Halliley. PRODUCERS: Claudia Perkins, Anthony Geffen. EXECUTIVE PRODUCER: Mike Medavoy. Rated PG-13, 93 minutes.

'Dragon' is tops at Palm Springs fest

By Gregg Kilday

Audiences at the 21st annual Palm Springs International Film Festival, which concludes today, honored Niels Arden Oplev's "The Girl With the Dragon Tattoo," an adaptation of Stieg Larsson's mystery novel, with the fest's Mercedes-Benz Audience Award for Best Narrative Feature.

The Audience Award for Best Documentary Feature went to "The Most Dangerous Man in America: Daniel Ellsberg and the Pentagon Papers," directed by Judith Ehrlich and Rick Goldsmith.

The runner-up for best narrative feature was "The World Is Big and Salvation Lurks Around the Corner." In the doc field, the runner-up was "Inside Hana's Suitcase."

A jury of international film critics reviewed the official Oscar foreign-language film submissions that screened at the fest and presented the FIPRESCI Award for Best Foreign Language Film of the Year to Sweden's entry, Ruben Ostlund's comedy "Involuntary."

Tedo Bekhauri received the FIPRESCI best actor award for his performance in "The Other Bank," directed by George Ovashvili. Anne Dorval received the FIPRESCI best actress prize for Xavier Dolan's "I Killed My Mother."

In the New Voices/New Visions category, featuring films from 12 new international directors, a jury rewarded Ounie Lecomte's "A Brand New Life," a South Korea/France co-production.

Vladimir Paskaljevic's "Devil's Town" received an honorable mention.

Among 67 feature or documentary film directing debuts, Haim Tabakman received the John Schlesinger Award for Outstanding First Feature (narrative or documentary) for "Eyes Wide Open," an Israeli film about a married butcher who falls in love with a younger man.

"The Girl With the Dragon Tattoo"

There were two Special Mentions: Caroline Bottaro's "Queen to Play" and Warwick Thornton's "Samson & Delilah."

"Letters to Father Jacob," directed by Klaus Haro, received the Bridging the Borders Award presented by Cinema Without Borders to the film that is most successful in bringing the world's people together.

The festival screened 189 films from 70 countries, including 40 of the 65 foreign-language entries for this year's Academy Awards.

Oz comes to Palm Springs

By Gregg Kilday

The Palm Springs International Film Festival has introduced a new program highlighting Australian cinema.

Organized in partnership with G'Day USA, the Australian Consulate General in Los Angeles and Tourism Australia, the program — dubbed "G'Day USA: A Showcase of New Australian Cinema" — will feature Robert Connolly's "The Balibo Conspiracy," Rachel Ward's "Beautiful Kate," Ana Kokkinos' "Blessed," Tom Murray's "In My Father's Country," Glendyn Ivin's "Last Ride," Kriv Stender's "Lucky Country," Sarah Watt's "My Year Without Sex," Warwick Thornton's "Samson & Delilah" and Ted Kotcheff's "Wake in Fright."

"The Australian production boom was brought on by tax incentives, but it is the new talent behind the work that will sustain it," fest director Darryl Macdonald said.

Also, as part of its Awards Buzz program, the Jan. 7-18 fest will screen 41 of the 65 films that have been submitted to the Academy of Motion Picture Arts and Sciences for best foreign-language film consideration.

Of the 188 pics that will screen at the fest, 66 are eligible for the John Schlesinger Award for outstanding first feature or documentary.

"Beautiful Kate" will be part of the PSIFF's first "G'Day Australia" program next month.

The fest also announced the 12 films from new international filmmakers — those making their first or second films — that will be eligible for the New Voices/New Visions Award. They are Frederic Dumont's "Angel at Sea," Ward's "Kate," Ounie Lecomte's "A Brand New Life," Nicolo Donato's "Brotherhood," Vladimir Paskaljevic's "Devil's Town," Ahmad Abdalia's "Heliopolis," Alejandro Fernandez Almendras' "Huacho," Tizza Covi and Rainer Frimmel's "La Pivellina," Laxmikant Shetgaonkar's "The Man Beyond the Bridge," Rigoberto Perezcano's "Northless," Urszula Antoniak's "Nothing Personal" and Wolfgang Fischer's "What You Don't See." TRAVEL

SUNDAY, DECEMBER 27, 2009 ▪ LATIMES.COM/TRAVEL

Calendar

ALAMEDA, CALIF.

New Year's Eve on the USS Hornet

When, where: Dec. 31, USS Hornet

Highlights: Aboard this historic aircraft carrier, three dance floors come alive with big-band music as attendees get dance lessons, party favors and a panoramic view of San Francisco's skyline from the flight deck. There will also be a midnight countdown and a silent auction; the event is black-tie optional but period, swing and formal military attire are encouraged.

Cost: $48 in advance, $55 at the door, optional buffet dinner is $55; proceeds benefit the USS Hornet Museum

Info: *www.uss-hornet.org*

BRECKENRIDGE, COLO.

Ullr Fest

When, where: Jan. 10 to 16, throughout Breckenridge

Highlights: This 43rd annual celebration of the Norse snow god evokes all things Viking. During the "Ullympics," four-person teams compete in wacky sports; the Ullr Parade showcases silly floats and costumes. Other highlights include live entertainment, parties (including a skating shindig), a bonfire and a comedy night.

Cost: Most events are free

Info: (888) 251-2417, *www.gobreck.com*

KEITH BERNSTEIN Warner Bros.

ACTOR: Morgan Freeman will be honored at the Palm Springs film festival in January.

NEVADA CITY, CALIF.

Wild & Scenic Environmental Film Festival

When, where: Jan. 15 to 17, downtown Nevada City

Highlights: The eighth annual event presents award-winning films about nature and the environment while celebrities and activists speak in support of the green movement. The Nevada City event kicks off a nationwide tour that will hit some 100 venues.

Cost: Prices vary; evening passes start at $24 ($12 for children), workshops cost $29, the gala event is $75, the dance parties are $10 to $20, and a weekend pass goes for $95

Info: (530) 265-5961, *www.wildandscenicfilmfestival.org*

PALM SPRINGS

Palm Springs International Film Festival

When, where: Jan. 5 to 18, throughout Palm Springs

Highlights: Morgan Freeman, Helen Mirren, Mariah Carey and Anna Kendrick will be honored at this annual event, founded in 1990 by then-Mayor Sonny Bono. More than 400 film screenings by filmmakers from about 60 nations will be presented, many of them making their U.S. debut.

Cost: Prices range from $50 for the closing-night gala to $400 and up for a Platinum Pass. $50 gets you into six screenings.

(800) 898-7256, *www.psfilmfest.org*

SAN FRANCISCO

Cirque du Soleil's OVO

When, where: Through Jan. 24, AT&T Park

Highlights: The all-human circus' new big-top production is egg- and insect-themed with a cast of 54 performers from 13 countries. The show opens in San Jose on Feb. 4.

Cost: From $60; $42 for children ages 2 to 12; $54 for students and seniors 65 and older

Info: (800) 450-1480, *www.cirquedusoleil.com*

'New Life' tops Palm Springs fest

By KATHY A. McDONALD

Palm Springs Film Fest prizes were awarded Sunday on the event's closing day, with South Korean/French debut feature "A Brand New Life" taking the New Voices/New Visions prize.

Helmer Ounie Lecomte received a $60,000 camera package and a Dale Chihuly glass sculpture.

"A Brand New Life" received the New Voices/New Visions prize.

The Fipresci critics' prize for foreign-language film was awarded to Sweden's Oscar entry "Involuntary." Ted Bekhauri earned the Fipresci actor kudo for his perf in "The Other Band" (Georgia/Kazakhstan), and Anne Dorval won actress for Canada's "I Killed My Mother." European blockbuster thriller "The Girl With the Dragon Tattoo," directed by Niels Arden Oplev, won the audience award for narrative feature, while the audience docu award went to "The Most Dangerous Man in America: Daniel Ellsberg and the Pentagon Papers," from filmmakers Judith Ehrlich and Rick Goldsmith.

While many regional fests are facing economic challenges, Palm Springs' 21st edition had a record turnout with 130,000 in attendance, according to festival officials. In all, 189 films from 70 countries screened, including 45 of the 60 foreign-language film Oscar entries.

The festival circuit hits Palm Springs

» Since its inception in 1990, the **Palm Springs International Film Festival** has grown into an annual showcase of independent features, documentaries, and foreign films spanning 14 days (longer than Toronto or even Cannes) that's star studded to boot. This year's honorees include Morgan Freeman, Mariah Carey, and Helen Mirren (with Christopher Plummer, above, in *The Last Station*). *Jan. 5–18. Go to psfilmfest.org.*

MOVIEMAKER
THE ART AND BUSINESS OF MAKING MOVIES

January 9, 2010

http://www.moviemaker.com/articles/print/china_pulls_two_films_from_palm_springs_film_festival_20100108/

The Dalai Lama in a still from Ritu Sarin and Tenzing Sonam's documentary The Sun Behind the Clouds: Tibet's Struggle for Freedom.

The Palm Springs International Film Festival announced yesterday that two Chinese films set to screen at the 2010 festival, City of Life and Death and Quick, Quick, Slow, have been withdrawn. This news comes in response to the festival's decision to screen Ritu Sarin and Tenzing Sonam's documentary The Sun Behind the Clouds: Tibet's Struggle for Freedom despite the Chinese government's request to cancel the film's screenings. Sarin and Sonam's documentary chronicles a year with the exiled Dalai Lama and explores the hardships affecting the people of Tibet.

In response to the Chinese authorities' decision to withdraw City of Life and Death and Quick, Quick, Slow from the festival, festival director Darryl Macdonald noted, "I'm saddened that the Chinese film authorities have chosen to withdraw their films from PSIFF, as the festival is an international cultural event whose mandate is to present a wide cross section of perspectives and points of view. That said, we cannot allow the concerns of one country or community to dictate what films we should or should not play, based on their own cultural or political perspective."

This news follows on the heels of the recent report that Tibetan moviemaker Dhondup

Wangchen was sentenced to six years in prison in a secret sentencing held by the Xilin People's Court in the Chinese province of Qinghai on December 28, 2009 for the crime of "splitting the motherland," stemming from his documentary Leaving Fear Behind. The Association for Tibetan Journalists continues to protest his imprisonment and call for the moviemaker's release.

The Florida festival will screen *For a Moment Freedom* (Austria/France) and *Sticky Fingers* (Canada/France/Spain) in lieu of *City of Life and Death*, while replacement screenings for *Quick, Quick, Slow* will be announced at a later date. The Palm Springs International Film Festival is in its 21st year and runs from January 5-18, 2010.

To learn more about the festival, visit www.psfilmfest.org.

WORTH THE DRIVE

Our weekly look at nearby getaways

Worth the Drive: Palm Springs International Film Festival

Worth the Drive is NBCLA's twice weekly look at nearby getaways

By ALYSIA GRAY PAINTER

Your job: Decide to get out of town and fast. Our job: Help you find where you're headed. This week, NBCLA's Worth the Drive takes us to...

The Palm Springs International Film Festival: Always in early January, the perfect warm-weather bookend to Sundance, that slightly colder cinematic outing which ends Getty Images
the month.

Dates: January 5th-18th, 2010

Opening Night: Helen Mirren was honored. Anna Kendrick received the Rising Star Award (certainly fitting). Norman Jewison and Jason Reitman and Diablo Cody were there. Quentin Tarantino and Marion Cotillard. And Mariah Carey made a few headlines.

The rest of the fest: After the stars depart -- although we hope and expect that many will stay to soak up the sun/cinema spectacular -- the movies continue to roll. And roll. And roll right through the middle of the month. The grids are up.

What the grids have to say... "The Last Station" plays at the Opening Night Gala on Thursday, January 7th. "The Lightkeepers," starring Richard Dreyfus and Blythe Danner, closes the festival on January 17th. And in-between: so much. We should add, and this is a quote, that the festival says they have the "largest selection of foreign language Oscar submissions in the world." Worth. The. Drive.

Dream weekend: Swimming, lunch, movie. Swimming, cocktails, star-sighting, dinner, movie. Swimming.

Leveraging An Obama-Lama Summit

Greg Bruno

How the U.S. should handle Tibet and China.

The White House, after reversing course in October, is preparing to meet Tibet's exiled spiritual leader, and the Chinese are none too pleased. A Chinese Foreign Ministry spokeswoman responded angrily to the idea on Jan. 5, declaring Beijing "firmly against Dalai visiting other countries." China's U.S. ambassador, Zhou Wenzhong, was more direct in comments to the *Washington Post*. "We hope that [Obama] will not do that."

China's pre-emptive critique of an Obama-Lama summit is hardly surprising, never mind that a date has yet to be determined for the likely low-key meeting. Beijing rarely wastes an opportunity to lambast foreign governments on their relations with the monk it accuses of seeking to split the Middle Kingdom (the most recent case was at a film festival in Palm Springs, Calif., over a new documentary about Tibet).

But the boldness of China's assertiveness on the Dalai Lama's potential travel plans makes one fact clear: As the West waffles on its Tibet policy, Tibetans are running out of options.

"Western governments, at least in the E.U., are conceding to Chinese pressure on the Tibetan issue in a way nobody would have predicted," says Robbie Barnett, a Tibet expert at Columbia University in New York. Does the world community "have the capabilities, the diplomatic skills and resources, the background and long-term view to maintain their own positions and interests in dealing with contemporary Chinese diplomacy? It doesn't seem like it."

For Tibetans abroad, "Chinese diplomacy" is a war they are losing. In the Tibetan exile capital of Dharamsala, India, Tibetans young and old speak of a frustration and impotence rarely expressed in the more than 50 years since the Dalai Lama fled Lhasa. Where hope once resonated, disappointment is palpable. There were "a lot of expectations" among Tibetans after Obama's election, Tempa Tsering, the Dalai Lama's representative in New Delhi, told me during an interview at his office last fall. The decision not to meet the Dalai Lama in October--ostensibly in an effort to generate goodwill from China--"didn't keep up to the expectation."

Tibet experts say the gloomy sentiment is no accident. Similar to China's "overseas battle" against Falun Gong a decade ago, Beijing is actively needling foreign governments, in part, experts say, to increase frustration and foster anxiety within the Tibetan exile community. The ultimate aim may be to hasten the exiles' demise when the Dalai Lama dies, an eventuality openly discussed as His Holiness ages (he's 74).

Yet China's anti-Tibet tactics are more meddlesome than statements to the media. Tales of China's Cold War-era espionage are endemic in Tibetan exile, and Beijing is often accused of sending spies, tapping phones and supporting Tibetan groups opposed to the Dalai Lama's non-violent resistance. China denies such accusations

and insists it stays out of the affairs of sovereign states. But Indian, Tibetan and Western intelligence and government officials all tell me the evidence is overwhelming.

Dhondup Dorjee, vice president of the Tibetan Youth Congress, one of the more vocal Tibetan protest organizations, told me he has personally been approached by Chinese "businessmen" with offers of money and support in exchange for information. One senior Tibetan security official, who spoke on condition of anonymity, says Chinese spies masked as Tibetan pilgrims are actively seeking to learn secrets about His Holiness' health, directing agents to smuggle Dalai Lama hair--even urine--out of India for testing.

Tibetan exiles' host governments receive the Tiger's share of Chinese attention. In India, home to roughly 100,000 Tibetan refugees, efforts to squeeze New Delhi on the Tibetan question have had some success, but in Nepal, home to the world's second-largest Tibetan exile population, the Kathmandu government has completely caved, analysts say. Nepalese officials have shuttered Tibetan welfare offices, arrested protestors and proposed a 10,000-strong border force that could shut off the principal route for refugees escaping China's authoritarian policies.

China's rising economic star, and its perceived role in rescuing the world's economies from collapse in 2009, has given its leaders outsized confidence to make demands on critical domestic issues to leaders in Beijing. Western governments are buckling under the pressure. In December, seven months after receiving His Holiness for an official visit in Denmark, Copenhagen effectively apologized to Beijing.

"The Dalai Lama's political credibility is his mandate from inside" Tibetan territory, Barnett says. "That's what China's core strategy has been about since the mid-1990s: destroying the standing of the Dalai Lama as a leader, as a credible representative."

Last year, in detailing the Obama administration's China policy, Deputy Secretary of State James Steinberg called on China to "reassure the rest of the world that its development and growing global role will not come at the expense of security and well-being of others." On the Tibet issue Obama can help Beijing along by ignoring China's protests and meeting with the Dalai Lama. He should also encourage China to meet with the Dalai Lama's representatives. Doing so may come with political costs, and it won't alter China's calculations toward its Tibetan minority. But at the very least it will send China a message that American foreign policy cannot by hijacked by finger wagging.

Greg Bruno is a staff writer for CFR.org, the Web site of the Council on Foreign Relations. He is currently researching Tibet's exile community with a grant from the Nation Institute's Investigative Fund.

The Desert Sun

21ST ANNUAL PALM SPRINGS INTERNATIONAL FILM FESTIVAL

Students, filmmakers both benefit from film screenings

BY MAGGIE DOWNS
The Desert Sun

Director Ricardo Trogi remembers watching "The Killing Fields" when he was a high school student.

"I remember all the students were going out like this," he said, trembling. "It showed me things I had never seen before."

He hopes the films screened at the Palm Springs International Film Festival Student Screening Day will have the same profound effect on Coachella Valley teenagers.

Trogi's film, "1981," was among five films being shown to high-schoolers on Wednesday.

In the morning, more than 1,000 students watched "Samson & Delilah," about a young Aboriginal couple, followed by "The Most Dangerous Man in America: Daniel Ellsberg and the Pentagon Papers."

"To me, students are the main audience for this film," said Judith Ehrlich, one of the filmmakers for the documentary, which will air on PBS later this year and have a limited theatrical release.

"I always show my work to students first anyway," she said. "That's the most valuable feedback I receive."

COURTESY OF THE PALM SPRINGS INTERNATIONAL FILM FESTIVAL

Director Ricardo Trogi's film "1981" was one of five films shown during the Palm Springs International Film Festival Student Screening Day Wednesday.

As part of the evening program, there were free screenings of "Only When I Dance," which follows young Brazilians as they pursue professional dancing careers; Trogi's film, "1981," a coming-of-age comedy; and "Sweet Crude," a documentary about the conflict over oil in Nigeria.

"(Students) ask the hardest questions," said Sandy Cioffi, director of "Sweet Crude." "When you show films to a focus group of adults, you have to beg for feedback. With students, you can't stop them from giving real answers."

The event is part of the festival's educational outreach program, a year-round facet of the film society. Their goal is to expose students to outstanding international cinema and engage with filmmakers.

Los Angeles Times

January 4, 2010

http://travel.latimes.com/daily-deal-blog/index.php/hotel-deals-for-palm-6152/

Hotel deals for Palm Springs International Film Festival, Jan. 5-18

For a bouillabaisse of plots set to thicken, film fanatics will soon be heading to the desert for the Palm Springs International Film Festival, in its 21st year. On the menu are thrillers, such as the "Girl With the Dragon Tattoo" from Sweden and "Chameleon" from Hungary. Also scheduled are programs such as "G'Day USA: A Showcase of New Australian Cinema," which will feature nine films, including "My Year Without Sex." Opening night will feature "The Last Station," pictured above. And there will be lots, lots more. On 15 screens in Palm Springs, the festival — founded in 1990 by then-mayor Sonny Bono — will include 188 films, representing work from 70 countries, according to David Lee of the Palm Springs International Film Society.

Treat yourself to a cinematic desert stay — and stay awhile, if you can. The following are some of the hotel deals in the area available during the festival; rates below are pre-tax:

$99 & up, plus free tickets: A Place in the Sun Garden Hotel [(800) 779-2254] is offering discounted rooms. When I called on Sunday requesting "film festival rates," there was plenty of availability. Rates normally start at $129 per night. In addition, vouchers for festival-screening tickets are free for the taking (at least one pair of vouchers per room, according to the owners), on a first-come, first-served basis and subject to availability. You'll receive the vouchers upon check-in.

$119: Palm Springs' Courtyard by Marriott [(800) 321-2211] is within walking distance of the Regal Theatre, one of the festival's screening locations. The special rate for festival attendees is $119 per night. Request the "PSFC" rate when booking by phone; the deal is not available online. When I called in, the reservations agent cited generally good availability between Jan. 5 and 14. The regular rate here starts at $139 per night.

$295: At Sundance Villas [(800) 455-3888], a two-bedroom, two-bath villa with private pool and spa will normally cost you at least $375 per night. The starting rate for festival-goers is $295 per night. Call in and request the festival rate. When I called, reservations were available under this promotion.

To find out which other hotels are offering specials during this time, see the Travel & Accommodations section on the festival website. Check out the Palm Springs International Film Festival & ShortFest Facebook page for some useful information, such as which films are selling out. (The Palm Springs ShortFest, June 22-28, follows the international festival.)

China, Palm Springs Film Festival clash over Tibet doc

By Jeremy Kay

Chinese authorities have pulled two films from the Palm Springs International Film Festival ahead of screenings later this week of *The Sun Behind The Clouds: Tibet's Struggle For Freedom.*

The move comes after festival director Darryl Macdonald defied a request by officials not to show the documentary, and recalls events leading up to last summer's Melbourne International Film Festival when three Chinese films were withdrawn.

The Sun Behind The Clouds: Tibet's Struggle For Freedom follows the Dalai Lama over the course of an eventful 12 months that saw the 2008 protests in Tibet, the long march in India, the Beijing Olympics, and the breakdown of talks with China.

As a result of the festival's decision to go ahead with scheduled screenings on January 10 and 12, Chinese authorities have withdrawn Lu Chuan's Nanking Massacre drama *City Of Life And Death* (pictured) and Ye Kai's comedy *Quick, Quick, Slow* from the festival.

"After meeting with representatives from the Chinese government regarding their request to cancel our screenings of *The Sun Behind The Clouds: Tibet's Struggle for Freedom*, we have respectfully declined their request," Macdonald said.

"I'm saddened that the Chinese film authorities have chosen to withdraw their films from PSIFF, as the festival is an international cultural event whose mandate is to present a wide cross-section of perspectives and points of view.

"That said, we cannot allow the concerns of one country or community to dictate what films we should or should not play, based on their own cultural or political perspective. Freedom of expression is a concept that is integral both to the validity of artistic events, and indeed, to the ethos of this country."

The City Of Life And Death screenings will be replaced by *For A Moment Freedom* (Austria-France), which centres on a group of Middle Eastern refugees who have made their way to Turkey to apply for European visas, and *Sticky Fingers* (Canada-France-Spain), a comedy about six of the world's worst gangsters.

Replacement screenings for *Quick, Quick, Slow* will be announced at a later date.

Last July politics forced the withdrawal from the Melbourne International Film Festival of Zhao Liang's Chinese-French documentary *Petition – The Court Of The Complainants*, about the injustices perpetuated by China's bureaucracy, Emily Tang's Hong Kong drama *Perfect Life*, and the short film *Cry Me A River*

Chow Keung, the Hong Kong producer of *Perfect Life* and *Cry Me A River*, pulled his films in response to the inclusion of Australian documentary *The 10 Conditions Of Love*, about Uyghur leader Rebiya Kadeer. Melbourne organisers were also informed they no longer had access to *Petition – The Court Of The Complainants.*

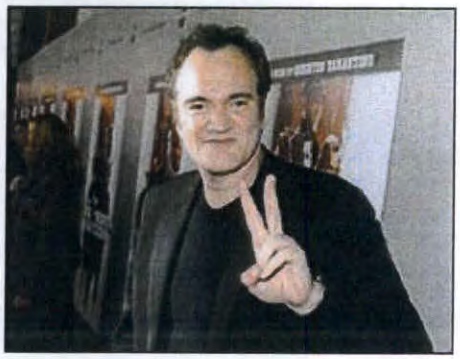
Quentin Tarantino to collect festival honour



Movie director Quentin Tarantino is to be honoured for his career achievements at the Palm Springs Film Festival in the US next month.

The maker of Reservoir Dogs will be given the Sonny Bono Visionary Award, named after the event's late founder.

Oscar winner Marion Cotillard will collect an award for achievement in acting, a year after winning the breakthrough accolade.

The California festival is due to take place from 5-18 January.

'Breathtaking'

Festival chairman Harold Matzner hailed Tarantino as "one of the most gifted, iconoclastic film-makers of his generation".

He also noted the director's most recent release, Inglourious Basterds, as a "hugely entertaining, revisionist take on history".

Cotillard, who won the best actress Academy Award in 2008 for playing singer Edith Piaf in La Vie En Rose, was the first actress to win the top acting award for a French language picture.

Mr Matzer said: "Following a distinguished career in French cinema, Marion Cotillard has firmly established herself as a major actress in American films."

He added that the star's latest performance in musical film Nine is "breathtaking".

Previous winners of the Desert Palm actress achievement award include Kate Winslet and Halle Berry - both Oscar winners.

Chinese director accepts decision to pull film

By MIN LEE
Associated Press

A Chinese director whose movie was pulled from an American film festival as part of a boycott over the screening of a documentary about the Dalai Lama said Thursday he accepted the decision _ but hinted he was under pressure to toe the government line.

The Palm Springs International Film Festival said in a statement posted on its Web site Wednesday that Chinese film authorities pulled Lu Chuan's "City of Life and Death" and the comedy "Quick, Quick, Slow" from the event. Organizers said the Chinese acted after they refused Beijing's request they drop the documentary "The Sun Behind the Clouds: Tibet's Struggle for Freedom."

China considers the Dalai Lama a "splittist" seeking formal independence for Tibet, which Beijing says has been Chinese territory for centuries. The Dalai Lama says he seeks only a high level of autonomy under Chinese rule for the Himalayan region, although many of his supporters say Tibet was effectively an independent country for most of its history.

Lu told The Associated Press in a phone interview Thursday that he accepted the Chinese government's decision _ but hinted he wasn't able to speak freely because of political pressure. The director, a rising star in China, initially declined to be interviewed at all.

"This interview is too sensitive. It's not very appropriate for me to do it," Lu said.

When pressed, he said he "unconditionally accepted" the decision to withdraw his movie.

"This incident involves national interests. National interests trump everything," Lu said. "When it comes to national unity, I think the attitude of all Chinese is the same."

Asked if China, by pulling the two films, was interfering with artistic freedom, Lu said, "It's really, really hard for me to answer that question."

"There are some things I can say internally, but I can't say to the media," he said.

Lu, whose credits also include "The Missing Gun" and "Mountain Patrol," is also in a sensitive position because he just landed a major prestige project. The Chinese government recently commissioned him to make a short film that will be shown at the China pavilion at this year's World Expo in Shanghai.

Lu said China Film Group is the overseas distributor for "City for Life and Death" and the state-run company told him about the decision to pull the film. China Film Group spokesman Weng Li said Thursday he didn't know about the withdrawal.

Calls to the international cooperation department of China's Film Bureau went unanswered.

At Shanghai-based DFM Films, which made the comedy that was pulled, a woman who identified herself as the executive in charge of the company declined to comment. She also declined to give her name.

"City of Life and Death" is a story set against the Japanese massacre of Chinese citizens during World War II. The comedy, Ye Kai's "Quick, Quick, Slow" is about middle-aged Chinese citizens who take part in a dance competition.

The Palm Springs International Film Festival in California runs through Jan. 18.

Sun Kissed Palm Springs Cranks Out International Cinema

by Brian Brooks

Photo by Brian Brooks/indieWIRE

The Palm Springs International Film Festival is blessed with a location and date that many other festivals might only dream of... PSIFF lives up to the "International" in its name, regularly screening the world's entries for Best Foreign Language Oscar consideration - this year, 41 of 65 entries to the Academy of Motion Picture Arts and Sciences.

Being set in a tony desert resort less than two hours from Los Angeles with some of the balmiest January weather in the United States certainly can't hurt. Plus, Palm Springs has long been a magnet for Hollywood stars and bigwigs for decades, so luring out those Academy members to see some of those contenders on the big screen is a no brainer. Still, the festival's organizers, the Palm Springs International Film Society - which hosts year-round events including Palm Springs International ShortFest taking place this year June 22 - 28 - deserves kudos for exploiting this niche.

And the long queues outside festival venues around the desert enclave are testament to the event's success, even if the audiences are skewed somewhat to the community's resident winter population.

"Palm Springs attendees come from all over North America," PSIFF Lead Programmer Carl Spence told *indieWIRE*. "They are passionate and longtime arthouse film goers frustrated by the fewer and fewer opportunities to see these types of films in their hometowns. They love to discover new films they have never heard of." Spence called the festival's audience "savvy and "smart" and place value in a geographic diversity of voices. "I'm always surprised when we have people fighting to get into a small film from Turkey, Namibia or another distant country."

Palm Springs Fest Lead Programmer Carl Spence with actor Udo Kier at a French brunch over the weekend. Photo by Brian Brooks/indieWIRE

Distant, but certainly far from obscure, Australia received a special festival spotlight this year, with a program dubbed, "G'Day USA: A Showcase of New Australian Cinema," showcasing nine features debuting from Down Under. Director Warwick Thornton's look at Aboriginal youth, "Samson & Delilah" was among the crop of films in the spotlight. The filmmaker showed up with his new bride - the couple used their visit to Palm Springs as a honeymoon - to introduce the film which took the Camera D'Or in Cannes last year.

The film follows two teens who live in a dusty settlement in the Australian desert. The plot unfolds with minimal dialog yet seductive performances by its lead actors. Samson, 15, is addicted to sniffing gasoline, while 16 year-old Delilah cares and works on dot-paintings with her elderly grandmother. Their flirtation takes a harsh turn after they take a community car to Alice Springs and they find themselves living under a highway overpass as runaways. From there, things descend further until a chance accident adds another twist.

Croatian director Antonio Nuic along with producer Boris T Matic and Lana Ujdur took some time out screening their film, "Donkey" (Croatia's Oscar submission this year) to try out Palm Springs' local Croatian restaurant, Cafe Jasmin. Photo by Brian Brooks/indieWIRE

"'Samson & Delilah' is a horrific film, it hurts," said Thornton after the screening. "But it's 'Honesty Cinema.' It tells the truth. The film may itself be fictitious, but it shows what's happening." Thornton continued to say to the audience (two theaters were packed for the film's initial screening) that the story may have been invented, but it reflected the condition of many Aboriginal youth in Australia and beyond.

"The thing I love about 'Samson & Delilah' is that they're two teens falling in love, and they're kids dealing with drug abuse," he said, "They could be two kids in Australia, Palm Springs, New York or anywhere."

"Samson & Delilah" was certainly captivating, but it didn't make for light viewing. Nor did the U.S. debut of fellow Aussie filmmaker Glendyn Ivin's "Last Ride." Starring Hugo Weaving, the veteran Oz actor plays an ex-con father who takes his 10 year-old son, played charmingly by Tommy Russell, out to the desert on an odyssey he knows can't be good. Their journey is peppered with light moments, but their journey becomes more precarious as they steal food and his father descends down a slow temper-filled spiral. "There were certainly parts of the film that I liked," one member of the audience told a fellow watcher. "Yeah, parts," she added.

Filmmakers Anne Aghion ("My Neighbor, My Killer" - right) with "I Killed My Mother" director & star Xavier Dolan (middle) along with the film's stars Patricia Tulasne and Anne Dorval (left). Photo by Brian Brooks/indieWIRE

"'Samson & Delilah' was the spark that got us to look around and notice a surge in extraordinary productions from Australia," said Spence about this year's country spotlight. "It started with 'Samson & Delilah' in Cannes and then continued in Toronto after seeing 'Beautiful Kate,' 'The Balibo Conspiracy,' 'Blessed' and 'My Year Without Sex' amongst other recent noteworthy films from Australia."

Typically at the forefront of international offerings, French-language film made a splash last weekend with a lovely lunch co-hosted by the Department of Film and Television of the Consulate General of France. Interestingly, France's own submission for Oscar consideration, Jacques Audiard's "A Prophet" was absent from the festival's line-up, but France had 19 other titles listed in the PSIFF catalog.

And, three other French-speaking titles that have been by submitted by other countries traveled to Palm Springs. Belgium's "The Misfortunates" by Felix van Groeningen, Switzerland's "Home" by Ursula Meier and Canada's "I Killed My Mother" by young actor/director Xavier Dolan (one of indieWIRE's favorites from this past Fall's film circuit) were among the films feted at the brunch.

PSIFF programmer Therese Hays with "The Sun Behind the Clouds: Tibet's Struggle for Freedom" directors, Ritu Sarin and Tenzing Sonam. Photo by Brian Brooks

Also grabbing festival attention and headlines ahead of its screening was Ritu Sarin and Tenzing Sonam's "The Sun Behind the Clouds: Tibet's Struggle for Freedom." China insured a decent amount of press for PSIFF by subtly then demanding the removal of the film which takes a look at the Dalai Lama and his quest for autonomy - but not complete independence - from China. When festival organizers refused, China withdrew two titles from the fest.

The 21st Palm Springs International Film Festival continues through January 18th. indieWIRE will publish the winners of the festival over the weekend.

Chinese film pulled from Palm Springs fest: China Film Group yanks 'City of Life and Death'

By Jonathan Landreth

"City of Life and Death"

BEIJING -- State-run China Film Group has pulled "City of Life and Death" from the Palm Springs International Film Festival to protest the event's inclusion of a film about the Dalai Lama, director Lu Chuan said Wednesday.

The episode is the latest incidence of the Chinese government interfering with the participation of Chinese films at international festivals.

Festival director Darryl Macdonald said he had rejected a request by Chinese government representatives to cancel the screening of "The Sun Behind the Clouds: Tibet's Struggle for Freedom," a documentary by directors Ritu Sarin and Tenzing Sonam.

"We cannot allow the concerns of one country or community to dictate what films we should or should not play, based on their own cultural or political perspective," Macdonald said in a statement.

Also withdrawn from Palm Springs was debut Chinese director Ye Kai's film "Quick, Quick, Slow," a comedy about elderly amateur dancers.

In July, Chinese directors came under government pressure to withdraw their films from the Melbourne International Film Festival to protest a film about the life of Uighur leader Rebiya Kadeer, who, like the Dalai Lama, is considered a separatist by Beijing.

In Sept, the controversial Australian documentary about Kadeer, called "Ten Conditions of Love," was dropped from the Kaohsiung Film Festival in Taiwan after organizers felt pressure from Beijing, which considers the self-governed island a renegade province.

"My feelings are very complicated," Lu told The Hollywood Reporter. "On the one hand I'm very grateful to the film festival for giving my film greater exposure, on the other hand, when it comes to Tibet and politics, we directors have no choice but to stand together with our film company."

State-run China Film is the largest producer and distributor of films in China and holds great sway over the careers of many young directors who have come up under its influence.

"City of Life and Death," about the Nanjing massacre of Chinese citizens by invading Japanese troops in 1937 earned 180 million yuan ($26.5 million) at the Chinese boxoffice in 2009, catapulting Lu into the commercial limelight.

Soon after, Lu was signed by the Creative Artists Agency in the United States, which then brokered China Film's sale of the film last year to National Geographic, which hopes to screen the film theatrically beginning in March.

"It's my dream that the film get a theatrical distribution in the U.S." he said, hopeful that such a deal was near to closure.

Lu said an official from China Film's foreign affairs department tried to reach him last week while he was on holiday with his family to explain why the company would boycott Palm Springs by pulling the film, known in Chinese as "Nanjing! Nanjing!"

"She didn't give me the name of the government department that demanded China Film pull the movie, but she intimated that it had to do with Tibet and politics," Lu said, adding that he hoped at some later date to discuss the episode in private with whomever made the decision to pull his film.

The China Film official, reached by telephone, said the issue was "complicated" and declined further comment and permission to use her name in print.

"Sun Behind the Clouds" is scheduled to screen in Palm Springs this week.

"I have absolutely no knowledge of the film they're talking about," Lu said.

Another film about Nanjing, the German-Chinese co-production "John Rabe" was scheduled to show at the festival. The Chinese half of that film was the Beijing based Huayi Brothers Pictures, the first publicly-listed movie company in China.

The festival runs Jan. 5-18.

The 21st Annual Palm Springs International Film Festival emphasizes new talent from Australia

By Janice Kleinschmidt

MARK ROGERS

THEY CALLED IT A FILM RENAISSANCE, and "The Australian New Wave." With new funding and training in place, the land of kangaroos and vegemite produced an astonishing number of fresh and quirky films beginning in the early 1970s. Over the next 15 years or so, movies such as *Picnic at Hanging Rock*, *Mad Max* (and its two sequels), *The Man From Snowy River*, *The Year of Living Dangerously*, and *Crocodile Dundee* (and its sequel) brought global attention to Australian directors and actors.

The 2010 Palm Springs International Film Festival celebrates another revival in movies from Down Under with an Australian Film Day and gala on Jan. 9.

"We are just really excited, because Australia was very hot filmwise back in the '70s and early '80s," says Executive Director Darryl Macdonald, pointing to directors such as Bruce Beresford (*Breaker Morant*), Peter Weir (*Gallipoli*), George Miller (*Mad Max*), and Gillian Armstrong (*My Brilliant Career*). "Then, unfortunately, they all transplanted themselves to Hollywood and made American movies." While Macdonald acknowledges that these filmmakers "injected vitality into American film in the late '80s and '90s," he clearly appreciates the perspectives that come from indigenous surroundings. "This is the first new wave of talented filmmakers emerging out of Australia," he says of the latest crop of young Aussie directors.

Founded in 1990 by then-Mayor Sonny Bono, Palm Springs International Film Festival has become one of the most prestigious film festivals in the country. It presents a majority of the films submitted for consideration in the Best Foreign Language category of the Academy Awards, as well as American independent and international films making their world and U.S. debuts. Many Academy members come to the festival to view films prior to Oscar voting.

Festival organizers decided to highlight Australian cinema after attending the Cannes and Toronto film festivals. In October, they visited the Australian consulate in Los Angeles, where they learned about a tourism promotion called G'Day USA — a series of events that includes film screenings, fashion shows, dinners, and a trade show in Los Angeles, San Francisco, and New York. With G'Day USA scheduled to run Jan. 9-22, Macdonald's team suggested kicking off the celebration at the Palm Springs International Film Festival.

"There are a huge number of Australians, something like 300,000 in the greater Los Angeles area alone who tune into the Australian consulate Web site and click through to G'Day's Web site," Macdonald says. "We obviously hope to draw a lot of people who haven't been to the festival before to Palm Springs, as well as Australian tourists from across the country. ... Another part and parcel of it is the press coverage that will be generated in Australia in connection with G'Day USA." In addition to the consulate, festival organizers are coordinating efforts with Tourism Australia and Quantas Airways. Australian wines will be served at the Jan. 9 gala.

Films in the lineup primarily showcase new talent, but also include a film by Beresford (*Mao's Last Dancer*) and the feature film directorial debut of Rachel Ward, who has been in front of the camera for more than 20 years (*Beautiful Kate*). Ward and her husband, actor Bryan Brown, are among those in the Australian film industry expected to appear in Palm Springs.

According to Macdonald, the festival tries to focus on one country that has risen to the top by making exciting films. "Suddenly sparks will fly," he says. "Australia loudly and clearly has pushed to the forefront [this year]."

Rowan McNamara plays Samson in *Samson and Delilah*.

Gameau stars in *Balibo*.

BALIBO FILM PTY LTD

Matt Day (right), Jonathan Segat (left), and Sean Rees-Wemyss (second from left) star in *My Year Without Sex*.

SARAH WATT

IN 2008, the festival celebrated Israeli cinema when that country marked the 60th anniversary of its founding. "It did more to cement us in their minds about what we do," Macdonald says. "It's also about growing our constituency and, hopefully, tourism in Palm Springs.

"The festival is basically a reflection of what's going on in the world. That's what drives our programming."

21ST ANNUAL PALM SPRINGS INTERNATIONAL FILM FESTIVAL
Jan. 5-18
1-760-322-2930
www.psfilmfest.org

FESTIVAL FILMS FROM AUSTRALIA

Balibo
Anthony LaPaglia stars as Roger East, an Australian war journalist who ventures to East Timor to investigate the disappearance of five Australian TV reporters who go missing during the Indonesian invasion of East Timor in 1975. LaPaglia also co-produced the film.

Beautiful Kate
One of Australia's biggest stars, Rachel Ward, wrote and directed this handsome and intense Gothic love story, a tale of lust and dark family secrets that come spilling into the open when the family rallies around its dying patriarch.

Blessed
Boasting a stellar cast of Australian actresses, including Debora Lee-Furness, Miranda Otto, and Frances O'Connor, Anna Kokinos' drama traces the disparate but overlapping stories of a group of wandering children and their assorted mothers over the space of 24 hours.

My Year Without Sex
Winner of the Australian Directors' Guild Award this year, this highly original dramedy — part uneasy domestic comedy, part doom-laced morality tale — introduces us to a housewife whose doctor forbids her and her husband to have sex for a year after she is stricken by a bolt-out-of-the-blue health crisis.

Samson and Delilah
Winner of the Camera d'Or at this year's Cannes Film Festival, this unconventional aboriginal love story about two outcast teens has won critical praise and audience raves on the festival trail since its debut at the Adelaide Film Festival in March 2009.

Mao's Last Dancer
Bruce Beresford's drama traces the true story of Li Cunxin, a young man plucked from obscurity at the age of 11 by Madame Mao's cultural delegates and taken to Beijing to train as a ballet dancer. He went on to become a major ballet master who defected to the West when he was sent to Houston on a cultural exchange and fell in love with an American woman, subsequently becoming a principal dancer for the Houston Ballet and a principal artist with the Australian Ballet.

Last Ride
Hugo Weaving stars as an ex-con on the lam with his 10-year-old son in this taut, unsettling road movie set against the vast expanses of inland South Australia.

A FEW COMMENTS FROM FESTIVAL ATTENDEES –

I'm so pleased with how famous *our* festival has become all over the world. I enjoy it so much. I will continue to come to it EVERY year!

Love the fest. Our 5th year. It's getting better each year. Very well organized. Truly enjoy the desert.

Excellent films in quality and range. Very punctual. Fine volunteers, organization, communication. Everything is easily accessible. Look forward to returning.

Great films as always - maybe a bit stronger even than usual. I love this festival - it is better run every year.

Excellent gift to the community!

Magnificent. Excellent choices of films from good to excellent to sublime.

I love PSIFF- I have come for 21 years. I love it and the programmers and the volunteers. Thank you. So well organized. I wouldn't do without a Platinum Pass.

A fantastic opportunity for us! Festival seems organized and is always a great experience.

I like it very much, it gives me the opportunity to see the rest of the countries through this party window. I learn a lot about peoples problems and thank God every time for what I have. Thanks for your efforts. Keep up the good work.

Extraordinary event. Important part of our year. Have attended 20 out of 21 years.

First off, I'm a huge fan and am enjoying the fest thoroughly. 1st time with a Platinum Pass and love it. Great festival. I look forward to it every year! Thanks!

Each year the festival is my Big vacation. I really enjoy it each year. Thanks to everyone for their efforts making it a great experience.

Been coming for many (19) years. Very well organized this year. I'm a platinum passholder. Had a great fest! Thanks.

Excellent. We own a home in Rancho Mirage but live in Minnesota. The film festival is the highlight of our winter and the principle reason we chose this area to live in during the winter. This year it seems we saw better films than usual! We do try to buy sponsor products during the year.

We are the first timer and enjoyed it so much. We'll recommend PSIFF to our friends at home.

This festival has given me and my family a chance to see many wonderful foreign films that might not be released in NYC. This is my 3rd time here and I plan on coming again!

My favorite weeks of the year!

Well run, well organized festival. I saw 30 movies and only 1 was not outstanding. Thanks for everything! See you next year.

PALM SPRINGS INTERNATIONAL FILM SOCIETY
EXECUTIVE COMMITTEE MEETING
Monday, February 1, 2010-8:00A.M
Spencer's-701 W. Baristo Rd., Palm Springs

1) Call to order-Harold Matzner
2) Approval of Minutes- Harold Matzner
    a. December 7, 2009

    a. Awards Gala Show and After Party
        i. Earlier Invitations
        ii. Use last year's honoree names as an example
        iii. Source of Awards Gala sales
        iv. Penfolds (how did Board members feel about Penfolds?)
    b. Opening Night
        i. Quality Level....cost....security
    c. Agua Caliente Closing Party
    d. Party access for Board of Directors
9) Executive Director's Report – Darryl Macdonald – **Defer largely to full board**
10) Old Business/ New Business
11) Next Meeting- Monday, March 8, 2010
12) Adjournment

waited to pursue sponsorships until later in the year to give the economy a chance to normalize. We have various presentations out to large companies such as American Express, Best Buy and BMW. Mercedes-Benz has not finalized a sponsorship renewal, but we are hopeful that they will do so. The Agua Caliente Band of Cahuilla Indians has reduced their sponsorship by $50,000, bringing their overall funding to $75,000 this year versus $125,000 last year. In total we may be down as much as $100k in sponsorship contributions, but we will be selling until the last possible day.

Darryl Macdonald delivered the *Executive Director's Report*. Mr. Macdonald stated that the same core staff is back for the 2010 Film Festival. He also announced that the 2010 Festival will have an Australian Cinema Component that is being sponsored by G'Day USA, Australia.com and Quantas. Darryl also announced the current Film Society membership is 1,042. Darryl then shared details with the Board about the different types of passes that are available for purchase.

The next official meeting of the Board of Directors will be held on Monday, February 1st.

As there was no further business the meeting was adjourned at 9:58 a.m.

Respectfully submitted,

Cynthia Escarpita

Approved,

Harold Matzner, Chairman

Sidney Craig, Secretary

P.S. January 14th at 5:30 p.m. will be a Chairman's Dinner and Screening at the Regal Theater. There will be an informal discussion of Festival matters preceding dinner. All Board members are invited with a guest.

Palm Springs International Film Society
Board of Directors Meeting
December 7, 2009, 9:00 a.m.
Spencer's Bougainvillea Room
701 W. Baristo Rd, Palm Springs

Present:
Mark Adams, Cynthia Berenson, Stephen Breimer, Jim Bruner, Jim Casey, Sidney Craig, Bob Deville, Fritz Frauchiger, Helene Galen, Jack Grundhofer, Jackie Lee Houston, Jim Hummer, Mary Ann LaBahn, Harold Matzner, Kevin McGuire, Patrick Mundt, John Pinkney, Richard Ramhoff, David Ready, Lois Schlecht, Brian Shea, Dominique Shwe, Judy Vossler, John Wessman

Also Present:
Cynthia Escarpita, Rhea Lewis Woodson, Darryl Macdonald, Elizabeth Matzner, Christina Sasse, Dawn Vargo

Not Present:
David Baron, Michael Childers, Robert Dickey, John Fowler, Michael Hutchison, Michelle Krans, Haddon Libby, Lee Morcus, Muriel Myerson, Mark Palmer, Madeline Redstone, Jack Scalia, Linda Shirvanian, Dick Taylor.

Harold Matzner, Chairman, convened the Board of Directors Meeting at 9:06 a.m. A quorum being present, Mr. Matzner asked for approval of the minutes of November 3, 2009. On a **MOTION by Jim Casey, SECONDED by Brian Shea, the Board minutes of Monday, November 3, 2009 were unanimously approved.**

Managing Director Rhea Lewis Woodson delivered the Finance Committee report, giving the current Festival cash position as $215,000, receivables are over $600,000 all of which are considered collectable. The Festival's current overall financial position is good.

Mrs. Jackie Lee Houston delivered the Awards Gala Committee Report. Mrs. Houston has finalized the décor & lighting. This year Shari Kelley is collaborating with Mrs. Houston on the décor of the evening and the theme will be "GOLD". The tasting of the Awards Gala Menu is set for December 10th. Mrs. Houston feels much better about the status of the Awards Gala this year than she did at the same time last year. Mr. Matzner thanked Mrs. Houston for sponsoring Shari Kelley's costs for table décor at the Gala. There will be 140 tables. Mr. Matzner said that Shari Kelley is one of the best creative people in the country.

Mrs. Helene Galen asked when the Awards Gala invitations would be available. Mr. Matzner answered that they would be available shortly. He commented on the fact that we are getting very close to finalizing the list of honorees and that the Film Studios put pressure on us to include all of the honorees in the invitation.

Dominique Shwe and Harold Matzner delivered a brief Sponsorship Committee Report. Mr. Matzner mentioned that the sponsorship committee purposely

Managing Director Rhea Lewis Woodson delivered the Finance Committee report, giving the current Festival cash position as $215,000, receivables are over $600,000 all of which are considered collectable. The Festival's current overall financial position is good.

Dominique Shwe and Harold Matzner delivered a brief Sponsorship Committee Report. Mr. Matzner mentioned that the sponsorship committee purposely waited to pursue sponsorships until later in the year to give the economy a chance to normalize. We have various presentations out to large companies such as American Express, Best Buy and BMW. Mercedes-Benz has not finalized a sponsorship renewal, but we are hopeful that they will do so. The Agua Caliente Band of Cahuilla Indians has reduced their sponsorship by $50,000, bringing their overall funding to $75,000 this year versus $125,000 last year. In total we may be down as much as $100k in sponsorship contributions, but we will be selling until the last possible day.

Mrs. Jackie Lee Houston delivered the Awards Gala Committee Report. Mrs. Houston has finalized the décor & lighting. This year Shari Kelley is collaborating with Mrs. Houston on the décor of the evening and the theme will be "GOLD". The tasting of the Awards Gala Menu is set for December 10th. Mrs. Houston feels much better about the status of the Awards Gala this year than she did at the same time last year. Mr. Matzner thanked Mrs. Houston for sponsoring Shari Kelley's costs for table décor at the Gala. There will be 140 tables. Mr. Matzner said that Shari Kelley is one of the best creative people in the country.

A long discussion took place with regards to expanding the Education programs of the Festival. This discussion included a broad discussion of fund-raising possibilities. This resulted in a **motion by John Wessman, Seconded by Brian Shea as follows: "The Executive Committee requests that Darryl Macdonald develop a written plan for the expansion of the Festival's Educational Program."** Mr. Matzner asked for Board volunteers to serve on an education committee. That committee will be appointed at the next Board meeting.

The Executive Committee unanimously agreed to produce a two-minute video that describes the Festival's educational initiatives and that can be used for fund raising and Festival sponsorships.

Darryl Macdonald delivered a brief *Executive Director's Report*. Mr. Macdonald stated that the same core staff is back for the 2010 Film Festival. He also announced that the 2010 Festival will have an Australian Cinema Component that is being sponsored by G'Day USA, Australia.com and Quantas.

The next official meeting of the Board of Directors will be held on Monday, February 1st.

As there were no further business the meeting was adjourned at 8:56 a.m.

Respectfully submitted,

Cynthia Escarpita

Approved,

Harold Matzner, Chairman

Sidney Craig, Secretary

PALM SPRINGS INTERNATIONAL FILM SOCIETY
EXECUTIVE DIRECTOR'S REPORT
February 1, 2010

1. 2010 Palm Springs International Film Festival

The most successful event in the Festival's history, the 21st PSIFF broke attendance and revenue records while earning near-universal raves for the quality of its programming, filmmaking guests and parties, along with equal praise for the smoothness of its operations.

The adjustments made in our 2010 theatre operations, based on last year's customer feedback and survey results, resulted in more sold out screenings, a smoother running Festival and happier customers.

Press coverage jumped considerably on all fronts, and that, together with a more targeted marketing and promotions effort, drove a younger demographic to our screenings and allied events, which was particularly evident on our second weekend.

The numbers so far show a marked improvement over last year's record revenues, with the biggest jumps in the Benefactor and Concierge Pass categories, the Six Packs and Gala Screenings. Preliminary figures:

	2009	2010
Benefactor Pass ($2,500)	$81,500	$132,500
Concierge Pass ($1,500)	$51,500	$94,500
Platinum Pass ($400)	$223,525	$208,800
Silver A + B Pass ($275)	$50,600	$48,950
Six Packs ($50)	$258,520	$273,366
Group Sales	$93,859	$104,830
Overall ticket sales	**$1,123,952**	**$1,181,830**

Festival Educational Programs/Student Screening Day

For the Second year, the Festival presented its free Student Screening Day events on Wednesday, Jan. 6, following the Black Tie Awards Gala Evening and one day prior to the Opening Night event.

Attendance at the Palm Springs High School doubled over last year's two free PSHS screenings, and this year featured *Samson & Delilah* and *The Most Dangerous Man in America: Daniel Elsberg and the Pentagon Papers*, with directors attending for Q&A following the screenings.

More than 1,000 students were bussed in from schools all over the Coachella Valley, including Palm Springs High School, Cathedral City High School, Desert Hot Springs High School, Palm Desert High School, La Quinta High School, Indio High School and Coachella Valley High School. The students were provided with free complete lunches by Chipotle, Cranberry Raisinettes, Fresh & Easy and O.N.E. Water.

Student screenings that evening at the Regal Palm Springs Stadium 9 included three different films: *Only When I Dance*, *Sweet Crude* and *1981*, again with directors attending for post-screening discussions with the students. Bank of America is the sponsor for our full day of free student screenings and our year-round educational programs.

Staging Staff Exit Interviews

Since the Festival ended, we have had ongoing meetings with all departments, interviewing staff and department heads regarding what worked smoothly at PSIFF 2010 and what elements need improvements for next year. While a number of things improved markedly at this year's Festival (most dramatically, crowd control), we've identified a number of areas which need further tweaking in order to continue manageable growth.

2010 Festival Audience Survey

We received more than 500 responses to our written audience demographics survey, distributed during the final weekend of the Festival. The results are currently being tabulated. In addition, we are once again sending out a more detailed computerized audience survey to our mailing list through SurveyMonkey this year, encompassing more questions than the hand written survey. We anticipate over 1,500 responses.

2. Film Society Membership

Our membership grew appreciably over the course of this year's Festival, getting us closer to the revenue levels of last year at this time. While upper-level memberships (at the $1,000 and $2,500 levels) have dropped off, the Associate Membership base level ($50) continues to grow. Total Membership as of 1/26/2010 stands at 1,038 ($67,199.00 in revenues), compared to 962 members ($70,765.00) last year at this time.

3. Office Development and Fundraising

Corporate sponsor renewals were at 100% while new sponsors were introduced into the Festival experience

- Bank of America remains very impressed by our educational outreach initiatives and, in particular, of the Student Screening Day, thereby creating the possibility of additional grant funding for this program in 2011
- Cranberry Raisinets, a Nestle brand, selected PSIFF as the first Festival in which to invest marketing dollars ($10,000). Feedback from their public relations rep at Ogilvy has been very positive; Nestle is open to discussing a renewal of their agreement.

- Panavision, formerly only a sponsor of ShortFest, this venerable brand opted out of Sundance this year in favor of Palm Springs. A $60,000 camera package, courtesy of Panavision, was presented to the winner of the John Schlesinger Award. They have requested a meeting in February to look at expanding their role in the Festival for 2011.
- Chophouse, a Los Angeles-based production and post-production company, conceived and produced key art, the Festival trailer and television commercial at no cost

Wine, beer and spirits were 100% underwritten

- Diageo introduced their Ketel One brand into the Festival
- Fosters Wine Estates, distributors of Penfolds, has already expressed the desire to return in 2011; a meeting has been scheduled for the end of March
- Stella Artois branded the first "pocket guide" to the Festival with 10,000 copies receiving distribution; $5,000 in additional revenue was generated

International sponsors reached record level of support at $56,300

- The Festival's alliance with the Australian Consulate was pivotal; $17,500 in total revenue; the introduction of Penfolds and thousands of dollars in airlines tickets from Qantas Airways; now perceived as a key element of promotion for the G'Day USA activities in Los Angeles and elsewhere, we will be meeting with the G'Day USA executive committee to discuss their continuing support in 2011
- In a first for any Festival, the French speaking countries pooled their resources and presented Palm Springs Speaks French; A Celebration of French Language Cinema on

January 10th. A single event enabled us to meet our obligation to six separate international sponsors and generated funding we would not have had otherwise

Palm Springs International Film Fest.

David, Attached is the Tentative Building Permit for Arrive. Based on how we broke out Wessman's fees, I suggest the following to allow Arrive to pull a permit today:

They pay the following Third Party Agency fees today, and the City defers the collection of the fees below that pursuant to a Deferral Agreement we'd bring to Council on January 7. If the Council doesn't approve the agreement then, Arrive would have to pay the remaining fees immediately or they would not receive more permits. The Deferral Agreement would be in anticipation of them participating in the SCIP program.

Fees to be Paid Today (Paid to State or Outside Contractors/Agencies)

School Fee	already paid
TUMF Fee	
SMIP 2	
Plan Check (Esgil)	
Fire Dept. Plan Check Fee	
State Handicap Fee	
State Energy Fee	
SB 1473	

CVMSHCP Fee

Fees Deferred Pursuant to a Deferral Agreement

Construction Tax
Building Permit
Electrical Fees
Mechanical Fees
Plumbing Fees
Sewer Inspection
Permit Issuance
Planning Plan Check Fee
Microfilm
General Plan Maint. Fee
Central Drainage Fee
Public Arts Fee
Technology Fee
Sewer Connection Fee
Sewer Main

The upshot is that they would pay the fees in the first category today, with the fees in the second category deferred, but still be able to pull a Building Permit today. They'd pay about $55,000 today with $120,000 or so deferred (about half of that would be sewer connect fees). Jim just needs the word from you to be able to do it.

JR

0.1 INTRODUCTION

This introduction is included to provide an overview of the content and format of this Final Focused Environmental Impact Report (Final EIR) for the proposed Linea project. This overview provides a description of the Environmental process undertaken by the City of Palm Springs for the project.

0.1-1 ENVIRONMENTAL REVIEW PROCESS

The City of Palm Springs is the Lead Agency responsible for the preparation of the Focused Environmental Impact Report (EIR), as defined by Section 15050 of the California Environmental Quality Act. The City directed the preparation of this document in fulfillment of its environmental review requirements pursuant to provisions of the *Californio Environmental Quality Act (CEQA) (Public Resource Code Section 21000-2117,) CEQA Guidelines* and the Lead Agency's local CEQA implementation requirements, all as amended.

Per CEQA Guidelines §15132 the Final EIR shall consist of the following:

a) The draft EIR or revision of the draft.
b) Comments and recommendations received on the draft EIR either verbatim or in summary.
c) A list of persons, organizations, and public agencies commenting on the draft EIR.
d) The responses of the Lead Agency to significant environmental points raised in the review and consultation process.
e) Any other information added by the Lead Agency.

The project is located in the adopted Canyon South Specific Plan, approved in 1991. Previous environmental analyses was prepared for the Canyon South SP and the EIR was originally approved in 1991, with a Mitigated Negative-Declaration (MND) for the SP amendment in 1994, followed by a 2003 EIR addendum. Under CEQA Guidelines (Section 15162), once an environmental impact report for a project has been certified, the Lead Agency need not require additional environmental review unless they find that substantial changes have occurred to the project or circumstances surrounding the project, which would result in new impacts not analyzed.

Since the approval of the EIR, the United States Fish and Wildlife Service (USFWS) designated the Casey June beetle ("CJB") as an endangered species in 2011. In accordance with Section 15064 of the CEQA Guidelines, the City of Palm Springs determined that the project may have potentially significant impacts to the Casey June beetle and its habitat. A Draft Focused EIR was prepared to assure adequate review of potential biological impacts associated with the approval and implementation of the proposed project.

The City of Palm Springs prepared and distributed on September 26, 2014 a Notice of Preparation (NOP) to public agencies and interested parties stating that the City would be preparing a Focused EIR. In accordance with CEQA requirements, a 30 day period was provided for responses to the NOP. This review period ended October 27, 2014.

Based on previous EIR review and the designation of CJB as endangered species by USFWS, and review of the Proposed Project, and responses to the Notice of Preparation, the City determined that the Focused EIR should address the following topics:

- Biological Impacts

The following Special Studies were performed for the project:

- Project Specific CJB Study, JWC Ecological Consultants

The Draft Focused EIR was prepared and circulated for a 45-day public review period beginning on October 31, 2014 in conformance with the requirement of Section 15561 (Sec.15087/Public Review-Sec. 15205/State Review) of the CEQA guidelines. The 45-day review period ended on December 15, 2014.

Written comments received will be reviewed and evaluated for inclusion in the Final EIR. Comments were received from the following agencies:

- Agua Caliente Band of Cahuilla Indians, Tribal Planning & Development, letter dated November 13, 2014
- Agua Caliente Band of Cahuilla Indians, Tribal Historic Preservation Office, letter dated November 18, 2014

The City of Palm Springs as Lead Agency is required to evaluate comments received on environmental issues from parties who reviewed the Draft EIR. In conformance with requirements of State CEQA Guidelines, Section 15088, the Lead Agency shall respond to written comments on the Draft EIR. These responses are incorporated into Section 0.3 of the Final EIR.

Section 15088.5 of the CEQA Guidelines requires the recirculation of a Draft EIR if significant information is added to the EIR after it is circulated for public review but before circulation. Significant information may include information showing new significant impacts not identified in the Draft EIR, new feasible mitigation measures different from those previously analyzed, or a substantial increase in the severity of an environmental impact would result unless mitigation measures are adopted to reduce the impact.

The information provided in Section 0.3 is in response to comments received during the Draft Focused EIR circulation period regarding revisions to the project. The comments do not identify new significant impacts or a substantial increase in the severity in any of the significant impacts identified in the Draft EIR. No new mitigation measures have been identified that are substantially different from those identified in the Draft EIR.

Therefore, recirculation of the EIR for additional public review is not required by CEQA as a result of the information included in the Final EIR.

0.1-2 ORGANIZATION OF THE FINAL EIR

The Final EIR contains the elements requires by Section 15132 of the CEQA Guidelines.

Section 0.1 Introduction
This section provides an introduction of the environmental process.

Section 0.2 Comment letters
This section provides copies of comment letters received during the 45-day review period.

Section 0.3 Response to Comments
This section provides responses to individual letters received.

Section 0.4 Mitigation Monitoring and Reporting Program
This section includes the Mitigation Monitoring and Reporting Program (MMRP) which identifies the mitigation measures, timing and responsibility for implementation of the measures.

0.2 COMMENT LETTERS

Section 0.2 contains copies of the agency comment letters received in response to the Alta Verde/Linea Draft Focused EIR circulation period. All comments are lettered to correspond with the responses in Section 0.3

HAND-DELIVERED

RE: Valley Floor Planning Area Fee for Case No. 5.1342/PD 371/TTM 36723/3.3748-MAJ

Dear Mr. Robertson:

Tribal staff has reviewed the Conditions of Approval provided for the aforementioned Project. As specified in Condition ADM 12, the property is located within the Agua Caliente Indian Reservation and Tribal fees are required for this project. Specifically, the Valley Floor Planning Area (VFPA) fee must be paid by the project applicant prior to issuance of building permits. This differs from the current language of Condition ADM 12 which requires payment prior to consideration of the project by the Planning Commission.

Tribal staff respectfully request that the standard language of Condition ADM 12 be revised to read:

> "As the property is located within the Agua Caliente Indian Reservation, the applicant shall pay the Valley Floor Planning Area mitigation fee prior to issuance of building permits. This fee shall be paid to the Tribe for the development of this property, as required by the Tribal Habitat Conservation Plan."

Additionally, Tribal staff noticed that two separate public review periods have been established for this project's Draft Focused Environmental Impact Report. The transmittal sent to Responsible Agencies and Interested Parties states that the comment period runs from October 31, 2014, to December 15, 2014; however, the Notice of Availability of the DEIR states that the public review period commenced on October 16, 2014, and will end on November 14, 2014.

This letter is being sent within the nearest deadline to ensure its consideration. Clarification of the correct review period would be appreciated as well.

Please contact me at 760-883-1326 if you have any questions regarding the above items.

Very truly yours,

Margaret Park

Re: Alta Verde Linea Homes (Case 5.1342-PD371/TTM 36723)

Dear Mr. Edward Robertson,

The Agua Caliente Band of Cahuilla Indians (ACBCI) appreciates your efforts to include the Tribal Historic Preservation Office (THPO) in the Case 5.1342-PD371-TTM36723 project. We have reviewed the documents and have the following requests:

*The presence of an approved Native American Cultural Resource Monitor(s) during any ground disturbing activities (including archaeological testing and surveys). Should buried cultural deposits be encountered, the Monitor may request that destructive construction halt and the Monitor shall notify a Qualified Archaeologist (Secretary of the Interior's Standards and Guidelines) to investigate and, if necessary, prepare a mitigation plan for submission to the State Historic Preservation Officer and the Agua Caliente Tribal Historic Preservation Office.

* EIR does not address cultural resources.

Again, the Agua Caliente appreciates your interest in our cultural heritage. If you have questions or require additional information, please call me at (760)699-6829. You may also email me at keskew@aguacaliente.net.

Cordially,

Katie Eskew

0.3 RESPONSE TO COMMENTS

Section 0.3 contains the following comments received on the Draft EIR during the 45-day circulation period ending December 15, 2014. The following responses have been prepared to address issues raised in the agency/parties comments. Copies of all the original letters received can be found in Section 0.2 of this document.

Agua Caliente Band of Cahuilla Indians – Tribal Planning & Development

Letter A

November 13, 2014

Response to Comment Letter A

Response 1:

Standard language to Condition ADM 12 will be revised as requested. Revised condition will now read:

"As the property is located within the Agua Caliente Indian Reservation, the applicant shall pay the Valley Floor Planning Area mitigation fee prior to issuance of building permit. This fee shall be paid to the Tribe for the development of this property, as required by the Tribal Habitat Conservation Plan".

Response 2:

The correct public review period of the focused EIR is October 31, 2014 to December 15, 2014. We apologize for any confusion.

Agua Caliente Band of Cahuilla Indians – Tribal Historic Preservation Office

Letter B

November 18, 2014

Response to Comment Letter B

Response 1:

The presence of a Native American Culture Resource Monitor during any ground disturbing activities will be added as mitigation (MM 3.5-3).

Response 2:

This EIR is a "Focused EIR" and no new impacts will be introduced that have not already been analyzed in the adopted EIR and subsequent 2003 EIR Addendum for the Canyon South Specific Plan, upon which we are relying for purposes of cultural resources. Under CEQA Guidelines (Section 15162), once an environmental impact report for a project has been certified, the Lead Agency need not require additional environmental review unless they find that changes have occurred to the project or the circumstances surrounding the property, which would result in new impacts not previously analyzed or which would increase the severity of significant impacts beyond the level previously analyzed. Since the Canyon South EIR adoption, the Casey's June beetle (CJB) was designated as endangered by the USFWS in 2011. Therefore, this EIR has been prepared to analyze potential impacts associated with the proposed project on CJB and its habitat. The project itself is consistent with approved land uses within the adopted Canyon South SP and was therefore considered and analyzed in the 2003 EIR addendum. The project will comply with all applicable mitigation measures contained in the original EIR.

0.4 MITIGATION MONITORING REPORTING PROGRAM

Section 0.4 contains the Mitigation Monitoring Reporting Program (MMRP). The MMRP is a matrix that identifies the mitigation actions to be taken to avoid significant environmental impacts. The MMRP is fully enforceable through permit conditions, agreements or other measures. The City of Palm Sprimgs is the designated lead agency for the MMRP and is responsible for the review of all monitoring reports and enforcement actions.

Mitigation Measure	Source/ Responsible Party	Proposed Date	Actual Date	Comments

0.4 MITIGATION MONITORING REPORTING PROGRAM

Biological Resources

MM 3.5-1: The Project shall utilize plant species native to the Coachella Valley in the public/common landscaped areas. The use of native plant species helps maintain a food cover base for indigenous animal species, particularly birds that cannot utilize some exotic plants for cover or food. In the event that non-native species are incorporated, these plants shall be non-invasive, highly adapted to the desert environment and placed only in private landscaped areas.	Project Developer	During All Construction Activities		
MM 3.5-2: A protocol survey for the burrowing owl shall be conducted prior to any ground disturbing activity. Protocol surveys and any subsequent action, such as relocation of any owls, shall be conducted in compliance with the "Staff Report on Burrowing Owl Mitigation" prepared by the Californian Depart of Fish and Wildlife on March 7, 2012.	Project Developer	Prior to Grading and Construction Activities		
MM 3.5-3: The presence of an approved Native American Cultural Resource Monitor shall be required during all grubbing, grading, trenching, excavations, and other earth moving activities in the project area. The monitor shall be prepared to quickly recover any artifacts as they are unearthed to avoid construction delays. If a substantial cultural deposit is encountered, the monitor must have the power to temporarily halt of divert construction activities in that	Project Developer	During Grading and All Earth Moving Activities

area to allow for controlled removal, and if necessary, prepare a mitigation plan for submission to the State Historic Preservation Officer and the Agua Caliente Tribal Historic Preservation Office.				

VACATION RENTALS
CITY RESPONSE ACTION PLAN
SIX MONTH PILOT PROGRAM

Monday thru Wednesday		
Police Department	Midnight TO 7:30 AM	
Code Enforcement	7:30 AM TO 5:30 PM	
Police Department	5:30 PM to Midnight	
Thursday		
Police Department	Midnight TO 7:30 AM	
Code Enforcement	7:30 AM TO 5:00 PM	
DSS	5:00 PM TO 1:00 AM	(8 hours @$28.50 = $228.00 per day)
Friday		
Police Department	1:00 AM TO 7:30 AM	
Code Enforcement	7:30 AM TO 5:30 PM	
Police Department	5:30 PM TO 7:00 PM	
DSS	7:00 PM TO 3:00 AM	(8 hours @$28.50 = $228.00 per day)
Saturday		
Police Department	3:00 AM TO 7:30 AM	
Code Enforcement	7:30 AM TO 5:00 PM	
DSS	5:00 PM TO 3:00 AM	(8 hours @28.50 = $228.00 per day)
Sunday		
Police Department	3:00 AM TO Noon	
DSS	Noon TO 8:00 PM	(8 hours @ 28.50 = $228.00 per day)
Police Department	8:00 PM TO Midnight	

The Hotline will be responsible to call either Code Enforcement, PD, or DSS depending on the time. If Code Enforcement or DSS does not respond to the call, then the Hotline should call PD.

If PD Dispatch receives a direct call during the time DSS or Code Enforcement is on duty, PD may at the option of PD, respond to the call or refer to Code Enforcement of DSS.

For all PD responses, all calls are non-priority calls, and no guarantee of an immediate response.

One telephone number will be provided to the Hotline for Code Enforcement for Monday, Tuesday, Wednesday response.

Nadine's cell phone will be provided to the Hotline for Thursday, Friday and Saturday. If Nadine calls in sick, the Building Official will call the Hotline and PD to let them know. If Nadine has a scheduled vacation day, the Building Official will backfill the hours with Overtime.

Holiday Response to be determined either response from DSS or PD. City Holidays:

New Year's Day	Thursday, January 1, 2015
MLK Day	Monday, January 19, 2015
Presidents Day	Monday, February 16, 2015
Memorial Day	Monday, May 25, 2015
Independence Day	Saturday, July 4, 2015

Cost of DSS for 26 weeks @ $912 per week is $23,712.
Senior Code Enforcement Officer cost is $72.35 per hour spend on responding to calls.
Police Officer cost is $91.71 per hour spend on responding to calls.

May 13, 2015

MAY 18 2015

Mayor Pougnet,

You received the original from Mr. Moon on April 30th. I'm sending you a copy because I agree.

I'm also filing a complaint with the Riverside County District Attorney for a full investigation into your office the entire City Council.

CITY MANAGER
MAY 18 2015
CITY OF PALM SPRINGS

Regards,

Bill Masters

April 30, 2015
Mayor Steve Pougnet
City of Palm Springs
3200 E. Tahquitz Canyon Way
Palm Springs, CA 92262

Dear Mayor Pougnet,

On Saturday, April 18, on the steps of City Hall, I held a public press conference and called upon you to conduct an independent audit of all ongoing development projects in the City of Palm Springs that receive taxpayer dollars. I also called upon you and the City Council to make the findings of that audit publicly available. I am once again making this request and in addition requesting this audit commence as soon as possible and no later than within the next 90 days.

Most of the development projects underway in Palm Springs are very complex and have been planned and financed over a long period of time with numerous changes involved. Several of the currently ongoing development projects have also involved real estate transactions between developers and The City and/or have included taxpayer funded incentives that have been paid to developers. For instance, recent reports in The Desert Sun refer to a November 2014 sale of a 6.2 acre downtown lot to Nexus for $1.5 Million. This would appear to be a significantly discounted rate for land in downtown Palm Springs. Any audit should include the results of all appraisals done on this property and the justification of the sale at this price.

The Downtown Palm Springs development, formerly known as the Fashion Plaza or Museum Plaza project, is a complex project with multiple transfers of funds between the developer and the City of Palm Springs over a number of years. These transactions includes land transfers, escrow account funding, and the purchase and planned renovation of the existing parking structure as well as the construction of additional parking spaces. I also request that the audit of the Downtown Palm Springs project include the costs of the bond that was used to originally build the existing parking structure and the details of whether that bond has been paid in full and, if so, when the bond payment was completed.

A full accounting of the taxpayer expenditures for all of the currently ongoing development projects in the City of Palm Springs would be of great interest to many residents of Palm Springs who not only care deeply about our beautiful city, but also pay property, sales, Measure J, and other taxes to the City.

Sincerely,

Robert L. Moon

Re: Sworn Complaint against Steve Pougnet

Dear Ms. Mohsin:

This letter is in response to the sworn complaint you submitted regarding the above-referenced person. The FPPC enforces the provisions of the Political Reform Act (the Act) found in Government Code Section 81000, and following.

You allege Mr. Pougnet of conflicts of interest, improper influence, improper income, failure to properly disclose facts, and failed to disclose a source of income. After review of your complaint, the information you provided is insufficient to establish a violation of the Act. If you are able to provide any additional related facts, such as specific dates and evidence, to support your allegations please consider re-submitting your complaint.

Thank you for taking the time to bring this matter to our attention. If you have any questions regarding this decision, please contact Teri Rindahl at (916) 327-2018.

Sincerely,

Galena West, Acting Chief
Enforcement Division

GW/tr

Sacramento, CA 95814

NOTE: *The Fair Political Practices Commission does not enforce or address violations of the Brown Act, the content of campaign communications, residency requirements, the inappropriate use of public funds or resources (including use of uniforms or equipment), placement of campaign signs or materials on public property, or violation of a local campaign rule or campaign ordinance.*

Person Making Complaint

Last Name: Mohsin

First Name: Eloise

Street Address: P.O Box 2869

City: Berkeley State: Ca Zip: 94702

Telephone: (916) 512 -7814

Fax: (____) ____-____

E-mail: eloise_mohsin@hotmail.com

***IMPORTANT NOTICE**

Under the California Public Records Act (Gov. Code Section 6250 and following), this sworn complaint and your identity as the complainant may be subject to public disclosure. Unless the Chief of Enforcement deems otherwise, within three business days of receiving your sworn complaint we will send a copy of it to the person(s) you allege violated the law.

In some circumstances, the FPPC may claim your identity is confidential, and therefore not subject to disclosure. A court of law could ultimately make the determination of confidentiality. If you wish the FPPC to consider your identity confidential, do not file the complaint before you contact the FPPC to discuss the complaint at (916) 322-5660 or toll free at (866) 275-3772.

Person(s) Who Allegedly Violated the Political Reform Act: (If there are multiple parties involved, attach additional pages as necessary.)

Last Name: Pougnet

First Name: Steve

Committee Name: Current Mayor-City of Palm Springs
(only if applicable)

Street Address:
c/o City Hall 3200 E. Tahquitz Canyon

City: Palm Springs State: Ca. Zip: 92262

Telephone: (760) 323 - 8200

Fax: (____) ____ - _____

E-mail: _____

Describe, With as Much Particularity as Possible, the Facts Constituting the Alleged Violation(s) and How You Have Personal Knowledge that it Occurred.*

The Palm Springs mayor has not been forthcoming about alleged illegalities. Politician Steve Pougnet worked in another capacity for a local developer in 2014. The developer being Richard Meaney of Nexus Companies. The developer's company that Pougnet earned 100k as a consultant is named 'Union Abbey'. According to state records 'Union Abbey' has had a suspended license since 2009! Pougnet apppears to also use developer Meaney's condo as his home address.
The developer has had projects approved by the City Council of Palm Springs which could be recognized as two tiered or improper income for Pougnet. As a result of the Pougnet/ Meaney collaboration one could allege special treatment was provided.
The scope of details needs to be officially investigated. Please note part of the information I provided is from an article in the local newspaper (Desert Sun).
Developer Richard Meaney appears to have several business names connected to projects pending and/ or approved by the City of Palm Springs. In example the business named 'Decided Group Palm Springs' allegedly does not have a business license but is connected to and advertising online with the Dakota Project.

***IMPORTANT! Attach copies of any available documentation that is evidence of the violation, (for example, copies of checks, campaign materials, minutes of meetings, etc., if applicable to the complaint.) Note that a newspaper article is NOT considered evidence of a violation.**

Provision(s)/Section(s) of the Political Reform Act Allegedly Violated and When the Violation(s) Occurred: (If specific sections are not known, please provide a brief summary)

Making decisions despite financial conflicts of interest (2013 / 2014)
Improper Influence
Improper income
Failure to properly disclose facts.
Failed to disclose name of source of income

Subject: Re: Check

Guys, looks like the only paragraph to change is 13, which is not numbered but is 3 above AGREEMENT heading.

If we change completed to substantially completed and that project "will" receive sign off we are good. We should delete the last sentence in that paragraph also.

Paragraph 3-6 should read 88 jobs, 78 part, 10 full ✓ ,

MECHANICS LIEN

NOTICE IS HEREBY GIVEN that Claimant Dateland Construction Company, Inc. (legal name and address), claims a lien for labor, service, equipment, or material under Section 8000 et. seq. of the Civil Code of the State of California, upon the premises hereinafter described, and upon every estate or interest in such structures, improvements and premises held by any party holding any estate therein. The work was furnished for the construction of those certain buildings, improvements, or structures, now upon that certain parcel of land situated in the County of Riverside, State of California, said land described as follows:

STREET ADDRESS: 1555 S. Palm Canyon Suite B101
and/or Palm Springs, CA 92264
LEGAL DESCRIPTION:

The lien is claimed for the following labor, services, equipment or materials furnished by the Claimant: Site Improvements, Grading, Wall Footings, Concrete and Electrical Improvements (describe generally). Claimant is owed $191,368.32 for work furnished to the work of improvement, after deducting all just credits and offsets, plus interest at the legal rate from the date of this lien.

The name of the person or company by whom Claimant was employed, or to whom Claimant furnished the work is: Miggy's Cantina, LLC 700 E. Tahquitz Canyon Way, Ste A Palm Springs, CA 92262.

The name(s) and address(es) of the owner(s) or reputed owner(s) of the real property is/are: John E. Wessman 555 Sunrise Way, Ste 200 Palm Springs, CA 92262

Date: 8/22/14

Name of Claimant: Dateland Construction Company, Inc.

Verification

I, the undersigned, declare: I am the Judi Thompson (authorized capacity/title), for the Claimant named in the foregoing claim of mechanics lien: I am authorized to make this verification for the Claimant: I have read the foregoing claim of mechanics lien and know the contents thereof, and the same is true of my knowledge. I certify (or declare) under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on 8/22/14, 20 14 at Indio California.

_____
Signature of Claimant or Authorized Agent

NOTICE OF MECHANICS LIEN

ATTENTION!

(Civil Code § 8416)

Upon the recording of the enclosed MECHANICS LIEN with the County Recorder's Office of the county where the property is located, your property is subject to the filing of a legal action seeking a court-ordered foreclosure sale of the real property on which the lien has been recorded. That legal action must be filed with the court no later than 90 days after the date the mechanics lien is recorded.

The party identified in the mechanics lien may have provided labor or materials for improvements to your property and may not have been paid for these items. You are receiving this notice because it is a required step in filing a mechanics lien foreclosure action against your property. The foreclosure action will seek a sale of your property in order to pay for unpaid labor, materials, or improvements provided to your property. This may affect your ability to borrow against, refinance, or sell the property until the mechanics lien is released.

BECAUSE THE LIEN AFFECTS YOUR PROPERTY, YOU MAY WISH TO SPEAK WITH YOUR CONTRACTOR IMMEDIATELY, OR CONTACT AN ATTORNEY, OR FOR MORE INFORMATION ON MECHANICS LIENS GO TO THE CONTRACTORS STATE LICENSE BOARD WEBSITE AT www.cslb.ca.gov.

PROOF OF SERVICE AFFIDAVIT
California Civil Code section 8416

Failure to serve the Mechanics Lien and Notice of Mechanics Lien on the owner, or alternatively if the owner cannot be served on the lender or original contractor, shall cause the Mechanics Lien to be unenforceable as a matter of law (Civil Code Section 8416(e)). Service of the Mechanics Lien and Notice of Mechanics Lien must be by (1) registered mail, (2) certified mail, or (3) first-class mail evidenced by a certificate of mailing, postage prepaid, and to a residence or business address for the owner, lender or contractor. Further, a Proof of Service Affidavit (below) must be completed and signed by the person serving the Mechanics Lien and Notice of Mechanics Lien. This page should be completed (either one of the sections below) and recorded with the County Recorder along with the Mechanics Lien and Notice of Mechanics Lien.

AFFIDAVIT FOR SERVICE ON THE OWNER

California Civil Code Section 8416 (a)(7) and (c)(1)

I, Judi Thompson (name), declare that I served a copy of this Mechanics Lien and Notice of Mechanics Lien by registered mail, certified mail, or first-class mail evidenced by a certificate of mailing, postage prepaid, addressed as follows to the owner(s) or reputed owner(s) of the property:

Company /Person served: John Wessman

Title or capacity of person or entity served: Property Owner

Service Address: 555 Sunrise Way, STE 200 Palm Springs, CA 92262

Said service address is the owner's residence, place of business, or address shown by the building permit on file with the permitting authority for the work or the address identified on the construct trust deed.

Executed on 9/5/14, 2014 (date), at Indio (city), California.

By: _____
(signature of person serving)

ALTERNATE AFFIDAVIT FOR SERVICE ON THE CONSTRUCTION LENDER OR ORIGINAL CONTRACTOR

California Civil Code Section 8416 (a)(7) and (c)(2)

I, Judi Thompson (name), declare that that the owner or reputed owner cannot be served with a copy of this Mechanics Lien and Notice of mechanics Lien by registered mail, certified mail, or first-class mail. Pursuant to California Civil Code section 8416, I served a copy of this Mechanics Lien and Notice of Mechanics Lien by registered mail, certified mail, or first-class mail evidenced by a certificate of mailing, postage prepaid, addressed as follows to the construction lender or original contractor as follows:

Company /Person served: Miggy's Cantina, LLC

Title or capacity of person served (if appropriate): _____

Service Address: 700 E. Tahquitz Canyon Way, Suite A Palm Springs, CA 92262

Executed on 9/5/14, 2014 (date), at Indio (city), California.

By: _____
(signature of person serving)

EXHIBIT "B"
SCOPE OF WORK

Site and Exterior

- Construct temporary fence (PM-10 Fence) around the job site.
- Demo curb gutter, parking lot lights, palm trees.
- Install new curb and gutter around the perimeter of the project
- Relocate 5 olive trees to area between building and pool.
- Undertake AC parking lot repairs.
- Rough and finish grading: over-excavate for each building.
- Install storm drain per precise grade plan
- Install finish grade landscaping per landscape plan

Pool and Pool Deck

- Install foundations for Palapa, cabanas and bathrooms.
- Install pool, pool equipment, dry well, and patio deck.
- Construct masonry walls, planters, cabanas and bathrooms.
- Install steel structures: fencing, gates and handrails in bath house, bar, Cabanas and overhead doors for Palapa bar.
- Complete finish carpentry for bathroom: Lockers, door jamb and hardware, Partitions and grab bars.
- Complete rough carpentry on Palapa bar and cabanas (burnt cedar).

Utility Work

- Replace new main SCE line for the existing building and outside area and new 1200 amp panel. Electrical includes all electrical to each building.
- Repair, upgrade and install interior and exterior plumbing including gas, sewer and water tie-ins.

Exterior and Interior Work

- Install AV and sound for cabanas and Palapa bar.
- Paint inside and outside, including all fence and steel and floor.
- Install drywall and FRP at inside of bar. Repair other drywall throughout.
- Install counter tops for Palapa bar, bathrooms and cabanas.
- Install stainless steel fixtures (interior and exterior).
- Install bar equipment (interior and exterior) including glass shelving.
- Install tile throughout.
- Install artwork including metal work
- Construct booths and banquettes

MEMORANDUM

Date: April 10, 2014

To: Rich Meaney, Miggy's Cantina, LLC

From: John Raymond, Director of Community & Economic Development

Subject: ***Deferral of Sewer Fees Under the City's Fee Deferral Program for Intensifying Land Uses and the Special Focus Incentive Area***

Property: ***1555 South Palm Canyon Drive, Unit 101-B (Miggy's Cantina, LLC d/b/a Hacienda Cantina)***

In April, 2013 the City Council adopted a program to defer City fees for businesses intensifying land uses in the downtown and Section 14 areas. This primarily applied to restaurants, which faced an increase in sewer connection fees due to the installation of additional plumbing to make the business functional. The intent of the program was to allow these businesses to receive their permits and pay City fees – mainly sewer fees and public art fees – over a twelve month period after receiving the Certificate of Occupancy.

The Building Official would place a note in the file of the business that the fee had not been paid, and the Community & Economic Development Department would set up a payment account with the City's Accounts Payables Specialist in the Finance Department. If the business failed to make payments, or ceased making payments prior to payoff, the Occupancy Permit could be placed at risk and even be revoked.

On July 3, 2013, the City Council adopted Resolution 23413 approving the creation of two Special Economic Development Focus Incentive Areas generally located along the major corridors south of Ramon Road and north of Tachevah Road, along the entryways into the Downtown and Uptown areas. On September 4, 2013, the City Council adopted Resolution 23433, amending the budget for Fiscal Year 2014-14 to provide the $1,000,000 in funding for the Special Economic Development Focus Incentive Areas.

The Special Focus Incentive Area Program is a collection of several City incentives to

create an inducement to redevelop vacant properties or spur stalled development projects in the area. It is Staff's belief that the Council intended to extend the fee deferral program into these two areas, in addition to the direct incentive funding, but will return to Council for confirmation at the same time it will seek several other small amendments to the program.

I have asked Jim Zicaro, the City's Chief Building Official, to issue the building permit for Hacienda Cantina without the payment for the Sewer Connection Fee in the amount of $15,912.00. The City will set up a payment plan for your business to make twelve equal payments of $1,326.83 beginning in the month after your opening.

By signing below, you acknowledge that you are at risk in the event either of the following actions fail to occur:

1. If the City Council fails to reaffirm its understanding that the Fee Deferral Program applies to the Special Focus Areas, then you'll be required to make the full payment of $15,192 (or unpaid balance) immediately to the Building Department to keep your Certificate of Occupancy in effect; or
2. If you fail to make timely payments of the monthly $1,326.83 payment to the City, as billed to you by the Finance Department, the Building Department may take action to revoke your Certificate of Occupancy for failure to fulfill all of the requirements of the Building Permit application.

John S. Raymond
Director of Community & Economic Development
City of Palm Springs

I, RICH MEANEY, attest that that I am duly authorized to execute this Letter on behalf of said parties and that by so executing this Letter Miggy's Cantina, LLC is formally bound to the provisions stated above. I further agree that the above statements are true and accurate to the best of my belief and that failure to meet any of the terms of this Letter shall result in the requirement to repay any unpaid deferred fees in full or risk forfeiture of the Certificate of Occupancy of the above-described property until such fees are paid.

Rich Meaney, Managing Partner

APPLICATION CHECKLIST

All applicants must provide:

- ❑ Application (Completed and Signed by Applicant)
- ❑ If incorporated, evidence that applicant has authorization to apply for program
- ❑ Verification of Property Ownership, if owner (Title or Deed of Trust)
- ❑ Evidence of Tenant's Right to Make Improvements, if tenant or lessee (Signed)
- ❑ Description of Scope of Work
- ❑ Estimate or Bid, if available
- ❑ Copy of Valid Palm Springs Business License (Applicant)
- ❑ Copy of Valid Palm Springs Business License (Contractor hired to perform work)

No assistance may be provided for any contract awarded before the application is approved. Once the application is approved by the City, the applicant must provide the following:

- ❑ If applicable, evidence of required permit approvals from the City of Palm Springs
- ❑ If claiming cash match, provide verification of funds availability (loan agreement, canceled checks, etc.)

I hereby declare that the foregoing information is true and correct to the best of my knowledge. I authorize the City of Palm Springs to verify the information to determine my eligibility and to conduct an inspection of my property. I understand that as the applicant I will hire the contractor and am responsible for obtaining design approvals. I understand that the program provides that the City will reimburse the applicant for work performed, based on submittal of evidence of work performed and paid, and that the City will not pay contractors or vendors directly.

MIGGYS CANTINA LLC
RICHARD MEANEY MBR
700 E TAHQUITZ CANYON WAY SUITE A
PALM SPRINGS, CA 92262

For assistance you may call us at:
1-800-829-4933

IF YOU WRITE, ATTACH THE
STUB AT THE END OF THIS NOTICE.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 46-4056312. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

Based on the information received from you or your representative, you must file the following form(s) by the date(s) shown.

Form 941	07/31/2014
Form 940	01/31/2015
Form 1065	04/15/2014

If you have questions about the form(s) or the due date(s) shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, *Accounting Periods and Methods*.

We assigned you a tax classification based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2004-1, 2004-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

A limited liability company (LLC) may file Form 8832, *Entity Classification Election*, and elect to be classified as an association taxable as a corporation. If the LLC is eligible to be treated as a corporation that meets certain tests and it will be electing S corporation status, it must timely file Form 2553, *Election by a Small Business Corporation*. The LLC will be treated as a corporation as of the effective date of the S corporation election and does not need to file Form 8832.

CERTIFICATE OF COMPLETION

WHEREAS, by an Interior Remodel Grant Agreement (hereinafter referred to as the ("Agreement") dated 6/10/14, ~~2015~~, by and between the City of Palm Springs, California, a California Charter City ("City"), and MOSS'S CANTINA, LLC a California Limited liability company ("Tenant/Owner"). Tenant/Owner has undertaken interior remodeling improvements for the real property (the "Site") described in the Agreement as 1555 S. PALM CANYON, ~~Palm~~ Springs, California.

WHEREAS, pursuant to Section 6 of the Agreement, upon completion of the interior remodel improvements a representative of the City of Palm Springs shall conduct a final inspection as part of the Evidence of Completion; and

WHEREAS, the issuance by City of the Certificate of Completion shall be conclusive evidence that Tenant/Owner has complied with the terms of the Agreement pertaining to interior remodel improvements of the Site; and

WHEREAS, City has conclusively determined that the interior remodel improvements of the Site has been satisfactorily completed as required by the Agreement.

1. As provided by the Agreement, City does hereby certify that the interior remodel improvements of the Site has been fully and satisfactorily performed and completed, and that such improvements is in full compliance with said Agreement.

2. This Certificate of Completion shall not constitute evidence of compliance with or satisfaction of any obligation of Tenant to any holder of a loan, or any insurer of money loaned to finance the improvement work on the Site, or any part thereof.

3. This Certificate is not a Notice of Completion as referred to in California Civil Code Section 3093.

4. Except as stated herein, nothing contained in this instrument shall modify in any way any other provisions of the Agreement.

IN WITNESS WHEREOF, City has executed this Certificate as of this 11 day of June, 2014 ~~2015~~.

THE CITY OF PALM SPRINGS, CALIFONRIA a California Charter City

2. Subcontractor to clean up all debris from their scope of work at the end of each day using the contractor supplied dumpster.

3.Subcontractor to call dig alert prior to starting work and maintain their dig alert number until their scope of work is complete.

4. This Contract is a Lump Sum Contract

5.All work to done per the City of Palm Springs and the county of Riverside Health Department all local rules, regulations,

6. All work done by subcontractor must meet the city of Palm Springs Standards and Preliminary Soils report issued By Lor Geotechnical dated 8/19/2013.

for the Project in accordance with the Contract Documents and as more particularly specified in:

N/A

In the event of any dispute between Contractor and Subcontractor over the scope of the Work under the Contract Documents, Subcontractor will not stop Work but will prosecute the Work diligently to completion as directed by Contractor, and the dispute will be submitted for resolution in accordance with Section 17.

SECTION 3. SUBCONTRACT PRICE

Contractor agrees to pay Subcontractor for the strict performance of the Work the sum of: Eighty Five Thousand Seven Hundred and Ninety Dollars ($85,790.00) or as set out in Section 26, subject to additions and deductions for changes in the Work as may be directed in writing by Contractor, and to make payment in accordance with Section 4.

SECTION 4. PAYMENT SCHEDULE/RETENTION

Contractor agrees to pay Subcontractor, in monthly progress payments, for labor and materials which have been placed in position by Subcontractor, with funds received by Contractor from Owner for Work performed by Subcontractor, as reflected in Contractor's applications for payment to Owner. Such monthly progress payments shall be made by Contractor within seven (7) days after receipt of payment from Owner. Final payment to Subcontractor shall be made after the Project has been fully completed in conformity with the Contract Documents and has been delivered to and accepted by Owner and Architect, with funds received by Contractor from Owner in final payment. Subcontractor agrees to furnish, if and when required by Contractor, payroll affidavits, receipts, vouchers, releases of claims for labor and material, and agrees to furnish same from its subcontractors, suppliers and/or material suppliers performing Work or furnishing materials under this Subcontract, all in form satisfactory to Contractor, and it is agreed that no payment hereunder shall be made, except at Contractor's option, until and unless such documents have been furnished. Contractor, at its option, may make any payment due hereunder by check made payable jointly to Subcontractor and of its subcontractors and/or suppliers who have performed Work or furnished materials under this Subcontract. Any payment made hereunder prior to completion and acceptance of the Project, as referred to above, shall not be construed as evidence of acceptance or acknowledgement of completion of any part of the Work, or waiver of any Contractor's rights.

Contractor's monthly progress payments to Subcontractor shall be subject to retention as follows (select one of the following options):

☒ If the Project is a private work of improvement, Contractor shall be entitled to retain ten percent (10%) of the value of all Work included in any monthly progress payment to Subcontractor. This amount retained shall be paid with the final payment to Subcontractor.

☐ If the Project is a public work of improvement, and if Contractor requested performance and payment bonds from Subcontractor in the solicitation for bids and Subcontractor failed or refuse to provide such bonds, then Contractor shall be entitled to retain N/A percent (N/A%) of the value of all Work included in any monthly progress payment to Subcontractor. This amount retained shall be paid with the final payment to Subcontractor.

☐ If the Project is a public work of improvement, and if Contractor did not request performance and payment bonds from Subcontractor in the solicitation for bids, then Contractor shall be entitled to retain only that percentage specified in the Prime Contract of the value of all Work included in any monthly progress payment to Subcontractor. This amount retained shall be paid with the final payment to Subcontractor.

☐ If the Project is a public work of improvement, and if Contractor requested performance and payment bonds from Subcontractor in the solicitation for bids and Subcontractor provided such bonds, then Contractor shall be entitled to retain only that percentage specified in the Prime Contract of the value of all Work included in any monthly progress payment to Subcontractor. This amount retained shall be paid with the final payment to Subcontractor.

prevailing party shall be fully compensated for the cost of its participation in such proceedings, including the cost incurred for attorneys' fees and experts' fees. Such attorneys' fee award shall not be computed in accordance with any court schedule, but shall be such as to fully reimburse all attorneys' fees actually incurred in good faith, regardless of the size of a judgment, it being the intention of the parties to fully compensate for all attorneys' fees and experts fees paid or incurred in good faith. In the case of a dispute under the Prime Contract dispute resolution provisions, Subcontractor shall be entitled to such attorneys' fees and other costs as may be provided for under the Prime Contract.

SECTION 25. LABOR AGREEMENTS

The Contractor is signatory to the following labor agreements covering work on this Project:

N/A

SECTION 26. SPECIAL PROVISIONS:

N/A

CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTOR'S STATE LICENSE BOARD WHICH HAS JURISDICTION TO INVESTIGATE COMPLAINTS AGAINST CONTRACTORS IF A COMPLAINT REGARDING A PATENT ACT OR OMISSION IS FILED WITHIN FOUR YEARS OF THE DATE OF THE ALLEGED VIOLATION. A COMPLAINT REGARDING A LATENT ACT OR OMISSION PERTAINING TO STRUCTURAL DEFECTS MUST FILED WITHIN 10 YEARS OF THE DATE OF THE ALLEGED VIOLATION. ANY QUESTIONS CONCERNING A CONTRACTOR MAY BE REFERRED TO THE REGISTRAR, CONTRACTORS STATE LICENSE BOARD, P.O. BOX 26000, SACRAMENTO, CA 95826.

WHEREFORE, this Subcontract is executed by Owner and Subcontractor on the dates set forth above their signatures below.

LONG FORM STANDARD SUBCONTRACT

This "Subcontract" is made at RIVERSIDE COUNTY,

as of this 31st day of March, 2014, between:

SUBCONTRACTOR

Name Collins Electric

Address P.O. Box 584 Temecula CA. 92593

Phone/Email 951-506-3960/collinselectriccorp@verizon.net

On or about the 4th day of April, 2014 Contractor entered into a "Prime Contract" with:

OWNER

Name Miggy's Cantina LLC

Address 700 E Tahquitz Canyon Way Suite A Palm Springs CA 92262

to construct the Project described in Section 1.

The Project is to be constructed in accordance with the Prime Contract and the plans and specifications. Said plans and specifications have been prepared by or on behalf of

ARCHITECT/ENGINEER

Name SANBORN AE

Address 71-780 SAN JACINTO DR., STE E-1, RANCHO MIRAGE, CA

Phone/Email 760-423-0600 ASANBORN@SANBORNAE.COM

SECTION 1. ENTIRE CONTRACT

Contract Documents. The phrase "Contract Documents" is defined to mean this Subcontract, including any and all addenda and attachments hereto, and, the plans, specifications and other contract documents attached to or incorporated into the Prime Contract, including:

Revised electrical plan from La Salle electric dated 3/15/14

for the "Project" known as Hacienda Cantina and Beach Club

and located at 1555 S. Palm Canyon Palm Springs CA. 92262 Suite B-101.

Subcontractor certifies that it is fully familiar with all of the terms of the Prime Contract, the location of the job site, and the conditions under which the Work is to be performed and that it enters into this Subcontract based upon its investigation of all such matters and is not relying on any opinions or representations of Contractor. This Subcontract represents the entire agreement between Contractor and Subcontractor, and supersedes any prior oral or written agreements or representations. The Prime Contract is incorporated in this Subcontract by reference, insofar as it relates in any way, directly or indirectly, to the Work. Subcontractor agrees to be bound to Contractor in the same manner and to the same extent as Contractor is bound to Owner under the Prime Contract, including, but not limited to, all applicable terms and provisions thereof. Where, in the Prime Contract, reference is made to Contractor, and the work or specifications therein pertain to Subcontractor's trade, craft or type of work, such work or specifications shall be interpreted to apply to Subcontractor instead of to Contractor.

SECTION 2. SCOPE

Subcontractor agrees to furnish all labor, materials, equipment and other facilities required to complete the following "Work":

1.**Panel Boards:** All panel boards are NEMA 3R, exterior, weather proof rated. (1) 200 amp, 3 phase, 208/120v *Panel A* with (40) 1P-20 amp and (1) 2P-30 amp breakers, per panel schedule; (1) 200 amp, 3 phase, 208/120v, Event Power Panel with (10) 1P-20 amp and (2) 2P-30 amp, (2) 2P-50 amp breakers – panel schedule not provided; (1) 100 amp, 3 phase, 208/120v *Pool Panel* with (10) 1P-20 amp and (2) 2P-50 amp breakers, panel schedule not provided; (1) 50 amp, 3 phase, 208/120v *Food Court Power* with (40) 1P-20 amp and (1) 2P-30 amp breakers, per panel schedule. Does not include any breakers at the MSB – to be provided by MSB supplier, per single line diagram.

2.**Panel Board Feeders:** Includes conduit and wire from the MSB to each panel board. (2) 3" PVC conduits with (4) #250 MCM aluminum and (1) #2 aluminum ground sub feeds to Panel board A and Event Power Panel board; (1) 3" PVC conduit with (4) #1/0 aluminum and (1) #6 aluminum ground sub feed to Pool Equipment Panel Board; (1) 1" PVC conduit with (4) #6 and (1) #8 sub feed to Food Court Panel Board.

3.**CATV Conduits:** (1) 2" PVC conduit with pull rope only from building to WP J-box located at each (2) Cabana structure. **CATV Conduits:** (2) 2" PVC conduits with pull rope only from building to WP J-box located adjacent to Panel A. (1) 1" PVC conduit from WP J-box location adjacent to Panel A to each Cabana unit for a total of (10) 1" PVC conduits in shared trench. Includes trenching and backfill.

(1) 2" PVC conduits with pull rope only from building to WP J-box located adjacent to Panel A. (1) 1" PVC conduit from WP J-box location adjacent to Panel A to each POS/telephone location in shared trench. Includes trenching and backfill.

4.Landscape Lighting: ¾" PVC conduit to each landscape light with #10 or #12 conductors (wires), as per plans. (24) concrete encased step lights, (7) Olive tree up lights, Includes pull boxes as needed.

5.Trenching: Includes all trenching, backfill and compaction.
6.Cabana's: Includes underground ¾" PVC conduit and ½" EMT above ground conduit for Cabana electrical. Each Cabana to receive (2) WP single pole switches, (1) GFCI receptacle, (2) Directional light fixtures, (1) Reinforced ceiling fan outlet and (1) CATV conduit only outlet. All items to be weather proof rated. Each (2) cabana structure to receive surface mounted J-box for power and CATV connections.

7.Palapa Electrical: Includes all underground PVC and above ground EMT conduit and wiring for all lighting and electrical outlets. EMT conduit to run within. All receptacles, switches and light outlets to be WP rated.

8.Bathroom Electrical: Bathroom structure to receive (21) light outlets, (2) power outlets for hand dryers, (1) power outlet for drinking fountain. Lighting to be controlled by lighting control panel. All EMT conduit to run in block wall and concealed in wood framing.

9.Lighting Control Panel: (1) 365 day, digital, programmable, astronomical time clock located adjacent to Panel Board A to operate all landscape and bathroom lighting, per diagram, with photocell. Includes all relays and contactors in WP enclosure.

10.AV System: (8) 1" flex conduits to run from AV closet located within restaurant to the side of building near MSB and to be chased to ground level in (1) 4" EMT conduit to WP J-box mounted down low at the side of the restaurant structure. From said J-box, (8) 1" PVC conduits to run to each 16' 8"x8" steel column and DJ booth individually. Conduit to receive pull string only – does not include speaker wire, as instructed on plans. Does not include steel columns, speaker wire or components.

11.AV Closet Electrical: (5) dedicated 120v, 20 amp circuits with isolated grounds to run from sub panel located at the restaurant electrical room to the AV closet with receptacle

12.Fixtures: Includes the following fixtures and components: Halo GES2-04-3/PMCB exterior track light fixtures – 4 foot tracks with 6 heads per track; (24) Focus-Concrete encased recessed fluorescent wall/step light fixture for Cabana's and stage indirect lighting (***note: these were not specified on plans - $100 per fixture allotment***; **DOES NOT INCLUDE:** (30) Focus up light fixtures and (13) Exterior ceiling fan fixtures @ Cabana and Palapa – to be supplied by owner, per fixture schedule.

13.Miscellaneous: All material to be exterior and weatherproof rated. Includes all receptacles, switches, J-boxes and covers, lighting controls and relays, conduits, conductors, pull boxes, Bell boxes, WP enclosures and connections. Includes lighting fixtures as outlined.

14. Buildings included are 1.Palapa Bar,2 Cabanas and Bathroom.

15. All work done by subcontractor for the rough and finish Electric of this project must meet the city of Palm Springs standards and Preliminary Soils report issued By Lor Geotechnical dated 8/19/2013.

16.Subcontractor is responsible to minimize dust migration resulting from his operations including cutting, blowing, hammering, trucking, digging, drilling, etc., and must comply with the City of Palm Springs approved PM-10 Plan and SCAQMD Fugitive Dust Rule 403

17. Subcontractor to clean up all debris from their scope of work at the end of each day using the contractor supplied dumpster.

18.Subcontractor to call dig alert prior to starting work and maintain their dig alert number until their scope of work is complete.

for the Project in accordance with the Contract Documents and as more particularly specified in:

N/A

In the event of any dispute between Contractor and Subcontractor over the scope of the Work under the Contract Documents, Subcontractor will not stop Work but will prosecute the Work diligently to completion as directed by Contractor, and the dispute will be submitted for resolution in accordance with Section 17.

SECTION 3. SUBCONTRACT PRICE

Contractor agrees to pay Subcontractor for the strict performance of the Work the sum of: Fifty Nine Thousand Eight Hundred ($59,800.00___) or as set out in Section 26, subject to additions and deductions for changes in the Work as may be directed in writing by Contractor, and to make payment in accordance with Section 4.

SECTION 4. PAYMENT SCHEDULE/RETENTION

Contractor agrees to pay Subcontractor, in monthly progress payments, for labor and materials which have been placed in position by Subcontractor, with funds received by Contractor from Owner for Work performed by Subcontractor, as reflected in Contractor's applications for payment to Owner. Such monthly progress payments shall be made by Contractor within seven (7) days after receipt of payment from Owner. Final payment to Subcontractor shall be made after the Project has been fully completed in conformity with the Contract Documents and has been delivered to and accepted by Owner and Architect, with funds received by Contractor from Owner in final payment. Subcontractor agrees to furnish, if and when required by Contractor, payroll affidavits, receipts, vouchers, releases of claims for labor and material, and agrees to furnish same from its subcontractors, suppliers and/or material suppliers performing Work or furnishing materials under this Subcontract, all in form satisfactory to Contractor, and it is agreed that no payment hereunder shall be made, except at Contractor's option, until and unless such documents have been furnished. Contractor, at its option, may make any payment due hereunder by check made payable jointly to Subcontractor and of its subcontractors and/or suppliers who have performed Work or furnished materials under this Subcontract. Any payment made hereunder prior to completion and acceptance of the Project, as referred to above, shall not be construed as evidence of acceptance or acknowledgement of completion of any part of the Work, or waiver of any Contractor's rights.

Contractor's monthly progress payments to Subcontractor shall be subject to retention as follows (select one of the following options):

Address 700 E. Tahquitz Canyon Way Suite A Palm Springs CA. 92262

to construct the Project described in Section 1.

The Project is to be constructed in accordance with the Prime Contract and the plans and specifications. Said plans and specifications have been prepared by or on behalf of

ARCHITECT/ENGINEER

Name SANBORN AE

Address 71-780 SAN JACINTO DR., STE E-1, RANCHO MIRAGE, CA Phone/Email 760-423-0600 ASANBORN@SANBORNAE.COM

SECTION 1. ENTIRE CONTRACT

Contract Documents. The phrase "Contract Documents" is defined to mean this Subcontract, including any and all addenda and attachments hereto, and, the plans, specifications and other contract documents attached to or incorporated into the Prime Contract, including:

N/A

for the "Project" known as Hacienda Cantina and Beach Club

© 2012 ASSOCIATED GENERAL CONTRACTORS OF CALIFORNIA, INC.

located at 1555 S. Palm Canyon Palm Springs CA. 92262 Suite B-101

Subcontractor certifies that it is fully familiar with all of the terms of the Prime Contract, the location of the job site, and the conditions under which the Work is to be performed and that it enters into this Subcontract based upon its investigation of all such matters and is not relying on any opinions or representations of Contractor. This Subcontract represents the entire agreement between Contractor and Subcontractor, and supersedes any prior oral or written agreements or representations. The Prime Contract is incorporated in this Subcontract by reference, insofar as it relates in any way, directly or indirectly, to the Work. Subcontractor agrees to be bound to Contractor in the same manner and to the same extent as Contractor is bound to Owner under the Prime Contract, including, but not limited to, all applicable terms and provisions thereof. Where, in the Prime Contract, reference is made to Contractor, and the work or specifications therein pertain to Subcontractor's trade, craft or type of work, such work or specifications shall be interpreted to apply to Subcontractor instead of to Contractor.

SECTION 2. SCOPE

Subcontractor agrees to furnish all labor, materials, equipment and other facilities required to complete the following "Work":

1. All work done by subcontractor for the Landscaping of this project must meet the city of Palm Springs Standards, TDK and Associates Landscape Architect and Preliminary Soils report issued By Lor Geotechnical dated 8/19/2013.

2. Subcontractor is responsible to minimize dust migration resulting from his operations including cutting, blowing, hammering, trucking, digging, drilling, etc., and must comply with the City of Palm Springs approved PM-10 Plan and SCAQMD Fugitive Dust Rule 403.

3. Subcontractor to clean up all debris from their scope of work at the end of each day using the contractor supplied dumpster.

for the Project in accordance with the Contract Documents and as more particularly specified in:

N/A

In the event of any dispute between Contractor and Subcontractor over the scope of the Work under the Contract Documents, Subcontractor will not stop Work but will prosecute the Work diligently to completion as directed by Contractor, and the dispute will be submitted for resolution in accordance with Section 17.

SECTION 3. SUBCONTRACT PRICE

Contractor agrees to pay Subcontractor for the strict performance of the Work the sum of: Fifty Eight thousand Nine Hunderd and Seven Dollars. ($58,907.00___) or as set out in Section 26, subject to additions and deductions for changes in the Work as may be directed in writing by Contractor, and to make payment in accordance with Section 4.

SECTION 4. PAYMENT SCHEDULE/RETENTION

Contractor agrees to pay Subcontractor, in monthly progress payments, for labor and materials which have been placed in position by Subcontractor, with funds received by Contractor from Owner for Work performed by Subcontractor, as reflected in Contractor's applications for payment to Owner. Such monthly progress payments shall be made by Contractor within seven (7) days after receipt of payment from Owner. Final payment to Subcontractor shall be made after the Project has been fully completed in conformity with the Contract Documents and has been delivered to and accepted by Owner and Architect, with funds received by Contractor from Owner in final payment. Subcontractor agrees to furnish, if and when required by Contractor, payroll affidavits, receipts, vouchers, releases of claims for labor and material, and agrees to furnish same from its subcontractors, suppliers and/or material suppliers performing Work or furnishing materials under this Subcontract, all in form satisfactory to Contractor, and it is agreed that no payment hereunder shall be made, except at Contractor's option, until and unless such documents have been furnished. Contractor, at its option, may make any payment due hereunder by check made payable jointly to Subcontractor and of its subcontractors and/or suppliers who have performed Work or furnished materials under this Subcontract. Any payment made hereunder prior to completion and acceptance of the Project, as referred to above, shall not be construed as evidence of acceptance or acknowledgement of completion of any part of the Work, or waiver of any Contractor's rights.

Contractor's monthly progress payments to Subcontractor shall be subject to retention as follows (select one of the following options):

☒ If the Project is a private work of improvement, Contractor shall be entitled to retain _ten____ percent (_10_%) of the value of all Work included in any monthly progress payment to Subcontractor. This amount retained shall be paid with the final payment to Subcontractor.

☒ If the Project is a public work of improvement, and if Contractor requested performance and payment bonds from Subcontractor in the solicitation for bids and Subcontractor failed or refuse to provide such bonds, then Contractor shall be entitled to retain ___N/A__ percent (_N/A_%) of the value of all Work

The quarterly business credit card bonus reward for customers enrolled in the Business Platinum Privileges program will be discontinued as of July 1, 2014. If you are enrolled in Business Platinum Privileges and have a business credit card, your last quarterly bonus will be for the quarter ending on June 30, 2014. This change will not impact any other existing business card rewards programs you may have. If you have questions about this change, or if we can help in any way, please call the number on the front of your statement.

Service fees

Your Overdraft and NSF: Returned Item fees for this statement period and year to date are shown below.

	Total for this period	Total year-to-date
[redacted]		
[redacted]		

Help to avoid Overdraft & NSF.
Set up Alerts through Online Banking and receive messages by email or text to inform you when your balance is low. Set up Overdraft Protection to automatically transfer available funds to your account from a linked savings, credit card, or second checking account to help cover items that would overdraw your account. You can set up both services via Online Banking at bankofamerica.com, by visiting a banking center, or by calling the toll-free number on your statement for details. Changes generally take effect after 2 business days, but can take up to 10 business days, depending on the type of account you've chosen to link for Overdraft Protection service.

Based upon the activity below, the monthly fee on your Business Advantage checking account was waived for the statement period ending 02/28/14:

You are an active user of one of the following services		OR	At least one of the following occurred during the previous month		
○	Bank of America Merchant Services		○	$2,500+	in net new purchases on a linked Business credit card
○	Payroll Service by Intuit®		✓	$15,000+	average monthly balance in primary checking account
○	Small Business Remote Deposit Online Service		✓	$35,000+	combined average monthly balance in linked business accounts

A check mark indicates that you have qualified for a monthly fee waiver on the account based on your usage of these products or services. For information on how to open a new product or to link an existing service to your account please call 1-888-BUSINESS or visit bankofamerica.com/smallbusiness.

The quarterly business credit card bonus reward for customers enrolled in the Business Platinum Privileges program will be discontinued as of July 1, 2014. If you are enrolled in Business Platinum Privileges and have a business credit card, your last quarterly bonus will be for the quarter ending on June 30, 2014. This change will not impact any other existing business card rewards programs you may have. If you have questions about this change, or if we can help in any way, please call the number on the front of your statement.

Service fees

Your Overdraft and NSF: Returned Item fees for this statement period and year to date are shown below.

	Total for this period	Total year-to-date

Help to avoid Overdraft & NSF.
Set up Alerts through Online Banking and receive messages by email or text to inform you when your balance is low. Set up Overdraft Protection to automatically transfer available funds to your account from a linked savings, credit card, or second checking account to help cover items that would overdraw your account. You can set up both services via Online Banking at bankofamerica.com, by visiting a banking center, or by calling the toll-free number on your statement for details. Changes generally take effect after 2 business days, but can take up to 10 business days, depending on the type of account you've chosen to link for Overdraft Protection service.

Based upon the activity below, the monthly fee on your Business Advantage checking account was waived for the statement period ending 02/28/14:

You are an active user of one of the following services	OR	At least one of the following occurred during the previous month		
◯ Bank of America Merchant Services		◯	$2,500+	in net new purchases on a linked Business credit card
◯ Payroll Service by Intuit®		✓	$15,000+	average monthly balance in primary checking account
◯ Small Business Remote Deposit Online Service		✓	$35,000+	combined average monthly balance in linked business accounts

A check mark indicates that you have qualified for a monthly fee waiver on the account based on your usage of these products or services. For information on how to open a new product or to link an existing service to your account please call 1-888-BUSINESS or visit bankofamerica.com/smallbusiness.

BankAmeriDeals®—Choose your deals and get cash back in your account

It's free, and now available on your Small Business card.

- Visit the Cash Back Deals tab in your Online or Mobile Banking
- Choose the cash back deals you want and pay with your Small Business debit or credit card
- Get cash back credited to an account of your choice

Visit bankofamerica.com/deals to learn more.

You must be enrolled in Online Banking + Mobile Banking to participate in the BankAmeriDeals program and have either an eligible Bank of America debit or credit card or Merrill Lynch credit card. Select co-brand credit cards are not eligible. Earned cash back will be credited into an eligible checking, savings, money market or credit account in the next month following redemption. For more information, please read the program terms of use at www.bankofamerica.com/deals-agreement. AR7KQBQ | 4D-08-13 Deals

CATALYST PROJECTS

RENOVATING MAJOR VACANCIES AS CATALYST PROJECTS GRANT AGREEMENT

THIS RENOVATING MAJOR VACANCIES (the "Agreement") is made and entered into this ____ day of _____, 2014, by and between the City of Palm Springs, ("City"), and Miggys Cantina, LLC, the ("Tenant"). Collectively the City and Tenant are referred to as the Parties.

RECITALS

City has established a Major Need-Based Catalyst Vacancy Program for Owners and Tenants of commercial-retail businesses in the City of Palm Springs.

Miggys Cantina, LLC ("Tenant") is a tenant of a 8,000 square foot commercial space located within the eligible area at 1555 South Palm Canyon Drive, Palm Springs, California 92264 ("Property"), otherwise known as Hacienda Cantina. The Property is owned by Wessman Holdings ("Owner"), of Palm Springs, California. Owner has provided its consent to the Tenant for the property improvements and for the Tenant's application for incentive funding.

Grant Criteria. In order to receive the maximum amount under the program, a building, cluster of buildings or single space must be at least 8,000 s.f. or Tenant proposes an expenditure of at least $1,000,000 – excluding the acquisition of the property, have approved renovation plans, and undergo a pro forma analysis by the City.

City Investment. Under the Major Need-Based Catalyst Vacancy Program, the maximum dollars per building square foot committed by the City would be $30/sq.ft., which would be reserved for high potential dollars-per-square-foot projects projected to produce significant revenue for the City through sales taxes, property taxes and other revenue. Under the same program, the maximum for general retail dollars per square foot committed by the City would be $10/sq.ft.

Leverage. Under the Major Need-Based Catalyst Vacancy Program, the applicant (Owner or Tenant) must spend $3.00 for each $1.00 committed by the City, which is different from other incentive programs offered by the City, which require a 1:1 match.

Grant Maximums. In any project assisted under the Major Need-Based Catalyst Vacancy Program, the maximum City matching grant shall not exceed $250,000, i.e. if the applicant's interior improvement cost is $1,000,000, the City Match Grant would be $250,000. For projects investing less than $1,000,000 in total renovation cost, the City

Match Grant would be $25,000 per commercial space provided the minimum qualified expenditure was no less than $50,000.

Tenant has applied for a Grant in the amount of $250,000 to make interior improvements to the Property as described in Exhibit "B," Scope of Work.

The City has confirmed that the Property is a vacant space in a building constructed at least thirty years ago and has been vacant for more than five years, and that the conversion of the very large (8,000 square foot) space, with a 3,000 square foot kitchen, into a functioning business would not have been economically feasible without an incentive program.

The City has determined that, in addition to the high cost of converting the oversized space into a functioning business, the location of the business on a section of South Palm Canyon Drive which has suffered from a high level of vacancies, presents an additional measure of risk to investors, making it additionally economically marginal without an incentive program.

Tenant has received all necessary approvals from the City's Planning, Building and Engineering Departments, which are shown in Exhibit "C", Evidence of Approval. The estimated cost of the work proposed is $2,000,000**,** as shown in Exhibit "D".

Tenant has completed the construction of the project and received sign off from the City's Planning and Building and from Riverside County Department of Environmental Health, which are shown in Exhibit "C", Evidence of Approval. The estimated cost of the completed work is _____, as shown in Exhibit "D".

The City has reviewed the application, the evidence of financial participation by Tenant, the location of the Property, and the approvals, and has approved the Grant Application.

NOW, THEREFORE, in consideration of the promises and mutual agreements contained herein, City agrees to grant to Tenant the amount of $250,000 and Tenant agrees to complete the approved improvements, if necessary, and operate the business under the following terms and conditions:

AGREEMENT

1. **Property Ownership/Right to Undertake Work**. Tenant represents that it holds Tenancy in the Property, which entitles it to undertake interior physical improvements to the Property.

2. **Schedule**. The Parties agree that all interior improvements shall be completed within **90** days of the date of this Agreement.

3. **Contractor.** The Parties agree that Tenant has sole responsibility for choosing and hiring the contractor, which shall be shown in Exhibit "D", Contractor/Vendor Agreements, and the acceptance of the material used and the work performed is Tenant's responsibility, and the City is not a party to any agreement with the vendor or contractor and does not guarantee the quality of workmanship of the property improvements, nor have any liability whatsoever therefor. At all times hereunder, the Contractor shall have a valid Contractor's License from the State of California and a valid City of Palm Springs Business License.

4. **Design Approval and Permits.** The Parties agree that Tenant has sole responsibility for obtaining design approval and evidence of required permit approvals from the City of Palm Springs as shown in Exhibit "C", and ensuring the compliance with those permits.

5. **Grant Limitations**. The maximum City matching grant shall not exceed $250,000, which is the 8,125 square feet of the building space multiplied by the maximum $30/s.f. of City contribution. The estimated cost of the work proposed is $2,000,000, as shown in Exhibit "D". The leverage is $7.75 of Tenant dollars for each $1.00 of City dollars.

6. **Evidence of Completion**. The Parties agree that the City will release the Grant funds upon the completion of the work by the Tenant or his contractor. Evidence of completion shall include but is not limited to: photographs of the finished work; a final inspection by a representative of the City of Palm Springs; and, a copy of the final invoice for the work completed and proof of payment to the contractor.

7. **Release of Liens**. The Parties Agree that the Tenant is responsible for obtaining the release of any Mechanics Liens or other liens placed upon Tenant's property by any contractor or subcontractor hired under this program.

8. **Maintenance**. Tenant agrees and covenants that, after the City issues its Certificate of Completion, Tenant shall be responsible for maintenance of all improvements that may exist at the Property from time to time, including without limitation buildings, parking lots, lighting, signs, and walls in first-class condition and repair, and shall keep the Property free from any accumulation of debris or waste materials. Tenant shall also maintain all landscaping required pursuant to Property's approved landscaping plan, if any, in a healthy condition, including replacement of any dead or diseased plants with plants of a maturity similar to those being replaced. Tenant hereby waives any notice, public hearing, and other requirements of the public nuisance laws and ordinances of the City that would otherwise apply.

MISCELLANEOUS PROVISIONS

9. **Covenant Against Discrimination**. Tenant covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination or segregation in the performance of or in connection with this Agreement regarding any person or group of persons on account of race, color, creed, religion, sex, marital status, disability, sexual orientation, national origin, or ancestry.

10. **Notice**. Any notice, demand, request, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by pre-paid, first-class mail to the address set forth below. Either party may change its address by notifying the other party of the change of address in writing. Notice shall be deemed communicated seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

To City:

City of Palm Springs
3200 E. Tahquitz Canyon Way
Palm Springs, California 92262
Attn: Economic Development
Administrator

To Tenant:

Miggys Cantina, LLC
700 East Tahquitz Canyon Way, Suite A
Palm Springs, California 92262
Attn: Rich Meaney

11. **Integrated Agreement**. This Agreement contains all of the agreements of the parties and cannot be amended or modified except by written agreement.

12. **Amendment**. This Agreement may be amended at any time by the mutual consent of the parties by an instrument in writing.

13. **Severability**. In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this Agreement, which shall be interpreted to carry out the intent of the parties hereunder.

14. **Indemnification.** Tenant shall indemnify and hold harmless, the City of Palm Springs ("City") and the City, the City Council, its officers, agents, employees and independent contractors free and harmless from any liability whatsoever based and asserted upon any act or omission of the City for property damage, bodily

injury, or death or any other element of damage of any kind or nature, relating to or in any way connected with participation in the Program.

15. **Authority**. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by so executing this Agreement the parties hereto are formally bound to the provisions of this Agreement. Tenant certifies that the above statements are true and accurate to the best of Tenant's belief. Failure to meet any of the terms of this Agreement shall result in the forfeiture of any Grant funds from the City for this program.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the dates stated below.

MAJOR "NEED-BASED" ASSISTANCE FOR RENOVATING MAJOR VACANCIES AS CATALYST PROJECTS

GRANT AGREEMENT

THIS RENOVATING MAJOR VACANCIES (the "Agreement") is made and entered into this ____ day of _____, 2014, by and between the City of Palm Springs, ("City"), and Miggys Cantina, LLC, the ("Tenant"). Collectively the City and Tenant are referred to as the Parties.

RECITALS

City has established a Major Need-Based Catalyst Vacancy Program for Owners and Tenants of commercial-retail businesses in the City of Palm Springs.

Miggys Cantina, LLC ("Tenant") is a tenant of a 8,000 square foot commercial space located within the eligible area at 1555 South Palm Canyon Drive, Palm Springs, California 92264 ("Property"), otherwise known as Hacienda Cantina. The Property is owned by Wessman Holdings ("Owner"), of Palm Springs, California. Owner has provided its consent to the Tenant for the property improvements and for the Tenant's application for incentive funding.

Grant Criteria. In order to receive the maximum amount under the program, a building, cluster of buildings or single space must be at least 8,000 s/f. Tenant proposed an expenditure of at least $1,000,000 – excluding the acquisition of the property. Tenant has approved renovation plans and completed all work necessary for the renovation, and underwent a pro forma analysis by the City.

City Investment. Under the Major Need-Based Catalyst Vacancy Program, the maximum dollars per building square foot committed by the City is $30/s/f., which is reserved for high potential dollars-per-square-foot projects projected to produce significant revenue for the City through sales taxes, property taxes and other revenue.

Leverage. Under the Major Need-Based Catalyst Vacancy Program, the applicant (Owner or Tenant) must spend $3.00 for each $1.00 committed by the City, which is higher than other incentive programs offered by the City, which typically require a 1:1 match.

Grant Maximums. The maximum City matching grant under the Major Need-Based Catalyst Vacancy Program shall not exceed $250,000, i.e. if the applicant's interior

improvement cost is $1,000,000, the City Match Grant would be $250,000, provided it did not exceed $30.00/s/f.

Tenant has applied for a Grant in the amount of $250,000 to make interior improvements to the Property as described in Exhibit "B," Scope of Work.

The City has confirmed that the Property is a vacant space in a building constructed at least thirty years ago and has been vacant for more than five years, and that the conversion of the very large (8,000 square foot) space, with a 3,000 square foot kitchen, into a functioning business would not have been economically feasible without an incentive program.

The City has determined that, in addition to the high cost of converting the oversized space into a functioning business, the location of the business on a section of South Palm Canyon Drive which has suffered from a high level of vacancies, presents an additional measure of risk to investors, making it additionally economically marginal without an incentive program.

Tenant has received all necessary approvals from the City's Planning, Building and Engineering Departments, which are shown in Exhibit "C", Evidence of Approval. The estimated cost of the work proposed is $1,500,000, as shown in Exhibit "D".

Tenant has substantially completed the construction of the project and will receive sign off from the City's Planning and Building and from Riverside County Department of Environmental Health.

The City has reviewed the application, the evidence of financial participation by Tenant, the location of the Property, and the approvals, and has approved the Grant Application.

NOW, THEREFORE, in consideration of the promises and mutual agreements contained herein, City agrees to grant to Tenant the amount of $250,000 and Tenant agrees to complete the approved improvements, if necessary, and operate the business under the following terms and conditions:

AGREEMENT

1. **Property Ownership/Right to Undertake Work**. Tenant represents that it holds Tenancy in the Property, which entitles it to undertake interior physical improvements to the Property and has consent of the landlord to perform such work.

2. **Form of City Assistance**. The Program assistance authorized by this Agreement shall be in the form of a grant to an eligible business, secured by a Promissory Note (Note) that is amortized each year of the three year Compliance Period. Such Note terms shall include the right of the City to place a lien against the business' (Tenant's) interest in the affected property and may include

repayment provisions that do not require monetary repayment upon business performance meeting defined criteria.

a. The City and the eligible business shall enter a written agreement detailing the responsibilities of both parties, including but not limited to a the grant assistance by the City described in this Section, and the continued maintenance of minimum business activity and employment levels by the business; and

b. The program features a "clawback" provision: the assistance will be made as a "loan" by the City to the business, but the amortization will be their continued presence and operation in the City for a specified period of time. If the company sells the business, ceases operating the business, or reduces its employment levels below the committed level, it will be required to repay the City the unamortized portion of the assistance; and

c. The City may include repayment provisions that may or may not require monetary repayment, depending on the business' performance meeting criteria defined in this Section; such agreement shall be secured by a lien against the business and/or the property at which the business is located; and

d. The company shall attest that the business would not have located or expanded in the City without the benefit; and

e. The City shall attest that the total economic benefit to the community of the new sales tax, other taxes, and additional jobs, by its own calculations, exceeds the amount of the grant, and that the broad public benefit created by the program in terms of payroll and taxes paid exceeds the private benefit, and that there are no other reasonable alternative measures available to the business to finance the improvements or create the public benefit; and

f. The agreement shall assure that the business will remain in the City for a minimum of three (3) years at the proposed business activity and employment level, or repay the City based on a straight-line amortization of the assistance; the commitment "amortizes" the City's loan to the business at a rate of 33.3% of the dollar amount of the benefit per year; and

g. Prior to the first anniversary of this Agreement, a certification form shall be submitted by the tenant to the City for verification. Upon completion of the verification process the lien placed on the business will be reduced by one third of the benefit amount paid. This process will continue annually for a total of three years, starting during the 2nd year of the initial employee certification process.

3. **Required Findings for Assistance**. In October, 2013, Section 53083 was added to the California Government Code. Section 53083 states that before granting an economic development subsidy, each local agency shall provide public notice and a hearing regarding the economic development subsidy. "Economic development subsidy" under Section 53083 means any expenditure of public funds or loss of revenue to a local agency in the amount of one hundred thousand dollars ($100,000) or more, for the purpose of stimulating economic development within the jurisdiction of a local agency, including, but not limited to. bonds, grants, loans, loan guarantees, enterprise zone or empowerment zone incentives, fee waivers, land price subsidies, matching funds, tax abatements, tax exemptions, and tax credits. The City Council, prior to approving assistance to an eligible business, must make the following findings:

(1) The name and address of all business entities that are the beneficiary of the economic development subsidy: Miggys Cantina, LLC, 1555 South Palm Canyon Drive, Suite B-1, Palm Springs, CA, 92264.

(2) The start and end dates and schedule, if applicable, for the economic development subsidy. The subsidy shall be made after the project is approved by the City and County Department of Health, and all work completed to the City's satisfaction, and evidence of payment made, as well as evidence of at least a 3:1 match of private funds to City dollars. In this case the work has been completed and approved and the restaurant has opened. The project shall have a three (3) year Compliance Period.

(3) A description of the economic development subsidy, including the estimated total amount of the expenditure of public funds by, or of revenue lost to, the local agency as a result of the economic development subsidy. The subsidy is in the amount of $250,000 to make interior and exterior improvements to the Property in order to renovate the existing restaurant into a large restaurant and club with a pool component. The assistance authorized by this Agreement shall be in the form of a grant to the eligible business described in Section 2 of this Agreement.

(4) A statement of the public purposes for the economic development subsidy. The City has confirmed that the Property was a vacant space in a building constructed at least 25 years ago and had has been vacant more than four years, and that the conversion of the very large space into a functioning business would not have been economically feasible without an incentive program.

Additionally, the City has determined that, in addition to the high cost of converting the restaurant into a functioning business, the location of the business outside the downtown and in a relatively

economically depressed section of Palm Canyon Drive, presents an additional measure of risk to investors, making it additionally economically marginal without an incentive program.

However, the financial strength and deep experience of the applicants mitigates the risk factors and makes the incentive a positive for the restaurant, the surrounding development, the neighborhood and adjacent businesses.

(5) Projected tax revenue to the local agency as a result of the economic development subsidy. Over the next ten years the City expects to receive at least $500,000 in direct property taxes, plus its allocated share of increased property tax. The project will also help act as a catalyst for future development in its area, thereby increasing property tax to the City as well.

(6) Estimated number of jobs created by the economic development subsidy, broken down by full-time, part-time, and temporary positions. The restaurant expects to create 88 total jobs, with 10 full time jobs and 78 part time jobs.

4. **Schedule**. The Parties agree that all interior improvements shall be completed within **90** days of the date of this Agreement.

5. Term. The obligations to the City by the Tenant under this Agreement shall remain in place for a period of three (3) years from the date of the agreement first above written, unless extended by mutual agreement of the parties. Following termination, Tenant shall have no obligation hereunder.

6. **Contractor.** The Parties agree that Tenant has sole responsibility for choosing and hiring the contractor, which shall be shown in Exhibit "D", Contractor/Vendor Agreements, and the acceptance of the material used and the work performed is Tenant's responsibility, and the City is not a party to any agreement with the vendor or contractor and does not guarantee the quality of workmanship of the property improvements, nor have any liability whatsoever therefor. At all times hereunder, the Contractor shall have a valid Contractor's License from the State of California and a valid City of Palm Springs Business License. Contractor may be a payee for a portion of the grant reimbursement.

7. **Design Approval and Permits.** The Parties agree that Tenant has sole responsibility for obtaining design approval and evidence of required permit approvals from the City of Palm Springs as shown in Exhibit "C", and ensuring the compliance with those permits.

8. **Grant Limitations**. The maximum City matching grant shall not exceed $250,000, which is the 8,125 square feet of the building space multiplied by the maximum $30/s/f of City contribution. The estimated cost of the work proposed

is $1,500,000, as shown in Exhibit "D". The leverage is $7.75 of Tenant dollars for each $1.00 of City dollars. The Grant is secured by a Promissory Note (shown in Exhibit "E") entered into by the Tenant for the amount of the Grant, which shall be reduced annually by one-third over the three year Compliance Period, after the City certifies a Certificate of Continuing Compliance (shown in Exhibit G.) City liens are subordinate, as described below in Section 9D.

9. **Evidence of Completion**. The Parties agree that the City will release the Grant funds upon the completion of the work by the Tenant or his contractor. Evidence of completion shall include but is not limited to: photographs of the finished work; a final inspection by a representative of the City of Palm Springs; and, a copy of the final invoice for the work completed and proof of payment to the contractor.

10. **Release of Contractor Liens**. The Parties Agree that the Tenant is responsible for obtaining the release of any Mechanics Liens or other liens placed upon Tenant's property by any contractor or subcontractor hired under this program. If the Contractor is the payee for any portion of the work, a full release of Mechanic's Liens or other contractor liens shall be exchanged and released simultaneously with the payment for the City.

11. **Maintenance**. Tenant, for itself and its successors and assigns, hereby covenants and agrees to maintain and repair or cause to be maintained and repaired the Property and all related on-site improvements and landscaping thereon, including, without limitation, buildings, parking areas, lighting, signs and walls in a first class condition and repair, free of rubbish, debris and other hazards to persons using the same, and in accordance with all applicable laws, rules, ordinances and regulations of all federal, state, and local bodies and agencies having jurisdiction, at Tenant's sole cost and expense. Such maintenance and repair shall include, but not be limited to, the following: (i) sweeping and trash removal; (ii) the care and replacement of all shrubbery, plantings, and other landscaping in a healthy condition; and (iii) the repair, replacement and restriping of asphalt or concrete paving using the same type of material originally installed, to the end that such pavings at all times be kept in a level and smooth condition. In addition, Tenant shall be required to maintain the Property in such a manner as to avoid the reasonable determination of a duly authorized official of the City that a public nuisance has been created by the absence of adequate maintenance such as to be detrimental to the public health, safety or general welfare or that such a condition of deterioration or disrepair causes appreciable harm or is materially detrimental to property or improvements within one hundred (100) feet of such portion of the Site.

    a. Parking and Driveways. The driveways and traffic aisles on the Site shall be kept clear and unobstructed at all times. No vehicles or other obstruction shall project into any of such driveways or traffic aisles. Vehicles associated with the operation of the Property, including delivery vehicles, vehicles of employees and vehicles of persons with business on the Property shall park solely on the Property.

b. Right of Entry. In the event Tenant fails to maintain the Site in the above-mentioned condition, and satisfactory progress is not made in correcting the condition within thirty (30) days from the date of written notice from City, City may, at its option, and without further notice to Tenant, declare the unperformed maintenance to constitute a public nuisance. Thereafter, the City, its employees, contractors or agents, may cure Tenant's default by entering upon the Site (Property) and performing the necessary landscaping and/or maintenance. The City shall give Tenant, its representative or manager reasonable notice of the time and manner of entry, and entry shall only be at such times and in such manner as is reasonably necessary to carry out this Agreement. Tenant shall pay such costs as are reasonably incurred by City for such maintenance, including attorneys' fees and costs.

c. Reimbursement of Costs. If such costs are not reimbursed within thirty (30) days after Tenant's receipt of notice thereof, the same shall be deemed delinquent, and the amount thereof shall bear interest thereafter at a rate of the lower of ten percent (10%) per annum or the legal maximum until paid. Any and all delinquent amounts, together with said interest, costs and reasonable attorney's fees, shall be an obligation of Tenant as well as a lien and charge, with power of sale, upon the property interests of Tenant, and the rents, issues and profits of such property. City may bring an action at law against Tenant obligated to pay any such sums or foreclose the lien against Tenant's property interests.

d. City Liens Are Subordinate. Any monetary lien provided for herein shall be subordinate to any bona fide mortgage or deed of trust covering an ownership interest or leasehold or subleasehold estate in and to any Property approved by City pursuant to this Agreement, and any purchaser at any foreclosure or trustee's sale (as well as any deed or assignment in lieu of foreclosure or trustee's sale) under any such mortgage or deed of trust shall take title free from any such monetary lien, but otherwise subject to the provisions hereof; provided that, after the foreclosure of any such mortgage and/or deed of trust, all other assessments provided for herein to the extent they relate to the expenses incurred subsequent to such foreclosure, assessed hereunder to the purchaser at the foreclosure sale, as owner of the subject Site after the date of such foreclosure sale, shall become a lien upon such Property upon recordation of a Notice of Assessment or Notice of Claim of Lien as herein provided.

12. **Obligations Upon Sale or Transfer**

a. City Approval of Transfer Required. For a period of three (3) years after the date of this Agreement, Tenant shall not Transfer the Property or any of Tenant's rights hereunder, or any interest in the Site or in the improvements thereon, directly or indirectly, voluntarily or by operation of law, except as provided below, without the prior written approval of City, and if so purported to be Transferred, the same shall be null and void. In considering whether it will grant approval of any Transfer by Tenant of its interest in the Site, City shall consider factors such as (i) the financial credit, strength, and capability of the proposed transferee to perform Tenant's obligations hereunder; and (ii) the proposed transferee's experience and expertise in the operation, financing, development, ownership, and operation of similar businesses .

b. Written Agreement Required. In the absence of specific written agreement by City, no transfer by Tenant of all or any portion of its interest in the Site (including without limitation a transfer not requiring City approval hereunder) shall be deemed to relieve it or any successor party from the obligation to continue to operate the business or any other obligations under this Agreement. In addition, no attempted transfer of any of Tenant's obligations hereunder shall be effective unless and until the successor party executes and delivers to City an assumption agreement in a form approved by the City assuming such obligations.

c. Exceptions. The foregoing prohibition shall not apply to any of the following:

1. Any mortgage, deed of trust, sale/lease-back, or other form of conveyance for financing, but Tenant shall notify City in advance of any such mortgage, deed of trust, or other form of conveyance for financing pertaining to the Site.

2. Any mortgage, deed of trust, sale/lease-back, or other form of conveyance for restructuring or refinancing of any amount of indebtedness described in subsection (a) above, provided that the amount of indebtedness incurred in the restructuring or refinancing does not exceed the outstanding balance on the debt incurred to finance the acquisition of the Site and construction of improvements on the Site, including any additional costs for completion of construction, whether direct or indirect, based upon the estimates of architects and/or contractors.

3. The conveyance or dedication of any portion of the site (or sites) to the City of Palm Springs or other governmental agency.

4. Any mortgage, deed of trust, sale/lease-back, or other form of conveyance for financing provided that the principal amount of the loan does not exceed eighty-five percent (85%) of the value of the land and improvements thereon.

5. The granting of easements to any appropriate governmental agency or utility to facilitate the development of the Site.

6. A sale or transfer resulting from or in connection with a reorganization as contemplated by the provisions of the Internal Revenue Code of 1986, as amended or otherwise, in which the ownership interests of a corporation are assigned directly or by operation of law to a person or persons, firm or corporation which acquires the control of the voting capital stock of such corporation or all or substantially all of the assets of such corporation.

7. A sale or transfer of forty-nine percent (49%) or more ownership interest to a member of the transferor's immediate family, a trust, testamentary or otherwise, in which immediate family members of the transferor are the sole beneficiaries, or a corporation or partnership in which the immediate family members or shareholders of the transferor have controlling majority interest of more than fifty-one percent (51%).

8. A change in the respective percentage ownership interests exclusively of the present owners of Tenant (as of the date of this Agreement), but this shall not authorize the transfer of any interest to any person or entity who is not a present Tenant of Tenant.

9. Mechanic's liens removed prior to foreclosure or liens for current year property taxes not paid.

13. **Enforcement.** In the event Tenant defaults in the performance or observance of any covenant, agreement or obligation of Tenant pursuant to this Agreement, and if such default remains uncured for a period of thirty (30) days after written notice thereof shall have been given by City, or, in the event said default cannot be cured within said time period, Tenant has failed to commence to cure such default within said thirty (30) days and thereafter fails to diligently prosecute said cure to completion, then City shall declare an "Event of Default" to have occurred hereunder, and, at its option, may take one or more of the following steps:

a. By mandamus or other suit, action or proceeding at law or in equity, require Tenant to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of this Agreement; or

b. Take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of Tenant hereunder; or

Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by any party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by another party.

MISCELLANEOUS PROVISIONS

14. **Covenant Against Discrimination**. Tenant covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination or segregation in the performance of or in connection with this Agreement regarding any person or group of persons on account of race, color, creed, religion, sex, marital status, disability, sexual orientation, national origin, or ancestry.

15. **Notice**. Any notice, demand, request, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by pre-paid, first-class mail to the address set forth below. Either party may change its address by notifying the other party of the change of address in writing. Notice shall be deemed communicated seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

To City: City of Palm Springs
3200 E. Tahquitz Canyon Way
Palm Springs, California 92262
Attn: Economic Development Administrator

To Tenant: Miggys Cantina, LLC
700 East Tahquitz Canyon Way, Suite A
Palm Springs, California 92262
Attn: Rich Meaney

16. **Integrated Agreement**. This Agreement contains all of the agreements of the parties and cannot be amended or modified except by written agreement.

17. **Amendment**. This Agreement may be amended at any time by the mutual consent of the parties by an instrument in writing.

18. **Severability**. In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this

Agreement, which shall be interpreted to carry out the intent of the parties hereunder.

19. **Indemnification.** Tenant agrees for itself and its successors and assigns to indemnify, defend, and hold harmless the City of Palm Springs ("City") and the City, the City Council, its officers, agents, employees, independent contractors, members, officials, volunteers, and representatives from and against any loss, liability, claim, or judgment relating in any manner to the Project excepting only any such loss, liability, claim, or judgment arising out of the intentional wrongdoing or gross negligence of City, or its respective officers, officials, employees, members, agents, volunteers, or representatives. Tenant, while in possession of the Site, and each successor or assign of Tenant while in possession of the Site, shall remain fully obligated for the payment of property taxes and assessments in connection with the Site. The foregoing indemnification, defense, and hold harmless agreement shall only be applicable to and binding upon the party then owning the Site or applicable portion thereof. Tenant shall indemnify and hold harmless, the City of Palm Springs ("City") and the City, the City Council, its officers, agents, employees and independent contractors free and harmless from any liability whatsoever based and asserted upon any act or omission of the City for property damage, bodily injury, or death or any other element of damage of any kind or nature, relating to or in any way connected with participation in the Program.

20. **Authority**. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by so executing this Agreement the parties hereto are formally bound to the provisions of this Agreement. Tenant certifies that the above statements are true and accurate to the best of Tenant's belief. Failure to meet any of the terms of this Agreement shall result in the forfeiture of any Grant funds from the City for this program.

21. **Continuing Compliance**. The public purpose of the Major Need-Based Catalyst Vacancy Program is to promote the development of viable businesses in major vacant commercial spaces in the incentive area, leading to expansion of good quality jobs in the City of Palm Springs. It is the responsibility of the Tenant as beneficiary under this Agreement to ensure the cooperation and compliance of the ongoing obligations under the program, including submitting a Certificate of Program Compliance (Exhibit "F") to the City for a period of three years from the anniversary date of this agreement. If the Tenant (1) transfers the Property during the compliance period without prior consent of the City, (2) ceases operation of the Business during the Compliance Period, or (3) fails to provide the City with the initial or any of the annual Certificates of Continuing Program Compliance certifying that they remain in business and continue to operate and employ workers in the business, to be provided to City each year during the three year compliance period, the City may seek repayment of the "unamortized" portion of the Grant from the Tenant under the terms below. The City shall have

complete and absolute discretion in determining whether lack of program compliance is cause for termination.

22. **Recordation.** The City Clerk shall record this Agreement and the Promissory Note in the Official Records of the County of Riverside, California.

Map 2 - Southern Focus Area

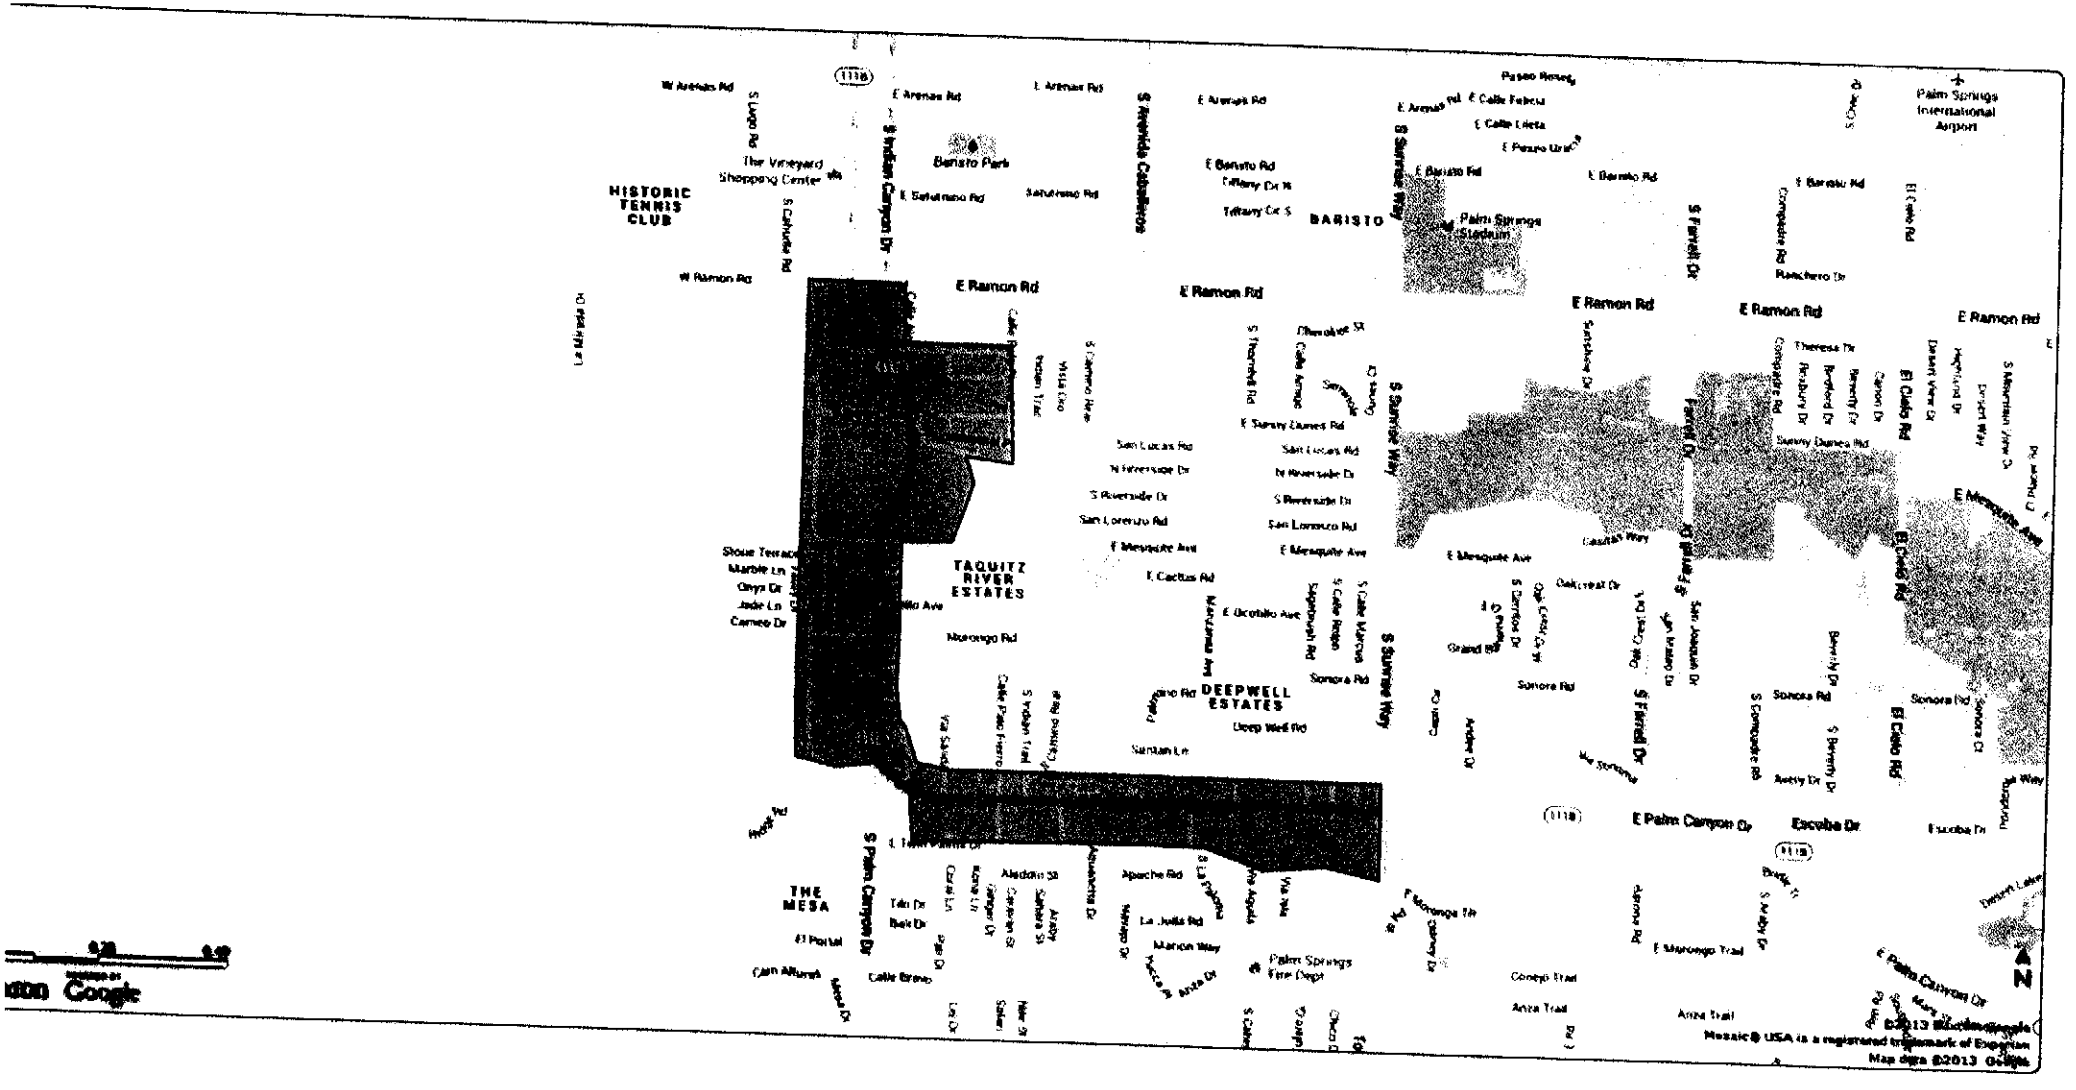

EXHIBIT "B"
SCOPE OF WORK

Site and Exterior

- Construct temporary fence (PM-10 Fence) around the job site.
- Demo curb gutter, parking lot lights, palm trees.
- Install new curb and gutter around the perimeter of the project
- Relocate 5 olive trees to area between building and pool.
- Undertake AC parking lot repairs.
- Rough and finish grading: over-excavate for each building.
- Install storm drain per precise grade plan
- Install finish grade landscaping per landscape plan

Pool and Pool Deck

- Install foundations for Palapa, cabanas and bathrooms.
- Install pool, pool equipment, dry well, and patio deck.
- Construct masonry walls, planters, cabanas and bathrooms.
- Install steel structures: fencing, gates and handrails in bath house, bar, Cabanas and overhead doors for Palapa bar.
- Complete finish carpentry for bathroom: Lockers, door jamb and hardware, Partitions and grab bars.
- Complete rough carpentry on Palapa bar and cabanas (burnt cedar).

Utility Work

- Replace new main SCE line for the existing building and outside area and new 1200 amp panel. Electrical includes all electrical to each building.
- Repair, upgrade and install interior and exterior plumbing including gas, sewer and water tie-ins.

Exterior and Interior Work

- Install AV and sound for cabanas and Palapa bar.
- Paint inside and outside, including all fence and steel and floor.
- Install drywall and FRP at inside of bar. Repair other drywall throughout.
- Install counter tops for Palapa bar, bathrooms and cabanas.
- Install stainless steel fixtures (interior and exterior).
- Install bar equipment (interior and exterior) including glass shelving.
- Install tile throughout.
- Install artwork including metal work
- Construct booths and banquettes

The owner and/or contractor is responsible for establishing all property lines. All utilities must be underground.

This permit will expire if work is not started in 180 days or if more than 180 days elapses between inspections.

I certify that I am familiar with all requirements of the City of Palm Springs as they apply to this permit and understand that these requirements must be completed prior to final inspection and that no certification of occupancy will be issued until such time as these requirements are met. I certify that I have read this application and state that the information is true and correct.

PERFORMANCE NOTE

$250,000 Palm Springs, California

FOR VALUE RECEIVED, Miggys Cantina, LLC ("Tenant"), otherwise known as Hacienda Cantina, a California limited corporation ("Maker"), promises to pay THE CITY OF PALM SPRINGS, a California Charter City ("Holder") at 3200 E. Tahquitz Canyon Way, Palm Springs, California 92262, or at such other address as Holder may direct from time to time in writing, the sum of Two Hundred Fifty Thousand Dollars ($250,000.00) (the "Note Amount"), together with interest thereon at the rate set forth herein. All sums payable hereunder shall be payable in lawful money of the United States of America. This Promissory Note ("Performance Note") is made in connection with that certain RENOVATING MAJOR VACANCIES AS CATALYST PROJECTS GRANT AGREEMENT by and among Maker and the City of Palm Springs ("City"), dated as of _____, 2014 (as amended the "Agreement").

The Agreement provides for a City matching grant of $250,000, calculated as no less than 8,133 square feet of the building space multiplied by the maximum $30/s/f of City contribution. The estimated cost of the work proposed is $2,000,000, as shown in Exhibit "D". The amount of the Note entered into by the Tenant for the amount of the Grant, shall be reduced annually by one-third each year over the three year Compliance Period, after the City certifies a Certificate of Continuing Compliance. City liens are subordinate, as described below.

1. Interest Rate. The Note shall not bear any interest.

2. Term. The term of this Performance Note shall be for thirty-six months.

3. Repayment. No payments are due on the Note, with the exception that the principal amount of the Note Amount shall be immediately due and payable upon (i) any default of the Agreement, which is not cured within the time set forth in Section 13 of the Agreement.

4. Prepayment of City Performance Note Amount. The purpose of the Note is to ensure Performance under the Agreement. With the exception of an event of Default described in the Agreement, Maker may not prepay to Holder the full Note Amount, at any time prior to the due date of the Note Amount without penalty.

5. Application of Payments.. In the event of a default of the Agreement, each payment made by Maker hereunder shall be credited first to interest then accrued and the remainder, if any, to principal. Interest shall cease to accrue upon principal so credited.

6. Security. This Performance Note shall be recorded against the Property in the Official Records of Riverside County.

7. Holder May Assign. Holder may, at its option, assign its right to receive payment under this Performance Note without necessity of obtaining the consent of the Maker.

8. Maker Assignment Prohibited. . In no event shall Maker assign or transfer any portion of this City Performance Note without the prior express written consent of the Holder, which consent may be given or withheld in the Holder's sole discretion. Notwithstanding the foregoing, the Maker may assign one time only its interest in this Performance Note upon prior written notice to the Holder, but without the Holder's consent, to a single purpose entity to which the Maker or its principals own a share and are part of the management structure as Managing Member or Co-Managing Member ("Permitted Transferee").

9. Attorneys' Fees and Costs. In the event that any action is instituted with respect to this City Performance Note, the non-prevailing party promises to pay such sums as a court may fix for court costs and reasonable attorneys' fees. Holder's right to such fees shall not be limited to or by its representation by staff counsel, and such representation shall be valued at customary and reasonable rates for private sector legal services.

10. Non-Waiver. Failure or delay in giving any notice required hereunder shall not constitute a waiver of any default or late payment, nor shall it change the time for any default or payment.

11. Successors Bound. This Performance Note shall be binding upon the parties hereto and their respective heirs, successors and assigns.

12. Terms. Any terms not separately defined herein shall have the same meanings as set forth in the Agreement.

13. Non-Recourse. Notwithstanding anything to the contrary herein contained, (i) the liability of Maker shall be limited to its interest in the Site and any rents, issues, and profits arising from the Site and, in addition, with respect to any obligation to hold and apply insurance proceeds, proceeds of condemnation or other monies hereunder, any such monies received by it to the extent not so applied in accordance with the terms of this Note; (ii) no other assets of Maker shall be affected by or subject to being applied to the satisfaction of any liability which Maker may have to Holder or to another person by reason of this Note; and (iii) any judgment, order, decree or other award in favor of Holder shall be collectible only out of, or enforceable in accordance with, the terms of this Note by termination or other extinguishment of Maker's interest in the Site. Notwithstanding the foregoing, it is expressly understood and agreed that the aforesaid limitation on liability shall in no way restrict or abridge Maker's continued personal liability for: (A) fraud or willful or grossly negligent misrepresentation made by Maker in connection with this Note or any of the City Agreements; (B) misapplication of (a) proceeds of insurance and condemnation or (b) rent received by Maker under rental agreements entered into for any portion of the Site after default of the Note; (C) the retention by Maker of all advance rentals and security deposits of tenants not refunded to or forfeited by such tenants; or (D) the indemnification undertakings of Maker under the City Agreements.

14. Notices, Demands, and Communications. Formal notices, demands, and communications between Maker and Holder shall be given either by (i) personal service, (ii) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (iii) mailing

in the United States mail, certified mail, postage prepaid, return receipt requested, addressed to:

To Holder:	The City of Palm Springs 3200 E. Tahquitz Canyon Way Palm Springs, California 92262 Attn: City Manager
With a copy to:	Woodruff Spradlin & Smart, LLP 555 Anton Boulevard, Suite Costa Mesa, California 92___ Attn: Douglas C. Holland, Esq.
To Maker:	Miggy's Cantina, LLC 700 East Tahquitz Canyon Way Palm Springs, California 92262 Attn: Rich Meaney

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as either party may from time to time designate by mail.

15. Subordination. The Holder understands that the Maker is the Operator of a Restaurant, which required construction debt and other debt instruments to be placed against the Property during the term of this Note. It is understood by Holder that the Construction Debt and Mezzanine debt is Senior to the Holder's Note, and Holder is willing to subordinate its Performance Note to the Senior Construction and Mezzanine debt.

Security features exceed industry standards and include:
• The Security Weave pattern on the back changes color when moisture is detected
• Microprinting appears as a solid line on the front and back
• The words "ORIGINAL DOCUMENT" clearly appear on the back
• Padlock icon visible on front and back
Do not touch if:
• Any of the features listed above are missing
• The Security Weave pattern is altered
• Both the front and back looks dark or have discoloration
• Borders are distorted and colored spots appear on them
• The word "Void" appears clearly to the right of this message

Security Features exceed industry standards and include:
• The Security Weave® pattern on the back designed to deter check fraud
• Microprint lines printed on front and back
• The words "ORIGINAL DOCUMENT" clearly apparent across the back
• Padlock icon visible on front and back
Do not cash if
• Any of the features listed above are missing or appear altered
• Fugitive ink on back looks pink or has disappeared
• Brown stains and colored spots appear on both front and back
• The word "VOID" appears clearly to the right of this message

Security Features exceed industry standards and include:
• The Security Weaver® pattern on the back designed to deter check fraud
• Microprint (very) lines printed on front and back
• The words "ORIGINAL DOCUMENT" clearly apparent across the back
• Padlock icon visible on front and back

Do not cash if:
• Any of the features listed above are missing or appear altered
• Fugitive ink on back looks pink or has disappeared
• Bronze stains and colored spots appear on both front and back
• The word "VOID" appears clearly to the right of this message

COMMERCIAL – RETAIL
MAJOR "NEED-BASED" ASSISTANCE FOR RENOVATING MAJOR VACANCIES AS CATALYST PROJECTS

GRANT AGREEMENT

THIS RENOVATING MAJOR VACANCIES (the "Agreement") is made and entered into this 10th day of June, 2014, by and between the City of Palm Springs, ("City"), and Miggys Cantina, LLC, the ("Tenant"). Collectively the City and Tenant are referred to as the Parties.

RECITALS

City has established a Major Need-Based Catalyst Vacancy Program for Owners and Tenants of commercial-retail businesses in the City of Palm Springs.

Miggys Cantina, LLC ("Tenant") is a tenant of a 8,000 square foot commercial space located within the eligible area at 1555 South Palm Canyon Drive, Palm Springs, California 92264 ("Property"), otherwise known as Hacienda Cantina. The Property is owned by Wessman Holdings ("Owner"), of Palm Springs, California. Owner has provided its consent to the Tenant for the property improvements and for the Tenant's application for incentive funding.

Grant Criteria. In order to receive the maximum amount under the program, a building, cluster of buildings or single space must be at least 8,000 s/f. Tenant proposed an expenditure of at least $1,000,000 – excluding the acquisition of the property. Tenant has approved renovation plans and completed all work necessary for the renovation, and underwent a pro forma analysis by the City.

City Investment. Under the Major Need-Based Catalyst Vacancy Program, the maximum dollars per building square foot committed by the City is $30/s/f., which is reserved for high potential dollars-per-square-foot projects projected to produce significant revenue for the City through sales taxes, property taxes and other revenue.

Leverage. Under the Major Need-Based Catalyst Vacancy Program, the applicant (Owner or Tenant) must spend $3.00 for each $1.00 committed by the City, which is higher than other incentive programs offered by the City, which typically require a 1:1 match.

Grant Maximums. The maximum City matching grant under the Major Need-Based Catalyst Vacancy Program shall not exceed $250,000, i.e. if the applicant's interior

improvement cost is $1,000,000, the City Match Grant would be $250,000, provided it did not exceed $30.00/s/f.

Tenant has applied for a Grant in the amount of $250,000 to make interior improvements to the Property as described in Exhibit "B," Scope of Work.

The City has confirmed that the Property is a vacant space in a building constructed at least thirty years ago and has been vacant for more than five years, and that the conversion of the very large (8,000 square foot) space, with a 3,000 square foot kitchen, into a functioning business would not have been economically feasible without an incentive program.

The City has determined that, in addition to the high cost of converting the oversized space into a functioning business, the location (Exhibit "A") of the business on a section of South Palm Canyon Drive which has suffered from a high level of vacancies, presents an additional measure of risk to investors, making it additionally economically marginal without an incentive program.

Tenant has received all necessary approvals from the City's Planning, Building and Engineering Departments, which are shown in Exhibit "C", Evidence of Approval. The estimated cost of the work proposed is $1,500,000, as shown in Exhibit "D".

Tenant has substantially completed the construction of the project and will receive sign off from the City's Planning and Building and from Riverside County Department of Environmental Health.

The City has reviewed the application, the evidence of financial participation by Tenant, the location of the Property, and the approvals, and has approved the Grant Application.

NOW, THEREFORE, in consideration of the promises and mutual agreements contained herein, City agrees to grant to Tenant the amount of $250,000 and Tenant agrees to complete the approved improvements, if necessary, and operate the business under the following terms and conditions:

AGREEMENT

1. **Property Ownership/Right to Undertake Work**. Tenant represents that it holds Tenancy in the Property, which entitles it to undertake interior physical improvements to the Property and has consent of the landlord to perform such work.

2. **Form of City Assistance**. The Program assistance authorized by this Agreement shall be in the form of a grant to an eligible business, secured by a Promissory Note (Note) that is amortized each year of the three year Compliance Period. Such Note terms shall include the right of the City to place a lien against the business' (Tenant's) interest in the affected property and may include

repayment provisions that do not require monetary repayment upon business performance meeting defined criteria.

a. The City and the eligible business shall enter a written agreement detailing the responsibilities of both parties, including but not limited to a the grant assistance by the City described in this Section, and the continued maintenance of minimum business activity and employment levels by the business; and

b. The program features a "clawback" provision: the assistance will be made as a "loan" by the City to the business, but the amortization will be their continued presence and operation in the City for a specified period of time. If the company sells the business, ceases operating the business, or reduces its employment levels below the committed level, it will be required to repay the City the unamortized portion of the assistance; and

c. The City may include repayment provisions that may or may not require monetary repayment, depending on the business' performance meeting criteria defined in this Section; such agreement shall be secured by a lien against the business and/or the property at which the business is located; and

d. The company shall attest that the business would not have located or expanded in the City without the benefit; and

e. The City shall attest that the total economic benefit to the community of the new sales tax, other taxes, and additional jobs, by its own calculations, exceeds the amount of the grant, and that the broad public benefit created by the program in terms of payroll and taxes paid exceeds the private benefit, and that there are no other reasonable alternative measures available to the business to finance the improvements or create the public benefit; and

f. The agreement shall assure that the business will remain in the City for a minimum of three (3) years at the proposed business activity and employment level, or repay the City based on a straight-line amortization of the assistance; the commitment "amortizes" the City's loan to the business at a rate of 33.3% of the dollar amount of the benefit per year; and

g. Prior to the first anniversary of this Agreement, a certification form shall be submitted by the tenant to the City for verification. Upon completion of the verification process the lien placed on the business will be reduced by one third of the benefit amount paid. This process will continue annually for a total of three years, starting during the 2nd year of the initial employee certification process.

3. **Required Findings for Assistance**. In October, 2013, Section 53083 was added to the California Government Code. Section 53083 states that before granting an economic development subsidy, each local agency shall provide public notice and a hearing regarding the economic development subsidy. "Economic Development Subsidy" under Section 53083 means any expenditure of public funds or loss of revenue to a local agency in the amount of one hundred thousand dollars ($100,000) or more, for the purpose of stimulating economic development within the jurisdiction of a local agency, including, but not limited to: bonds, grants, loans, loan guarantees, enterprise zone or empowerment zone incentives, fee waivers, land price subsidies, matching funds, tax abatements, tax exemptions, and tax credits. The City Council, prior to approving assistance to an eligible business, must make the following findings:

(1) The name and address of all business entities that are the beneficiary of the economic development subsidy: Miggy's Cantina, LLC, aka Hacienda Cantina & Beach Club, 1555 South Palm Canyon Drive, Suite B-1, Palm Springs, CA, 92264.

(2) The start and end dates and schedule, if applicable, for the economic development subsidy. The subsidy shall be made after the project is approved by the City and County Department of Health, and all work completed to the City's satisfaction, and evidence of payment made, as well as evidence of at least a 3:1 match of private funds to City dollars. In this case the work has been completed and approved and the restaurant has opened. The project shall have a three (3) year Compliance Period.

(3) A description of the economic development subsidy, including the estimated total amount of the expenditure of public funds by, or of revenue lost to, the local agency as a result of the economic development subsidy. The subsidy is in the amount of $250,000 to make interior and exterior improvements to the Property in order to renovate the existing restaurant into a large restaurant and club with a pool component. The assistance authorized by this Agreement shall be in the form of a grant to the eligible business described in Section 2 of this Agreement.

(4) A statement of the public purposes for the economic development subsidy. The City has confirmed that the Property was a vacant space in a building constructed at least 25 years ago and had has been vacant more than four years, and that the conversion of the very large space into a functioning business would not have been economically feasible without an incentive program.

Additionally, the City has determined that, in addition to the high cost of converting the restaurant into a functioning business, the location of the business outside the downtown and in a relatively

economically depressed section of Palm Canyon Drive, presents an additional measure of risk to investors, making it additionally economically marginal without an incentive program.

However, the financial strength and deep experience of the applicants mitigates the risk factors and makes the incentive a positive for the restaurant, the surrounding development, the neighborhood and adjacent businesses.

(5) Projected tax revenue to the local agency as a result of the economic development subsidy. Over the next ten years the City expects to receive at least $500,000 in direct property taxes, plus its allocated share of increased property tax. The project will also help act as a catalyst for future development in its area, thereby increasing property tax to the City as well.

(6) Estimated number of jobs created by the economic development subsidy, broken down by full-time, part-time, and temporary positions. The restaurant expects to create 88 total jobs, with 10 full time jobs and 78 part time jobs.

4. **Schedule**. The Parties agree that all interior improvements shall be completed within **90** days of the date of this Agreement.

5. **Term.** The obligations to the City by the Tenant under this Agreement shall remain in place for a period of three (3) years from the date of the agreement first above written, unless extended by mutual agreement of the parties. Following termination, Tenant shall have no obligation hereunder.

6. **Contractor.** The Parties agree that Tenant has sole responsibility for choosing and hiring the contractor, which shall be shown in Exhibit "D", Contractor/Vendor Agreements, and the acceptance of the material used and the work performed is Tenant's responsibility, and the City is not a party to any agreement with the vendor or contractor and does not guarantee the quality of workmanship of the property improvements, nor have any liability whatsoever therefor. At all times hereunder, the Contractor shall have a valid Contractor's License from the State of California and a valid City of Palm Springs Business License. Contractor may be a payee for a portion of the grant reimbursement.

7. **Design Approval and Permits.** The Parties agree that Tenant has sole responsibility for obtaining design approval and evidence of required permit approvals from the City of Palm Springs as shown in Exhibit "C", and ensuring the compliance with those permits.

8. **Grant Limitations**. The maximum City matching grant shall not exceed $250,000, which is the 8,125 square feet of the building space multiplied by the maximum $30/s/f of City contribution. The estimated cost of the work proposed

is $1,500,000, as shown in Exhibit "D". The leverage is $7.75 of Tenant dollars for each $1.00 of City dollars. The Grant is secured by a Promissory Note (shown in Exhibit "E") entered into by the Tenant for the amount of the Grant, which shall be reduced annually by one-third over the three year Compliance Period, after the City certifies a Certificate of Continuing Compliance (shown in Exhibit G.) City liens are subordinate, as described below in Section 9D.

9. **Evidence of Completion**. The Parties agree that the City will release the Grant funds upon the completion of the work by the Tenant or his contractor. Evidence of completion shall include but is not limited to: photographs of the finished work; a final inspection by a representative of the City of Palm Springs; and, a copy of the final invoice for the work completed and proof of payment to the contractor.

10. **Release of Contractor Liens**. The Parties Agree that the Tenant is responsible for obtaining the release of any Mechanics Liens or other liens placed upon Tenant's property by any contractor or subcontractor hired under this program. If the Contractor is the payee for any portion of the work, a full release of Mechanic's Liens or other contractor liens shall be exchanged and released simultaneously with the payment for the City.

11. **Maintenance**. Tenant, for itself and its successors and assigns, hereby covenants and agrees to maintain and repair or cause to be maintained and repaired the Property and all related on-site improvements and landscaping thereon, including, without limitation, buildings, parking areas, lighting, signs and walls in a first class condition and repair, free of rubbish, debris and other hazards to persons using the same, and in accordance with all applicable laws, rules, ordinances and regulations of all federal, state, and local bodies and agencies having jurisdiction, at Tenant's sole cost and expense. Such maintenance and repair shall include, but not be limited to, the following: (i) sweeping and trash removal; (ii) the care and replacement of all shrubbery, plantings, and other landscaping in a healthy condition; and (iii) the repair, replacement and restriping of asphalt or concrete paving using the same type of material originally installed, to the end that such pavings at all times be kept in a level and smooth condition. In addition, Tenant shall be required to maintain the Property in such a manner as to avoid the reasonable determination of a duly authorized official of the City that a public nuisance has been created by the absence of adequate maintenance such as to be detrimental to the public health, safety or general welfare or that such a condition of deterioration or disrepair causes appreciable harm or is materially detrimental to property or improvements within one hundred (100) feet of such portion of the Site.

a. Parking and Driveways. The driveways and traffic aisles on the Site shall be kept clear and unobstructed at all times. No vehicles or other obstruction shall project into any of such driveways or traffic aisles. Vehicles associated with the operation of the Property, including delivery vehicles, vehicles of employees and vehicles of persons with business on the Property shall park solely on the Property.

b. Right of Entry. In the event Tenant fails to maintain the Site in the above-mentioned condition, and satisfactory progress is not made in correcting the condition within thirty (30) days from the date of written notice from City, City may, at its option, and without further notice to Tenant, declare the unperformed maintenance to constitute a public nuisance. Thereafter, the City, its employees, contractors or agents, may cure Tenant's default by entering upon the Site (Property) and performing the necessary landscaping and/or maintenance. The City shall give Tenant, its representative or manager reasonable notice of the time and manner of entry, and entry shall only be at such times and in such manner as is reasonably necessary to carry out this Agreement. Tenant shall pay such costs as are reasonably incurred by City for such maintenance, including attorneys' fees and costs.

c. Reimbursement of Costs. If such costs are not reimbursed within thirty (30) days after Tenant's receipt of notice thereof, the same shall be deemed delinquent, and the amount thereof shall bear interest thereafter at a rate of the lower of ten percent (10%) per annum or the legal maximum until paid. Any and all delinquent amounts, together with said interest, costs and reasonable attorney's fees, shall be an obligation of Tenant as well as a lien and charge, with power of sale, upon the property interests of Tenant, and the rents, issues and profits of such property. City may bring an action at law against Tenant obligated to pay any such sums or foreclose the lien against Tenant's property interests.

d. City Liens Are Subordinate. Any monetary lien provided for herein shall be subordinate to any bona fide mortgage or deed of trust covering an ownership interest or leasehold or subleasehold estate in and to any Property approved by City pursuant to this Agreement, and any purchaser at any foreclosure or trustee's sale (as well as any deed or assignment in lieu of foreclosure or trustee's sale) under any such mortgage or deed of trust shall take title free from any such monetary lien, but otherwise subject to the provisions hereof; provided that, after the foreclosure of any such mortgage and/or deed of trust, all other assessments provided for herein to the extent they relate to the expenses incurred subsequent to such foreclosure, assessed hereunder to the purchaser at the foreclosure sale, as owner of the subject Site after the date of such foreclosure sale, shall become a lien upon such Property upon recordation of a Notice of Assessment or Notice of Claim of Lien as herein provided.

12. **Obligations Upon Sale or Transfer**

a. City Approval of Transfer Required. For a period of three (3) years after the date of this Agreement, Tenant shall not Transfer the Property or any of Tenant's rights hereunder, or any interest in the Site or in the improvements thereon, directly or indirectly, voluntarily or by operation of law, except as provided below, without the prior written approval of City, and if so purported to be Transferred, the same shall be null and void. In considering whether it will grant approval of any Transfer by Tenant of its interest in the Site, City shall consider factors such as (i) the financial credit, strength, and capability of the proposed transferee to perform Tenant's obligations hereunder; and (ii) the proposed transferee's experience and expertise in the operation, financing, development, ownership, and operation of similar businesses .

b. Written Agreement Required. In the absence of specific written agreement by City, no transfer by Tenant of all or any portion of its interest in the Site (including without limitation a transfer not requiring City approval hereunder) shall be deemed to relieve it or any successor party from the obligation to continue to operate the business or any other obligations under this Agreement. In addition, no attempted transfer of any of Tenant's obligations hereunder shall be effective unless and until the successor party executes and delivers to City an assumption agreement in a form approved by the City assuming such obligations.

c. Exceptions. The foregoing prohibition shall not apply to any of the following:

1. Any mortgage, deed of trust, sale/lease-back, or other form of conveyance for financing, but Tenant shall notify City in advance of any such mortgage, deed of trust, or other form of conveyance for financing pertaining to the Site.

2. Any mortgage, deed of trust, sale/lease-back, or other form of conveyance for restructuring or refinancing of any amount of indebtedness described in subsection (a) above, provided that the amount of indebtedness incurred in the restructuring or refinancing does not exceed the outstanding balance on the debt incurred to finance the acquisition of the Site and construction of improvements on the Site, including any additional costs for completion of construction, whether direct or indirect, based upon the estimates of architects and/or contractors.

3. The conveyance or dedication of any portion of the site (or sites) to the City of Palm Springs or other governmental agency.

4. Any mortgage, deed of trust, sale/lease-back, or other form of conveyance for financing provided that the principal amount of the loan does not exceed eighty-five percent (85%) of the value of the land and improvements thereon.

5. The granting of easements to any appropriate governmental agency or utility to facilitate the development of the Site.

6. A sale or transfer resulting from or in connection with a reorganization as contemplated by the provisions of the Internal Revenue Code of 1986, as amended or otherwise, in which the ownership interests of a corporation are assigned directly or by operation of law to a person or persons, firm or corporation which acquires the control of the voting capital stock of such corporation or all or substantially all of the assets of such corporation.

7. A sale or transfer of forty-nine percent (49%) or more ownership interest to a member of the transferor's immediate family, a trust, testamentary or otherwise, in which immediate family members of the transferor are the sole beneficiaries, or a corporation or partnership in which the immediate family members or shareholders of the transferor have controlling majority interest of more than fifty-one percent (51%).

8. A change in the respective percentage ownership interests exclusively of the present owners of Tenant (as of the date of this Agreement), but this shall not authorize the transfer of any interest to any person or entity who is not a present Tenant of Tenant.

9. Mechanic's liens removed prior to foreclosure or liens for current year property taxes not paid.

13. **Enforcement.** In the event Tenant defaults in the performance or observance of any covenant, agreement or obligation of Tenant pursuant to this Agreement, and if such default remains uncured for a period of thirty (30) days after written notice thereof shall have been given by City, or, in the event said default cannot be cured within said time period, Tenant has failed to commence to cure such default within said thirty (30) days and thereafter fails to diligently prosecute said cure to completion, then City shall declare an "Event of Default" to have occurred hereunder, and, at its option, may take one or more of the following steps:

a. By mandamus or other suit, action or proceeding at law or in equity, require Tenant to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of this Agreement; or

b. Take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of Tenant hereunder; or

Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by any party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by another party.

MISCELLANEOUS PROVISIONS

14. **Covenant Against Discrimination**. Tenant covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination or segregation in the performance of or in connection with this Agreement regarding any person or group of persons on account of race, color, creed, religion, sex, marital status, disability, sexual orientation, national origin, or ancestry.

15. **Notice**. Any notice, demand, request, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by pre-paid, first-class mail to the address set forth below. Either party may change its address by notifying the other party of the change of address in writing. Notice shall be deemed communicated seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

To City: City of Palm Springs
3200 E. Tahquitz Canyon Way
Palm Springs, California 92262
Attn: Economic Development Administrator

To Tenant: Miggy's Cantina, LLC
700 East Tahquitz Canyon Way, Suite A
Palm Springs, California 92262
Attn: Rich Meaney

16. **Integrated Agreement**. This Agreement contains all of the agreements of the parties and cannot be amended or modified except by written agreement.

17. **Amendment**. This Agreement may be amended at any time by the mutual consent of the parties by an instrument in writing.

18. **Severability**. In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this

Agreement, which shall be interpreted to carry out the intent of the parties hereunder.

19. **Indemnification.** Tenant agrees for itself and its successors and assigns to indemnify, defend, and hold harmless the City of Palm Springs ("City") and the City, the City Council, its officers, agents, employees, independent contractors, members, officials, volunteers, and representatives from and against any loss, liability, claim, or judgment relating in any manner to the Project. Tenant, while in possession of the Site, and each successor or assign of Tenant while in possession of the Site, shall remain fully obligated for the payment of property taxes and assessments in connection with the Site. Tenant shall indemnify and hold harmless, the City, the City Council, its officers, agents, employees and independent contractors free and harmless from any liability whatsoever based and asserted upon any act or omission of the City for property damage, bodily injury, or death or any other element of damage of any kind or nature, relating to or in any way connected with participation in the Program.

20. **Authority**. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by so executing this Agreement the parties hereto are formally bound to the provisions of this Agreement. Tenant certifies that the above statements are true and accurate to the best of Tenant's belief. Failure to meet any of the terms of this Agreement shall result in the forfeiture of any Grant funds from the City for this program.

21. **Continuing Compliance**. The public purpose of the Major Need-Based Catalyst Vacancy Program is to promote the development of viable businesses in major vacant commercial spaces in the incentive area, leading to expansion of good quality jobs in the City of Palm Springs. It is the responsibility of the Tenant as beneficiary under this Agreement to ensure the cooperation and compliance of the ongoing obligations under the program, including submitting a Certificate of Program Compliance (Exhibit "F") to the City for a period of three years from the anniversary date of this agreement. If the Tenant (1) transfers the Property during the compliance period without prior consent of the City, (2) ceases operation of the Business during the Compliance Period, or (3) fails to provide the City with the initial or any of the annual Certificates of Continuing Program Compliance certifying that they remain in business and continue to operate and employ workers in the business, to be provided to City each year during the three year compliance period, the City may seek repayment of the "unamortized" portion of the Grant from the Tenant under the terms below. The City shall have complete and absolute discretion in determining whether lack of program compliance is cause for termination.

22. **Recordation.** The City Clerk shall record this Agreement and the Promissory Note in the Official Records of the County of Riverside, California.

EXHIBIT "E"
PERFORMANCE NOTE

$250,000

Palm Springs, California

FOR VALUE RECEIVED, Miggys Cantina, LLC ("Tenant"), otherwise known as Hacienda Cantina, a California limited corporation ("Maker"), promises to pay THE CITY OF PALM SPRINGS, a California Charter City ("Holder") at 3200 E. Tahquitz Canyon Way, Palm Springs, California 92262, or at such other address as Holder may direct from time to time in writing, the sum of Two Hundred Fifty Thousand Dollars ($250,000.00) (the "Note Amount"), together with interest thereon at the rate set forth herein. All sums payable hereunder shall be payable in lawful money of the United States of America. This Promissory Note ("Performance Note") is made in connection with that certain RENOVATING MAJOR VACANCIES AS CATALYST PROJECTS GRANT AGREEMENT by and among Maker and the City of Palm Springs ("City"), dated as of _____, 2014 (as amended the "Agreement").

The Agreement provides for a City matching grant of $250,000, calculated as no less than 8,133 square feet of the building space multiplied by the maximum $30/s/f of City contribution. The estimated cost of the work proposed is $2,000,000, as shown in Exhibit "D". The amount of the Note entered into by the Tenant for the amount of the Grant, shall be reduced annually by one-third each year over the three year Compliance Period, after the City certifies a Certificate of Continuing Compliance. City liens are subordinate, as described below.

1. Interest Rate. The Note shall not bear any interest.

2. Term. The term of this Performance Note shall be for thirty-six months.

3. Repayment. No payments are due on the Note, with the exception that the principal amount of the Note Amount shall be immediately due and payable upon (i) any default of the Agreement, which is not cured within the time set forth in Section 13 of the Agreement.

4. Prepayment of City Performance Note Amount. The purpose of the Note is to ensure Performance under the Agreement. With the exception of an event of Default described in the Agreement, Maker may not prepay to Holder the full Note Amount, at any time prior to the due date of the Note Amount without penalty.

5. Application of Payments.. In the event of a default of the Agreement, each payment made by Maker hereunder shall be credited first to interest then accrued and the remainder, if any, to principal. Interest shall cease to accrue upon principal so credited.

6. Security. This Performance Note shall be recorded against the Property in the Official Records of Riverside County.

7. Holder May Assign. Holder may, at its option, assign its right to receive payment under this Performance Note without necessity of obtaining the consent of the Maker.

8. Maker Assignment Prohibited. . In no event shall Maker assign or transfer any portion of this City Performance Note without the prior express written consent of the Holder, which consent may be given or withheld in the Holder's sole discretion. Notwithstanding the foregoing, the Maker may assign one time only its interest in this Performance Note upon prior written notice to the Holder, but without the Holder's consent, to a single purpose entity to which the Maker or its principals own a share and are part of the management structure as Managing Member or Co-Managing Member ("Permitted Transferee").

9. Attorneys' Fees and Costs. In the event that any action is instituted with respect to this City Performance Note, the non-prevailing party promises to pay such sums as a court may fix for court costs and reasonable attorneys' fees. Holder's right to such fees shall not be limited to or by its representation by staff counsel, and such representation shall be valued at customary and reasonable rates for private sector legal services.

10. Non-Waiver. Failure or delay in giving any notice required hereunder shall not constitute a waiver of any default or late payment, nor shall it change the time for any default or payment.

11. Successors Bound. This Performance Note shall be binding upon the parties hereto and their respective heirs, successors and assigns.

12. Terms. Any terms not separately defined herein shall have the same meanings as set forth in the Agreement.

13. Non-Recourse. Notwithstanding anything to the contrary herein contained, (i) the liability of Maker shall be limited to its interest in the Site and any rents, issues, and profits arising from the Site and, in addition, with respect to any obligation to hold and apply insurance proceeds, proceeds of condemnation or other monies hereunder, any such monies received by it to the extent not so applied in accordance with the terms of this Note; (ii) no other assets of Maker shall be affected by or subject to being applied to the satisfaction of any liability which Maker may have to Holder or to another person by reason of this Note; and (iii) any judgment, order, decree or other award in favor of Holder shall be collectible only out of, or enforceable in accordance with, the terms of this Note by termination or other extinguishment of Maker's interest in the Site. Notwithstanding the foregoing, it is expressly understood and agreed that the aforesaid limitation on liability shall in no way restrict or abridge Maker's continued personal liability for: (A) fraud or willful or grossly negligent misrepresentation made by Maker in connection with this Note or any of the City Agreements; (B) misapplication of (a) proceeds of insurance and condemnation or (b) rent received by Maker under rental agreements entered into for any portion of the Site after default of the Note; (C) the retention by Maker of all advance rentals and security deposits of tenants not refunded to or forfeited by such tenants; or (D) the indemnification undertakings of Maker under the City Agreements.

14. Notices, Demands, and Communications. Formal notices, demands, and communications between Maker and Holder shall be given either by (i) personal service, (ii) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (iii) mailing

in the United States mail, certified mail, postage prepaid, return receipt requested, addressed to:

To Holder:	The City of Palm Springs 3200 E. Tahquitz Canyon Way Palm Springs, California 92262 Attn: City Manager
With a copy to:	Woodruff Spradlin & Smart, LLP 555 Anton Boulevard, Suite Costa Mesa, California 92___ Attn: Douglas C. Holland, Esq.
To Maker:	Miggy's Cantina, LLC 700 East Tahquitz Canyon Way Palm Springs, California 92262 Attn: Rich Meaney

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as either party may from time to time designate by mail.

15. Subordination. The Holder understands that the Maker is the Operator of a Restaurant, which required construction debt and other debt instruments to be placed against the Property during the term of this Note. It is understood by Holder that the Construction Debt and Mezzanine debt is Senior to the Holder's Note, and Holder is willing to subordinate its Performance Note to the Senior Construction and Mezzanine debt.

Subject: Re: Mayor relationship and votes

Section 526 of the Redevelopment Plan allows for the disposition of property without bidding. It doesn't specify the adjacent property owner, though. I have copies of the plan. I'll look back through the objectives, which I think contain language about preference for property assembly.

Also, the Section 14 Plan required, until we amended the plan last year, 10 acres or more for any project over 30 feet - forcing the consolidation of parcels. Paula has pulled up the DDA itself and I'll find the language requiring them to acquire Anderson Travel and the Tribe's offices.

By the way, I have a series of articles about the Hard Rock/Starwood competition and the fallout from it. Well documented.

> Thank you,

This is in response to various questions you posed late last week and today. Mr. Ready has asked me to provide a response.

First of all, I advised the Council at its meeting last week that the sale of 1479 North Palm Canyon property had not closed and I would put the item on the Council's next agenda to rescind the sale. I am recommending this so that the Council as the successor to the former Palm Springs Redevelopment Agency can reconsider the sale and decide whether the Council wishes to sell the property as originally proposed. The Mayor will not participate in the decision to rescind the sale nor will the Mayor participate in any decision to sell the property to Mr. Meaney or any limited liability company My Meaney may be a principal of. The issue of recession of the 1479 North Palm Canyon property was not discussed in closed session.

I became aware of Nexus in 2005 when Nexus (which included Meaney as a principal) submitted a proposal to purchase the Prairie Schooner property from the Redevelopment Agency. Please note that the RDA requested proposals for the Prairie Schooner property and Laurie Kibby's company and Rich Meaney's Nexus submitted proposals and at a public hearing in October of 2005, the City Council acting as the RDA agreed to negotiate a Disposition and Development Agreement for the Prairie Schhooner property. (This is the property that was part of the proposed and approved Hard Rock Hotel project, a subsequent hotel project that included the Residence Inn, and the current Aberdeen project.)

I am not aware of any "dealings" between the City and the Mitchell Brix Group. Nexus has had a few development projects in the City prior to the Mayor establishing his business relationship with Meaney's company ; e.g., the Morrison, the original Hard Rock Hotel Project and the subsequent smaller hotel project on the site of Hard Rock proposal, and the Vivante project. These projects all were considered prior to the business relationship between the Mayor and Meaney and therefore the Mayor could and did participate in these matters. Nexus also had matters that came to the City Council after the business relationship was formed: Dakota, Hacienda (both the land use matter and the economic development grant), Aberdeen (including the completion of the purchase of the Prairie Schooner site which had been part of the Hard Rock proposal), and the sale of property at 1479 North Palm Canyon. The Mayor, with the exception of inadvertently voting on consent agenda matters which also included the 1479 North Palm Canyon property, did not participate in any Council consideration of these items and did not participate in any closed session item that related to such matters.

The economic development grant complied with city requirements and if there is a default; i.e., if the Hacienda does not remain open for the period of time required under the terms of the grant, then the operators/owners of the Hacienda will be required to repay the city an apportioned amount as provided in the grant.

Palm Springs, CA 92262

Dear Mr. Raymond:

Subject: Approval of Oversight Board Action

The City of Palm Springs Successor Agency (Agency) notified the California Department of Finance (Finance) of its March 3, 2015 Oversight Board (OB) resolution on March 3, 2015. Pursuant to Health and Safety Code (HSC) section 34179 (h), Finance has completed its review of the OB action.

Based on our review and application of the law, OB Resolution No. 034, approving the purchase and sale agreement and escrow instructions with Richard Meaney and Yokang Zhow for an Agency owned property located at 1479 North Palm Canyon Drive (Assessor's Parcel Number 505-182-004) in the amount of $195,561, is approved.

This property was listed on the Agency's Long-Range Property Management Plan (LRPMP) approved by Finance on March 25, 2014. The disposition authorized through OB Resolution No. 034 is consistent with the approved LRPMP.

Please direct inquiries to Beliz Chappuie, Supervisor, or Satveer Ark, Lead Analyst at (916) 445-1546.

Sincerely,

for

JUSTYN HOWARD

Re: Request for reimbursement by the City of Palm Springs (City) per the New Residential Construction Incentive Program (NRCIP) adopted by the City Council on July 28, 2010 for Case No. 5.1082 AMND-PDD 321 (The Morrison).

Dear David:

As you are aware, the City Council adopted a New Residential Construction Incentive Program (NRCIP) on July 28, 2010. Per the NRCIP, a qualified project shall receive i) a waiver of the City's park in-lieu fee and public art fee, ii) a contribution by the City for 50% of all "Plan Check" fees in an amount not to exceed $50,000, and iii) a City contribution of $4,000 per unit for "off-site" public improvements. Following the adoption of the NRCIP, the Nexus Companies commenced work on a 53 unit residential project located at the southeast corner of Alejo Road and Avenida Caballeros, more specifically referred to as Case No. 5.1082 AMND-PDD 321 (The Morrison). The Morrison was deemed by the City to be a qualified project under the NRCIP as it commenced vertical construction prior to July 31, 2011 and contains more than 20 units, but less than 100 units.

The Morrison is nearing completion of its final phase of construction. The Tract Map has been recorded, all of the City's Plan Check fees have been paid in the amount of $310,849 (not including other fees payable to other agencies such as Palm Springs Unified School District and Desert Water Agency), and all of the off-site improvements have been constructed. As such, we are now requesting the contribution amount of $50,000 for the Plan Check Fees (50% of fees not to exceed $50,000 under the NRCIP) and the contribution amount of $212,000 ($4,000/unit under the NRCIP) for the off-site improvements for a total of $262,000.

The NRCIP was a major factor in allowing The Morrison to commence construction and we greatly appreciate the City creating programs such as the NRCIP to encourage local development during this challenging economic period. As a result of the City's proactive attitude, The Morrison was able to create new housing stock, create new jobs, and further

economic development within the City. We greatly appreciate you and your staff taking the time to consider our request. Please let us know if you need any additional information from us while processing this reimbursement.

Sincerely,

Rob W. Eres
Nexus Development Corporation
Vice President of Development

CITY COUNCIL STAFF REPORT

DATE: June 1, 2011 CONSENT CALENDAR

SUBJECT: APPROVAL OF AN AGREEMENT AND ESCROW INSTRUCTIONS FOR THE CITY'S SALE OF TWO PARCELS OF REAL PROPERTY, ASSESSOR PARCEL NOS. 508055007 AND 508055008, TOTALING APPROXIMATELY 5.62 ACRES LOCATED AT THE SOUTHEAST CORNER OF ANDREAS ROAD AND CALLE EL SEGUNDO, PALM SPRINGS, CALIFORNIA, TO O & M HR, LLC, A DELAWARE LIMITED LIABILITY COMPANY FOR THE AMOUNT OF $1.5 MILLION.

FROM: David H. Ready, Esq., Ph.D., City Manager

BY: Thomas J. Wilson, Assistant City Manager

SUMMARY

This Agreement provides for the sale of approximately 5.62 acres of property currently improved as a parking lot and commonly known as the Prairie Schooner lot, to a limited liability corporation held by the Nexus Development Corporation. The Agreement provides for the purchase of the property for $1.5 million for the exclusive development of a "first class" hotel, along with associated retail, within five (5) years of the sale of the property. The Agreement further provides that the City may repurchase the property for the exact sale amount, $1.5 million, if the property is not developed as a "first class" hotel within five (5) years from its sale.

RECOMMENDATION:

1) Adopt Resolution No. _____, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, APPROVING AN AGREEMENT AND ESCROW INSTRUCTIONS FOR THE SALE OF TWO PARCELS OF REAL PROPERTY, ASSESSOR PARCEL NOS. 508055007 AND 508055008, TOTALING APPROXIMATELY 5.62 ACRES LOCATED AT THE SOUTHEAST CORNER OF ANDREAS ROAD AND CALLE EL SEGUNDO, TO O & M HR, LLC, A DELAWARE LIMITED LIABILITY COMPANY FOR THE AMOUNT OF $1.5 MILLION." and

2) Authorize the City Manager to execute all documents related and necessary to the agreement.

Item No. 2.L.

STAFF ANALYSIS:

The proposed sale of the Prairie Schooner property to a limited liability company owned by the Nexus Corporation will provide the opportunity for Nexus to complete the assemblage of 10 acres and develop a proposed "first class", (as defined in the City's Hotel Operations Incentive Program), hotel and associated retail.

The location of the property provides an excellent site which will serve the Convention Center and associated facilities with a premier hotel. The purchase price is fair and reasonable based upon the restricted use of the property by Nexus for the exclusive development of a "first class" hotel and associated retail. Additionally, the Agreement provides that the City may reacquire the property if a "first class" hotel is not developed within five (5) years from the date of the property sale. The repurchase price would be the exact price of the original sale, $1.5 million.

FISCAL IMPACT:

The sale of the property will potentially stimulate the development of a "first class" hotel and associated retail and will have a positive impact on the City's Convention Center.

DAVID H. READY
City Manager

THOMAS J. WILSON
Assistant City Manager

DOUGLAS HOLLAND

Attachment: Proposed Resolution

CITY COUNCIL STAFF REPORT

DATE: November 19, 2014 CONSENT CALENDAR

SUBJECT: APPROVE FIRST AMENDMENT TO PURCHASE AGREEMENT AND ESCROW INSTRUCTIONS WITH AND ASSIGNMENT WITH O & M HR, LLC, A DELAWARE LIMITED LIABILITY COMPANY ("ASSIGNOR") and NEXUS DEVELOPMENT CORPORATION/CENTRAL DIVISION, a CALIFORNIA CORPORATION ("ASSIGNEE" OR "BUYER") FOR THE PROPERTY LOCATED AT THE SOUTHEAST CORNER OF EAST ANDREAS ROAD AND NORTH CALLE EL SEGUNDO, (APNs 508-055-007, 508-055-008 and 508-055-009), IN THE AMOUNT OF $1,500,000

FROM: David H. Ready, City Manager

BY: Community & Economic Development Department

SUMMARY

This action amends a Purchase and Sale Agreement between the City and O & M HR, LLC, dated October 25, 2011 (the "Original Agreement"), for property located at the southeast corner of E. Andreas Road and N. Calle El Segundo, Palm Springs, California (APNs 508-055-007, 508-055-008 and 508-055-009), known as the Prairie Schooner Parcel. It amends one of the provisions in the original agreement that required the construction of a hotel on the property, and assigns the agreement from the single-purpose LLC that was originally created to develop a hotel to the master development company undertaking the new project. The principals in the project have not changed.

The City and the Oversight Board for the Successor Agency to the Palm Springs Community Redevelopment Agency have recently completed the process mandated by the State of California applicable to the disposition and use of the Property. Having completed the process, the City is now capable of conveying the Property in accordance with the Original Agreement, as now amended.

RECOMMENDATION:

1. Approve First Amendment to Purchase and Sale Agreement and Assignment with O & M HR, LLC, a Delaware limited liability company ("Assignor") and Nexus Development Corporation/Central Division, a California corporation ("Assignee" or "Buyer");

2. Authorize the City Manager to execute all documents to effectuate the Amendment.

ITEM NO. 2-5

STAFF ANALYSIS:

This is an amendment to the Purchase and Sale Agreement between the City and O & M HR, LLC, a Delaware limited liability company ("Assignor") and Nexus Development Corporation/Central Division, a California corporation ("Assignee" or "Buyer"). The Amendment includes an assignment provision.

The City and the Assignor entered a Purchase Agreement and Escrow Instructions, dated October 25, 2011 (the "Original Agreement"), under which City agreed to sell a 6.2 acre property located at the southeast corner of E. Andreas Road and N. Calle El Segundo, Palm Springs, California (APNs 508-055-007, 508-055-008 and 508-055-009), known as the Prairie Schooner parcel, subject to certain terms and conditions. The sale amount was $1,500,000.

The Property had been a former Community Redevelopment Agency ("Agency" or "Dissolved RDA") parcel, but the Agency conveyed it and all the other Agency parcels to the City by resolution on March 16, 2011, making findings under California Health & Safety Code Section 33430 and 33432, which allowed the Agency to transfer properties to the City or any other public agency without competitive bidding. This action was taken three months prior to the State of California's changes in the California Community Redevelopment Law effectuated by AB X1 26 and AB X1 27 (the "Dissolution Act"). The City entered the Original Agreement in the belief it was the legal Owner of the parcel.

The transfer of the Property in 2011 was also subject to the terms of the Repayment Agreement with the Agua Caliente Band of Cahuilla Indians for the construction of a parking lot, and a Disposition and Development Agreement with O & M HR, LLC for the development of a 500-room hotel, and was conditioned on the redevelopment and use of the property in conformity with the Merged Project Area No. 2 Redevelopment Plan. Since 2011, the term of the Repayment Agreement has expired and no funds are due to the Tribe under that Agreement.

Asset Transfer Report

The Dissolution Act called for the Successor Agency, under the direction of the Oversight Board, to dispose of real property it received from the Dissolved RDA either for limited public uses, or for disposition into the private market expeditiously and with a view toward maximizing value, with the disposition proceeds ultimately made available for distribution to the affected taxing entities.

One of the requirements under the Dissolution Act was the preparation and submittal to the State Controller's Office of an Asset Transfer Assessment prepared by the Successor Agency, showing the assets that were owned by the Agency and transferred to the Successor Agency upon the dissolution on February 1, 2012. The State

Controller also ordered any transfers of properties undertaken after January 1, 2011 to be "unwound" and the properties returned to the Successor Agency. However, a number of legal challenges to the retroactivity of the Dissolution Act were made by several cities, and the issue remained unclear. As a result, it was the City's position and the Successor Agency's position that all of the properties described in the Asset Transfer Form were in the hands of the City, not the Successor Agency.

On January 23, 2013, the City received a letter from the State Controller's Office advising it that, pursuant to Health and Safety Code section 34167.5, the State Controller will conduct a review of the Palm Springs Community Redevelopment Agency to determine whether any asset transfers occurred after January 1, 2011, between the city or any other public agency, and the redevelopment agency. The review would include an assessment of whether each asset transfer is allowable and whether the asset should be turned over to the Successor Agency. The audit concluded on February 21, 2013.

The review applied to all assets, including, but not limited to, real and personal property, cash funds, accounts receivable, deeds of trust and mortgages, contract rights, and any rights to payment of any kind. The auditors also determined whether any non-compliant assets transferred to the City or any other public agency was reversed.

As a result of the audit, the property categories described above are divided into slightly different categories, each with a corresponding action required of the Oversight Board:

1. Property held for resale, typically part of an assemblage for redevelopment purposes, and which shall be returned to the Successor Agency for disposition
2. Property held for resale, which are typically parking lots today, and which now serve a governmental or public purpose function
3. Property held as community assets, typically related to visitor services or the Convention Center, including equipment and physical improvements paid for by the Agency, or parking facilities, and which have been determined by the Auditors to be governmental use properties and appropriate for transfer back to the City
4. Property held as community assets, typically related to visitor services or the Convention Center, which the Auditors have determined are not governmental use properties and which have been directed to be returned to the Successor Agency for disposition
5. Property previously held for resale or as community assets by the former Redevelopment Agency but which was disposed of prior to the January 1, 2011 date.
6. The assets of the Low-and Moderate Income Housing program.

The Auditors advised the City to bring the actions to the Oversight Board to clarify the status of the assets of the former Redevelopment Agency. One of the categories of

assets was Land Held for Resale. Many of the Agency's parking lot properties are included in that category, and are now considered governmental or public use properties as the parking inventory they now represent would be difficult or expensive to replace or recreate.

Land Disposition Process under AB 1484

In 2012, the State approved a redevelopment reform act, AB 1484, which changed a number of the processes related to the disposition of Dissolved RDA assets. AB 1484 provided certain flexibility and local benefits in connection with property disposition. One provision, Section 34181(a), allows the Oversight Board to transfer governmental purpose property to the appropriate public entity. Therefore, the Successor Agency recommended that the Oversight Board ratify the March 16, 2011 transfer of certain city governmental use properties to the City, including the Prairie Schooner.

On March 5, 2013, based on the recommendation of the State Controller's Office, the Oversight Board approved a Resolution determining that a number of Successor Agency properties, including the Prairie Schooner, were "governmental use" properties and should be returned to the City. That action was reviewed by the California Department of Finance ("DOF"), which concurred with some of the actions and disallowed the rest. Accepted as governmental use were properties under the Convention Center; all of the parking facilities owned by the Agency were disallowed.

The Successor Agency holds a total of 12 from the Dissolved RDA. These include sites assembled for future redevelopment, public parking lots and other real property. Disposition of these properties would not be able to occur until the Department of Finance ("DOF") issued a finding of completion and approved a long-range property management plan, which included an inventory of these properties and other pertinent information. Assembly Bill 1X 26 added Health and Safety Code Sections 34191.1-34191.5 requiring that successor agencies send a long-range property management plan to their oversight board and DOF no later than six months following the issuance of the finding of completion.

The Successor Agency received its finding of completion from DOF on January 2, 2014. The Long-Range Property Management Plan ("LRPMP") was reviewed by the Oversight Board at its meeting on December 16, 2013. Prepared in collaboration with a qualified dissolution and real estate consultant, the LRPMP contains detailed information on each property, such as the date and purpose of acquisition, parcel characteristics, estimate of the current value and any lease, rental or other revenues, histories of environmental contamination, and previous development proposals. In most cases, estimates of value were derived from recent comparable sales of like properties in the area since appraisals are not required for the LRPMP. Most importantly, the LRPMP addresses the intended disposition of each property. Permissible uses include retention for governmental use, retention for future development, sale of the property, or use of property to fulfill an enforceable obligation.

The Dissolved RDA's properties that were retained by the City for government use were previously transferred to the City with the approval of the DOF, so no such properties were included in the LRPMP.

The LRPMP outlined that the Successor Agency would sell all 12 properties, including the Prairie Schooner. The value in the LRPMP for the City to acquire the Prairie Schooner from the Successor Agency was $1,402,632. That amount would be paid to the Successor Agency, which would then remit it to the County Auditor-Controller for allocation.

Once the Long-Range Property Management Plan was approved by the DOF, individual transactions are required to the Oversight Board for approval. The sale of the Prairie Schooner was approved by the Oversight Board on May 8, 2014. The DOF issued its approval letter on May 15, 2014. A copy of the letter from DOF is attached.

The LRPMP helped facilitate the transfer of properties to other parties pursuant to state law. The sales proceeds collected by the Successor Agency (net of transaction costs) would be transferred later to the County Auditor-Controller for dissemination to each of the affected taxing agencies of the former redevelopment project area.

FISCAL IMPACT

The transaction with Nexus is at $1,500,000 higher than the acquisition from the Successor Agency. The City will also receive a share of the sales proceeds of the Successor Agency to City transaction of $1,402,632 from the County Auditor-Controller. The remainder of those sales proceeds shall be allocated to other taxing entities, such as the school district and the County. Additional new property tax from the redevelopment of the property will be generated, which will have a net positive effect on the City.

John Raymond, Director of

Rich,
I appreciate your point of view.
I understand your attorney has made a call to Doug's office.
I believe Doug or his staff will review the condition and your points and render a decision on its applicability.
Given the holiday week, I wouldn't expect any resolution on this until next week.

Sincerely,

Marcus L. Fuller, P.E., P.L.S.

Subject: Morrison

Dear Marcus,
I am in receipt of your email dated November 17 and I wanted to clarify some of your statements and ask you some questions:

ADM 12 of our C of A states that the" City may determine to form a Community Services District" in which we would be required to participate -- it does not state that a CFD was formed and we are obligated to annex to it which is what you are asking for. If the Conditions were clear and stated that a CFD was in place I would have objected to it immediately and I am confident I would have prevailed. The condition reads like it was used prior to the formation of the CFD in 05. When reading this language prior to our map recording I was not concerned about it due to the lack of developments needed for a new CFD as well as the economic environment we are currently in.

Why do you want to throw cold water on our development by saddling it with the negativity associated with CFD's?? The whole point of the City supplementing the Morrison was to create an atmosphere in which we could be successful. Additionally, this parcel was already fully developed decades ago, we are not impacting the City any more then La Mancha did previously.

There have been 12 closings to date and I am contractually obligated to deliver the remaining sold homes to the buyers as agreed. I cannot wait till January 18 to resume closings. As stated above, we are not aware of the City forming a new CFD per our C of A so I don't see the problem.

OVERSIGHT BOARD
FOR THE SUCCESSOR AGENCY TO THE
PALM SPRINGS COMMUNITY REDEVELOPMENT AGENCY

BOARD REPORT

MEETING DATE: May 8, 2014 **NEW BUSINESS**

TITLE: APPROVING THE SALE OF THE PRAIRIE SCHOONER PARKING LOT (PROPERTY 3, APN 508-055-007, 508-055-008, and 508-055-009) AND APPROVING THE SALE OF THE CONVENTION CENTER NORTH PARKING LOT (PROPERTY 4, APN 508-034-012, 508-034-013, 508-034-014) TO THE CITY OF PALM SPRINGS, PURSUANT TO THE APPROVED LONG-RANGE PROPERTY MANAGEMENT PLAN

INITIATED: Department of Community & Economic Development

Assembly Bill ("AB") 1484, enacted in June 2012, requires all successor agencies to former redevelopment agencies that owned property as of the time of redevelopment dissolution in 2011 to prepare a Long Range Property Management Plan ("PMP"). The PMP governs the disposition and use of property held by the former redevelopment agency pursuant to legal requirements.

On December 16, 2013, the Oversight Board approved a PMP for submittal to the State Department of Finance for review and approval.

These actions are the sale of two of the properties listed in the PMP at the value listed in the PMP. They are both parking lots near the City's Convention Center.

RECOMMENDATION:

1. Adopt Resolution No. 024, "A RESOLUTION OF THE OVERSIGHT BOARD FOR THE SUCCESSOR AGENCY, TO THE PALM SPRINGS COMMUNITY REDEVELOPMENT AGENCY, APPROVING THE SALE OF THE PRAIRIE SCHOONER PARKING LOT (PROPERTY 3, APN 508-055-007, 508-055-008, and 508-055-009) TO THE CITY OF PALM SPRINGS, PURSUANT TO THE APPROVED LONG-RANGE PROPERTY MANAGEMENT PLAN."

2. Adopt Resolution No. 025, "A RESOLUTION OF THE OVERSIGHT BOARD OF THE SUCCESSOR AGENCY, TO THE PALM SPRINGS COMMUNITY REDEVELOPMENT AGENCY, APPROVING THE SALE OF THE CONVENTION CENTER NORTH PARKING LOT (PROPERTY 4, APN 508-034-012, 508-034-013, 508-034-014) TO THE CITY OF PALM SPRINGS, PURSUANT TO THE APPROVED LONG-RANGE PROPERTY MANAGEMENT PLAN."

3. Direct the Clerk of the Successor Agency to cause the execution of the Resolutions and submit them to the State Controller's Office and the State Department of Finance.

BACKGROUND AND ANALYSIS:

Pursuant to Health and Safety Code Section 34191.5 (part of AB 1484), each successor agency that holds property from a former redevelopment agency is required to submit a PMP to the State Department of Finance ("DOF") within six months after receiving a "Finding of Completion" from DOF. Prior to the submittal of the PMP to DOF, the successor agency's oversight board must approve the PMP.

On December 16, 2013, the Oversight Board approved a PMP for submittal to the State Department of Finance for review and approval. At the same time, it approved actions that allowed the Successor Agency request a Finding of Completion from DOF. That finding was received by the Successor Agency on January 2, 2014.

In January, the Oversight Board was asked to approve an amendment to the PMP for a number of properties that had their values originally listed as "zero." Those properties had low values, in the consultant's opinion, due to their low economic potential either because of the amount of renovation necessary to bring it to a market condition (e.g. Plaza Theatre) or because they were downtown parking lots, zoned as parking only (five downtown lots).

The Oversight Board adopted Resolution 020, which adjusted the zero values to the "carrying" or book value the property is held by the City at for the purposes of GASB. In many cases the carrying values are likely to be in excess of the true market value, and Resolution 020 contains language that would allow the Successor Agency to commission an appraisal at the time of sale in order to establish a lower sale price.

The other six properties, including these two lots, did not have their values challenged by DOF. Instead, the estimates of value were based on a body of relatively recent transactions and are considered fair.

These two actions approve the sale of two of the properties listed in the PMP at the value listed in the PMP. They are both parking lots near the City's Convention Center. The Dissolution Act requires that a property management plan include an estimate of the value of property, as well as recent appraisal information, to provide the oversight board, DOF, and other interested parties information on the properties involved.

The City desires the right to purchase the Prairie Schooner Parking Lot (APNs 508-055-007, 508-055-008, and 508-055-009) from the Successor Agency for the amount of One Million Four Hundred Two Thousand, Six Hundred Thirty Two Dollars ($1,402,632); and the Convention Center North Parking Lot (APNs 508-034-012,

508-034-013, 508-034-014) from the Successor Agency for the amount of Two Million Two Hundred Eleven Thousand, Eight Hundred Ninety Six Dollars ($2,211,896).

Because these are "sales" and not holding land for governmental purposes, no compensation agreements with other taxing entities are necessary. Instead, the sale proceeds shall be remitted to the County Auditor-Controller for allocation to all of the affected taxing agencies on the normal basis.

RESOLUTION NO. 024

A RESOLUTION OF THE OVERSIGHT BOARD FOR THE SUCCESSOR AGENCY, TO THE PALM SPRINGS COMMUNITY REDEVELOPMENT AGENCY, APPROVING THE SALE OF THE PRAIRIE SCHOONER PARKING LOT (PROPERTY 3, APN 508-055-007, 508-055-008, and 508-055-009) TO THE CITY OF PALM SPRINGS, PURSUANT TO THE APPROVED LONG-RANGE PROPERTY MANAGEMENT PLAN.

WHEREAS, the Community Redevelopment Agency of the City of Palm Springs ("Redevelopment Agency") was a redevelopment agency in the City of Palm Springs ("City"), duly created pursuant to the California Community Redevelopment Law (Part 1 (commencing with Section 33000) of Division 24 of the California Health and Safety Code) ("Redevelopment Law"); and

WHEREAS, the Community Redevelopment Agency was responsible for the administration of redevelopment activities within the City; and

WHEREAS, AB X1 26 and AB X1 27 were signed by the Governor of California on June 28, 2011, making certain changes to the Redevelopment Law, including adding Part 1.8 (commencing with Section 34161) and Part 1.85 (commencing with Section 34170) ("Part 1.85") to Division 24 of the California Health and Safety Code which effectively dissolves the Redevelopment Agency ("Dissolution Act"); and

WHEREAS, under the Dissolution Act, the term "successor agency" was defined to refer to the dissolved redevelopment agency's sponsoring community (the city, county or city and county that formed the Dissolved RDA), unless the sponsoring community adopted a resolution electing not to serve in that capacity; and

WHEREAS, pursuant to Health and Safety Code section 34191.5 (part of AB 1484), each successor agency that holds property from a former redevelopment agency is required to submit a PMP to the State Department of Finance ("DOF") within six months after receiving a "Finding of Completion" from DOF. Prior to the submittal of the PMP to DOF, the successor agency's oversight board must approve the PMP; and

WHEREAS, pursuant to Health & Safety Code Section 34191.5(b), successor agencies are required to send long-range property management plans to the oversight board and DOF no later than six months following the issuance of the finding of completion; and

WHEREAS, the Successor Agency requested that DOF issue a finding of completion on December 16, 2013; and

WHEREAS, the DOF issued a finding of completion to the Agency on January 2, 2014; and

WHEREAS, the Successor Agency prepared a Long Range Property Management Plan in accordance with the provisions of Section 34191.3 of the Dissolution Act, indicating the intended disposition and use of the real property assets of the former Redevelopment Agency; and

WHEREAS, pursuant to Health & Safety Code Section 34191.5(b), the Long-Range Property Management Plan was approved by the Oversight Board on December 16, 2013 and by the California Department of Finance in March, 2014; and

WHEREAS, the Long-Range Property Management Plan indicated that all twelve (12) of the Agency-held properties were to be sold, and that the City of Palm Springs was the likely buyer for a number of the properties, particularly parking lots; and

WHEREAS, the City desires to purchase the Prairie Schooner Parking Lot (APNs 508-055-007, 508-055-008, and 508-055-009) from the Successor Agency at the property value prepared by the Successor Agency's independent consultant and contained in the Long-Range Property Management Plan in the amount of One Million Four Hundred Two Thousand, Six Hundred Thirty Two Dollars ($1,402,632).

NOW, THEREFORE, BE IT RESOLVED BY THE OVERSIGHT BOARD FOR THE SUCCESSOR AGENCY OF THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF PALM SPRINGS AS FOLLOWS:

SECTION 1. The Oversight Board hereby finds and determines that the foregoing recitals are true and correct, and incorporates them herein by reference.

SECTION 2. The Oversight Board approves the sale of the Prairie Schooner Parking Lot (APNs 508-055-007, 508-055-008, and 508-055-009) to the City of Palm Springs Plan in the amount of One Million Four Hundred Two Thousand, Six Hundred Thirty Two Dollars ($1,402,632), pursuant to the approved Long-Range Property Management Plan.

SECTION 3. At such time as the Successor Agency receives proceeds from the sale of any property as identified in the long-range property management plan, the Successor Agency shall comply with applicable statutes regarding the distribution of these proceeds to the County Auditor Controller for dissemination to the affected taxing agencies.

SECTION 4. This Resolution shall take effect three (3) business days after adoption.

PASSED, APPROVED AND ADOPTED BY THE OVERSIGHT BOARD FOR THE SUCCESSOR AGENCY TO THE PALM SPRINGS COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF PALM SPRINGS THIS 8TH DAY OF MAY, 2014.

Hi Diana – attached is the analysis we prepared that shows how we derived the estimated values for the two properties in question. Both were computed based on the market approach wherein we looked at "comparable" properties within the Valley that sold relatively close to this period, then derived the estimated value for the subject properties by using the median sales prices per square foot for the respective comps. The file contains the comps data itself from third-party real estate data service providers, and the tables that were used in the LRPMP.

If we can assist any further, please let us know.

Subject: FW: OB Reso. 024 and 025-City of Palm Springs LRPMP-DOF REQUEST FOR INFORMATION

Hi Jim/Dominique:

Our oversight board recently approved Resolutions 024 and 025 (attached to this email) for the sale of the Prairie Schooner and Convention Center North Parking lot properties. These are discussed on pages 15 through 18 of the LRPMP. DOF received copies of our Oversight Board Resolutions (the meeting was last week on Thursday, May 8) and are now asking us for the analysis that you undertook to establish the estimated property values--see below for details. They want the information by tomorrow! Can you help. If you would email a response with the supporting calculations/analysis of these 2 properties to John Raymond and to me, we would greatly appreciate it. Please call if you have any questions or need additional detail.

Thanks,

I clearly see what is on the LRPMP regarding these two properties. As I stated previously – these are the results of the analysis and the consultant should be able to provide you with the copy of the analysis itself.

Do you think you can put in the request? We would need to have that by tomorrow.

Thank you.

To: Prisakar, Nicole; John Raymond
Subject: RE: OB Reso. 024 and 025

Hi Nicole,
If you refer to page 15, there are a list of 8 comparable properties to the Convention Center Parking lot and the method of calculating the estimated value was based on the unweighted and unadjusted median price per square foot for all of the comparable properties. On Page 17, there are a list of 7 comparable properties to the Prairie Schooner Property and the same method was used--the estimated value was based on the unweighted and unadjusted median price per square foot for all the comparable properties.

We do not have anything more detailed than this --unless you would like for us to contact the consultant that prepared the PMP and obtain file notes showing their actual calculations. The PMP does give details on the method used to calculate along with the data.
Let me know if you need anything additional.

Subject: RE: OB Reso. 024 and 025

Yes, the information is in the plan. However, I was wondering if there is a separate document that supports the sales price.

The plan states that the estimated current value is "Based on RSG comparable sales analysis. The results of the analysis are shown below." - I was wondering if it is possible to obtain the actual analysis not just the results included in the plan.

-

Thank you,

Nicole

Successor Agency to the Palm Springs Community Redevelopment Agency
Long-Range Property Management Plan

INTRODUCTION

Assembly Bill ("AB") 1484, enacted in June 2012, requires all successor agencies to former redevelopment agencies that owned property as of the time of redevelopment dissolution in 2011 to prepare a Long Range Property Management Plan ("PMP"). The PMP governs the disposition and use of property held by the former redevelopment agency pursuant to legal requirements, as detailed in the "Statement of Legal Requirements" section on the next page.

This is the Long Range Property Management Plan for the Successor Agency to the Palm Springs Community Redevelopment Agency ("Successor Agency").

EXECUTIVE SUMMARY

The former Palm Springs Community Redevelopment Agency ("Agency") is the owner of record on the title for 12 properties (comprised of 19 parcels) in Palm Springs. All 12 properties are proposed to be sold by the Successor Agency, with the proceeds of the sale to be distributed by the Riverside County Auditor-Controller in accordance with the Dissolution Act.

The following chart outlines the Assessor's Parcel Number (APN) and proposed disposition for each of the 12 properties.

#	Site Name	Assessor's Parcel Number(s)	Disposition
1	Casa del Camino Property	505-182-004	Sell property
2	Desert Hotel Property	513-091-003	Sell property
3	McKinney Parcel	513-290-013	Sell property
4	Convention Center North Parking Lot	508-034-012, 508-034-013, and 508-034-014	Sell property
5	Prairie Schooner Parcel	508-055-007, 508-055-008, and 508-055-009	Sell property
6	Cork n Bottle	513-081-017	Sell property
7	Plaza Theater	513-144-010	Sell property
8	Catholic Church Parking Lot	505-324-002	Sell property
9	Blue Coyote Parking Lot and Driveway	513-082-023 and 513-082-040	Sell property
10	Food Court Parking Lot	513-082-043	Sell property
11	Henry Frank Arcade Parking Lot	513-091-004	Sell property
12	Vineyard Parking Lot	513-153-015, 513-153-016, and 513-153-029	Sell property

Advancement of Planning Objectives: *Sell for future development.*

This property was acquired for the purpose of selling to a developer, with whom the Agency had been working to construct a 500-room Hard Rock Hotel. However, the project was abandoned and the Hard Rock Hotel eventually opened elsewhere in the City. A hotel developer has recently sought to purchase this property from the Successor Agency.

REVIEW OF PROCESS & WHAT RDA IS IN PS

City of Palm Springs

Discussion of Former Redevelopment Agency (RDA) and Economic Incentive Programs

STAFF → DEDICATED PS DOES THE RIGHT THING

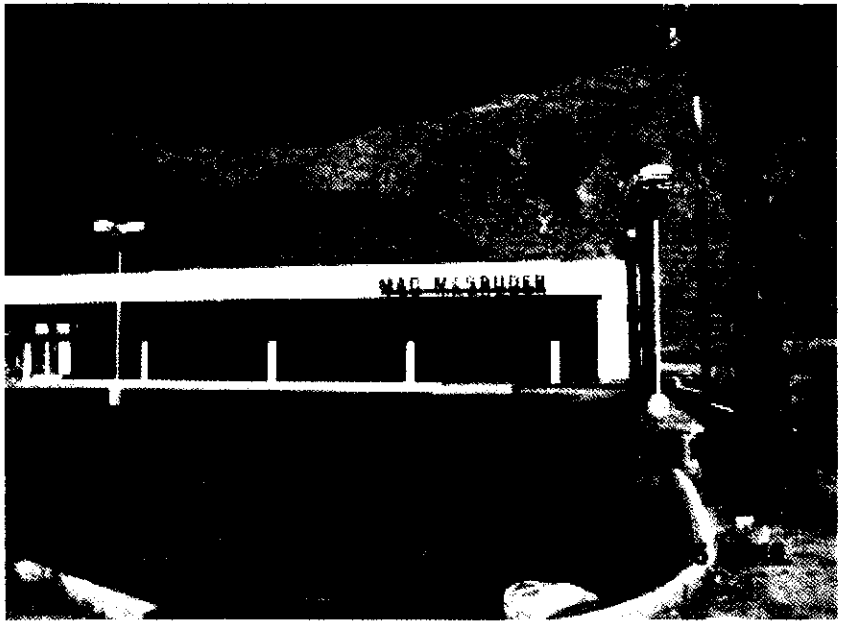
Purpose of the RDA

- State of California created RDAs (Redevelopment Agencies) for local governments, to allow physical and economic development incentive opportunities

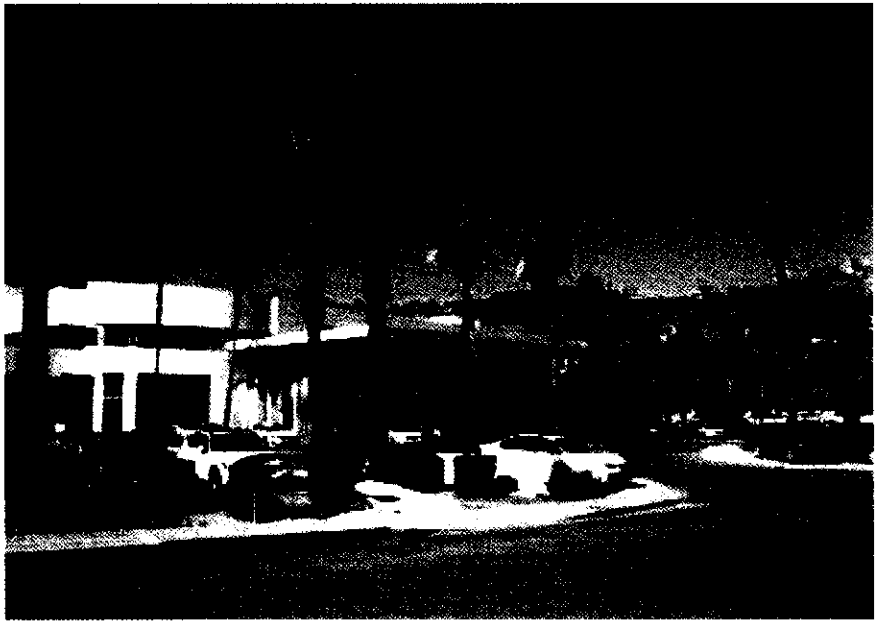
- City Council established the Agency in 1972 to address conditions of physical and economic development in the city, beginning with the Central Business District in 1973.

Goal of RDA

From this condition

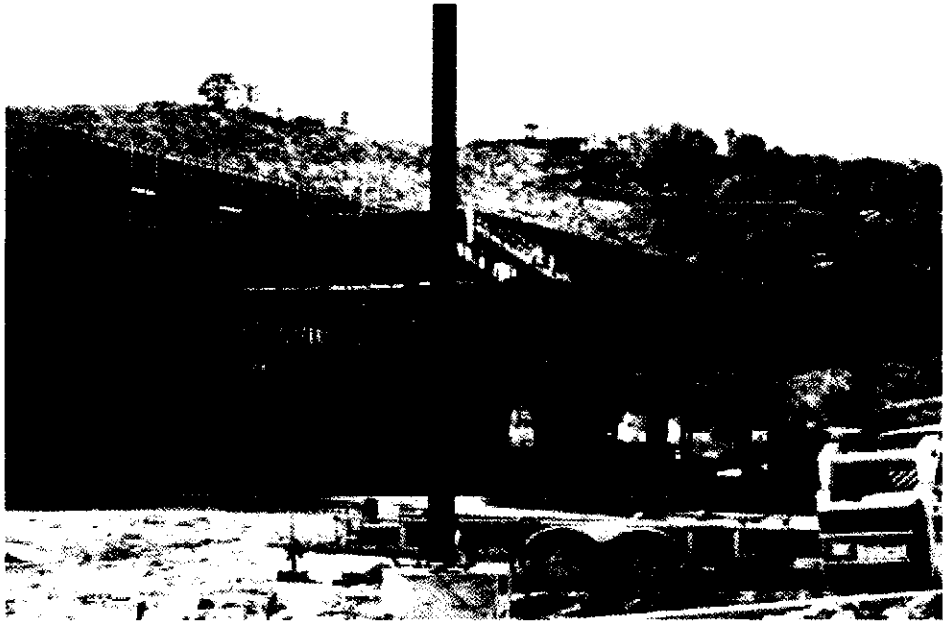


To this condition



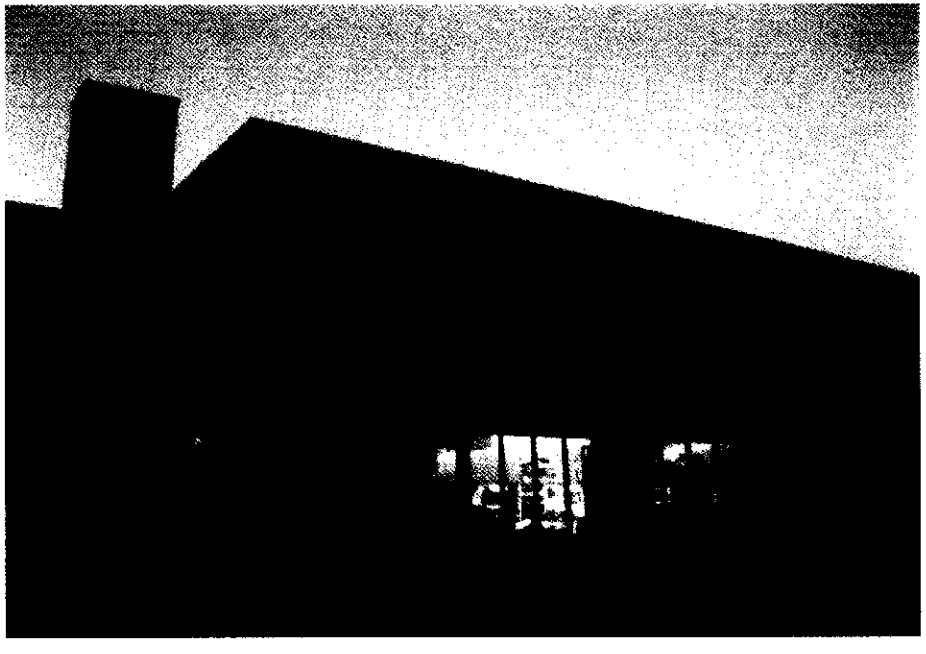
PS RDA Projects

- Expanded BMW/ Mercedes and new Hyundai Dealership
  - Sold RDA land to adjacent property owner and rebated entire price
  - Sales and Property Tax generated far exceeds RDA investment



PS RDA Projects

- The Springs Shopping Center
  - Sold 14 acres to adjacent landowner for $72,000
  - Former City Landfill, now generating annual sales and property taxes



2014 Sales and Property Taxes Springs/Auto RDA Projects

Over $3.2 million

PS RDA Projects

- Convention Center and Wyndham Land Assembly/Renaissance Renovation

- Casino Disposition & Development Agreement – assisted with land acquisition

Dissolution of CRA in 2011

- AB 1X 26 (the "Dissolution Act") was signed by the Governor on June 29, 2011 and commencing on February 1, 2012, all existing redevelopment agencies were dissolved.

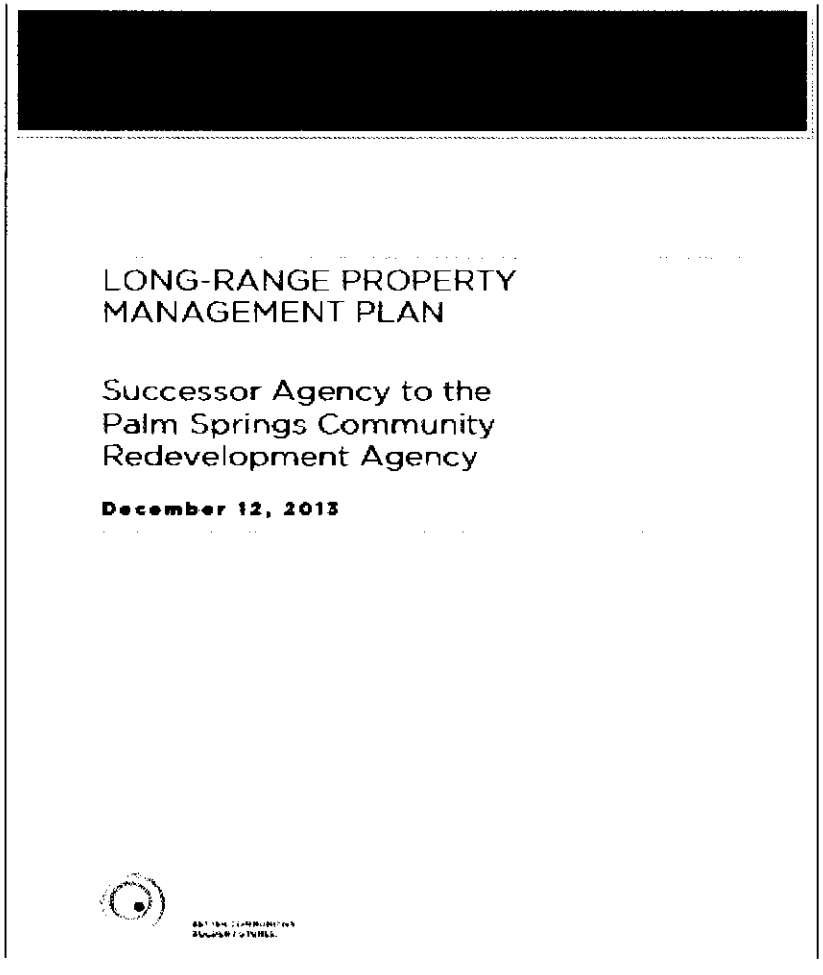
- The City became the RDA Successor Agency – and along with the Oversight Board, is tasked by the State to dispose of each RDA property

Property Disposition Process

- Cities were required to prepare a "long range property management plan" to dispose of RDA properties

- In accordance with state law, the City engaged RSG, a state recognized qualified dissolution and real estate consultant, to create the property management plan based on RDA dissolution guidelines

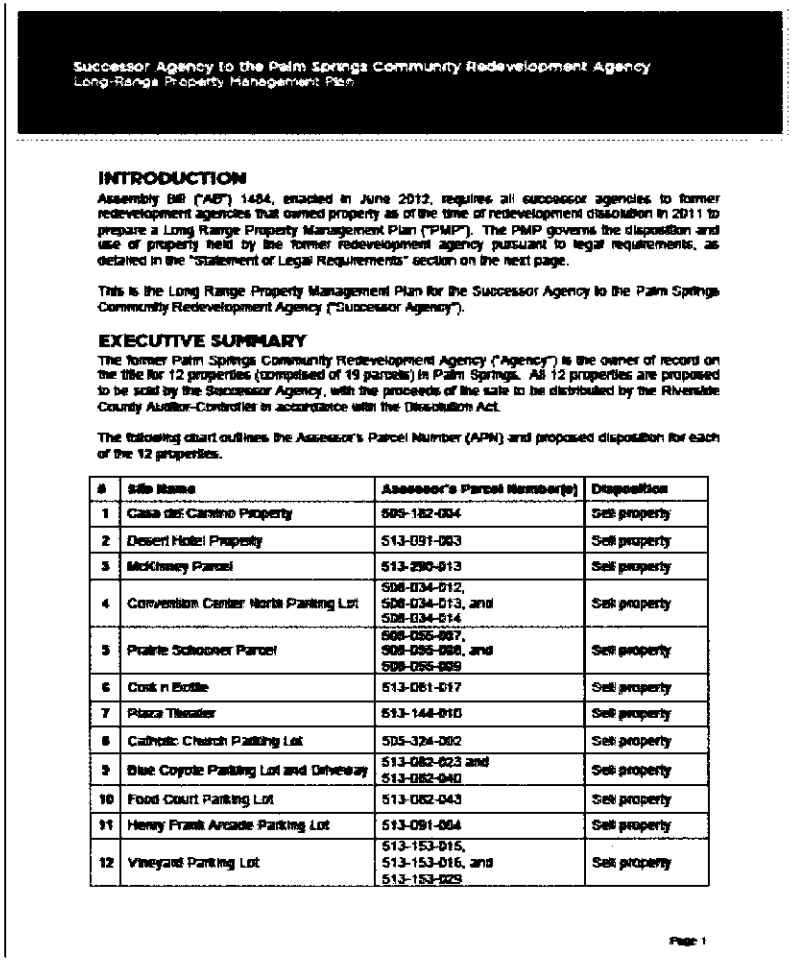
Long Range Property Management Plan



LONG-RANGE PROPERTY MANAGEMENT PLAN

Successor Agency to the Palm Springs Community Redevelopment Agency

December 12, 2013



INTRODUCTION

Assembly Bill ("AB") 1484, enacted in June 2012, requires all successor agencies to former redevelopment agencies that owned property as of the time of redevelopment dissolution in 2011 to prepare a Long Range Property Management Plan ("PMP"). The PMP governs the disposition and use of property held by the former redevelopment agency pursuant to legal requirements, as detailed in the "Statement of Legal Requirements" section on the next page.

This is the Long Range Property Management Plan for the Successor Agency to the Palm Springs Community Redevelopment Agency ("Successor Agency").

EXECUTIVE SUMMARY

The former Palm Springs Community Redevelopment Agency ("Agency") is the owner of record on the title for 12 properties (comprised of 19 parcels) in Palm Springs. All 12 properties are proposed to be sold by the Successor Agency, with the proceeds of the sale to be distributed by the Riverside County Auditor-Controller in accordance with the Dissolution Act.

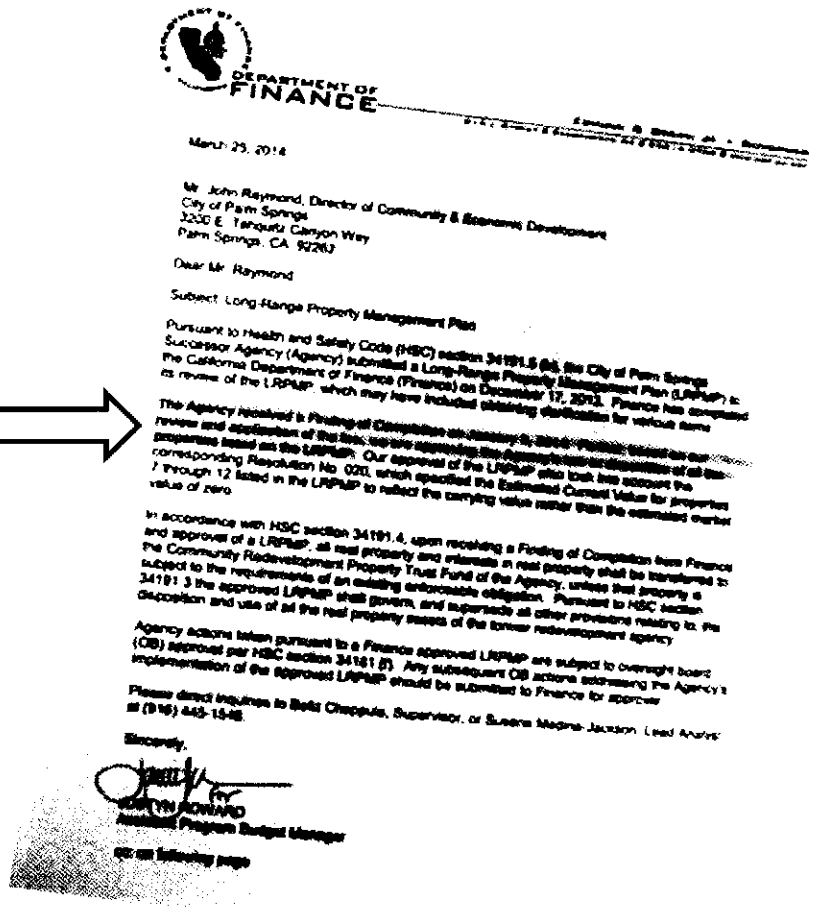
The following chart outlines the Assessor's Parcel Number (APN) and proposed disposition for each of the 12 properties.

#	Site Name	Assessor's Parcel Number(s)	Disposition
1	Casa del Camino Property	505-182-004	Sell property
2	Desert Hotel Property	513-091-003	Sell property
3	McKinney Parcel	513-290-013	Sell property
4	Convention Center North Parking Lot	508-034-012, 508-034-013, and 508-034-014	Sell property
5	Prairie Schooner Parcel	508-055-007, 508-055-008, and 508-055-009	Sell property
6	Cork n Bottle	513-081-017	Sell property
7	Plaza Theater	513-144-010	Sell property
8	Catholic Church Parking Lot	505-324-002	Sell property
9	Blue Coyote Parking Lot and Driveway	513-082-023 and 513-082-040	Sell property
10	Food Court Parking Lot	513-082-043	Sell property
11	Henry Frank Arcade Parking Lot	513-091-004	Sell property
12	Vineyard Parking Lot	513-153-015, 513-153-016, and 513-153-029	Sell property

Long Range Property Management Plan

- The plan was approved by the Oversight Board on December 12, 2013

- The plan was approved by the State Dept. of Finance in March, 2014.



DEPARTMENT OF FINANCE

March 25, 2014

Mr. John Raymond, Director of Community & Economic Development
City of Palm Springs
3200 E. Tahquitz Canyon Way
Palm Springs, CA 92262

Dear Mr. Raymond

Subject: Long-Range Property Management Plan

Pursuant to Health and Safety Code (HSC) section 34191.5 (b), the City of Palm Springs Successor Agency (Agency) submitted a Long-Range Property Management Plan (LRPMP) to the California Department of Finance (Finance) on December 17, 2013. Finance has completed its review of the LRPMP, which may have included obtaining clarification for various items.

This Agency received a Finding of Completion on January 6, 2014. Pursuant to HSC section 34191.4(b)(2), upon receipt of the finding, the Agency may enter into binding obligations for assets, excluding the disposition and use of real property. Our approval of the LRPMP also took into account the properties listed on the LRPMP. Our approval of the LRPMP also took into account the corresponding Resolution No. 020, which specified the Estimated Current Value for properties 7 through 12 listed in the LRPMP to reflect the carrying value rather than the estimated market value of zero.

In accordance with HSC section 34191.4, upon receiving a Finding of Completion from Finance and approval of a LRPMP, all real property and interests in real property shall be transferred to the Community Redevelopment Property Trust Fund of the Agency, unless that property is subject to the requirements of an existing enforceable obligation. Pursuant to HSC section 34191.3 the approved LRPMP shall govern, and supersede all other provisions relating to the disposition and use of all the real property assets of the former redevelopment agency.

Agency actions taken pursuant to a Finance approved LRPMP are subject to oversight board (OB) approval per HSC section 34181 (f). Any subsequent OB actions addressing the Agency's implementation of the approved LRPMP should be submitted to Finance for approval.

Please direct inquiries to Bekki Chappuis, Supervisor, or Susana Medina-Jackson, Lead Analyst at (916) 445-1546.

Sincerely,

JOHN MCMAHAN
Assistant Program Budget Manager

Mr. John Raymond, Director of Community and Economic Development
City of Palm Springs
3200 East Tahquitz Canyon Way
Palm Springs, CA 92262

Dear Mr. Raymond:

Subject: Approval of Oversight Board Action

The City of Palm Springs Successor Agency (Agency) notified the California Department of Finance (Finance) of its May 8, 2014 Oversight Board (OB) resolution on May 8, 2014. Pursuant to Health and Safety Code (HSC) section 34179 (h), Finance has completed its review of the OB action.

Based on our review and application of the law, OB Resolution No. 024 approving the sale of the Prairie Schooner Parking Lot, APNs: 508-056-007, 508-056-008, and 508-056-009, to the City of Palm Springs in the amount of $1,402,832 pursuant to the approved Long-Range Property Management Plan (LRPMP), is approved.

Pursuant to HSC section 34191.5, the Agency's LRPMP was approved by Finance on May 13, 2014. The disposition of the property, listed as Property 5 in Agency's LRPMP, is consistent with the approved plan.

Please direct inquiries to Beliz Chappuie, Supervisor, or Susana Medina Jacuson, Lead Analyst at (916) 445-1546.

Sincerely,

JUSTYN HOWARD
Assistant Program Budget Manager

DEPARTMENT OF FINANCE

March 10, 2015

Mr. John Raymond, Director of Community and Economic Development
City of Palm Springs
3200 East Tahquitz Canyon Way
Palm Springs, CA 92262

Dear Mr. Raymond:

Subject: Approval of Oversight Board Action

The City of Palm Springs Successor Agency (Agency) notified the California Department of Finance (Finance) of its March 3, 2015 Oversight Board (OB) resolution on March 3, 2015. Pursuant to Health and Safety Code (HSC) section 34179 (h), Finance has completed its review of the OB action.

Based on our review and application of the law, the enforceable obligation listed above, concerning the purchase and management and sales transaction of the property, may become effective. Except for the items listed, no other items listed on the Agency's Recognized Obligation Payment Schedule are approved or disapproved.

This property was listed on the Agency's Long-Range Property Management Plan (LRPMP) approved by Finance on March 25, 2014. The disposition authorized through OB Resolution No. 694 is consistent with the approved LRPMP.

Please direct inquiries to Bob Chaparro, Supervisor, or Steven Ark, Lead Analyst at (916) 445-1546.

Sincerely,

Successor Agency to the Palm Springs Community Redevelopment Agency
Long-Range Property Management Plan

INTRODUCTION

Assembly Bill ("AB") 1484, enacted in June 2012, requires all successor agencies to former redevelopment agencies that owned property as of the time of redevelopment dissolution in 2011 to prepare a Long Range Property Management Plan ("PMP"). The PMP governs the disposition and use of property held by the former redevelopment agency pursuant to legal requirements, as detailed in the "Statement of Legal Requirements" section on the next page.

This is the Long Range Property Management Plan for the Successor Agency to the Palm Springs Community Redevelopment Agency ("Successor Agency").

EXECUTIVE SUMMARY

The former Palm Springs Community Redevelopment Agency ("Agency") is the owner of record on the title for 12 properties (comprised of 19 parcels) in Palm Springs. All 12 properties are proposed to be sold by the Successor Agency, with the proceeds of the sale to be distributed by the Riverside County Auditor-Controller in accordance with the Dissolution Act.

The following chart outlines the Assessor's Parcel Number (APN) and proposed disposition for each of the 12 properties.

#	Site Name	Assessor's Parcel Number(s)	Disposition
1	Casa del Camino Property	505-182-004	Sell property
2	Desert Hotel Property	513-091-003	Sell property
3	McKinney Parcel	513-290-013	Sell property
4	Convention Center North Parking Lot	508-034-012, 508-034-013, and 508-034-014	Sell property
5	Prairie Schooner Parcel	508-055-007, 508-055-008, and 508-055-009	Sell property
6	Cork n Bottle	513-081-017	Sell property
7	Plaza Theater	513-144-010	Sell property
8	Catholic Church Parking Lot	505-324-002	Sell property
9	Blue Coyote Parking Lot and Driveway	513-082-023 and 513-082-040	Sell property

Source: CoStar, December 2013
Note: Estimated value is based on the unweighted and unadjusted median price per square foot for comparable properties.

Advancement of Planning Objectives: *Sell for future development.*

This property was acquired for the purpose of selling to a developer, with whom the Agency had been working to construct a 500-room Hard Rock Hotel. However, the project was abandoned and the Hard Rock Hotel eventually opened elsewhere in the City. A hotel developer has recently sought to purchase this property from the Successor Agency.

MAJOR "NEED-BASED" ASSISTANCE FOR RENOVATING MAJOR VACANCIES AS CATALYST PROJECTS

GRANT AGREEMENT

THIS RENOVATING MAJOR VACANCIES (the "Agreement") is made and entered into this 10th day of June, 2014, by and between the City of Palm Springs, ("City"), and Miggys Cantina, LLC, the ("Tenant"). Collectively the City and Tenant are referred to as the Parties.

RECITALS

City has established a Major Need-Based Catalyst Vacancy Program for Owners and Tenants of commercial-retail businesses in the City of Palm Springs.

Miggys Cantina, LLC ("Tenant") is a tenant of a 8,000 square foot commercial space located within the eligible area at 1555 South Palm Canyon Drive, Palm Springs, California 92264 ("Property"), otherwise known as Hacienda Cantina. The Property is owned by Wessman Holdings ("Owner"), of Palm Springs, California. Owner has provided its consent to the Tenant for the property improvements and for the Tenant's application for incentive funding.

Grant Criteria. In order to receive the maximum amount under the program, a building, cluster of buildings or single space must be at least 8,000 s/f. Tenant proposed an expenditure of at least $1,000,000 – excluding the acquisition of the property. Tenant has approved renovation plans and completed all work necessary for the renovation, and underwent a pro forma analysis by the City.

City Investment. Under the Major Need-Based Catalyst Vacancy Program, the maximum dollars per building square foot committed by the City is $30/s/f., which is reserved for high potential dollars-per-square-foot projects projected to produce significant revenue for the City through sales taxes, property taxes and other revenue.

Leverage. Under the Major Need-Based Catalyst Vacancy Program, the applicant (Owner or Tenant) must spend $3.00 for each $1.00 committed by the City, which is higher than other incentive programs offered by the City, which typically require a 1:1 match.

Grant Maximums. The maximum City matching grant under the Major Need-Based Catalyst Vacancy Program shall not exceed $250,000, i.e. if the applicant's interior

improvement cost is $1,000,000, the City Match Grant would be $250,000, provided it did not exceed $30.00/s/f.

Tenant has applied for a Grant in the amount of $250,000 to make interior improvements to the Property as described in Exhibit "B," Scope of Work.

The City has confirmed that the Property is a vacant space in a building constructed at least thirty years ago and has been vacant for more than five years, and that the conversion of the very large (8,000 square foot) space, with a 3,000 square foot kitchen, into a functioning business would not have been economically feasible without an incentive program.

The City has determined that, in addition to the high cost of converting the oversized space into a functioning business, the location (Exhibit "A") of the business on a section of South Palm Canyon Drive which has suffered from a high level of vacancies, presents an additional measure of risk to investors, making it additionally economically marginal without an incentive program.

Tenant has received all necessary approvals from the City's Planning, Building and Engineering Departments, which are shown in Exhibit "C", Evidence of Approval. The estimated cost of the work proposed is $1,500,000, as shown in Exhibit "D".

Tenant has substantially completed the construction of the project and will receive sign off from the City's Planning and Building and from Riverside County Department of Environmental Health.

The City has reviewed the application, the evidence of financial participation by Tenant, the location of the Property, and the approvals, and has approved the Grant Application.

NOW, THEREFORE, in consideration of the promises and mutual agreements contained herein, City agrees to grant to Tenant the amount of $250,000 and Tenant agrees to complete the approved improvements, if necessary, and operate the business under the following terms and conditions:

AGREEMENT

1. **Property Ownership/Right to Undertake Work.** Tenant represents that it holds Tenancy in the Property, which entitles it to undertake interior physical improvements to the Property and has consent of the landlord to perform such work.

2. **Form of City Assistance.** The Program assistance authorized by this Agreement shall be in the form of a grant to an eligible business, secured by a Promissory Note (Note) that is amortized each year of the three year Compliance Period. Such Note terms shall include the right of the City to place a lien against the business' (Tenant's) interest in the affected property and may include

repayment provisions that do not require monetary repayment upon business performance meeting defined criteria.

a. The City and the eligible business shall enter a written agreement detailing the responsibilities of both parties, including but not limited to a the grant assistance by the City described in this Section, and the continued maintenance of minimum business activity and employment levels by the business; and

b. The program features a "clawback" provision: the assistance will be made as a "loan" by the City to the business, but the amortization will be their continued presence and operation in the City for a specified period of time. If the company sells the business, ceases operating the business, or reduces its employment levels below the committed level, it will be required to repay the City the unamortized portion of the assistance; and

c. The City may include repayment provisions that may or may not require monetary repayment, depending on the business' performance meeting criteria defined in this Section; such agreement shall be secured by a lien against the business and/or the property at which the business is located; and

d. The company shall attest that the business would not have located or expanded in the City without the benefit; and

e. The City shall attest that the total economic benefit to the community of the new sales tax, other taxes, and additional jobs, by its own calculations, exceeds the amount of the grant, and that the broad public benefit created by the program in terms of payroll and taxes paid exceeds the private benefit, and that there are no other reasonable alternative measures available to the business to finance the improvements or create the public benefit; and

f. The agreement shall assure that the business will remain in the City for a minimum of three (3) years at the proposed business activity and employment level, or repay the City based on a straight-line amortization of the assistance; the commitment "amortizes" the City's loan to the business at a rate of 33.3% of the dollar amount of the benefit per year; and

g. Prior to the first anniversary of this Agreement, a certification form shall be submitted by the tenant to the City for verification. Upon completion of the verification process the lien placed on the business will be reduced by one third of the benefit amount paid. This process will continue annually for a total of three years, starting during the 2nd year of the initial employee certification process.

3. **Required Findings for Assistance**. In October, 2013, Section 53083 was added to the California Government Code. Section 53083 states that before granting an economic development subsidy, each local agency shall provide public notice and a hearing regarding the economic development subsidy. "Economic Development Subsidy" under Section 53083 means any expenditure of public funds or loss of revenue to a local agency in the amount of one hundred thousand dollars ($100,000) or more, for the purpose of stimulating economic development within the jurisdiction of a local agency, including, but not limited to: bonds, grants, loans, loan guarantees, enterprise zone or empowerment zone incentives, fee waivers, land price subsidies, matching funds, tax abatements, tax exemptions, and tax credits. The City Council, prior to approving assistance to an eligible business, must make the following findings:

(1) The name and address of all business entities that are the beneficiary of the economic development subsidy: Miggy's Cantina, LLC, aka Hacienda Cantina & Beach Club, 1555 South Palm Canyon Drive, Suite B-1, Palm Springs, CA, 92264.

(2) The start and end dates and schedule, if applicable, for the economic development subsidy. The subsidy shall be made after the project is approved by the City and County Department of Health, and all work completed to the City's satisfaction, and evidence of payment made, as well as evidence of at least a 3:1 match of private funds to City dollars. In this case the work has been completed and approved and the restaurant has opened. The project shall have a three (3) year Compliance Period.

(3) A description of the economic development subsidy, including the estimated total amount of the expenditure of public funds by, or of revenue lost to, the local agency as a result of the economic development subsidy. The subsidy is in the amount of $250,000 to make interior and exterior improvements to the Property in order to renovate the existing restaurant into a large restaurant and club with a pool component. The assistance authorized by this Agreement shall be in the form of a grant to the eligible business described in Section 2 of this Agreement.

(4) A statement of the public purposes for the economic development subsidy. The City has confirmed that the Property was a vacant space in a building constructed at least 25 years ago and had has been vacant more than four years, and that the conversion of the very large space into a functioning business would not have been economically feasible without an incentive program.

Additionally, the City has determined that, in addition to the high cost of converting the restaurant into a functioning business, the location of the business outside the downtown and in a relatively

economically depressed section of Palm Canyon Drive, presents an additional measure of risk to investors, making it additionally economically marginal without an incentive program.

However, the financial strength and deep experience of the applicants mitigates the risk factors and makes the incentive a positive for the restaurant, the surrounding development, the neighborhood and adjacent businesses.

(5) Projected tax revenue to the local agency as a result of the economic development subsidy. Over the next ten years the City expects to receive at least $500,000 in direct property taxes, plus its allocated share of increased property tax. The project will also help act as a catalyst for future development in its area, thereby increasing property tax to the City as well.

(6) Estimated number of jobs created by the economic development subsidy, broken down by full-time, part-time, and temporary positions. The restaurant expects to create 88 total jobs, with 10 full time jobs and 78 part time jobs.

4. **Schedule**. The Parties agree that all interior improvements shall be completed within **90** days of the date of this Agreement.

5. **Term.** The obligations to the City by the Tenant under this Agreement shall remain in place for a period of three (3) years from the date of the agreement first above written, unless extended by mutual agreement of the parties. Following termination, Tenant shall have no obligation hereunder.

6. **Contractor.** The Parties agree that Tenant has sole responsibility for choosing and hiring the contractor, which shall be shown in Exhibit "D", Contractor/Vendor Agreements, and the acceptance of the material used and the work performed is Tenant's responsibility, and the City is not a party to any agreement with the vendor or contractor and does not guarantee the quality of workmanship of the property improvements, nor have any liability whatsoever therefor. At all times hereunder, the Contractor shall have a valid Contractor's License from the State of California and a valid City of Palm Springs Business License. Contractor may be a payee for a portion of the grant reimbursement.

7. **Design Approval and Permits.** The Parties agree that Tenant has sole responsibility for obtaining design approval and evidence of required permit approvals from the City of Palm Springs as shown in Exhibit "C", and ensuring the compliance with those permits.

8. **Grant Limitations**. The maximum City matching grant shall not exceed $250,000, which is the 8,125 square feet of the building space multiplied by the maximum $30/s/f of City contribution. The estimated cost of the work proposed

is $1,500,000, as shown in Exhibit "D". The leverage is $7.75 of Tenant dollars for each $1.00 of City dollars. The Grant is secured by a Promissory Note (shown in Exhibit "E") entered into by the Tenant for the amount of the Grant, which shall be reduced annually by one-third over the three year Compliance Period, after the City certifies a Certificate of Continuing Compliance (shown in Exhibit G.) City liens are subordinate, as described below in Section 9D.

9. **Evidence of Completion**. The Parties agree that the City will release the Grant funds upon the completion of the work by the Tenant or his contractor. Evidence of completion shall include but is not limited to: photographs of the finished work; a final inspection by a representative of the City of Palm Springs; and, a copy of the final invoice for the work completed and proof of payment to the contractor.

10. **Release of Contractor Liens**. The Parties Agree that the Tenant is responsible for obtaining the release of any Mechanics Liens or other liens placed upon Tenant's property by any contractor or subcontractor hired under this program. If the Contractor is the payee for any portion of the work, a full release of Mechanic's Liens or other contractor liens shall be exchanged and released simultaneously with the payment for the City.

11. **Maintenance**. Tenant, for itself and its successors and assigns, hereby covenants and agrees to maintain and repair or cause to be maintained and repaired the Property and all related on-site improvements and landscaping thereon, including, without limitation, buildings, parking areas, lighting, signs and walls in a first class condition and repair, free of rubbish, debris and other hazards to persons using the same, and in accordance with all applicable laws, rules, ordinances and regulations of all federal, state, and local bodies and agencies having jurisdiction, at Tenant's sole cost and expense. Such maintenance and repair shall include, but not be limited to, the following: (i) sweeping and trash removal; (ii) the care and replacement of all shrubbery, plantings, and other landscaping in a healthy condition; and (iii) the repair, replacement and restriping of asphalt or concrete paving using the same type of material originally installed, to the end that such pavings at all times be kept in a level and smooth condition. In addition, Tenant shall be required to maintain the Property in such a manner as to avoid the reasonable determination of a duly authorized official of the City that a public nuisance has been created by the absence of adequate maintenance such as to be detrimental to the public health, safety or general welfare or that such a condition of deterioration or disrepair causes appreciable harm or is materially detrimental to property or improvements within one hundred (100) feet of such portion of the Site.

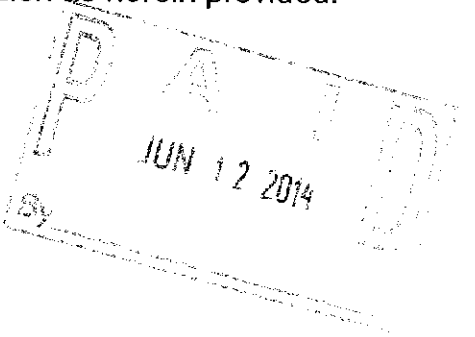
JUN 12 2014

a. Parking and Driveways. The driveways and traffic aisles on the Site shall be kept clear and unobstructed at all times. No vehicles or other obstruction shall project into any of such driveways or traffic aisles. Vehicles associated with the operation of the Property, including delivery vehicles, vehicles of employees and vehicles of persons with business on the Property shall park solely on the Property.

b. Right of Entry. In the event Tenant fails to maintain the Site in the above-mentioned condition, and satisfactory progress is not made in correcting the condition within thirty (30) days from the date of written notice from City, City may, at its option, and without further notice to Tenant, declare the unperformed maintenance to constitute a public nuisance. Thereafter, the City, its employees, contractors or agents, may cure Tenant's default by entering upon the Site (Property) and performing the necessary landscaping and/or maintenance. The City shall give Tenant, its representative or manager reasonable notice of the time and manner of entry, and entry shall only be at such times and in such manner as is reasonably necessary to carry out this Agreement. Tenant shall pay such costs as are reasonably incurred by City for such maintenance, including attorneys' fees and costs.

c. Reimbursement of Costs. If such costs are not reimbursed within thirty (30) days after Tenant's receipt of notice thereof, the same shall be deemed delinquent, and the amount thereof shall bear interest thereafter at a rate of the lower of ten percent (10%) per annum or the legal maximum until paid. Any and all delinquent amounts, together with said interest, costs and reasonable attorney's fees, shall be an obligation of Tenant as well as a lien and charge, with power of sale, upon the property interests of Tenant, and the rents, issues and profits of such property. City may bring an action at law against Tenant obligated to pay any such sums or foreclose the lien against Tenant's property interests.

d. City Liens Are Subordinate. Any monetary lien provided for herein shall be subordinate to any bona fide mortgage or deed of trust covering an ownership interest or leasehold or subleasehold estate in and to any Property approved by City pursuant to this Agreement, and any purchaser at any foreclosure or trustee's sale (as well as any deed or assignment in lieu of foreclosure or trustee's sale) under any such mortgage or deed of trust shall take title free from any such monetary lien, but otherwise subject to the provisions hereof; provided that, after the foreclosure of any such mortgage and/or deed of trust, all other assessments provided for herein to the extent they relate to the expenses incurred subsequent to such foreclosure, assessed hereunder to the purchaser at the foreclosure sale, as owner of the subject Site after the date of such foreclosure sale, shall become a lien upon such Property upon recordation of a Notice of Assessment or Notice of Claim of Lien as herein provided.



12. **Obligations Upon Sale or Transfer**

a. City Approval of Transfer Required. For a period of three (3) years after the date of this Agreement, Tenant shall not Transfer the Property or any of Tenant's rights hereunder, or any interest in the Site or in the improvements thereon, directly or indirectly, voluntarily or by operation of law, except as provided below, without the prior written approval of City, and if so purported to be Transferred, the same shall be null and void. In considering whether it will grant approval of any Transfer by Tenant of its interest in the Site, City shall consider factors such as (i) the financial credit, strength, and capability of the proposed transferee to perform Tenant's obligations hereunder; and (ii) the proposed transferee's experience and expertise in the operation, financing, development, ownership, and operation of similar businesses .

b. Written Agreement Required. In the absence of specific written agreement by City, no transfer by Tenant of all or any portion of its interest in the Site (including without limitation a transfer not requiring City approval hereunder) shall be deemed to relieve it or any successor party from the obligation to continue to operate the business or any other obligations under this Agreement. In addition, no attempted transfer of any of Tenant's obligations hereunder shall be effective unless and until the successor party executes and delivers to City an assumption agreement in a form approved by the City assuming such obligations.

c. Exceptions. The foregoing prohibition shall not apply to any of the following:

1. Any mortgage, deed of trust, sale/lease-back, or other form of conveyance for financing, but Tenant shall notify City in advance of any such mortgage, deed of trust, or other form of conveyance for financing pertaining to the Site.

2. Any mortgage, deed of trust, sale/lease-back, or other form of conveyance for restructuring or refinancing of any amount of indebtedness described in subsection (a) above, provided that the amount of indebtedness incurred in the restructuring or refinancing does not exceed the outstanding balance on the debt incurred to finance the acquisition of the Site and construction of improvements on the Site, including any additional costs for completion of construction, whether direct or indirect, based upon the estimates of architects and/or contractors.

3. The conveyance or dedication of any portion of the site (or sites) to the City of Palm Springs or other governmental agency.

JUN 12 20

4. Any mortgage, deed of trust, sale/lease-back, or other form of conveyance for financing provided that the principal amount of the loan does not exceed eighty-five percent (85%) of the value of the land and improvements thereon.

5. The granting of easements to any appropriate governmental agency or utility to facilitate the development of the Site.

6. A sale or transfer resulting from or in connection with a reorganization as contemplated by the provisions of the Internal Revenue Code of 1986, as amended or otherwise, in which the ownership interests of a corporation are assigned directly or by operation of law to a person or persons, firm or corporation which acquires the control of the voting capital stock of such corporation or all or substantially all of the assets of such corporation.

7. A sale or transfer of forty-nine percent (49%) or more ownership interest to a member of the transferor's immediate family, a trust, testamentary or otherwise, in which immediate family members of the transferor are the sole beneficiaries, or a corporation or partnership in which the immediate family members or shareholders of the transferor have controlling majority interest of more than fifty-one percent (51%).

8. A change in the respective percentage ownership interests exclusively of the present owners of Tenant (as of the date of this Agreement), but this shall not authorize the transfer of any interest to any person or entity who is not a present Tenant of Tenant.

9. Mechanic's liens removed prior to foreclosure or liens for current year property taxes not paid.

13. **Enforcement.** In the event Tenant defaults in the performance or observance of any covenant, agreement or obligation of Tenant pursuant to this Agreement, and if such default remains uncured for a period of thirty (30) days after written notice thereof shall have been given by City, or, in the event said default cannot be cured within said time period, Tenant has failed to commence to cure such default within said thirty (30) days and thereafter fails to diligently prosecute said cure to completion, then City shall declare an "Event of Default" to have occurred hereunder, and, at its option, may take one or more of the following steps:

a. By mandamus or other suit, action or proceeding at law or in equity, require Tenant to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of this Agreement; or

RECEIVED
JUN 12 2014

b. Take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of Tenant hereunder; or

Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by any party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by another party.

MISCELLANEOUS PROVISIONS

14. **Covenant Against Discrimination**. Tenant covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination or segregation in the performance of or in connection with this Agreement regarding any person or group of persons on account of race, color, creed, religion, sex, marital status, disability, sexual orientation, national origin, or ancestry.

15. **Notice**. Any notice, demand, request, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by pre-paid, first-class mail to the address set forth below. Either party may change its address by notifying the other party of the change of address in writing. Notice shall be deemed communicated seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

To City: City of Palm Springs
3200 E. Tahquitz Canyon Way
Palm Springs, California 92262
Attn: Economic Development Administrator

To Tenant: Miggy's Cantina, LLC
700 East Tahquitz Canyon Way, Suite A
Palm Springs, California 92262
Attn: Rich Meaney

16. **Integrated Agreement**. This Agreement contains all of the agreements of the parties and cannot be amended or modified except by written agreement.

17. **Amendment**. This Agreement may be amended at any time by the mutual consent of the parties by an instrument in writing.

18. **Severability**. In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this

Agreement, which shall be interpreted to carry out the intent of the parties hereunder.

19. **Indemnification.** Tenant agrees for itself and its successors and assigns to indemnify, defend, and hold harmless the City of Palm Springs ("City") and the City, the City Council, its officers, agents, employees, independent contractors, members, officials, volunteers, and representatives from and against any loss, liability, claim, or judgment relating in any manner to the Project. Tenant, while in possession of the Site, and each successor or assign of Tenant while in possession of the Site, shall remain fully obligated for the payment of property taxes and assessments in connection with the Site. Tenant shall indemnify and hold harmless, the City, the City Council, its officers, agents, employees and independent contractors free and harmless from any liability whatsoever based and asserted upon any act or omission of the City for property damage, bodily injury, or death or any other element of damage of any kind or nature, relating to or in any way connected with participation in the Program.

20. **Authority**. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by so executing this Agreement the parties hereto are formally bound to the provisions of this Agreement. Tenant certifies that the above statements are true and accurate to the best of Tenant's belief. Failure to meet any of the terms of this Agreement shall result in the forfeiture of any Grant funds from the City for this program.

21. **Continuing Compliance**. The public purpose of the Major Need-Based Catalyst Vacancy Program is to promote the development of viable businesses in major vacant commercial spaces in the incentive area, leading to expansion of good quality jobs in the City of Palm Springs. It is the responsibility of the Tenant as beneficiary under this Agreement to ensure the cooperation and compliance of the ongoing obligations under the program, including submitting a Certificate of Program Compliance (Exhibit "F") to the City for a period of three years from the anniversary date of this agreement. If the Tenant (1) transfers the Property during the compliance period without prior consent of the City, (2) ceases operation of the Business during the Compliance Period, or (3) fails to provide the City with the initial or any of the annual Certificates of Continuing Program Compliance certifying that they remain in business and continue to operate and employ workers in the business, to be provided to City each year during the three year compliance period, the City may seek repayment of the "unamortized" portion of the Grant from the Tenant under the terms below. The City shall have complete and absolute discretion in determining whether lack of program compliance is cause for termination.

22. **Recordation.** The City Clerk shall record this Agreement and the Promissory Note in the Official Records of the County of Riverside, California.

PERFORMANCE NOTE

$250,000 Palm Springs, California

FOR VALUE RECEIVED, Miggys Cantina, LLC ("Tenant"), otherwise known as Hacienda Cantina, a California limited corporation ("Maker"), promises to pay THE CITY OF PALM SPRINGS, a California Charter City ("Holder") at 3200 E. Tahquitz Canyon Way, Palm Springs, California 92262, or at such other address as Holder may direct from time to time in writing, the sum of Two Hundred Fifty Thousand Dollars ($250,000.00) (the "Note Amount"), together with interest thereon at the rate set forth herein. All sums payable hereunder shall be payable in lawful money of the United States of America. This Promissory Note ("Performance Note") is made in connection with that certain RENOVATING MAJOR VACANCIES AS CATALYST PROJECTS GRANT AGREEMENT by and among Maker and the City of Palm Springs ("City"), dated as of _____, 2014 (as amended the "Agreement").

The Agreement provides for a City matching grant of $250,000, calculated as no less than 8,133 square feet of the building space multiplied by the maximum $30/s/f of City contribution. The estimated cost of the work proposed is $2,000,000, as shown in Exhibit "D". The amount of the Note entered into by the Tenant for the amount of the Grant, shall be reduced annually by one-third each year over the three year Compliance Period, after the City certifies a Certificate of Continuing Compliance. City liens are subordinate, as described below.

1. Interest Rate. The Note shall not bear any interest.

2. Term. The term of this Performance Note shall be for thirty-six months.

3. Repayment. No payments are due on the Note, with the exception that the principal amount of the Note Amount shall be immediately due and payable upon (i) any default of the Agreement, which is not cured within the time set forth in Section 13 of the Agreement.

4. Prepayment of City Performance Note Amount. The purpose of the Note is to ensure Performance under the Agreement. With the exception of an event of Default described in the Agreement, Maker may not prepay to Holder the full Note Amount, at any time prior to the due date of the Note Amount without penalty.

5. Application of Payments.. In the event of a default of the Agreement, each payment made by Maker hereunder shall be credited first to interest then accrued and the remainder, if any, to principal. Interest shall cease to accrue upon principal so credited.

6. Security. This Performance Note shall be recorded against the Property in the Official Records of Riverside County.

7. Holder May Assign. Holder may, at its option, assign its right to receive payment under this Performance Note without necessity of obtaining the consent of the Maker.

JUN 12 2014

8. Maker Assignment Prohibited. . In no event shall Maker assign or transfer any portion of this City Performance Note without the prior express written consent of the Holder, which consent may be given or withheld in the Holder's sole discretion. Notwithstanding the foregoing, the Maker may assign one time only its interest in this Performance Note upon prior written notice to the Holder, but without the Holder's consent, to a single purpose entity to which the Maker or its principals own a share and are part of the management structure as Managing Member or Co-Managing Member ("Permitted Transferee").

9. Attorneys' Fees and Costs. In the event that any action is instituted with respect to this City Performance Note, the non-prevailing party promises to pay such sums as a court may fix for court costs and reasonable attorneys' fees. Holder's right to such fees shall not be limited to or by its representation by staff counsel, and such representation shall be valued at customary and reasonable rates for private sector legal services.

10. Non-Waiver. Failure or delay in giving any notice required hereunder shall not constitute a waiver of any default or late payment, nor shall it change the time for any default or payment.

11. Successors Bound. This Performance Note shall be binding upon the parties hereto and their respective heirs, successors and assigns.

12. Terms. Any terms not separately defined herein shall have the same meanings as set forth in the Agreement.

13. Non-Recourse. Notwithstanding anything to the contrary herein contained, (i) the liability of Maker shall be limited to its interest in the Site and any rents, issues, and profits arising from the Site and, in addition, with respect to any obligation to hold and apply insurance proceeds, proceeds of condemnation or other monies hereunder, any such monies received by it to the extent not so applied in accordance with the terms of this Note; (ii) no other assets of Maker shall be affected by or subject to being applied to the satisfaction of any liability which Maker may have to Holder or to another person by reason of this Note; and (iii) any judgment, order, decree or other award in favor of Holder shall be collectible only out of, or enforceable in accordance with, the terms of this Note by termination or other extinguishment of Maker's interest in the Site. Notwithstanding the foregoing, it is expressly understood and agreed that the aforesaid limitation on liability shall in no way restrict or abridge Maker's continued personal liability for: (A) fraud or willful or grossly negligent misrepresentation made by Maker in connection with this Note or any of the City Agreements; (B) misapplication of (a) proceeds of insurance and condemnation or (b) rent received by Maker under rental agreements entered into for any portion of the Site after default of the Note; (C) the retention by Maker of all advance rentals and security deposits of tenants not refunded to or forfeited by such tenants; or (D) the indemnification undertakings of Maker under the City Agreements.

14. Notices, Demands, and Communications. Formal notices, demands, and communications between Maker and Holder shall be given either by (i) personal service, (ii) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (iii) mailing

in the United States mail, certified mail, postage prepaid, return receipt requested, addressed to:

To Holder:	The City of Palm Springs 3200 E. Tahquitz Canyon Way Palm Springs, California 92262 Attn: City Manager
With a copy to:	Woodruff Spradlin & Smart, LLP 555 Anton Boulevard, Suite Costa Mesa, California 92___ Attn: Douglas C. Holland, Esq.
To Maker:	Miggy's Cantina, LLC 700 East Tahquitz Canyon Way Palm Springs, California 92262 Attn: Rich Meaney

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as either party may from time to time designate by mail.

15. Subordination. The Holder understands that the Maker is the Operator of a Restaurant, which required construction debt and other debt instruments to be placed against the Property during the term of this Note. It is understood by Holder that the Construction Debt and Mezzanine debt is Senior to the Holder's Note, and Holder is willing to subordinate its Performance Note to the Senior Construction and Mezzanine debt.

JUN 12 2014

the Site. Notwithstanding the foregoing, it is expressly understood and agreed that the aforesaid limitation on liability shall in no way restrict or abridge Maker's continued personal liability for: (A) fraud or willful or grossly negligent misrepresentation made by Maker in connection with this Note or any of the City Agreements; (B) misapplication of (a) proceeds of insurance and condemnation or (b) rent received by Maker under rental agreements entered into for any portion of the Site after default of the Note; (C) the retention by Maker of all advance rentals and security deposits of tenants not refunded to or forfeited by such tenants; or (D) the indemnification undertakings of Maker under the City Agreements.

14. Notices, Demands, and Communications. Formal notices, demands, and communications between Maker and Holder shall be given either by (i) personal service, (ii) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (iii) mailing in the United States mail, certified mail, postage prepaid, return receipt requested, addressed to:

To Holder:	The City of Palm Springs 3200 E. Tahquitz Canyon Way Palm Springs, California 92262 Attn: City Manager
With a copy to:	Woodruff Spradlin & Smart, LLP 555 Anton Boulevard, Suite Costa Mesa, California 92___ Attn: Douglas C. Holland, Esq.
To Maker:	Miggy's Cantina, LLC 700 East Tahquitz Canyon Way Palm Springs, California 92262 Attn: Rich Meaney

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as either party may from time to time designate by mail.

15. Subordination. The Holder understands that the Maker is the Operator of a Restaurant, which required construction debt and other debt instruments to

JUN 12 2014

be placed against the Property during the term of this Note. It is understood by Holder that the Construction Debt and Mezzanine debt is Senior to the Holder's Note, and Holder is willing to subordinate its Performance Note to the Senior Construction and Mezzanine debt.

Discussion of Former Redevelopment Agency, Successor Agency Land Sales, and Economic Incentive Programs

History, Projects and Dissolution

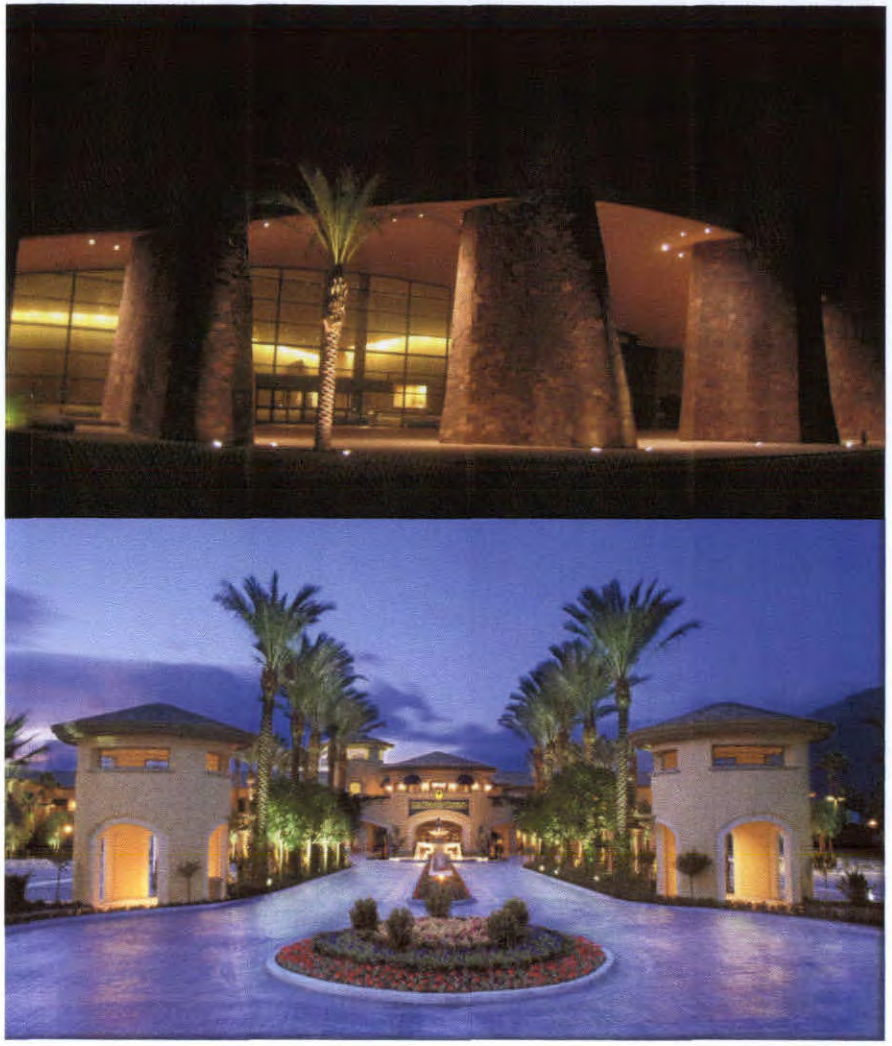
FORMER COMMUNITY REDEVELOPMENT AGENCY

History of the CRA

- City Council established the Agency in 1972 to address conditions of physical and economic blight in selected portions of the city, beginning with the CBD in 1973.
- Intent was to create a more cohesive and unified community by strengthening the physical, social, and economic ties between various land uses.

Selected CRA Projects

- Convention Center and Wyndham Land Assembly/Renaissance Renovation
- Casino Disposition & Development Agreement – assisted with land acquisition



Selected CRA Projects

- Expanded BMW and Mercedes Dealership
- Included the exchange of 5 acres in Section 14 for 8 acres on the BMW site

Selected CRA Housing Projects

Vista Sunrise Apartments, Vista Serena and Vista Del Monte Apartments, Riverside County Family Care Center

Selected CRA Housing Projects

- Sahara Mobilehome Park Conduit Financing, Perimeter Wall and Electrical System Improvements

Selected CRA Housing Projects

- Coyote Run, Sunrise Village Mobile Home Park Refinancing, K. Hovnanian's Four Seasons

Selected CRA Projects

- The Springs Shopping Center. Included the remediation of a 30 acre landfill.

Dissolution of CRA in 2011

- AB 1X 26 (the "Dissolution Act") was signed by the Governor of California on June 29, 2011, making certain changes to the Redevelopment Law. Commencing on February 1, 2012, AB 1X 26 dissolved all existing redevelopment agencies.

Dissolution of CRA in 2011

- The City became Successor Agency, which was:
  - Vested with any remaining authority, rights, powers, duties and obligations formerly vested to the redevelopment agency; and
  - Responsible for winding down the affairs of the former redevelopment agency (in conjunction with the Oversight Board)

Successor Agency

- Successor Agency takes control of all redevelopment agency assets, properties, contracts, leases, books and records, buildings and equipment and disposes of assets and properties of the former redevelopment agency

Property Disposition

- In June, 2012 the Governor signed Assembly Bill 1484, reforming the processes related to the disposition of Dissolved RDA assets.
- A Long-Range Property Management Plan ("LRPMP") was reviewed by the Oversight Board on December 12, 2013. Prepared in collaboration with a qualified dissolution and real estate consultant, the LRPMP contains detailed information on each property, such as the date and purpose of acquisition, parcel characteristics, estimate of the current value and any lease, rental or other revenues, histories of environmental contamination, and previous development proposals.
- The LRPMP was approved by DOF in March, 2014.

CITY COUNCIL STAFF REPORT

DATE: June 3, 2015 STUDY SESSION

SUBJECT: DISCUSSION OF FORMER REDEVELOPMENT AGECNY REAL PROPERTY TRANSACTIONS AND REDEVELOPMENT

FROM: David H. Ready, City Manager

BY: Community & Economic Development Department

SUMMARY

On May 20, 2014, the City Council rescinded the approval of a Purchase and Sale Agreement between the City acting as the Successor Agency of the Community Redevelopment Agency ("Successor Agency") and Richard Meaney and Yokang Zhou, as individuals, for a property located at 1479 N. Palm Canyon Drive, known as the Casa Del Camino property. It is a Successor Agency property and its disposition was pursuant to the requirements of 34191.5(c) of the Health and Safety Code.

In addition, the City recently completed the sale on behalf of the Successor Agency of 6.2 acres to NDC Equities Downtown PS, LLC, a limited liability corporation associated Nexus Development. This is the parcel commonly known as the Prairie Schooner Parcel, near the Convention Center. Both parcels were Successor Agency properties and their disposition was pursuant to the requirements of 34191.5(c) of the Health and Safety Code.

Below is a discussion of the RDA Dissolution process, plus a specific history of the ownership and transaction history of the two parcels in questions to illuminate the redevelopment purpose behind the transactions. Finally, also included is a description of a couple of other redevelopment transactions undertaken by this agency prior to dissolution to highlight the "land write down" purpose in redevelopment for other public benefit.

STAFF ANALYSIS:

START w/ RDA Purpose/Process & Dissolution Process

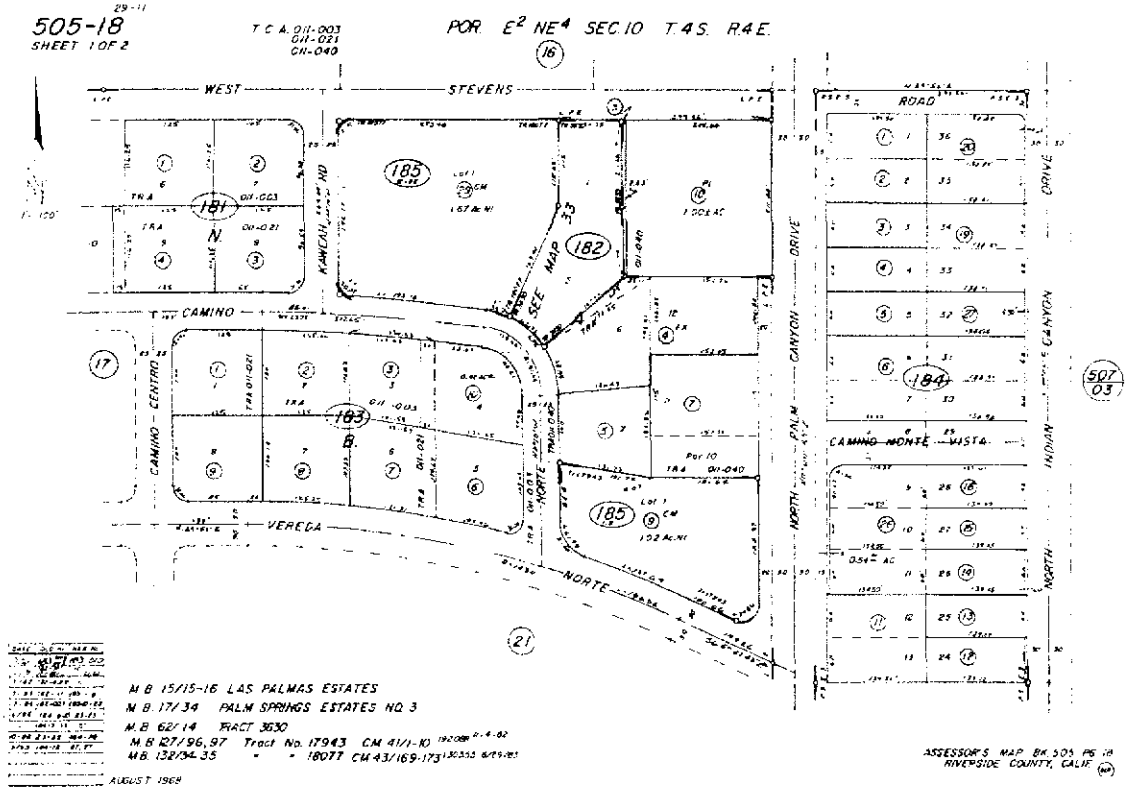
Casa Del Camino

City staff has worked for the past several years on the redevelopment of the City- and Agency-owned parcels at Stevens Road and North Palm Canyon Drive (the Casa del Camino and Reservoir Parcels). Over the past few years staff has worked with a number of developers trying to put together a mixed use or hotel project on the site,

which is split between the C-1 and R-2 zones. An RFP was issued in May, 2006 and the Agency entered an ENA with the adjacent land ~~owner for the development~~ of a condominium project, which was in effect until the housing market began to soften in late 2006/early 2007.

This rescinded transaction was a Purchase and Sale Agreement between the City acting as the Successor Agency of the Community Redevelopment Agency of the City of Palm Springs ("Successor Agency") and Richard Meaney and Yokang Zhou, as individuals, for a property located at 1479 N. Palm Canyon Drive, known as the Casa Del Camino property. It was a Successor Agency property and its disposition is pursuant to the requirements of 34191.5(c) of the Health and Safety Code

The purchasers were the owners of the adjacent property to the south, which they purchased in June, 2014. They were assembling properties for the purpose of a larger development on the site. The fee ownership of the adjacent parcel has been an important consideration for the agency in negotiations with developers since at least 1998, when the two parcels (the Casa Del Camino and the adjacent City-owned Reservoir parcel, which was acquired in 1997) began to be marketed together. The selection of a developer pursuant to an RFP in 2006 was influenced by the participation of the adjacent property owner. A map showing the Agency- and City-owned parcels, along with the private parcel to the south, is shown below.



Prior to this action in 2014, the most recent action on the two parcels was the approval of an Exclusive Agreement to Negotiate for nine months with Savoy Group, Inc. of Nevada for a boutique hotel and bistro on the Site on March 21, 2012. The former O'Donnell Reservoir has been owned by the City of Palm Springs since 1997 and the Casa del Camino Property was acquired by the Agency in 1987 as part of the abatement of a deteriorated hotel property and transferred to the City in March, 2011. Later, in 2013, the State Controller's Office "unwound" the transfer of the Casa Del Camino, returning it to the Successor Agency, and in June, 2012, the State passed AB 1484, which amended the process by which Successor Agency properties were sold and required the adoption of a Long Range Property Management Plan (LRMPM) after the Successor Agency received a Finding of Completion from the State.

The Savoy Project would have consisted of developing the two parcels into a high-end, boutique hotel and bistro. It would include the demolition of the former reservoir structure. During the term of the Agreement, the Developer would undertake the design and entitlement of the project. Upon conclusion of the entitlement process, the City and Developer would have entered into a Purchase and Sale Agreement for the sale of the property for the Project. As far as the negotiated price, the Developer proposed acquiring the combined parcel for $810,000, which was considered fair for the purposes of negotiation. It would have been confirmed by an appraisal conducted during the term of the Agreement.

The ENA period expired with the Savoy project moving forward. The project did not include the adjacent property and investors did not see the feasibility of the boutique hotel being constructed on the two City properties.

Earlier Proposals

There were earlier proposals dating back to 1998, 2002, 2005, and finally in 2006/2007 with a Negotiating Agreement entered into with the previous owner of the adjacent 48,000 s.f. parcel. Some were for hotel projects, while others were for mixed use and condominium projects. Developers were typically frustrated in their efforts to acquire the adjacent parcel from the owner, who was not a motivated seller. That property had been acquired by the owner's family in 1969 and had an extremely low basis, and could be held indefinitely.

In 2005, one of the developers determined that there was a potential defect in the title on the Reservoir parcel; the issue was flagged by their attorney. It requires getting a title company to describe the title restriction in the report and indemnify against it without any qualification or reservations, which will allow the development to go forward.

However, the delays in completing the deal were also due to addressing other problems with the property, including the Whitewater Mutual Water Company's requirement that their lines on the property be replaced and/or relocated, without being able to provide an accurate map that showed their location. It was only after hiring an engineering company to locate the lines, and then meeting with the Whitewater representative, that

we concluded that the relocation requirement is rather minimal. However, at that point the developer finally balked at moving forward on the deal. Furthermore, since the sale of the Whitewater Company to the Desert Water Agency several years ago, those discussions will likely begin anew.

In 2006, the Agency undertook an RFP, which resulted in three proposals. One of the proposals was from the adjacent property owner, who is actually an experienced condominium developer in other locations (mainly Seattle and Telluride). All three proposers submitted excellent conceptual plans, which made it difficult to decide which project most clearly met the intent and purpose of the RFP.

In the end, staff determined that the adjacent owner's proposal was the best fit with the Agency's RFP, in part because they proposed a mixed use development (though they were not the only one) and in part because they proposed a project that uses the Agency's parcel as well as the adjacent 48,000 square foot parcel, which they owned. The DDA that would have been presented for approval at the end of your EAN period would have required that they build the project as revised through the land use entitlement process. The appraised value at the time was $940,000 for the two parcels, prior to any adjustment for removal of the reservoir.

In early 2007, the Developer determined that the development of condominiums on the site would not be feasible. His experience at the time in then-hotter markets suggested that condo sales were coming to a standstill. While he did not anticipate the Great Recession, he knew that there would be several years before condos would be feasible at that site.

All of the transactions until the 2014 sale marketed the two properties together: the anticipated split in sale proceeds would have been *pro rata* based on square footage. In the case of an $800,000 sale, the breakdown would have been as follows:

Parcel	Owner	S.F. %	Dollars	Net to City*
Reservoir	City	57%	$456,000	$456,000
Casa Del Camino	Agency	43%	$344,000	$92,880
		Total	$800,000	$548,880

*The net paid to the City under RDA Dissolution tax allocation.

No development activity occurred on the site until the Savoy offer in 2012, described above. The City was the party to that agreement, having transferred ownership of the Casa Del Camino lot, among other RDA properties, to the City in 2011, ahead of the proposed dissolution of RDA by Governor Brown. Those transactions were unwound by an Order of the State Controller in 2013, and the Casa Del Camino and Reservoir were separated in terms of legal requirements. The Casa Del Camino was to be sold under Section 34191.5(c) of the Health and Safety Code, while the Reservoir would have been sold under the City's own policies under the Government Code. While the "combined

value" of the two parcels would stay essentially the same, the transactions would now take different paths.

Asset Transfer Report

The Dissolution Act called for the Successor Agency, under the direction of the Oversight Board, to dispose of real property it received from the Dissolved RDA either for limited public uses, or for disposition into the private market expeditiously and with a view toward maximizing value, with the disposition proceeds ultimately made available for distribution to the affected taxing entities.

One of the requirements under the Dissolution Act was the preparation and submittal to the State Controller's Office of an Asset Transfer Assessment prepared by the Successor Agency, showing the assets that were owned by the Agency and transferred to the Successor Agency upon the dissolution on February 1, 2012.

Land Disposition Process under AB 1484

The City and the Oversight Board for the Successor Agency to the Palm Springs Community Redevelopment Agency completed the process mandated by the State of California applicable to the disposition and use of the Successor Agency Property. Having completed the process, the Successor Agency is now capable of conveying the Property in accordance with Section 34191.5(c) of the Health and Safety Code.

In 2012, the State approved a redevelopment reform act, AB 1484, which changed a number of the processes related to the disposition of Dissolved RDA assets. AB 1484 provided certain flexibility and local benefits in connection with property disposition.

The Successor Agency holds a total of 12 from the Dissolved RDA. These include sites assembled for future redevelopment, public parking lots and other real property. Disposition of these properties would not be able to occur until the Department of Finance ("DOF") issued a finding of completion and approved a long-range property management plan, which included an inventory of these properties and other pertinent information. Assembly Bill 1X 26 added Health and Safety Code Sections 34191.1-34191.5 requiring that successor agencies send a long-range property management plan to their oversight board and DOF no later than six months following the issuance of the finding of completion.

The Successor Agency received its finding of completion from DOF on January 2, 2014. The Long-Range Property Management Plan ("LRPMP") was reviewed by the Oversight Board on December 12, 2013. Prepared in collaboration with a qualified dissolution and real estate consultant, the LRPMP contains detailed information on each property, such as the date and purpose of acquisition, parcel characteristics, estimate of the current value and any lease, rental or other revenues, histories of environmental contamination, and previous development proposals.

The LRPMP outlined that the Successor Agency would sell all 12 properties, including

the Casa Del Camino parcel. The State-approved value in the LRPMP for this 29,152 s.f. parcel was $195,561. The sales proceeds collected by the Successor Agency (net of transaction costs) would be transferred later to the County Auditor-Controller for dissemination to each of the affected taxing agencies of the former redevelopment project area. The City would only receive 27% of the net proceeds from any transaction, which would be $52,801 even if there were no transaction (escrow and closing) costs.

Since the properties would continue to be marketed together with an implicit "combined value," a lower value of the Casa Del Camino contributes to a higher value of the Reservoir Parcel. While the price was still being negotiated with the buyer, it was to be no less than $600,000 for the Reservoir.

The City had considered re-issuing a version of the 2006 RFP for the disposition of the two properties, but when the Developer purchased the privately-owned property for the purpose of developing a hotel on all three parcels, the outcome would be the same as in 2006 – the RDA's preference, since it acquired the property in in 1987, was always to assemble the three properties in a single, harmonious development.

The final double-check on value was the analysis of the entire proposed project and the contributory land values, done in February, 2015. The three parcels together account for about 120,000 square feet, and in the C-1/R-2 (R-3) zone, could accommodate 120 hotel rooms. Hotel use was determined to be the highest and best use of the site, since no other land use there creates as much revenue and activity per acre. The rule of thumb in hotel development is that $15,000 per key for raw land cost is an important threshold for feasibility. Therefore, the three parcels together could support about $1,800,000 in value before a hotel project would begin to be infeasible.

Parcel	Owner	S.F.	Value	Net to City*
Reservoir	City	41,000	$600,000	$600,000
Casa Del Camino	Agency	29,000	$195,561	$52,801
Private Parcel	Developer	48,000	$1,048,000	N/A
	Totals	118,000	$1,843,561	$652,801

*The net paid to the City under RDA Dissolution tax allocation. This is more than $100,000 more to the City than under the pro rata transaction.

The Developer overpaid the seller on the private property in order to control the site, but the analysis showed that for the same $800,000 total price for the two parcels, the City would be able to keep more of the proceeds and still keep the overall project budget in the realm of a feasible hotel project.

The importance of an additional hotel in that area cannot be overstated: with the construction of the Arrive Hotel and the remodel of the Skylark, both within a block of this site, finishing off this last large vacant area would provide a tremendous boost to

the upper part of the Uptown area. And the rough economics on even a midline hotel is that it would provide a tremendous revenue boost for the City, even if it came into the Hotel Incentive Program, providing nearly $200,000 per year in TOT for the life of the project.

Prairie Schooner

On November 19, 2014, the City Council amended a Purchase and Sale Agreement between the City and O & M HR, LLC, dated October 25, 2011 (the "Original Agreement"), for property located at the southeast corner of E. Andreas Road and N. Calle El Segundo, Palm Springs, California (APNs 508-055-007, 508-055-008 and 508-055-009), known as the Prairie Schooner Parcel. It amended one of the provisions in the original agreement that required the construction of a hotel on the property, and assigns the agreement from the single-purpose LLC that was originally created to develop a hotel to the master development company undertaking the new project. The principals in the project have not changed.

The sale amount was $1,500,000.

The Property had been a former Community Redevelopment Agency ("Agency" or "Dissolved RDA") parcel, but the Agency conveyed it and all the other Agency parcels to the City by resolution on March 16, 2011, making findings under California Health & Safety Code Section 33430 and 33432, which allowed the Agency to transfer properties to the City or any other public agency without competitive bidding. This action was taken three months prior to the State of California's changes in the California Community Redevelopment Law effectuated by AB X1 26 and AB X1 27 (the "Dissolution Act"). The City entered the Original Agreement in the belief it was the legal Owner of the parcel.

The transfer of the Property in 2011 was also subject to the terms of the Repayment Agreement with the Agua Caliente Band of Cahuilla Indians for the construction of a parking lot, and a Disposition and Development Agreement with O & M HR, LLC for the development of a 500-room hotel, and was conditioned on the redevelopment and use of the property in conformity with the Merged Project Area No. 2 Redevelopment Plan. Since 2011, the term of the Repayment Agreement has expired and no funds are due to the Tribe under that Agreement.

The original DDA with Nexus was approved in July, 2008, after the Agency and Nexus had been in Exclusive negotiating Agreements since December, 2005. Under Redevelopment Law at the time, before real property acquired by a Community Redevelopment Agency with tax increment proceeds may be sold or leased, the transaction must be approved by the Agency Board in accordance with California Health and Safety Code Section 33433. This Section required a "Summary Report", which describes and specifies certain information in regard to the proposed transaction, be available for public inspection.

Under the DDA, the Developer was to construct a four star Hard Rock Hotel of at least four hundred ninety (490) rooms. A "four star" hotel means a full service hotel comparable to other hotels in the Hard Rock Hotel Group in operation as of the date of this Agreement. The hotel will contain at least fifteen thousand (15,000) square feet of group meeting space, plus restaurants, spa facilities.

The Developer has received approval of the Preliminary and Planned Development District application, and certification of the environmental action under CEQA from the City of Palm Springs. The Developer committed to fully developing the project as approved in compliance with the Agency's other standard terms and conditions, including non-discrimination and maintenance covenants, and all other terms and conditions as provided in the Disposition and Development Agreement.

As with the developer of the Casa Del Camino property described above, by the end of 2008 nexus Developer determined that the development of the Hard Rock Hotel on the site would not be feasible due to the mounting effects of the Great Recession. They entered a period of negotiating with the Tribe on a venture that would have branded the Tribe's new hotel with the brand, but those negotiations concluded without a deal.

In 2011, Nexus proposed redesigning the Prairie Schooner site with a "two hotel" concept, a project that they had received approval on at the northwest corner of Tahquitz and Hermosa. These hotels would have been more limited service hotels (like a Residence Inn or Hyatt Place) but could potentially be financed more easily than a four-star product like Hard Rock.

The City, now as owner of the parcel, undertook the sale of the parcel on behalf of the dissolved Agency. However, once escrow was opened, the title company requested certification from the State that the sale was approved pursuant to the Dissolution Act. In late 2011 and early 2012, there was uncertainty about how that process would unfold. AB 1484, approved in June 2012, clarified the property dissolution process.

Asset Transfer Report

The Dissolution Act called for the Successor Agency, under the direction of the Oversight Board, to dispose of real property it received from the Dissolved RDA either for limited public uses, or for disposition into the private market expeditiously and with a view toward maximizing value, with the disposition proceeds ultimately made available for distribution to the affected taxing entities.

The State Controller also ordered any transfers of properties undertaken after January 1, 2011 to be "unwound" and the properties returned to the Successor Agency. However, a number of legal challenges to the retroactivity of the Dissolution Act were made by several cities, and the issue remained unclear. As a result, it was the City's

position and the Successor Agency's position that all of the properties described in the Asset Transfer Form were in the hands of the City, not the Successor Agency.

On January 23, 2013, the City received a letter from the State Controller's Office advising it that, pursuant to Health and Safety Code section 34167.5, the State Controller will conduct a review of the Palm Springs Community Redevelopment Agency to determine whether any asset transfers occurred after January 1, 2011, between the city or any other public agency, and the redevelopment agency. The review would include an assessment of whether each asset transfer is allowable and whether the asset should be turned over to the Successor Agency. The audit concluded on February 21, 2013.

The review applied to all assets, including, but not limited to, real and personal property, cash funds, accounts receivable, deeds of trust and mortgages, contract rights, and any rights to payment of any kind. The auditors also determined whether any non-compliant assets transferred to the City or any other public agency was reversed.

As a result of the audit, the property categories described above are divided into slightly different categories, each with a corresponding action required of the Oversight Board:

1. Property held for resale, typically part of an assemblage for redevelopment purposes, and which shall be returned to the Successor Agency for disposition
2. Property held for resale, which are typically parking lots today, and which now serve a governmental or public purpose function
3. Property held as community assets, typically related to visitor services or the Convention Center, including equipment and physical improvements paid for by the Agency, or parking facilities, and which have been determined by the Auditors to be governmental use properties and appropriate for transfer back to the City
4. Property held as community assets, typically related to visitor services or the Convention Center, which the Auditors have determined are not governmental use properties and which have been directed to be returned to the Successor Agency for disposition
5. Property previously held for resale or as community assets by the former Redevelopment Agency but which was disposed of prior to the January 1, 2011 date.
6. The assets of the Low-and Moderate Income Housing program.

The Auditors advised the City to bring the actions to the Oversight Board to clarify the status of the assets of the former Redevelopment Agency. One of the categories of assets was Land Held for Resale. Many of the Agency's parking lot properties were included in that category, and were considered governmental or public use properties as the parking inventory they now represent would be difficult or expensive to replace or recreate.

Land Disposition Process under AB 1484

In 2012, the State approved a redevelopment reform act, AB 1484, which changed a number of the processes related to the disposition of Dissolved RDA assets. AB 1484 provided certain flexibility and local benefits in connection with property disposition. One provision, Section 34181(a), allows the Oversight Board to transfer governmental purpose property to the appropriate public entity. Therefore, the Successor Agency recommended that the Oversight Board ratify the March 16, 2011 transfer of certain city governmental use properties to the City, including the Prairie Schooner.

On March 5, 2013, based on the recommendation of the State Controller's Office, the Oversight Board approved a Resolution determining that a number of Successor Agency properties, including the Prairie Schooner, were "governmental use" properties and should be returned to the City. That action was reviewed by the California Department of Finance ("DOF"), which concurred with some of the actions and disallowed the rest. Accepted as governmental use were properties under the Convention Center; however, all of the parking facilities owned by the Agency were disallowed.

Notwithstanding months of requests to the State to approve the parking lots as governmental use, that appeal was denied by DOF and the City was forced to either buy the parking lot from the Successor Agency at the LRPMP value, or sell it for development. Given the possibility of needing to buy the property for cash from the Successor Agency, there was not an incentive by the City to argue for a higher estimated value for the Prairie Schooner in the LRPMP, since there was a chance it could be the party paying that price.

The Successor Agency received its finding of completion from DOF on January 2, 2014. The Long-Range Property Management Plan ("LRPMP") was reviewed by the Oversight Board at its meeting on December 16, 2013. In most cases, estimates of value were derived from recent comparable sales of like properties in the area since appraisals are not required for the LRPMP. Most importantly, the LRPMP addresses the intended disposition of each property. Permissible uses include retention for governmental use, retention for future development, sale of the property, or use of property to fulfill an enforceable obligation.

The LRPMP outlined that the Successor Agency would sell all 12 properties, including the Prairie Schooner. The value in the LRPMP for the City to acquire the Prairie Schooner from the Successor Agency was $1,402,632. That amount would be paid to the Successor Agency, which would then remit it to the County Auditor-Controller for allocation. The sales proceeds collected by the Successor Agency (net of transaction costs) would be transferred later to the County Auditor-Controller for dissemination to each of the affected taxing agencies of the former redevelopment project area. The City only received about 27% of the net proceeds.

The transaction with Nexus is at $1,500,000, higher than the acquisition from the Successor Agency. The City will also receive a share of the sales proceeds of the

Successor Agency to City transaction of $1,402,632 from the County Auditor-Controller. The sale of the Prairie Schooner was approved by the Oversight Board on May 8, 2014. The DOF issued its approval letter on May 15, 2014. A copy of the letter from DOF is attached.

Other Projects

BMW Land Exchange

In 2005 the Agency entered into an agreement with an allottee for Purchase and Sale of Real Property ("Purchase Agreement"), as well as a separate Memorandum of Understanding with a shopping center developer, the prior owner of a parcel the Agency acquired to swap; and, a DDA with Partners Land Development Company, the development arm of BMW of Palm Springs. In such case, the Agency acquired a parcel in Section 14 for $2.3 million, used it to swap for the parcel where BMW is located, and ended up "writing down" the value on both ends of the transaction due to different appraisals and the relative valuation of the parcels. However, the effort resulted in the major expansion of the BMW dealership to accommodate BMW's anticipated growth in vehicles lines and sales volume; it further opened the door to the introduction of Hyundai of Palm Springs in the old BMW space, and then the later remodel of Mercedes. This transaction has resulted in millions of dollars in additional sales tax to the City, even accounting for the net loss in property tax increment through the swap transactions.

City of Palm Springs

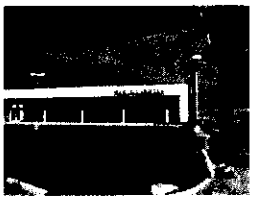
Discussion of Former Redevelopment Agency (RDA) and Economic Incentive Programs

Purpose of the RDA

- State of California created RDAs (Redevelopment Agencies) for local governments, to allow physical and economic development incentive opportunities
- City Council established the Agency in 1972 to address conditions of physical and economic development in the city, beginning with the Central Business District in 1973.

Goal of RDA

From this condition



To this condition

PS RDA Projects

- Expanded BMW/ Mercedes and new Hyundai Dealership
  - Sold RDA land to adjacent property owner and rebated entire price
  - Sales and Property Tax generated far exceeds RDA investment

PS RDA Projects

- The Springs Shopping Center
  - Sold 14 acres to adjacent landowner for $72,000
  - Former City Landfill, now generating annual sales and property taxes

2014 Sales and Property Taxes Springs/Auto RDA Projects

Over $3.2 million

PS RDA Projects

- Convention Center and Wyndham Land Assembly/Renaissance Renovation

- Casino Disposition & Development Agreement – assisted with land acquisition

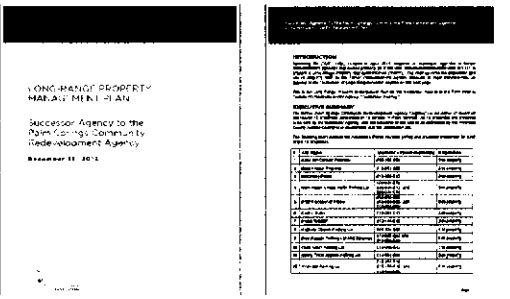
Dissolution of CRA in 2011

- AB 1X 26 (the "Dissolution Act") was signed by the Governor on June 29, 2011 and commencing on February 1, 2012, all existing redevelopment agencies were dissolved.
- The City became the RDA Successor Agency – and along with the Oversight Board, is tasked by the State to dispose of each RDA property

Property Disposition Process

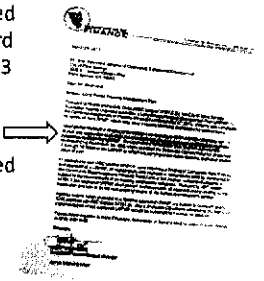
- Cities were required to prepare a "long range property management plan" to dispose of RDA properties
- In accordance with state law, the City engaged RSG, a state recognized qualified dissolution and real estate consultant, to create the property management plan based on RDA dissolution guidelines

Long Range Property Management Plan



Long Range Property Management Plan

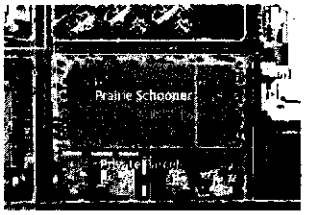
- The plan was approved by the Oversight Board on December 12, 2013
- The plan was approved by the State Dept. of Finance in March, 2014.



Prairie Schooner

Parcels 508-055-007, 008, 009

Adjacent Parcels: 003, 006



Prairie Schooner

- 2005 - agreement with adjacent property owner to build Hard Rock Hotel – did not occur due to recession in 2008
- 2014 - sold to adjacent property owner for residential/retail for $100,000 over state approved value price approved in RDA disposition plan.

13

Prairie Schooner

14

Casa Del Camino

15

Casa Del Camino

- Parcel vacant for nearly 30 years
- Was to be sold adjacent landowner to assemble multiple parcels for hotel/retail development
- Anticipated sale price was the value in state approved RDA Disposition Plan (Rescinded by City Council on May 27, 2015)

16

Casa Del Camino

Mr. John Wessman
Wessman Development Company
555 Sunrise Way #200
Palm Springs, CA 92264

SEP 2 6 2011

RE: 67-555 E. Palm Canyon Drive, Ste. C-104
Cathedral City, CA 92234

Dear Mr. Wessman:

On behalf of the management team at Democratic Headquarters of the Desert and all of the hard-working volunteers who have made our Headquarters the success it has become, I want to thank you most sincerely for your generous agreement to forgive our Headquarters monthly lease payment for a period of six months, starting with the October 1, 2011 payment. Our lease payments to you will therefore resume in April, 2012.

This action on your part will allow the Headquarters to remain in operation. As I believe Mayor Pougnet told you, our entire financial reserves were caught in the recent legal difficulties involving Durkee & Associates, Burbank, CA. We found ourselves suddenly and completely without funds and facing default on our lease. Your kindness has truly given us a "new lease on life".

In these difficult times, it is especially reassuring to see such generous acts of understanding and community fellowship.

As we work to rebuild our financial viability, we will always look to Mr. John Wessman as having truly been our Guardian Angel in our time of greatest need.

Most sincerely,

Art Copleston
Controller and Chief Operating Officer
Democratic Headquarters of the Desert

NEWS RELEASE

CITY OF PALM SPRINGS
CALIFORNIA

Top 10 Palm Springs Success Stories for 2011

Amy Blaisdell
Communications Director
City of Palm Springs
(760) 323-8250

Dec. 23, 2011

It's been a transformational and memorable year for the City of Palm Springs thanks to several spectacular success stories which prove that our city truly is like no place else!

Here's a list of the Top 10 Palm Springs successes for 2011 chosen by Mayor Steve Pougnet:

1. **Palm Springs residents pass Measure J, a 1** percent increase in local sales tax for the revitalization of downtown and citywide capital improvement projects. Demolition of the Bank of America building on Tahquitz and Palm Canyon is slated to begin on **Jan. 26, 2012** following the Mayor's State of the City address.

2. **Desert Fashion Plaza revitalization moving forward.** The City of Palm Springs and Wessman Development forge a Public/Private Partnership in order to revitalize the long-vacant Desert Fashion Plaza

3. **A new home for our four-legged friends!** After several years of planning and fundraising, the City's new state-of-the-art animal shelter, adjacent to Demuth Park, is finally a reality for Palm Springs residents.

4. **Palm Springs tourism experiences major improvement.** The Palm Springs transient occupancy hotel tax rose steadily each month in 2011 compared with 2010 thanks to the success of the City's Hotel Incentive Program and increased marketing efforts led by the Palm Springs Bureau of Tourism and the City's many hospitality partners.

5. **Start spreading the news about New York, New York!** Virgin America announces seasonal service from Palm Springs to San Francisco and JFK in New York. Virgin founder Sir Richard Branson boards inaugural flight from SFO to PSP to celebrate the airline's arrival in Palm Springs at red carpet celebration. This is a direct result of the City's innovative

Airline Marketing Incentive Program. Other airlines expanding or beginning new service at PSP as a result of the program include popular Canadian airline WestJet along with Frontier, Allegiant and United Airlines.

6. **CareFusion stays in Palm Springs.** The medical device company announced that it will stay in Palm Springs rather than relocate to Minnsota. 300 jobs are saved due in part to a collaborative partnership between the City of Palm Springs, the Coachella Valley Economic Partnership and the state of California to keep CareFusion in the city.

7. **Downtown Palm Springs experiences a revitalization** on an important block along Palm Canyon Drive thanks to the opening of the hugely successful LULU California Bistro and transformational renovations at Kaiser Grille and Zin American Bistro.

8. **A new Air Traffic Control Tower at Palm Springs International Airport under construction.** The spectacular new 150-foot state-of-the art control tower is expected to be complete in 2013.

9. **The new Coachella Valley iHub now open for business!** The new innovation hub across from Palm Springs City Hall is operated by the Coachella Valley Economic Partnership and serves as an incubator for green companies to create new jobs in our region. Palm Springs, Cathedral City and Desert Hot Springs were designated by former Gov. Arnold Schwarzenegger as one of only six original iHubs.

10. **The Palm Springs International Film Festival raises the success bar!** Still the City's most successful and prestigious special event, organizers once again raised the bar this year, announcing that the world's biggest celebrities, including George Clooney, Brad Pitt, Michelle Williams, Charlize Theron, Glenn Close and many more will walk the red carpet at the glamorous Jan. 7, 2012 Awards Gala.

"With so many great things happening in our City, 2011 truly has been a transformational year for Palm Springs and one I'll never forget," said Mayor Pougnet. "We've accomplished a great deal this year – and with the passage of Measure J – the best is yet to come!"

> >
> > I'd really love to see the City stop sending out these PDF files, and fix the way that releases are put onto the site. Right now, each person gets a big file, and if they go online they have to download yet another file. Last week, if you subscribed to these, you got about seven of these in one day. it's really hard to digest them because people won't read them if they have to download.
> >

It's been on my mind for some time--I'm only saying this as an eager consumer of Pougnet/PSP news.

Memorandum

Mayor PW

State of City

Date: January 10, 2012

To: David Ready, City Manager; Tom Wilson, Assistant City Manager

From: Terry Tatum, Director of Building and Safety Tatum

Subject: Building Department Stats

City of Palm Springs Building/Construction activity has been increasing steadily over the last three years.

- Fiscal year 2009-2010 – The City of Palm Springs issued a total of 2,349 building permits for a total valuation of $56,142,560.
- Fiscal year 2010-2011 – The total amount of building permits issued increased to 2,704 for a total valuation of $97,356,062.
- Current fiscal year July 2011 thru December 2011 – The total number of building permits issued thus far is 1,366 with a total valuation of $46,812,027
- A total of 98 new single family dwelling permits were issued in 2011 compared to 25 new single family dwelling permits issued in 2010.
- Projects that had stalled or completely stopped prior to last year have resumed.
- We have approximately 8 different housing tracts currently approved and in various stages of construction. These include Nexus/Morrison (53 new single family dwellings), Luminaire (18 new single family dwellings) and OCEO (13 new condominium units).
- Commercial additions and remodels have kept up at a steady pace with a 10% gain in permit issuance over last year. The City is also up more than $10,000,000 for new industrial construction compared to the same time period last year.

If the current pace continues we could exceed last fiscal year totals for permits issued and building valuation.

P.S. I LOVE YOU

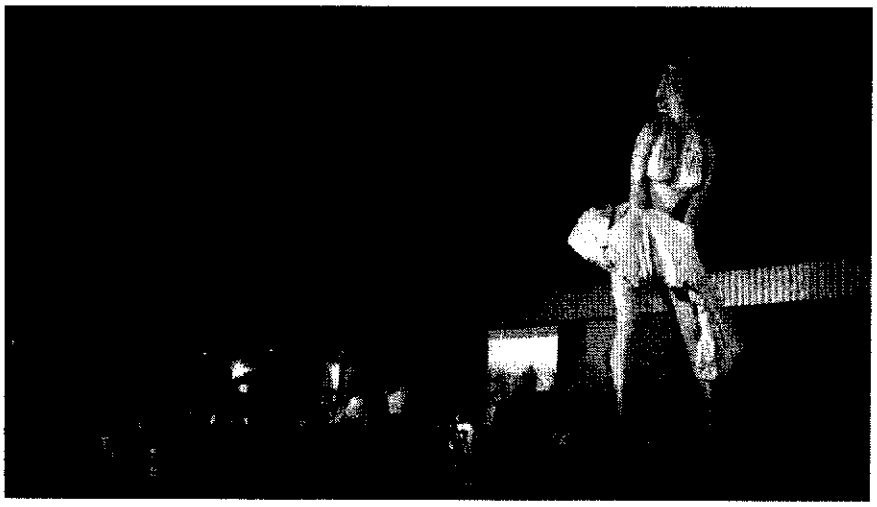
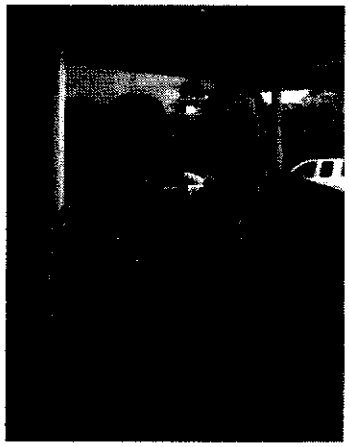
Downtown Palm Springs!



Downtown/Uptown

- Uptown Pioneer Trina Turk expanded her flagship store in Palm Springs and celebrated a national partnership with Banana Republic which fostered national recognition nationwide touting "Palm Springs Style".



Downtown/Uptown

- Downtown's street-level door front vacancy rate has dropped. It was 10% last year and has fallen to 7.5%.
- For the first time in over 5 years the Tahquitz Canyon corridor between Indian and Palm Canyon Drive has maintained 95% occupancy for over 8 months.

Uptown Design District

- With an astounding 90% participation rate among its merchant base, the Uptown District undertook its third year of managing its own branding with a brochure, billboard and Airport advertising campaigns which have solidified this area as the "chic" retro retail area, and garnered worldwide press.

Script for State of the City and B of A Demolition Program
January 26, 2012
Hilton Palm Springs

11 – 11:30 a.m. – Mayor, Department heads, John Wessman and Michael Braun greet the public at entrance to Hilton banquet room

11:30 **Tim Ellis will give everyone a 5 minute warning that lunch will be served, everyone needs to take their seats.**

11:35 **Final announcement for everyone to take a seat**

11:40 **Welcome and Flag Salute – Tim Ellis**

Tim will introduce Rabbi Sally Olins for the Invocation

Reading of VIP list – thank Aftab for his hospitality

Tim's opening remarks.

11:50 **Lunch is Served**

12:20 **Finish lunch – Hilton will remove plates.**

12:30 **Tim will introduce Steve Pougnet for his State of the City**

Tim please remind everyone that there are cards on every table, if anyone has a question for the mayor during his speech, they need to write their question on the card (legibly) and the cards will be collected by the chamber staff after the mayors speech. Just raise your hand after the speech is over and Tony and Nona will walk the room and collect the cards and bring them to Mayor

1:10 **Question & Answer**

1:30 **Conclusion – Mayor requests video to be rolled again and proclaims "Let's go tear down a bank! He invites everyone to orderly follow him and the City Council on a Walk to the Downtown (down the staircase and out the double doors on Tahquitz)**

Head west down tahquitz cross Indian and make a left when we get to Palm Canyon to the Welwood cross to Okura and enter through the large entrance to the parking lot through little walkway. (Amy with the Mayor and Council to direct and police officers will be on hand directing traffic)

2 p.m. – City Council, David Ready and Wessman family head to chairs located in parking lot in front of the stage.

Mayor heads to the podium with John Wessman and thanks everyone for joining the City, Wessman and the Chamber on this historic day. Mayor thanks the City Council for their support in this long anticipated endeavor -- along with LULU, Las Casuelas, Matchbox, Kaiser and the Ace for the fabulous food, the Hilton for the champagne and PartyLab for the decorations. Mayor says a few words about the public/private partnership and the future – and then invites Wessman to say a few words. When Wessman finishes…..

2:15- Mayor and Wessman invite the City Council and David Ready to the stage and invite the community for a champagne toast and yell in unison... TEAR IT DOWN... FOR A NEW DOWNTOWN! Mayor and Wessman head to the crane...

WHILE ---

Bradley Ryan from KPSI takes the microphone on the podium and reminds everyone to take our their hard hats -- and invites the community in a count of 10 countdown

2:20 Mayor and Wessman get on crane and Mayor will push the button following the countdown which will release the HAMMER!!! LET THE REVITALIZATION BEGIN," yells the mayor and Wessman.

Bradley Ryan will yell "Throw your hats Palm Springs" to the crowd, who will throw their soft construction hats in the air...

2:25 – PHOTO OPPORTUNITY: Mayor, Wessman, David Ready and City Council head to sledgehammers leaned against the building and will knock the brown brick section of the building for photo opportunity. (Amy will be on hand to help with this…)

2:30 – Mayor with Council, David Ready and Wessman at his side, cuts the ceremonial cake and invites the community to enjoy the great food and music! LET'S PARTY!

Mayor and Wessman conduct interviews with the press.

Subject: Recent events

Hi Doug,

I had hoped to have a moment with you at Kathy's but ended up sinking into the party spirit and realized it probably wasn't the best place. Especially after two tequila shots!

Some on going behaviors and a couple of incidents occurring during our most recent commission meeting are making me uncomfortable, and and since you are serving as our chair I need to bring it to your attention. Often when John Wessman is before us, you and he have gotten into the habit of having private conversations from the dais and while other people are presenting or speaking. It's clear by your actions that he may be driving your decisions and motions. Your relationship with John is your own business but you showing favoritism by giving him private sidebars not only looks unprofessional, but must make other applicants uncomfortable. I know it makes all of us look bad. I'm not accusing you of any legal or ethical violations, simply suggesting that appearances are very important, if not everything, in terms of our credibility and charge. I think this would be especially true for the position of chairman. I always strive for us, as a body, to appear unbiased and professional. I hope you will strive for the same thing.
The other thing that I would like to see controlled better are developers / applicants, in this case John again, berating us for our actions on another project or on council policy. You may recall he did this during his time presenting his own project. I don't think it's too much to ask of any applicant to stay focused on their project when that's what we're hearing. Early in the public comments period would be better and more appropriate time for John's rants unrelated to his projects. I also believe that none of us or our staff deserves or should be subjected to disrespectful lectures by any applicant. Once again I think John is granted trespasses that other applicants are not and should not be granted. Also, if he or any applicant has issues with council policy they should be directed to writing or addressing the council at one of their meetings.
I believe that part of the job of the chairman is to keep things civil, focused and to kind of look after the rest of the commission. I hope you agree and I look forward to your thoughts. Respectfully,

J.R...

The Louis Vuitton chief executive Michael Burke explained of the decision to stage their interseasonal fashion extravaganza in Bob Hope's former home, a futuristic dream house set up overlooking the wind farms in the valley far below. "People were bemused by our decision: 'Isn't that where people go to die?' But they don't know who really lives here. Palm Springs is forward-looking, futuristic, modernist, cutting edge, audacious. People had written off California, but all of a sudden it's going through a tremendous rebirth. It's not just Silicon Valley, it's the entertainment industry, it's the music, everything. There's a super creative spirit around this whole valley . . ."

Mayor Pougnet,

You received the original from Mr. Moon on April 30th. I'm sending you a copy because I agree.

I'm also filing a complaint with the Riverside County District Attorney for a full investigation into your office the entire City Council.

Regards,

Bill Masters

April 30, 2015
Mayor Steve Pougnet
City of Palm Springs
3200 E. Tahquitz Canyon Way
Palm Springs, CA 92262

Dear Mayor Pougnet,

On Saturday, April 18, on the steps of City Hall, I held a public press conference and called upon you to conduct an independent audit of all ongoing development projects in the City of Palm Springs that receive taxpayer dollars. I also called upon you and the City Council to make the findings of that audit publicly available. I am once again making this request and in addition requesting this audit commence as soon as possible and no later than within the next 90 days.

Most of the development projects underway in Palm Springs are very complex and have been planned and financed over a long period of time with numerous changes involved. Several of the currently ongoing development projects have also involved real estate transactions between developers and The City and/or have included taxpayer funded incentives that have been paid to developers. For instance, recent reports in The Desert Sun refer to a November 2014 sale of a 6.2 acre downtown lot to Nexus for $1.5 Million. This would appear to be a significantly discounted rate for land in downtown Palm Springs. Any audit should include the results of all appraisals done on this property and the justification of the sale at this price.

The Downtown Palm Springs development, formerly known as the Fashion Plaza or Museum Plaza project, is a complex project with multiple transfers of funds between the developer and the City of Palm Springs over a number of years. These transactions includes land transfers, escrow account funding, and the purchase and planned renovation of the existing parking structure as well as the construction of additional parking spaces. I also request that the audit of the Downtown Palm Springs project include the costs of the bond that was used to originally build the existing parking structure and the details of whether that bond has been paid in full and, if so, when the bond payment was completed.

A full accounting of the taxpayer expenditures for all of the currently ongoing development projects in the City of Palm Springs would be of great interest to many residents of Palm Springs who not only care deeply about our beautiful city, but also pay property, sales, Measure J, and other taxes to the City.

Sincerely,

Robert L. Moon

Mayor Steve Pougnet
City of Palm Springs
3200 East Tahquitz Canyon Way
Palm Springs, California 92262

Dear Steve,

I am very sorry to hear you will not seek re-election this year. As the arrows fly, I want to congratulate you on a job well done. What you and your fellow Council Members have accomplished over the years is to be commended not criticized.

Inspite of your detractors and the effort by a few to diminish your accomplishments over the years, you should be proud and continue to ignore such criticism. Every city should have a Mayor like you, willing to fight the fight for what you believe in. Whatever you decide to do, I know you will be successful.

Sincerely,

Ty Peabody
Mayor
City of Indian Wells

CITY COUNCIL
CITY OF PALM SPRINGS, CALIFORNIA

MEETING MINUTES
WEDNESDAY, JULY 1, 2015
CITY HALL COUNCIL CHAMBER

CALL TO ORDER: Mayor Pougnet called the meeting to order at 6:04 p.m.

PLEDGE OF ALLEGIANCE: Boy Scout Troup 262, led the Pledge.

INVOCATION: Michale Cashe, Inner Faith Spiritual Center, led the Invocation.

ROLL CALL:

PRESENT:	Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, Mayor Pro Tem Lewin, and Mayor Pougnet
ABSENT:	None.
ALSO PRESENT:	City Manager Ready, City Attorney Holland, City Clerk Thompson

PRESENTATIONS:

Councilmember Foat provided an update on the Marriage Equality celebration in the City of Palm Springs.

Mayor Pougnet provided an update on the Buzz in the Los Angeles Pride Parade, Cooling Centers in the City of Palm Springs, the upcoming 4th of July activities, the CERT Program, and the Palm Springs Public Library website enhancements.

Councilmember Foat provided an update on animal adoptions at the Palm Springs Animal Shelter.

REPORT OF CLOSED SESSION:

The meeting was called to order at 5:00 p.m., and City Attorney Holland requested the City Council consider adding one item to the Closed Session Agenda, pursuant to Cal. Gov. Code Section 54956.9(a) Existing Litigation titled *Advocates for Better Community Development v. City of Palm Springs, Palm Springs Promenade, LLC, et al.* Case No. PSC 1405677, Riverside Superior Court, Palm Springs Division, and stated he has received information regarding the case after the posting of the Agenda, and there is an immediate need to hear and/or take action.

ACTION: 1) Find the matter came to the attention of the City after the posting of the agenda and there is an immediate need to hear and/or take action; and 2) Add to the Closed Session Agenda, pursuant to Cal. Gov. Code Section 54956.9(a) one case of existing litigation titled *Advocates for Better Community Development v. City of Palm Springs, Palm Springs Promenade, LLC, et al.* Case No. PSC 1405677, Riverside Superior Court, Palm Springs Division. **Motion Councilmember Mills, seconded by Mayor Pro Tem Lewin and unanimously carried (5-0).**

City Attorney Holland stated the City Council recessed into Closed Session and did not discuss the property items on the Closed Session Agenda, and reported one item of Initiation of Litigation was related to vacation rental enforcement and Councilmember Hutcheson and Mayor Pro Tem Lewin did not participate in the discussion and left Closed Session.

City Attorney Holland reported the City Council provided direction to City Staff and the City Attorney, otherwise no reportable actions were taken.

ACCEPTANCE OF THE AGENDA:

Mayor Pougnet requested Item 2.E. be removed from the Consent Calendar for separate discussion.

Councilmember Foat requested Item 2.J. be removed from the Consent Calendar for separate discussion.

Councilmember Mills noted a business related abstention on Item 2.C. Warrant No. 107882.

ACTION: Accept the Agenda as amended. **Motion Councilmember Hutcheson, seconded by Mayor Pro Tem Lewin and unanimously carried on a roll call vote.**

1. PUBLIC HEARINGS:

Assistant City Manager/City Engineer Fuller owns property in one of the Assessment Districts in Item 1.A. and left Council Chamber.

1.A. ANNUAL LEVY OF ASSESSMENTS FOR VARIOUS CITYWIDE STREET LIGHTING AND PARKWAY MAINTENANCE ASSESSMENT DISTRICTS FOR FISCAL YEAR 2015-16:
City Clerk Thompson provided background information as outlined in the Staff Report dated July 1, 2015.

Mayor Pougnet opened the public hearing, and no speakers coming forward the public hearing was closed.

ACTION: Adopt Resolution No. 23847, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, APPROVING THE ENGINEER'S REPORT AND ORDERING THE CONTINUED OPERATION AND MAINTENANCE OF IMPROVEMENTS FOR STREET LIGHTING MAINTENANCE DISTRICT NO. 3, AND PARKWAY MAINTENANCE DISTRICT NOS. 6A, 6C, 7, 8, 9, AND 10 (ZONES 1 AND 2), AND LANDSCAPE MAINTENANCE DISTRICT NO. 12, AND ORDERING THE LEVY AND COLLECTION OF ANNUAL ASSESSMENTS RELATED THERETO FOR FISCAL YEAR 2015-16." **Motion Councilmember Hutcheson, seconded by Councilmember Mills and unanimously carried on a roll call vote.**

Assistant City Manager/City Engineer Fuller returned to Council Chamber.

1.B. CONSIDERATION OF A ZONE TEXT AMENDMENT TO AMEND THE PALM SPRINGS ZONING CODE (PSZC) CHAPTERS 92 AND 93 TO MODIFY THE SETBACK REQUIREMENTS AND AESTHETIC STANDARDS FOR NEW CARPORT STRUCTURES IN THE R-2 (LIMITED MULTIFAMILY RESIDENTIAL) AND R-3 (MULTIPLE-FAMILY RESIDENTIAL AND HOTEL) ZONING DISTRICTS AND APPROVAL OF AN ASSOCIATED NOTICE OF EXEMPTION PURSUANT TO CEQA (CASE 5.1368 ZTA):

Flinn Fagg, Director of Planning Services, provided background information as outlined in the Staff Report dated July 1, 2015.

Councilmember Foat requested Staff address "enclosed" as defined in the proposed ordinance and questioned carports in commercial districts.

Mayor Pougnet opened the public hearing, and the following speakers addressed the City Council.

RONNIE THOMPSON, Palm Springs, appreciated the efforts by Staff and City Council regarding this issue, provided background information oN carports in the The Palms development, and requested the City Council adopt the proposed ordinance.

GARY KELB, Palm Springs, stated his support for covered parking in the City of Palm Springs, and requested the City Council adopt the proposed ordinance.

ROLAND CORDOBUS, Palm Springs, commented on the problems with lack of covered parking in The Palms development, and requested the City Council adopt the proposed ordinance.

Mayor Pougnet opened the public hearing, and no speakers coming forward the public hearing was closed.

Councilmember Hutcheson questioned if the proposed ordinance would apply to any new covered carports.

Councilmember Mills requested Staff address the shortage of covered parking in The Palms development, and commented on the drafting of ordinances for a few developments that may be problematic in other areas of the City, and discussed the requirements in the ordinance.

Mayor Pougnet suggested the City find an alternative to provide carports for the specific developments without using the proposed ordinance.

Councilmember Foat requested Staff address any developments in the City that have a lack of covered parking.

Mayor Pro Tem Lewin commented on the restrictions in the ordinance, and stated the City Council is supportive of the request from The Palms.

Councilmember Hutcheson requested Staff return with additional information on other developments that may be affected.

ACTION: 1) Continue the Public Hearing to July 15, 2015, and 2) Direct the City Clerk posted a Notice of Continued Public Hearing as required by law. **Motion Councilmember Mills, seconded by Councilmember Hutcheson and unanimously carried on a roll call vote.**

PUBLIC COMMENT:

MATI JATOVSKY, commented on Item 2.J., and thanked the City Council for adoption of the proposed resolution.

GEORGE ZANDER, Palm Springs, thanked City Staff regarding their efforts with the Marriage Equality event, and commented on homeless programs and questioned the formation of a Task Force in the City of Palm Springs.

NIKOHL VANDEL, Palm Springs, commented on a recent oil spill in California and programs for homeless.

FRANK TYSEN, commented on the proposed Event Center in the Downtown Revitalization Project.

JOY BROWN MEREDITH, commented on the temporary construction parking and traffic in the Downtown area, and commented on homeless issues in the City of Palm Springs.

COUNCILMEMBER COMMENTS:

Councilmember Foat commented on the progress of the Homeless Task Force in the City of Palm Springs.

Mayor Pougnet commented on the proposed Event Space in the Downtown Revitalization project.

CITY MANAGER'S REPORT: None.

2. CONSENT CALENDAR:

Mayor Pougnet noted his abstention on Item 2.B., the June 3, 2015 Minutes.

ACTION: Approve Items 2.A., 2.B., 2.C., 2.D., 2.F., 2.G., 2.H., 2.I., 2.K., 2.L., 2.M., 2.N., 2.O., 2.P., and 2.Q. **Motion Councilmember Mills, seconded by Councilmember Hutcheson and unanimously carried on a roll call vote.**

2.A. REPORT ON THE POSTING OF THE AGENDA:
ACTION: Receive and file Report on the Posting of the July 1, 2015, City Council Agenda. **Approved as part of the Consent Calendar.**

2.B. APPROVAL OF MINUTES:
ACTION: Approve the City Council Minutes of June 3, 2015, June 16, 2015, and Special Meeting Minutes of June 17, 2015. **Approved as part of the Consent Calendar, noting the abstention of Mayor Pougnet on the June 3, 2015, Minutes.**

2.C. APPROVAL OF PAYROLL WARRANTS, CLAIMS AND DEMANDS:
ACTION: 1) Adopt Resolution No. 23848, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, APPROVING PAYMENT OF PAYROLL WARRANTS FOR THE PERIOD ENDED 05-23-2015 BY WARRANTS NUMBERED 419140 THROUGH 419156 TOTALING $45,907.08, LIABILITY CHECKS NUMBERED 1078848 THROUGH 1078852 TOTALING $3,751.61, FIVE WIRE TRANSFERS FOR $386.76, AND THREE ELECTRONIC ACH DEBITS OF $1,264,933.15, IN THE AGGREGATE AMOUNT OF $1,314,978.60, DRAWN ON BANK OF AMERICA;" 2) Adopt Resolution No. 23849, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, APPROVING PAYMENT OF CLAIMS AND DEMANDS BY WARRANTS NUMBERED 1078853 THROUGH 1078993 IN THE AGGREGATE AMOUNT OF $1,038,009.42, DRAWN ON BANK OF AMERICA;" and 3) Adopt Resolution No. 23850, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, APPROVING PAYMENT OF CLAIMS AND DEMANDS BY WARRANT

NUMBERED 1078994 IN THE AMOUNT OF $250,000.00, DRAWN ON BANK OF AMERICA." **Approved as part of the Consent Calendar, noting the abstention of Councilmember Mills on Warrant No. 107882.**

2.D. RATIFY AND APPOINT THE NOMINATION OF THE CITY OF PALM DESERT TO THE PALM SPRINGS INTERNATIONAL AIRPORT COMMISSION FOR THE TERM ENDING JUNE 30, 2018:
ACTION: Reappoint Rolf Hoehn, as the City of Palm Desert representative, to the Palm Springs International Airport Commission for the term ending June 30, 2018. **Approved as part of the Consent Calendar.**

2.F. TREASURER'S INVESTMENT REPORT AS OF MAY 31, 2015:

3. LEGISLATIVE: None.

4. UNFINISHED BUSINESS: None.

5. NEW BUSINESS:

5.A. CITY COUNCIL REQUESTED REVIEW OF THE AMERICAN HEAT PALM SPRINGS MOTORCYCLE WEEKEND 2015, AND CONSIDERATION OF THE ANNUAL EVENT PROMOTIONAL SPONSORSHIP IN THE AMOUNT OF $26,250:
City Manager Ready stated the promoter has withdrawn the event.

Councilmember Foat commented on the event, stated her support for business owners for their agreement to postpone the event.

Mayor Pougnet his approval on the decision.

No action taken.

5.B. APPROVAL OF PLANS, SPECIFICATIONS AND ESTIMATE AND AUTHORIZATION TO BID THE ENTRY WAY SIGN IMPROVEMENTS (CP 13-31):
Marcus Fuller, Assistant City Manager/City Engineer, provided background information as outlined in the Staff Report dated July 1, 2015.

Councilmember Foat questioned any potential for defacing the signs, and questioned if other signs could be enhanced with the coordinating elements.

Mayor Pro Tem Lewin thanked the designers and commented on the creation of the "arrival" entry points in the City.

Councilmember Mills commented on the exquisite design of the proposed signs, and requested the City Council allow for some minor tweaks in the plans and specifications.

ACTION: Approve the plans, specifications and estimate and authorize staff to advertise and solicit bids for the Entry Way Sign Improvements, City Project No. 13-31 allowing for minor alterations in the plans and specifications by designers as approved by the City Council Subcommittee. **Motion Mayor Pro Tem Lewin, seconded by Councilmember Mills and unanimously carried on a roll call vote.**

5.C. DISCUSSION ON THE OPERATION OF CITY OWNED RECIRCULATING DECORATIVE WATER FEATURES PURSUANT TO DESERT WATER AGENCY REGULATIONS:
Marcus Fuller, Assistant City Manager/City Engineer, provided background information as outlined in the Staff Report dated July 1, 2015.

The City Council discussed and/or commented on the following with respect to outdoor City fountains: the deterioration of the fountains without water circulation, the City's efforts toward reduction, and the proposed water features in the Downtown Revitalization Project.

ACTION: Direct Staff to operate the City owned recirculating fountains. **Motion Councilmember Mills, seconded by Councilmember Foat and unanimously carried on a roll call vote.**

COUNCILMEMBER COMMENTS, REQUESTS, AND REPORTS:

Councilmember Hutcheson requested the City Manager and Staff review the trees around the Palm Springs Swim Center and tree infestation.

Mayor Pro Tem Lewin commented on water conservation in the City of Palm Springs and by the Desert Water Agency.

Councilmember Foat requested the Landscape Designer review the growth and condition at the Palm Springs Animal Shelter.

ADJOURNMENT: The City Council adjourned, *in memory of Donald Wexler*, at 7:46 p.m. to Wednesday, July 15, 2015, at 6:00 p.m. Council Chamber, City Hall, preceded by Closed Session, Small Conference Room, City Hall, 3200 East Tahquitz Canyon Way, Palm Springs.

APPROVED BY A MOTION OF THE PALM SPRINGS CITY COUNCIL THIS 15TH DAY OF JULY, 2015.

STEPHEN P. POUGNET, MAYOR

ATTEST:

JAMES THOMPSON, CITY CLERK

CITY COUNCIL
CITY OF PALM SPRINGS, CALIFORNIA

MEETING MINUTES
WEDNESDAY, JUNE 3, 2015
CITY HALL COUNCIL CHAMBER

CALL TO ORDER: Mayor Pro Tem Lewin called the meeting to order at 6:15 p.m.

PLEDGE OF ALLEGIANCE: Girl Scout Troop 262, led the Pledge.

INVOCATION: Michale Cashe, Inner Faith Spiritual Center, led the Invocation.

ROLL CALL:

PRESENT:	Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, and Mayor Pro Tem Lewin.
ABSENT:	Mayor Pougnet.
ALSO PRESENT:	City Manager Ready, City Attorney Holland, City Clerk Thompson.

PRESENTATIONS: Mayor Pro Tem Lewin provided an update on the Palm Springs Chamber Awards and the Palm Springs Fire Department 2015 Annual Fish Fry.

Councilmember Foat provided an update on animal adoptions at the Palm Springs Animal Shelter.

REPORT OF CLOSED SESSION: The meeting was called to order at 4:30 p.m. and City Attorney Holland requested the City Council add one item to the Closed Agenda, pursuant to Cal. Gov. Code. Section 54956.9(b) one case of Exposure to Litigation, and stated the City received a threat of litigation after the posting of the Agenda.

ACTION: 1) Find the item came to the attention of the City after the posting of the Agenda and there is an immediate need to hear and/or take action on the Item; and 2) Add to the Closed Session Agenda one case of Exposure to Litigation, pursuant to Cal. Gov. Code Section 54956.9(b). **Motion Councilmember Mills, seconded by Councilmember Hutcheson and unanimously carried (4-0) noting the absence of Mayor Pougnet.**

The City Council recessed into Closed Session to discuss items on the Closed Session Agenda.

City Attorney Holland stated the City Council did not discuss the property matter related to 128 South Palm Canyon. City Attorney Holland reported the City Council authorized

the payment of $7,800 to Villas De Las Flores for the Tort Claim, City Claim No. 12-0348, provided direction to City Staff and the City Attorney otherwise no reportable actions were taken.

ACCEPTANCE OF THE AGENDA:

Councilmember Foat requested Item 2.K. be removed from the Consent Calendar for separate discussion.

City Clerk Thompson stated City Staff has requested Items 2.O. and 5.A. be withdrawn from the Agenda.

ACTION: Accept the Agenda as amended. **Motion Councilmember Hutcheson, seconded by Councilmember Mills and unanimously carried 4-0 on a roll call vote.**

AYES: Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, and Mayor Pro Tem Lewin.
NOES: None.
ABSENT: Mayor Pougnet.

1. PUBLIC HEARINGS:

1.A. PUBLIC HEARING ON THE FISCAL YEAR 2015-16 BUDGET, ALLOCATED POSITIONS AND COMPENSATION PLAN, SUCCESSOR AGENCY ADMINISTRATIVE BUDGET, HOUSING SUCCESSOR AGENCY BUDGET, APPROPRIATIONS LIMIT, AND PRESENTATION OF THE USER FEE STUDY / COST ALLOCATION PLAN, AND COMPREHENSIVE FEE SCHEDULE:

Geoffrey Kiehl, Director of Finance, provided background information as outlined in the Staff Report dated June 3, 2015.

Mayor Pro Tem Lewin opened the public hearing, and the following speakers addressed the City Council.

DEBORAH McGARREY, commented on the proposed fees for encroachments for Southern California Gas Company.

DINO ZONIC and JEFFREY GILSON, requested grant funding for the proposed Palm Springs Orchestra.

Councilmember Foat requested Staff address the recommended positions to be added to the Allocated Positions and Compensation Schedule, the Appropriation Summary by Fund Type, stated the Planning Department is understaffed for current work load and recommended the addition of a Principal Planner.

Mayor Pro Tem Lewin requested the City Manager follow-up with the Gas Company, submit fund balance information to the City Council, and provide additional detail on potential positions that could be added including a Principle Planner.

Councilmember Foat requested the City Council consider additional funding for the Palm Springs Animal Shelter.

Councilmember Mills commented on the proposed fees and requested City Staff explain the basis of the increased fees.

ACTION: 1) Continue the Public Hearing and the adoption of the Budget and the Allocated Positions and Compensation Plan to the June 17, 2015, City Council Meeting; 2) Direct the City Clerk to post a Notice of Continued Public Hearing; and 3) Receive the User Fee Study and Cost Allocation Plan, the draft Comprehensive Fee Schedule, and conduct a Public Hearing at the June 17, 2015, City Council meeting. **Motion Councilmember Mills, seconded by Councilmember Hutcheson and unanimously carried 4-0 on a roll call vote.**

AYES:	Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, and Mayor Pro Tem Lewin.
NOES:	None.
ABSENT:	Mayor Pougnet.

2.O. APPROVE EASEMENT AGREEMENT AND COVENANT WITH VILLAS DE LAS FLORES ASSOCIATION FOR THE MAINTENANCE OF CITY TREES ADJACENT TO VILLAS DE LAS FLORES CONDOMINIUM DEVELOPMENT:
Withdrawn from the Agenda at the request of Staff.

The City Council recessed at 7:51 .m.
The City Council reconvened at 7:55 p.m.

3. LEGISLATIVE:

3.A. AN ORDINANCE AMENDING SECTIONS 5.35.110 AND 5.35.120 OF, AND ADDING SUBSECTION C TO SECTION 5.35.340 OF, THE PALM SPRINGS MUNICIPAL CODE RELATING TO MEDICAL CANNABIS CULTIVATION AND INCREASING THE NUMBER OF PERMITTED MEDICAL CANNABIS COOPERATIVES OR COLLECTIVES FROM FOUR (4) TO SIX (6):
City Attorney Holland provided background information as outlined in the Staff Report dated June 3, 2015.

Councilmember Foat requested Staff address if the ordinance applies to permitted facilities in other cities and home grown medical cannabis.

Councilmember Hutcheson requested City Staff clarify if the City Council is required to use the existing list, stated his preference is to limit two permits to the existing applicants, and stated his support for two additional permits.

Councilmember Mills requested the City Council Subcommittee address the recommendation for two additional permits, stated he would not support the ordinance, requested the Subcommittee address outdoor cultivation, commented on the number of collectives needed to supply the City of Palm Springs.

Councilmember Foat commented on the public comments regarding the effects that two additional permits will have on the four permits issued, and stated her support for limiting consideration to applicants in the last process.

Mayor Pro Tem Lewin requested City Staff explain Section 5.35.040(C)(1), requested Staff affirm cultivation is limited to Palm Springs collectives, and questioned enforcement.

Councilmember Mills commented on the business licensing process for medical cannabis.

ACTION: 1) Waive the reading of the ordinance text in its entirety and introduce Ordinance No. 1879, "AN ORDINANCE OF THE CITY OF PALM SPRINGS, CALIFORNIA, AMENDING SECTIONS 5.35.110 AND 5.35.120 OF, AND ADDING SUBSECTION C TO SECTION 5.35.340 OF, THE PALM SPRINGS MUNICIPAL CODE RELATING TO MEDICAL CANNABIS CULTIVATION AND INCREASING THE NUMBER OF PERMITTED MEDICAL CANNABIS COOPERATIVES OR COLLECTIVES FROM FOUR (4) TO SIX (6);" *amending the second sentence of Section 5.35.340(c)(1) to read "Nothing in this Section shall prohibit two or more permitted MCCCs from operating or maintain such MCCF, "and Section 5.35.340(c)(2) to read "one hundred percent (100%) of all cannabis or marijuana cultivated at MCCF shall be distributed solely to one or more MCCFs permitted pursuant to the provisions of this Chapter;* and 2) Direct Staff regarding the City Council preference to limit consideration to the applicants in the last process. **Motion Councilmember Foat, seconded by Councilmember Hutcheson and carried 3-1 on a roll call vote.**

AYES:	Councilmember Foat, Councilmember Hutcheson, and Mayor Pro Tem Lewin.
NOES:	Councilmember Mills.
ABSENT:	Mayor Pougnet.

4. UNFINISHED BUSINESS: None.

5. NEW BUSINESS:

5.A. CITY HALL LANDSCAPE CONVERSION PROJECT (CP 15-04):
Tabled at the request of Staff.

City Manager Ready provided background information as outlined in a PowerPoint presentation regarding RDA real property and incentive programs.

ACTION: Authorize the City Manager to enter into and execute a professional services agreement with the law firm of Kane, Ballmer and Berkman, of Los Angeles, California, to review the Property Disposition Plan and Redevelopment property transactions. A6715. **Motion Mayor Pro Tem Lewin, seconded by Councilmember Hutcheson and unanimously carried 4-0 on a roll call vote.**

AYES: Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, and Mayor Pro Tem Lewin.
NOES: None.
ABSENT: Mayor Pougnet.

ACTION: Authorize the City Manager to enter into and execute a professional services agreement with an appropriate accounting and auditing firm to audit the Incentive Grant Programs. A6712. **Motion Mayor Pro Tem Lewin, seconded by Councilmember Mills and unanimously carried 4-0 on a roll call vote.**

AYES: Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, and Mayor Pro Tem Lewin.
NOES: None.
ABSENT: Mayor Pougnet.

5.C. DISCUSSION ON POTENTIAL COSTS AND ALTERNATIVES FOR THE DEMOLITION OF THE FORMER MAC MAGRUDER CHEVROLET SITE LOCATED AT 999 SOUTH PALM CANYON DRIVE (ASSESSOR'S PARCEL NUMBER 513-250-014):

Marcus Fuller, Assistant City Manager/City Engineer, provided background information as outlined in the Staff Report dated June 3, 2015.

Mayor Pro Tem Lewin requested Staff address the difficulties with this property.

Councilmember Hutcheson requested Staff comment on the Security provided by the City, and the demands of the property owner.

Councilmember Mills requested the City Attorney address any possibility of the City placing a lien on the property, other legal actions the City could take, other reports and costs needed for demolition, questioned if the City could condition any future lessee for the costs.

Councilmember Foat requested Staff address the dust control issues that may arise if the pad is removed, and questioned if the City has talked directly to the Tribe.

Mayor Pro Tem Lewin commented on the differences between the Tribe and the allottees, stated his support for going out to bid and further dialog with the Tribe.

Councilmember Mills commented on the stabilization of the distributed soil when completed, and recommended the allottee will allow the City to repair any soil stabilization if necessary.

ACTION: Direct Staff to proceed with bidding of the demolition at an estimated cost of $300,000 with the approval of the City Council pursuant to Section 7.03.040(2)(a) of the Palm Springs Municipal Code, requiring the City Council approval and authorization to bid; and 2) Adopt Resolution No. 23836, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, AMENDING THE BUDGET FOR FISCAL YEAR 2014-15 TO PROVIDE INITIAL FUNDING FOR THE DEMOLITION OF MAGRUDER CHEVROLET BUILDING (CITY PROJECT NO. 15-19). **Motion Councilmember Foat, seconded by Mayor Pro Tem Lewin and unanimously carried 4-0 on a roll call vote.**

AYES: Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, and Mayor Pro Tem Lewin.
NOES: None.
ABSENT: Mayor Pougnet.

5.D. APPOINTMENT OF VARIOUS COMMISSIONERS AND BOARD MEMBERS AS PART OF THE 2015 ANNUAL RECRUITMENT PROCESS:

ACTION: 1) Reappoint Dee Dee Barton to the Human Rights Commission for the term ending June 30, 2018; 2) Appoint Eduardo Carriazo and Denise Chappell to the Human Rights Commission for the term ending June 30, 2018; 3) Appoint Thomas Yanni to the Public Arts Commission for the term ending June 30, 2018; 4) Reappoint Joseph Jackson and Michael Birnberg to the Sustainability Commission for the term ending June 30, 2018; 5) Appoint Nancy Ferguson to the Sustainability Commission for the term ending June 30, 2018; 6) Appoint David Freedman to the Sustainability Commission for the term ending June 30, 2017; 7) Reappoint Claire Zimmer and Michael Ziskind to the VillageFest Board for the term ending June 30, 2018; 8) Reappoint Glen Perry to the Administrative Appeals Board for the term ending June 30, 2018; and 9) Appoint William Johnson to the Board of Appeals with no term limits. **Motion Councilmember Mills, seconded by Councilmember Hutcheson and unanimously carried 4-0 on a roll call vote.**

AYES: Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, and Mayor Pro Tem Lewin.
NOES: None.
ABSENT: Mayor Pougnet.

COUNCILMEMBER COMMENTS, REQUESTS, AND REPORTS:

Councilmember Mills requested Staff address the landscape for the Solar project at North Indian near the UPRR.

Councilmember Foat requested the landscape architect review the condition of the landscape at the Palm Springs Animal Shelter.

ADJOURNMENT: The City Council adjourned at 9:58 p.m. to Thursday, June 4, 2015, at 9:00 a.m. West Conference Room, City Hall, 3200 East Tahquitz Canyon Way, Palm Springs.

APPROVED BY A MOTION OF THE PALM SPRINGS CITY COUNCIL THIS 1ST DAY OF JULY, 2015.

STEPHEN P. POUGNET, MAYOR

ATTEST:

JAMES THOMPSON, CITY CLERK

CITY COUNCIL
CITY OF PALM SPRINGS, CALIFORNIA

MEETING MINUTES
WEDNESDAY, JUNE 3, 2015
CITY HALL COUNCIL CHAMBER

CALL TO ORDER: Mayor Pro Tem Lewin called the meeting to order at 6:15 p.m.

PLEDGE OF ALLEGIANCE: Girl Scout Troop 262, led the Pledge.

INVOCATION: Michale Cashe, Inner Faith Spiritual Center, led the Invocation.

ROLL CALL:

PRESENT:	Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, and Mayor Pro Tem Lewin.
ABSENT:	Mayor Pougnet.
ALSO PRESENT:	City Manager Ready, City Attorney Holland, City Clerk Thompson.

PRESENTATIONS: Mayor Pro Tem Lewin provided an update on the Palm Springs Chamber Awards and the Palm Springs Fire Department 2015 Annual Fish Fry.

Councilmember Foat provided an update on animal adoptions at the Palm Springs Animal Shelter.

REPORT OF CLOSED SESSION: The meeting was called to order at 4:30 p.m. and City Attorney Holland requested the City Council add one item to the Closed Agenda, pursuant to Cal. Gov. Code. Section 54956.9(b) one case of Exposure to Litigation, and stated the City received a threat of litigation after the posting of the Agenda.

ACTION: 1) Find the item came to the attention of the City after the posting of the Agenda and there is an immediate need to hear and/or take action on the Item; and 2) Add to the Closed Session Agenda one case of Exposure to Litigation, pursuant to Cal. Gov. Code Section 54956.9(b). **Motion Councilmember Mills, seconded by Councilmember Hutcheson and unanimously carried (4-0) noting the absence of Mayor Pougnet.**

The City Council recessed into Closed Session to discuss items on the Closed Session Agenda.

City Attorney Holland stated the City Council did not discuss the property matter related to 128 South Palm Canyon. City Attorney Holland reported the City Council authorized

the payment of $7,800 to Villas De Las Flores for the Tort Claim, City Claim No. 12-0348, provided direction to City Staff and the City Attorney otherwise no reportable actions were taken.

ACCEPTANCE OF THE AGENDA:

Councilmember Foat requested Item 2.K. be removed from the Consent Calendar for separate discussion.

City Clerk Thompson stated City Staff has requested Items 2.O. and 5.A. be withdrawn from the Agenda.

ACTION: Accept the Agenda as amended. **Motion Councilmember Hutcheson, seconded by Councilmember Mills and unanimously carried 4-0 on a roll call vote.**

AYES: Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, and Mayor Pro Tem Lewin.
NOES: None.
ABSENT: Mayor Pougnet.

1. PUBLIC HEARINGS:

1.A. PUBLIC HEARING ON THE FISCAL YEAR 2015-16 BUDGET, ALLOCATED POSITIONS AND COMPENSATION PLAN, SUCCESSOR AGENCY ADMINISTRATIVE BUDGET, HOUSING SUCCESSOR AGENCY BUDGET, APPROPRIATIONS LIMIT, AND PRESENTATION OF THE USER FEE STUDY / COST ALLOCATION PLAN, AND COMPREHENSIVE FEE SCHEDULE:

Geoffrey Kiehl, Director of Finance, provided background information as outlined in the Staff Report dated June 3, 2015.

Mayor Pro Tem Lewin opened the public hearing, and the following speakers addressed the City Council.

DEBORAH McGARREY, commented on the proposed fees for encroachments for Southern California Gas Company.

DINO ZONIC and JEFFREY GILSON, requested grant funding for the proposed Palm Springs Orchestra.

Councilmember Foat requested Staff address the recommended positions to be added to the Allocated Positions and Compensation Schedule, the Appropriation Summary by Fund Type, stated the Planning Department is understaffed for current work load and recommended the addition of a Principal Planner.

Mayor Pro Tem Lewin requested the City Manager follow-up with the Gas Company, submit fund balance information to the City Council, and provide additional detail on potential positions that could be added including a Principle Planner.

Councilmember Foat requested the City Council consider additional funding for the Palm Springs Animal Shelter.

Councilmember Mills commented on the proposed fees and requested City Staff explain the basis of the increased fees.

ACTION: 1) Continue the Public Hearing and the adoption of the Budget and the Allocated Positions and Compensation Plan to the June 17, 2015, City Council Meeting; 2) Direct the City Clerk to post a Notice of Continued Public Hearing; and 3) Receive the User Fee Study and Cost Allocation Plan, the draft Comprehensive Fee Schedule, and conduct a Public Hearing at the June 17, 2015, City Council meeting. **Motion Councilmember Mills, seconded by Councilmember Hutcheson and unanimously carried 4-0 on a roll call vote.**

AYES: Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, and Mayor Pro Tem Lewin.
NOES: None.
ABSENT: Mayor Pougnet.

PUBLIC COMMENT:

ALLEN WORTHY, commented on recent claims filed with the City and the Palm Springs Police Department.

CRAIG SCOTT, Palm Springs, commented on Item 3.A. regarding Medical Cannabis cultivation, and requested the City Council consider allowing cultivation outdoors.

KAY BUTLER, Palm Springs, commented on tennis programs for youth and requested the City Council consider a contribution of $5,000 for equipment.

ROBERT FINDLEY, Palm Springs, questioned what the City is doing for public safety and beautification of South Palm Springs, requested the City Council demolish the Magruder Chevrolet building.

JONATHAN FREEMAN, Palm Springs, requested the City Council demolish the Magruder Chevrolet building.

PAUL MERRITT, commented on a recent incident with the Palm Springs Police Department.

NIKOHL VANDEL, Palm Springs, commented on development, homeless, and tax breaks.

RICK PANTELE, commented on Item 3.B. regarding Medical Cannabis, and requested the closure of illegal collectives and mobile collectives.

ROBERT VAN ROO, commented on Item 3.B. regarding Medical Cannabis, stated Palm Springs Safe Access is now open for business, commented on the services, requested the City Council consider the economic benefits as a result of additional collectives.

DIANE BLASDEL, commented on Item 3.A., regarding medical cannabis, stated they are opposed to the number of permits, and stated support for cultivation.

JIM CAMPER, commented on Item 3.A., regarding medical cannabis, stated the new opportunities for locations are unfair to the existing permitted collectives, requested the City Council not approve two new permits.

TOM EVANSON, requested the City Council demolish the Magruder Chevrolet building.

JOY BROWN MEREDITH, requested the City Council consider funding public restrooms in the Downtown area, and provided an update on the activities of MainStreet.

WESLEY ROSS, commented on Item 5.A., and stated it is unfair for the City to bear the full cost to benefit the property owners.

ANDREW MILKS, commented on Item 3.A., regarding medical cannabis, requested Brown Dog Farms be considered for a new permit.

STEVE ROSENBERG, commented on Item 5.C. and the demolition of the former Magruder Chevrolet site.

COUNCILMEMBER COMMENTS:

Councilmember Foat commented on the recent CVAG meeting regarding CVLink, and requested the City Council consider forming a City Council Subcommittee regarding CVLink.

Councilmember Mills requested a map be included with formation of assessment districts.

CITY MANAGER'S REPORT: None.

2. CONSENT CALENDAR:

ACTION: Table the item. **By unanimous consent of the City Council (4-0), noting the absence of Mayor Pougnet.**

2.O. APPROVE EASEMENT AGREEMENT AND COVENANT WITH VILLAS DE LAS FLORES ASSOCIATION FOR THE MAINTENANCE OF CITY TREES ADJACENT TO VILLAS DE LAS FLORES CONDOMINIUM DEVELOPMENT:
Withdrawn from the Agenda at the request of Staff.

The City Council recessed at 7:51 .m.
The City Council reconvened at 7:55 p.m.

3. LEGISLATIVE:

3.A. AN ORDINANCE AMENDING SECTIONS 5.35.110 AND 5.35.120 OF, AND ADDING SUBSECTION C TO SECTION 5.35.340 OF, THE PALM SPRINGS MUNICIPAL CODE RELATING TO MEDICAL CANNABIS CULTIVATION AND INCREASING THE NUMBER OF PERMITTED MEDICAL CANNABIS COOPERATIVES OR COLLECTIVES FROM FOUR (4) TO SIX (6):
City Attorney Holland provided background information as outlined in the Staff Report dated June 3, 2015.

Councilmember Foat requested Staff address if the ordinance applies to permitted facilities in other cities and home grown medical cannabis.

Councilmember Hutcheson requested City Staff clarify if the City Council is required to use the existing list, stated his preference is to limit two permits to the existing applicants, and stated his support for two additional permits.

Councilmember Mills requested the City Council Subcommittee address the recommendation for two additional permits, stated he would not support the ordinance, requested the Subcommittee address outdoor cultivation, commented on the number of collectives needed to supply the City of Palm Springs.

Councilmember Foat commented on the public comments regarding the effects that two additional permits will have on the four permits issued, and stated her support for limiting consideration to applicants in the last process.

Mayor Pro Tem Lewin requested City Staff explain Section 5.35.040(C)(1), requested Staff affirm cultivation is limited to Palm Springs collectives, and questioned enforcement.

Councilmember Mills commented on the business licensing process for medical cannabis.

ACTION: 1) Waive the reading of the ordinance text in its entirety and introduce Ordinance No. 1879, "AN ORDINANCE OF THE CITY OF PALM SPRINGS, CALIFORNIA, AMENDING SECTIONS 5.35.110 AND 5.35.120 OF, AND ADDING SUBSECTION C TO SECTION 5.35.340 OF, THE PALM SPRINGS MUNICIPAL CODE RELATING TO MEDICAL CANNABIS CULTIVATION AND INCREASING THE NUMBER OF PERMITTED MEDICAL CANNABIS COOPERATIVES OR COLLECTIVES FROM FOUR (4) TO SIX (6);" *amending the second sentence of Section 5.35.340(c)(1) to read "Nothing in this Section shall prohibit two or more permitted MCCCs from operating or maintain such MCCF, "and Section 5.35.340(c)(2) to read "one hundred percent (100%) of all cannabis or marijuana cultivated at MCCF shall be distributed solely to one or more MCCFs permitted pursuant to the provisions of this Chapter;* and 2) Direct Staff regarding the City Council preference to limit consideration to the applicants in the last process. **Motion Councilmember Foat, seconded by Councilmember Hutcheson and carried 3-1 on a roll call vote.**

AYES:	Councilmember Foat, Councilmember Hutcheson, and Mayor Pro Tem Lewin.
NOES:	Councilmember Mills.
ABSENT:	Mayor Pougnet.

4. UNFINISHED BUSINESS: None.

5. NEW BUSINESS:

5.A. CITY HALL LANDSCAPE CONVERSION PROJECT (CP 15-04):

City Manager Ready provided background information as outlined in a PowerPoint presentation regarding RDA real property and incentive programs.

ACTION: Authorize the City Manager to enter into and execute a professional services agreement with the law firm of Kane, Ballmer and Berkman, of Los Angeles, California, to review the Property Disposition Plan and Redevelopment property transactions. A6715. **Motion Mayor Pro Tem Lewin, seconded by Councilmember Hutcheson and unanimously carried 4-0 on a roll call vote.**

AYES: Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, and Mayor Pro Tem Lewin.
NOES: None.
ABSENT: Mayor Pougnet.

ACTION: Authorize the City Manager to enter into and execute a professional services agreement with an appropriate accounting and auditing firm to audit the Incentive Grant Programs. A6712. **Motion Mayor Pro Tem Lewin, seconded by Councilmember Mills and unanimously carried 4-0 on a roll call vote.**

AYES: Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, and Mayor Pro Tem Lewin.
NOES: None.
ABSENT: Mayor Pougnet.

5.C. DISCUSSION ON POTENTIAL COSTS AND ALTERNATIVES FOR THE DEMOLITION OF THE FORMER MAC MAGRUDER CHEVROLET SITE LOCATED AT 999 SOUTH PALM CANYON DRIVE (ASSESSOR'S PARCEL NUMBER 513-250-014):

Marcus Fuller, Assistant City Manager/City Engineer, provided background information as outlined in the Staff Report dated June 3, 2015.

Mayor Pro Tem Lewin requested Staff address the difficulties with this property.

Councilmember Hutcheson requested Staff comment on the Security provided by the City, and the demands of the property owner.

Councilmember Mills requested the City Attorney address any possibility of the City placing a lien on the property, other legal actions the City could take, other reports and costs needed for demolition, questioned if the City could condition any future lessee for the costs.

Councilmember Foat requested Staff address the dust control issues that may arise if the pad is removed, and questioned if the City has talked directly to the Tribe.

Mayor Pro Tem Lewin commented on the differences between the Tribe and the allottees, stated his support for going out to bid and further dialog with the Tribe.

Councilmember Mills commented on the stabilization of the distributed soil when completed, and recommended the allottee will allow the City to repair any soil stabilization if necessary.

ACTION: Direct Staff to proceed with bidding of the demolition at an estimated cost of $300,000 with the approval of the City Council pursuant to Section 7.03.040(2)(a) of the Palm Springs Municipal Code, requiring the City Council approval and authorization to bid; and 2) Adopt Resolution No. 23836, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, AMENDING THE BUDGET FOR FISCAL YEAR 2014-15 TO PROVIDE INITIAL FUNDING FOR THE DEMOLITION OF MAGRUDER CHEVROLET BUILDING (CITY PROJECT NO. 15-19). **Motion Councilmember Foat, seconded by Mayor Pro Tem Lewin and unanimously carried 4-0 on a roll call vote.**

AYES: Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, and Mayor Pro Tem Lewin.
NOES: None.
ABSENT: Mayor Pougnet.

ROLL CALL:

PRESENT:	Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, Mayor Pro Tem Lewin, and Mayor Pougnet.
ABSENT:	None.
ALSO PRESENT:	City Manager Ready, City Attorney Holland, City Clerk Thompson.

PRESENTATIONS:

Mayor Pougnet provided an update on the Downtown Revitalization Project, the Buzz at Los Angeles Pride, Cooling Centers in the City of Palm Springs, requested Harold Matzner provide an update on the Palm Springs International Film Festival, and requested Josh Morgerman provide an update on the Buzz.

Councilmember Foat provided an update on animal adoptions at the Palm Springs Animal Shelter.

REPORT OF CLOSED SESSION:

The meeting was called to order at 4:30 p.m., and City Attorney Holland requested the City Council consider adding one item to the Closed Session Agenda, pursuant to Cal. Gov. Code Section 54956.9(a) Existing Litigation titled *City of Palm Springs as Successor Agency et al. v Ana Matosantos et al.*, Case No. 34-2013-80001440, Sacramento Superior Court, Sacramento Division, and stated he has received information regarding the case after the posting of the Agenda, and there is an immediate need to hear and/or take action.

ACTION: 1) Find the matter came to the attention of the City after the posting of the agenda and there is an immediate need to hear and/or take action; and 2) Add to the Closed Session Agenda, pursuant to Cal. Gov. Code Section 54956.9(a) one case of existing litigation titled *City of Palm Springs as Successor Agency et al. v Ana Matosantos et al.*, Case No. 34-2013-80001440, Sacramento Superior Court, Sacramento Division. **Motion Councilmember Foat, seconded by Mayor Pro Tem Lewin and unanimously carried (5-0).**

The City Council recessed into Closed Session to discuss items on the Closed Session Agenda. City Attorney Holland stated the City Council did not discuss the two property items on the Closed Session Agenda, and reported the City Council provided direction to Staff and the City Attorney, otherwise no reportable actions were taken.

ACCEPTANCE OF THE AGENDA:

City Clerk Thompson requested the City Council consider adding an Item to the Consent Calendar as Item 2.S. titled *APPROVAL OF TRACT MAP 36723 AND A SUBDIVISION IMPROVEMENT AGREEMENT WITH ALTA VERDE HOMES, LLC*, and stated the City received information regarding the imposed taxes after the posting of the agenda and there is an immediate need to hear and/or take action on the item as to not impose undue delay of the project.

Councilmember Mills stated he has a business related conflict of interest with respect to the proposed Item being considered, would not participate in the discussion and/or vote, stated if the Item is added to the Consent Calendar his business related absence/abstention, and left Council Chamber.

ACTION: 1) Find information regarding the Item was received after the posting of the agenda and there is an immediate need to hear and/or take action on the Item; and 2) Add to the Consent Calendar as Item 2.S. one item titled *APPROVAL OF TRACT MAP 36723 AND A SUBDIVISION IMPROVEMENT AGREEMENT WITH ALTA VERDE HOMES, LLC.* **Motion Mayor Pougnet, seconded by Mayor Pro Tem Lewin and unanimously carried 4-0 on a roll call vote.**

AYES: Councilmember Foat, Councilmember Hutcheson, Mayor Pro Tem Lewin, and Mayor Pougnet.
NOES: None.
ABSENT: Councilmember Mills.

Councilmember Mills returned to the dais.

Councilmember Foat requested Items 2.F., 2.H., and 2.Q. be removed from the Consent Calendar for separate discussion.

Councilmember Hutcheson requested Items 2.H., and 2.O. be removed from the Consent Calendar for separate discussion.

Councilmember Mills requested Items 2.M. be removed from the Consent Calendar for separate vote.

Mayor Pougnet noted his abstention on Item 2.B. for meeting minutes.

ACTION: Accept the Agenda as amended. **Motion Councilmember Hutcheson, seconded by Councilmember Mills and unanimously carried on a roll call vote.**

1. PUBLIC HEARINGS:

1.A. PUBLIC HEARING ON THE ADOPTION OF THE FISCAL YEAR 2015-16 BUDGET, ALLOCATED POSITIONS AND COMPENSATION PLAN, SUCCESSOR AGENCY ADMINISTRATIVE BUDGET, HOUSING SUCCESSOR AGENCY BUDGET, APPROPRIATIONS LIMIT, AND COMPREHENSIVE FEE SCHEDULE:

Mayor Pougnet opened the public hearing, and the following speakers addressed the City Council.

MARVIN ROOS, commented on the Comprehensive Fee Schedule and stated the documents should be designed in a way that is public friendly.

ERICA HARNIK and CLINT LORIMORE commented on the Comprehensive Fee Schedule and requested the City Council take no action on fees.

DEBORAH McCARREY, Palm Springs, Southern California Gas Co., commented on the Comprehensive Fee Schedule, and requested City Staff provide information to assist public utilities to pay the correct fee.

FRED BELL, commented on the Comprehensive Fee Schedule, and stated the materials are not easily comprehensible in the current format.

JOY BROWN MEREDITH, requested additional time for the citizens to review the budget in future years.

GRETCHEN GUTIERREZ, commented on the Comprehensive Fee schedule, and requested the City Council not take action on fees.

No further speakers coming forward, the public hearing was closed.

Mayor Pougnet requested City Staff address the timing and process for an increase in fees, and requested Staff address the amount of time the public had to review the fees.

Councilmember Foat commented on the preparation of the budget and the process, and recommend the City Council postpone action on the fee schedule.

Councilmember Hutcheson questioned the discretion of the City Council to set fees.

Councilmember Mills stated his support for the adoption of the fee schedule until further review by the industry, commented on the preparation of the Comprehensive Fee Schedule document, and requested Staff address discounted fees for multiple applications.

Mayor Pro Tem Lewin stated his support to move forward with fees, but review with the industry, and any amendments that may need addressing before the fees go into effect.

Mayor Pougnet requested Staff address if the City fees would be comparable to other Coachella Valley cities.

Councilmember Mills commented on the last time the City raised fees.

Councilmember Foat requested the City Manager provide additional information on positions, and stated her support for the Planning position.

Councilmember Mills commented on the long range planning position and stated his support for a consultant, and stated his support for an additional Code Enforcement Officer.

Councilmember Hutcheson stated his support for long range planning consultant, the Code Enforcement Officer and the Police Department Records Clerk, but delay new positions until later in the fiscal year.

Mayor Pro Tem Lewin questioned the increases in Staff as a result of the fees increases, and stated his support for delaying new positions for 90-days.

Councilmember Foat requested Staff address the current Planning Department staffing levels.

The City Council discussed funding of sponsorships and contributions.

Mayor Pougnet stated he has a business related conflict of interest with respect to funding the Palm Springs International Film Festival, would not participate in the discussion or the vote, and left Council Chamber.

ACTION: Fund the Palm Springs International Film Festival in the amount of $350,000 for Fiscal Year 2015-16. **Motion Councilmember Foat, seconded by Councilmember Hutcheson and unanimously carried 4-0 on a roll call vote.**

AYES: Councilmember Foat, Councilmember Hutcheson, Councilmember Mills, and Mayor Pro Tem Lewin.
NOES: None.
ABSENT: Mayor Pougnet.

Mayor Pougnet returned to the dais.

Councilmember Foat stated she has a business related conflict of interest with respect to funding the Mizell Senior Center, would not participate in the discussion or the vote, and left Council Chamber.

ACTION: Fund the Mizell Senior Center in the amount of $60,000 for Fiscal Year 2015-16. **Motion Mayor Pro Tem Lewin, seconded by Councilmember Hutcheson and unanimously carried 4-0 on a roll call vote.**

AYES: Councilmember Hutcheson, Councilmember Mills, Mayor Pro Tem Lewin, and Mayor Pougnet.
NOES: None.
ABSENT: Councilmember Foat.

Councilmember Foat returned to the dais.

ACTION: 1) Fund the Boys and Girls Club in the amount of $10,000; 2) Fund Black History Month events in the amount of $16,600; 3) Fund the 4th of July Event in the amount of $30,000; 4) Fund the Festival of Lights Parade in the amount of $30,000; 5) Fund the Palm Springs High School Homecoming Parade in the amount of $3,000; 6) Fund the Veteran's Day Parade in the amount $15,000; and 7) Fund the Mayor's Race and Wellness Festival in the amount of $50,000. **Motion Mayor Pro Tem Lewin, seconded by Councilmember Hutcheson and unanimously carried on a roll call vote, noting the abstention of Councilmember Mills on the Boys and Girls Club funding.**

ACTION: Fund the Well in the Desert in the amount of $24,000 for Fiscal Year 2015-16. **Motion Mayor Pro Tem Lewin, seconded by Mayor Pougnet and unanimously carried on a roll call vote.**

The City Council discussed the funding of Bike Weekend, and determined to continue the discussion of funding until additional information from Staff

was received regarding the recent events concerning similar events in other cities.

ACTION: Fund Modernism Week in the amount of $35,000 for Fiscal Year 2015-16. **Motion Mayor Pougnet, seconded by Mayor Pro Tem Lewin and carried 4-1 on a roll call vote.**

AYES: Councilmember Foat, Councilmember Mills, Mayor Pro Tem Lewin, and Mayor Pougnet.
NOES: Councilmember Hutcheson.

ACTION: Fund Opera in the Park in the amount of $6,000 for Fiscal Year 2015-16. **Motion Councilmember Mills, seconded by Mayor Pro Tem Lewin and unanimously carried on a roll call vote.**

5.B. APPROVAL OF THE CONCEPTUAL DESIGN FOR THE EVENT CENTER WITHIN BLOCK E OF THE DOWNTOWN REVITALIZATION PLAN ("DOWNTOWN PALM SPRINGS"), AND AUTHORIZATION TO PROCEED WITH DESIGN DEVELOPMENT, PREPARATION OF CONSTRUCTION DOCUMENTS, BIDDING SERVICES, AND CONSTRUCTION ADMINISTRATION (CP 15-07):
City Manager Ready and Marcus Fuller, Assistant City Manager, provided background information as outlined in the Staff Report dated June 17, 2015.

The City Council Subcommittee provided further information on the process, the completion schedule, the ad hoc committee, stated public hearings will be conducted for the design, the need to continue progress on the site, and recommended the Subcommittee be further defined as follows: two-members from the AAC, two-members from the Planning Commission, two-members from the City Council Subcommittee (Pougnet/Mills), two-members from the Art Museum and one-member from the Public Arts Commission.

The City Council discussed and/or commented on the following with respect to the project: substantial agreement this was a good starting point, that many public hearings will be scheduled throughout the process, the incorporation of public art, fencing or non-fencing the site, providing shade at the site, the view corridor to the Museum, progress with obtaining a Marilyn sculpture, the qualification of the firms selected, approval of the contract, the terms of the contracts including the phasing provisions, the make-up of the Subcommittee, and providing routine updates at City Council meetings.

ACTION: 1) Approve the conceptual design for the Event Center space located in Block E of the Downtown Revitalization Plan ("Downtown Palm Springs"); 2) Approve a Professional Services Agreement with the City's "On-Call" Architect, Urrutia A.I.A. and Associates, Inc., dba Urrutia Architects, in the amount of $396,575 for architectural design services for the Downtown Event Center, City Project No. 15-07; 3) Approve a Professional Services Agreement with the City's "On-Call" Civil Engineer, MSA Consulting, Inc., in the amount of $170,700 for civil engineering design services for the Downtown Event Center, City Project No. 15-07; 4) In accordance with Section 7.04.030 of the Palm Springs Municipal Code, determine that RGA Landscape Architects, Inc., and MRC Engineering, Inc., due to their experience demonstrated in prior contracts with the City, are uniquely qualified to provide landscape architectural

design services and electrical engineering design services for the Downtown Event Center, City Project No. 15-07; 5) Approve a Professional Services Agreement with RGA Landscape Architects, Inc., in the amount of $86,800 for landscape architectural design services for the Downtown Event Center, City Project No. 15-07; 6) Approve a Professional Services Agreement with MRC Engineering, Inc., in the amount of $30,000 for electrical engineering design services for the Downtown Event Center, City Project No. 15-07; 7) Request an Ad-Hoc Committee consisting of two-members from the Architectural Advisory Committee, two-members from the Planning Commission, two-members from the Palm Springs Art Museum, one-member from the Public Arts Commission, and the City Council Sub-Committee (Pougnet/Mills) to participate as an Architectural Review Committee for the Downtown Event Center, City Project No. 15-07; and 8) Authorize the City Manager to execute all necessary documents. A6720. A6721. A6722. A6723. **Motion Councilmember Mills, seconded by Mayor Pougnet and carried 4-1 on a roll call vote.**

AYES: Councilmember Hutcheson, Councilmember Mills, Mayor Pro Tem Lewin, and Mayor Pougnet.
NOES: Councilmember Foat.

5.C. PROPOSED RESOLUTION ACTING SOLELY IN ITS CAPACITY AS HOUSING SUCCESSOR AGENCY, APPROVING REPAYMENTS TO THE GENERAL FUND TOWARD A LOAN MADE BY THE CITY OF PALM SPRINGS IN THE AMOUNT OF $1,500,000:
City Manager Ready and City Attorney Holland provided background information as outlined in the Staff Report dated June 17, 2015.

ACTION: Adopt Resolution No. 23846, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, ACTING SOLELY IN ITS CAPACITY AS HOUSING SUCCESSOR AGENCY, APPROVING REPAYMENTS TOWARD A LOAN MADE BY THE CITY OF PALM SPRINGS IN THE AMOUNT OF $1,500,000." **Motion Councilmember Hutcheson, seconded by Councilmember Mills and unanimously carried on a roll call vote.**

5.D. APPOINTMENT OF VARIOUS COMMISSIONERS AND BOARD MEMBERS AS PART OF THE 2015 ANNUAL RECRUITMENT PROCESS:
ACTION: 1) Reappoint Brian Wachs and Bruce Bushore to the Palm Springs International Airport Commission for the term ending June 30, 2018; 2) Appoint Allison Jones and W. Henry Hampton to the Palm Springs International Airport Commission for the term ending June 30, 2018; 3) Reappoint Linda Futterer and Ron Willison to the Board of Library Trustees for the term ending June 30, 2018; 4) Reappoint

Nancy Stuart and Jerry Ogburn to the Mt. San Jacinto Winter Park Authority for the term ending September 19, 2019; 5) Appoint Mara Gladstone to the Public Arts Commission for the term ending June 30, 2018; 6) Reappoint Dave Darrin, Carol Davis and Jeff Conwell to the Parks and Recreation Commission for the term ending June 30, 2018; and 7) Appoint Alison Elsner to the Parks and Recreation Commission for the term ending June 30, 2017. **Motion Mayor Pro Tem Lewin, seconded by Councilmember Hutcheson and unanimously carried on a roll call vote.**

COUNCILMEMBER COMMENTS, REQUESTS, AND REPORTS:

Councilmember Lewin commented on the passing of the budget, and thanked all the Commissioners and Boardmembers for all the volunteer service they provide to the City Council and the citizens of the City of Palm Springs.

Mayor Pougnet commented on the scheduling of the 2016 Mayor's Race and Wellness Festival.

ADJOURNMENT: The City Council adjourned at 11:00 p.m. to Wednesday, July 1, 2015, at 6:00 p.m. Council Chamber, City Hall, preceded by Closed Session, Small Conference Room, City Hall, 3200 East Tahquitz Canyon Way, Palm Springs.

APPROVED BY A MOTION OF THE PALM SPRINGS CITY COUNCIL THIS 1ST DAY OF JULY, 2015.

STEPHEN P. POUGNET, MAYOR

ATTEST:

JAMES THOMPSON, CITY CLERK

>
> Hi Mayor,
>
> I hope you are having a great summer - you gave us some homework, which was to list our goals for the city manager. So here are mine:
>
> 1) Hire a 2nd in command that can expedite Measure J projects and other city initiatives
>
> 2) Expand marketing, funding and awareness of the Film Friendly Program
>
> 3) Complete Water Conservation Initiative
>
> 4) Fast Track the NMTP implementation - it is taking too long and our allies are now getting kind of restive/angry
>
> 5) Develop a policy on renters' relocation assistance exclusively for when apartments are converted to condominiums which then displace the residents.
>
> 6) Get Planning Department to study the Urban Heat Island effect and bring forward building and design codes that better address global climate change — Phoenix Arizona is a great place to start
>
> 7) Complete sidewalks for E. Palm Canyon Drive on at least one side of the street between Sunrise and S. Palm Canyon (it's a hazardous place and many people walk in the desert lots - which are totally inaccessible for handicapped people).
>
> 8) Make major investments to the PD HQ - it's been 3 years since Measure J passed and really very little has been invested. I'd personally like to see a redesigned lobby with safety glass, and

all of our cars should be equipped with dashboard cameras if they are not already.

9) Make a concerted effort to get more county funding for mental health, drug treatment & homelessness. This may be more of a council action, but I am getting the sense that Palm Springs is really suffering under the weight of its growing homeless population and the county needs to invest more. It kind of bugs me that we are left to deal with it without enough resources. I don't know the solution, but maybe the county could fund a few outreach workers to accompany Baron Layne? Or something similar. Perhaps Ginny knows the answer but more resources seem to be warranted

10) Study and perhaps revise zoning for North Palm Springs area - generally, North Indian above Vista Chino going up to the freeway. Is there a place for higher density housing going north? Light industry? Different uses such as a distillery district? I'm not sure, but I do wonder if some kind of zoning changes would spur private investment… It seems to be the one area where we could allow high rise condos to be built without objections from neighbors. It would be nice to have that entrance from I-10 to look better

Best regards,

Paul

Subject: City Manager Goals

1. Analyze staffing of Planning and Building and increase staff for both departments. Automate permitting and other procedures
2. Hire an experienced Assistant City Manager.
3. Develop a system similar to the City App where we can submit problems, issues, requests and then see the progress. Many times we call David or mention an item at Council and ask him to look into something since we are not encouraged to deal directly with staff. He could refer it to the appropriate staff member and request that they submit solution, answer, suggestion on this online portal. I would not see this necessarily as a public portal.
4. Complete renovation and repair of tree wells.
5. Complete installation of decorative light fixtures.
6. Hire a time management firm to analyze and improve the unbelievable amount of time it takes to take a project from beginning to end. Not accept the bureaucratic answer that it takes that long for the process.

Subject: priorities

Hi Steve,

Congratulations on Chino Cone!

Hope you guys are having a good Summer. Been busy here in Des Moines, back to PS every other week...

My priorities, starting with most important:

- Downtown -- something vertical from Wessman on the old FP site

- new hotels -- at least one vertical

- Parks -- finalizing selection of area for new soccer park

- Speedy implementation of street repairs (done in logical areas vs. snippets here & there), bike paths done at same time

- PS Mall, COD & Library renovation - some movement

- tennis center - finalize land acquisition from school district

- Smart & speedy implementation of NMTP (meaning coordination with DWA/utility companies and street repairs)

- sphere of influence. Be ready in light of DHS issues.

Also -- would just as soon this didn't come from me, but DR needs to implement the vacation rental ordinance revisions effectively, in order to preserve the $4.1 million annually-and-climbing general fund revenue. Suggest you speak with Lisa Middleton about this if you haven't spoken with her recently.

Rick

City Manager Goals Update
City Council Review - June 18, 2014

1. Additional approaches to improve the cleanliness/aesthetics in Downtown and the Uptown Design District.

The downtown maintenance crew reorganization has been finalized with their separation from the Street Department. Patrick Sweeny is now leading the Maintenance and Facilities Department over all City maintenance functions, and Heather MacPhearson has been promoted to Downtown Supervisor. They have reworked the daily and weekly cleaning/maintenance schedule with special focus on benches, trash receptacles, etc., and continue to make refinements for both the uptown and downtown areas, including up to Vista Chino.

The final component – transition from the Canyon Commercial contract – will be two agreements with Mainstreet and the Chamber of Commerce (under $20,000 each) for liaison/inspection/feedback services. Mainstreet will participate and lead the "weekly walk tour" of uptown and downtown to identify maintenance/cleaning issues, monitor Villagefest activity, participate in SEPT meetings to keep merchants informed of events, and provide general and targeted liaison communication services with business owners.

The Chamber of Commerce will also provide business liaison services, however, their focus will include the visitor experience "on the ground" during evenings and on weekends. They will be providing feedback on all aspects of the downtown and uptown experience, ranging from issues that arise from parking (e.g. valet's illegally using the parking structure, or improperly "coned off" spaces) to inoperable lighting, etc. This feedback – during hours when staff is not working – will be extremely helpful for guiding maintenance and code enforcement efforts.

2. Focus on improvements for Demuth Park – maintenance, and development of revenues producing events.

Maintenance efforts at Demuth Park have been reviewed and modified under the new organizational structure (Maintenance and Facilities Department. New LED lighting has improved the restroom area, and a burglar alarm system has been installed at the concession stand to address criminal activity that had occurred. Also, Measure J projects in the process of implementation include security cameras at the restrooms, and improved parking lot lighting.

With the finalization of the Parks Master Plan – efforts to increase the capacity for revenue producing events may be possible, particularly if a soccer field project can be completed in the next few years.

3. *Develop an RFP for solar installation for at least five city facilities*

The NAM solar feasibility study is now complete and per Council direction we are moving forward with an RFP for solar installation at possibly 11 facilities. Also, the Sentinel Power Plant/AQMD Mitigation Grant will provide solar at 4 additional facilities. Council will be reviewing both projects at the meeting of June 18th.

4. *Information technology strategic plan for the City (on-line payments, social media, i-pads, increased "virtual city hall" web-based opportunities, new video equipment for Council Chambers)*

Three specific items toward this goal include, revision to the City Web-Site expected to be complete by October, the "At Your Service" smartphone app for citizens to report problems directly to the City and "on-line" renewals of business licenses. Also, as you are aware, I-pads are now available for the Council agendas. With regard to video equipment in the Council Chambers, a consulting firm's agreement for RFP design configuration will be on your agenda July 2nd.

With regard to "social media" we have not dedicated staff time for continuous efforts here, however, the City does have a Facebook page that is updated by Amy Blaisdell. Also, Tourism has an active Facebook page and Twitter account.

5. *Implementation of possible elements of the "Non-Motorized Transportation Plan"*

In addition to the previous non-motorized transportation studies, and based upon Council's direction, we requested a consultant (Ryan Snyder) to review all City streets – and provide guidance on how to make the entire City "bike friendly." The Sustainability Commission and their Sub-Committee has taken this report and recommended a specific three year implementation plan which Council approved and gave guidance on a multi-year funding proposal for the Measure J Commission. Your recent direction will result in a $3 million capital investment over three years.

As Council moves forward with additional street resurfacing over the next few years, all work will be designed and constructed in accordance with the NMTP and Snyder report.

6. *Downtown palm tree lighting/holiday lighting*

The Chevron project, previously approved by City Council is addressing the palm tree lighting and will be completed by mid August. Also, your approval of a $900,000 Measure J project to address "electrical backbone" infrastructure is currently in the design phase and will be completed in the next two to three months. Construction may have to occur next summer to avoid interruptions to Palm Canyon during next season.

Also, you may recall, Council suggested that new holiday lights be postponed until the Downtown Palm Springs Project is nearer to completion and the electrical infrastructure improvements are finalized.

7. Trolley shuttle service proposal

The trolley project has been under review for the last year – it is a complicated project with several challenges to work through (cost, equipment, marketing, participation, routes, etc.). Your staff has done a great job working with stakeholders to address these challenges – and with Council Sub-Committee guidance, the contract commencing a pilot project is on your meeting agenda June 18th.

8. Chevron project implementation

Implementation is well underway with the irrigation portion almost complete. The lighting elements are approximately 90% complete, and new equipment replacing the "decommissioned co-gen plant at Sunrise Park was completed six months ahead of schedule. The remaining City Hall "Muni-plant co-gen" replacement is on schedule with an anticipated completion (equipment order lead time and construction) of approximately eight months.

9. New Fire Station – site selection and project launch

The site originally favored by the Fire Chief was a parcel of land that was not "fee" and Council preferred we look to alternate locations. A new site has been identified; however the parcel size and shape may not be conducive for a Fire Station. An architectural site assessment has been prepared – with a preliminary report being reviewed by the Chief. We will be returning to Council in Closed Session under "property negotiations" for further direction.

10. Medical Marijuana Tax – ballot initiative

Complete!

11. Welwood Murray Library project completion and commence operations

The construction contract has been approved by City Council, with work to be complete before the end of the year (estimate is November). Staff is preparing for operations to commence at the earliest possible date after construction is complete.

February 05, 2008

Michael Braun, Vice-President
Wessman Development Company
300 S. Palm Canyon Dr.
Palm Springs, CA 92262

Re: Submission Date for Museum Market Plaza Specific Plan

Dear Mr. Braun:

Having received a copy of your letter to our City Attorney, dated January 29, 2008, and given the importance of your property and its redevelopment to the future of our downtown, as members of the "Desert Fashion Plaza Council Subcommittee," we wanted to respond directly to you and Mr. Wessman.

First, your assertion that Wessman Development Company did not commit to a February 15, 2008 delivery date of the Museum Market Plaza Specific Plan is not consistent with representations made to the Council Subcommittee and staff during a series of meetings which have taken place over the past several weeks. Specifically, on December 3, 2007, at a meeting in City Hall, Mr. Wessman stated to a roomful of people, including the both of us, that the Specific Plan would be submitted by February 15, 2008. Moreover, you were also present, Michael.

This date was also confirmed in a meeting on December 18th when you met with City staff regarding this project.

Michael, as you and Mr. Wessman are aware, the City has indicated a willingness to make a significant commitment to a dynamic, vibrant, downtown renaissance when it adopted its redevelopment plans for the Downtown. This commitment was renewed with the City's adoption of its new General Plan, the Downtown Development Guidelines, and the Design for Development. Clearly, Wessman Development, as a major downtown property owner, has been closely involved with these processes and keenly aware of the information in each document. Further, the City has worked with your company and its representatives, including

Mr. Wessman, during countless meetings over the past four years in an effort to further the redevelopment of the former Desert Fashion Plaza – that commitment from the City has not waned.

Yet, the Desert Fashion Plaza, under the Wessman Company's stewardship, remains not merely under-utilized; it has been poorly maintained and remains a blighted eyesore, creating an economic maelstrom that is draining the vitality of our downtown. The Wessman Company, as a corporate citizen of the city and owner of this significant property, surely acknowledges its responsibilities to its neighboring property owners, businesses, merchants and all Palm Springs residents and tourists who are affected by the project's continual lack of progress.

As members of the Council Subcommittee, we are personally disappointed that we are facing, yet again, another Wessman Company delay in moving this project forward. Nevertheless, we will rely on your promise that you anticipate submitting the specific plan to the City "by the end of April, at the very latest." As such, we have directed staff to schedule and notice a joint meeting of the City Council and the Planning Commission for April 30, 2008, to receive your submission and provide the public a preview of the draft specific plan.

We continue to look forward to your submission of a specific plan that is not only consistent with the adopted plans and policies of Palm Springs, but that furthers the vision of the Council and our community for a vibrant, restored downtown that we can all be proud of for many years to come.

Very truly yours,

Steve Pougnet,
Mayor

Christopher Mills,
Councilmember

This is an email I am sending to John...

John,

I wanted to give you some feedback from my New York and San Francisco meetings. The GREAT news is the project is on everyone's radar! (the last 2 years work of hitting the road is finally paying off!!).People are excited and are aware that Palm Springs is back with fervor!

However.....the consistent feedback on the new plan is not going well

for leasing efforts on a National Basis. Tenants look at this as a

"PROJECT", not as a street deal. They like the cohesiveness of pulling

the city together and creating connectivity to the Museum, the hotels and

the event space. They feel the overall success of the project includes

the whole not the pieces, so to speak.

National tenants will not do a DUAL entrance under any circumstances.

There is way to much theft out their back door. The back area will be back

of space, office and delivery.

That said, as the plan sits today, all tenants on Market will be looking

into the rear of space of the tenants on Palm Canyon. The space will have

no energy, no back and forth shopping experience for the customer, no

connectivity. I know that you mentioned you can lease to locals. Here

are my thoughts. First of all

why would you want to take the hit on the

credit of local tenants in this space. My sense is due to the lack of

energy and connecitivty to the remainder of the center, they will

ultimately die. But bigger than that is the discussion of what national

tenant credit does for your value. I would love to share the story of the

last project I did similar to this in Atlanta. Had similar conversations

with the developer as we are having , but was able to convince them to do

the "right" thing for the overall project. They just sold the project for

a 3 CAP...(YES..TRUTH) and I would be happy to put you in touch with the

developer.

This project is not about the pieces, it is about the WHOLE. The right

retail space will only make your residentail and office that much more

attractive. To move into a project that

would have vacancy correlates to

something that is not appealing which affects rents and long term yields.

I gave some serious thought to any project aroudn the country that I have

seen that fronts rear of space, and I could not come up with any.....

Would love to discuss this in further detail.

Good Morning Elly.

Thank you for staying on top of this and our appreciation to Mr. Wessman for accepting our invitation.

I will forward all the pertinent details to you in the next day or so, and if you would like we will be more than happy to take care of the details for Steve Pougnet, just let me know.

Have a good Monday.

Rick

Good Morning Rick,

Mr. Wessman accepts your invitation to speak. He would also like to request that Mayor Pougnet be present since it's a public/private partnership and should make it more interesting for the audience. We will check the Mayors schedule but are quite confident he will make himself available. Please let me know if this is acceptable.

Thanks,

Elly

Michael,

We should touch base on this issue.. It is just a thought ... Perhaps we could do something by the statues of John and myself ! (kidding) at the very least. I would like to put you in touch with Molly.....sept . 11th memorial not a bad idea, just not sure where in town it should go.... By the way, I here that CPK's business is already up due to Marilyn!!

Hi Mayor Steve,

It just dawned on me that if the Marilyn Monroe statue will be here through 2013, your race will go right by it next year! That would be a great photo spot to have them set up. If the photographer is down low enough, he can catch the runners go by with the statue in th background. You may even want to use a staged picture in the advertising???

Also, I'd mentioned last December (?) that I'd like to see if John Wessman would be interested in putting a 9-11 memorial somewhere in the new construction. Could you possibly introduce me to him so I can make that suggestion? I have $5,000 in an account held by the school district earmarked for the 9-11 memorial.

Thanks, Mayor--
Molly

> You may want to consider distances. If your goal is to attract as many

runners as possible, a more popular distance, such as a 10K, may attract more runners who like to be able to compare times. But, the 5.5 would be your own brand and you could start a new mid-distance course. Regardless of which you choose, you might also want to include an optional 5K. As you know, lots of runners love that distance and most newbies and walkers feel confident they could complete a 5K but might be intimidated to go the further distance. It would be simple to incorporate 2 distances--we just make the turn-around for the shorter distance earlier and we'll share the same finsih line.

> he reconstruction of the old Palm Springs Fashion Plaza by the Wessman Corporation. The city of Palm Springs recently gave the Wessman Development Corporation $43 million of our sales tax money. Money that Latino Books Y Mas bookstore helped generate. Now that the Wessman corporation has their money it appears that our independent, mom and pop bookstore, the last general bookstore in Palm Springs is going to be the first casualty of progress and greed. Today we received a letter from Wessman's lawyer telling us that we have to vacate our store by the middle of next month. The last independent bookstore in Palm Springs has to shut down and all because of greed. Last week at their request we met with them and presented a buyout offer since we have a lease until 2015. We felt that the offer we presented was fair and just. The Wessman Corporation owns half of Palm Springs and they could not, would not, come to terms with us. We could not come to an amicable agreement. They lawyered up and are using eminent domain as a way to get us out to unilaterally breach the contract. They feel that they can intimidate us. Why am I writing this, because we need your help! I am not sure how you fight a Goliath with very deep money pockets. But we are not going to give up. Please help us in any way that you can. Write or call the officials of the City of Palm Springs, call the Desert Sun, call the TV stations, call the Wessman Corporation, but please help us.

>
> Steve,
>
> Thank you for responding to me. If the design you are referring to is the one originally proposed by Mark Rios during the study vignettes, then yes the new proposed perspectives are considerably worse Steve... in very basic massing, context and scale.... not even taking into consideration what you or anyone else would consider "architecture". The project as it stands today so far fails in its design and scale and is clearly not being steered in the "right direction" or I would not be even be bothering to write to you.
>
> It will take a model so you and our community can understand what is going on and am befuddled why this has never been provided as it may help to clear up many citizens concerns....
>
> You need to know I am 100% supportive of this project and am not one to complain and am more than just 1 of the 47,000 citizens you represent, I am also currently the senior government planner/architect for the largest development projects in the country for the Department of Veterans Affairs, past comprehensive work with Los Angeles County, Cal Trans, Metrolink and UCLA and numerous large scale private development projects, so I do have a 30 year understanding and familiarity with this very type of project and do have a comprehensive background of process, contracting and design..... and trust me Steve, from what I have seen so far this project, it falls far short of minimum industry standard in process, planning and design. A project of this importance and magnitude in this relatively small town especially needs to follow industries best practice, and this project is clearly not doing that. There seems to be a lack of transparency to the people that are paying for this project.
>
> I urge you to please at the very least require Mr. Wessman to create a model with street sight lines and view vectors to adjacent buildings and mountains..... it will make a huge difference to everyone and this technology is now commonplace, extremely minimal in cost and will help everyone (all 47,000) to have a much better understanding of what is going on,(including

yourself) with respect to the scale and massing and then be able to thoroughly study architectural elements including shading at a minimum (this has been done on every single project I have worked on for the last 15 years !)..... and make prudent decisions on this project. It is vitally important at this juncture as we are clearly lacking transparency and trust on this project and quickly losing the confidence of your constituents and neighborhood groups that have been very supportive of you up until this point (me included!)..... face it, the renderings are not very good at all.

Unless this project follows some kind of cohesive design process, including providing at least a model.... it is going to continue to be extremely problematic and under tremendous scrutiny by the taxpayers/constituents of PS..... with a potentially disasterous final product..... all this and unhappy citizens do not make for a great tourist destination.

I am sure you do not want this for the city we both love and call our home..... well neither do all of the 47,000 people you represent.

John,

Thanks for your email. Clearly, I disagree with most of your comments , especially " lashing out by the Mayor "
I represent you and 46,000 other residents, and we don't always agree... And as everyone knows, I believe strongly that I am steering the City in the right direction.
You may not like the current architecture (which is not final) but if you truly believe that it is worse than what was presented during the 2011 election , I would be astounded to day the least ...

On Jul 10, 2014, at 7:04 PM, "john dozois" <jcdozois@hotmail.com> wrote:

Dear Mayor Pougnet, City Council Members and Planning Commissioners:

Palm Springs is one of those rare wonderful places that has an almost magical feeling with its beautiful scenery, incredible homes and great architecture. The future of the new development in the middle of OUR Downtown and Palm Springs has an incredible opportunity to further enhance what we have become known for especially as the Modernism Week event keeps attracting worldwide recognition. This project is vital for our future.

I've been coming to Palm Springs from West Hollywood for over 30 years and I have owned my mid-century home in south Palm Springs for over 12 years. Up until this point, I have really enjoyed and supported everything about Palm Springs, but not any more....

I am deeply troubled over the redevelopment of Desert Fashion Plaza in the very heart of our business district and its impact on the future of Palm Springs. It has been made very clear to me that John Wessman/Wessman Development has complete autonomy (using my hard earned taxpayer money) to do anything they want. God forbid if anyone questions, asks for accountability or inquires for a better project or you put yourself at risk for public humiliation/lashing by our own mayor or worse by Mr. Wessman himself. I find this all very disturbing.

After consistently watching the Council and Planning meetings and seeing the awful ever changing renderings (with no model) that are progressively getting worse by the minute. The information that has been disseminated to the public about the plans are minimal. The designs and renderings keep changing and there has been no model, massing or shading studies or contextual studies with the surrounding buildings. Bottom line, WE are allowing this project to progress into a joke and worse a slap in the face to taxpayers.

Projects need to be approved *after* the design is finalized. Models are built. Animated video is produced to put the project in context. Page after page of renderings are produced to show every detail, including shading, landscaping, articulation, parking, pedestrian amenities, public art, etc. While some details may change after approval, they are generally small or immaterial and if a major change is proposed, it has to go back to the Planning Commission and/or City Council for approval.

Since the City Of Palm Springs is now a vested major financial player in this public/private development, it's the job of the City to demand the best possible project for the taxpayers..... yes, looking out for your constituents!

So far, that hasn't happened and I beg you to do your best to put this project back on track.

Sincerely,

John Dozois

Michael,

No need to have lunch if Kimpton can't be there. Breakfast was for West Elm, and the lunch for Kimpton (since you said they didn't want to do a breakfast with the hospitality industry ...

Please explain, something seems really wrong here ?

And , how is the lease coming with West Elm?

I do not believe this is correct. There should be two of the top executives from the Kimpton Hotel. The lunch is for them.
